Most Residents Would Favor Lindsay

While residents of Hicksville obviously cannot vote in the upcoming New York City mayoralty election, they have a vital interest in what goes on in the big town. When asked during the month of June for their choice in what at that time shaped up as a Wagner-Lindsay battle, 20.4 percent voted for Mayor Wagner and 69.0 percent indicated their preference for Congressman Lindsay with 10.6 percent who were undecided. In announcing the results of the Meadow Brook National Bank's Community Opinion Poll for the month of June, Jirah Cole, manager of the Hicksville office of the Bank said the Poll would probably repeat the mayoralty question when a new Democratic candidate has been selected to replace Mayor Wagner who withdrew from the race after the June balloting had been launched.

In other questions asked, local residents strongly urged the lifting of the earnings limitations on persons over 65 who receive Social Security payments; they would like to see the steering device in automobiles made easier and more as the traditional choice of a vacation time.

The vote on the question regarding earnings and social security showed 78.5 percent in favor of lifting all earnings restrictions, 14.2 percent opposed the idea and 6.3 percent opposed this idea and 6.3 an additional cost of \$100, 52.2 percent were interested in an easier and safer auto steering device, 43.4 percent were not interested and 6.4 percent were undecided. Finally, a summer vacation was preferred by 68.4 percent of the respondents; a winter vacation by 23.2 percent and 6.4 percent couldn't choose between them.

Haypath Rd. Under Construction

The Town Board has directed the contractor to complete the resurfacing of Hay Path Road in Bethpage and Old Bethpage on or before July 27, it was announced by Councilman Edward J. Poulos, Board Majority Leader.

The job is being done by Amfar Asphalt Corporation of Kings Park at its competitive low bid price of \$12,822. The improved area will extend from Round Swamp Road to Farmers Avenue, a distance of 2400 feet maintaining the present 30 foot width. Surfacing will be black top.

The project was advocated on the Town Board by Councilman Edmund A. Ocker and Louis A. Sisia. It was recommended by Highway Superintendent Norman T. Wolf.

H. Johnson Named New Board Pres.

The Hicksville Board of Education elected Herbert Johnson as President at its annual reorganization meeting on Tuesday evening. Johnson succeeds George Kum as president of the Board. Mr. Kum was defeated in his bid for re-election.

Other officers are George A. Jackson, Vice Pres.; Irvin Lawrence, secretary; Fred Noeth, district clerk; Herbert Beckman,

Treas.; Joseph Catalano, attorney; and Herbert Purick, auditor.

Two new Board members were seated at the meeting - James Anderson and Marvin Goldberg.

Library Board Cuts Services

Due to two budget defeats suffered by the library this year the services offered must be drastically curtailed. The following revisions in our program are effective immediately.

(a) Beginning Tuesday, July 20, the library will close at 6 p.m. on Tuesdays and Thursdays.

(b) No programs of a special nature involving extra expense such as films, painting classes, concerts or lectures will be offered this year.

(c) The book budget has been reduced by about 22 per cent. This will have an effect on the number of current books purchased and if expected there will be a longer waiting period for reserves.

(d) Some new phonograph records will be purchased, but the allotment is to be cut by 70 per cent.

Other cuts will affect services in the area of new equipment for the children's library reference personnel and books bound. This decision was made most regrettably but the added responsibilities of servicing and maintaining a new extension leaves us no choice. The library must operate on last year's budget, which is \$35,000 less than the budget requested for next year's operation.

In recognition of his leadership, military bearing, and training proficiency, Private Richard H. DaCosta, son of Mr. and Mrs. Joseph

R. Da Costa of tenth St., Hicksville, was selected as "Outstanding Trainee" of his basic training unit at Fort Jackson, South Carolina.

Private DaCosta was chosen for this honor from approximately 200 fellow trainees of Company C, 3rd Battalion, 1st Training Brigade, for his exemplary performance.

Manetto Hill Lodge and Chapter B'nai B'Rith, Plainview and Old Bethpage had its annual dinner

this week and awarded prizes to the winners of the Annual Brotherhood Essay Contest.

Between The Lines

Rumors are that IRENE MURPHY will resign as postmaster in Hicksville by July 16. ED QUINN is strong contender for position ... Also ED GIANELLI.

TOWN HALL tells us that the stretch along Lee Ave. without sidewalks will have to remain that way unless someone gets up a petition that it is against public safety. There is no blanket rule requiring sidewalks in Oyster Bay Township.

Congratulations to FRED NOETH and SHEILLA HOGL on their recent vows of matrimony.

Congressman LESTER WOLFE announced the approval of an Air Force Contract to Teller Signal Corp., Hicksville, for 1 million,470

thousand dollars for production of air-ground communication equipment. Work will be done in Hicksville.

HUNTER LANE has had several mishaps, LOU BRILL had an accident with his Handa and broke his shoulder bone. CARL SAKOFS broke his wrist and not to be left out JERRY FELDMAN broke two ribs.

JEWEL OLETSKY and BARRY SIMMONS both of Hicksville will be wed on July 4 at the Huntington Town House.

ALICE MARKHAM of Hicksville and JON FISHER of Syosset have set their wedding date for November.

Patricia Mangan, daughter of Mr. and Mrs. Frank Mangan of Bay Ave. Hicksville was married to William Hayden of Centerport on

June 26. The wedding took place at St. Ignatius Church Hicksville. Miss Mangan teaches in the Uniondale schools.

THINKING IT OVER

By Robert L. Morgan

"We the undersigned L. I. Public School teachers deplore—question urge and protest—the war in Viet Nam" And this is the general idea of what an ad on June 25 paid for by a number of teachers in this area said.

The ad bore the address of a P.O. box in Hicksville and the names of some people who are influential in educational groups in Hicksville and some recognizable names of teachers in Plainview and in Syosset as well.

Now we don't question the right of any individual to hold views on world affairs. This is a basic right. But one wonders by what reasoning teachers think that because they are teachers that they should exploit their professional status to impose their views on others. Do the teachers feel that they can delude the people into believing that they have some special knowledge or insight that other people do not

profess to have? Do they think because parents have built up an aura about the needs of a public school education that they are the great oracles who can now dictate foreign policy because of their preferred status.

One wonders if these same teachers who are trying to delude the public into following their line of appeasement by newspaper ads would hesitate to inject their views and theories into classroom activities.

We doubt that teachers who would try to trade on their profession to put over a view would make much of a distinction.

The answer to these unabashed efforts to influence people on subjects that are far afield from their training is for boards of education to pass rules against teachers using the schools, their profession and the their ambitions.

Most Seafood Is High In Vitamins

By C. A. DEAN, M.D.

(Q) "Is seafood a good source of vitamins?" D.K.

Various types of fish are high in vitamins. For example, salmon, clams, oysters and tuna are a good source of riboflavin. A good source of niacinic acid is salmon, tuna, mackerel and halibut. Vitamin D is found in cod liver oil and halibut liver oil.

(Q) "A friend of mine wanted to give permission for a postmortem examination on one of his parents. However, he thought the funeral director would object and the funeral would cost more if it were performed. Do most morticians dislike this practice?" Mr. T.L.T.

Most morticians don't object to postmortem examinations. Many

help doctors to secure permissions for them.

(Q) "A friend has sciatica because of disc pressure on his sciatic nerve. He was in Europe last year and said foreign doctors gave vitamin B-12 for this condition. He tried it with no success. Is there any value in this type of treatment?" V.T.O.

There is no evidence that vitamin B-12 has any effect on the rate of regrowth or on the prevention or destruction of peripheral nerves. (The sciatic nerve is a peripheral nerve.) Vitamin B-12 has been used for many things, so I am not surprised that it was tried for a case such as you describe. Apparently, it is of no value for cases of sciatica.

Hospitals Or Bureaucratic Empires

By RUSSELL KIRK

ONE OF MICHIGAN'S BIGGEST political scandals of recent times concerns a state-authorized hospital network. Since several other states already have established, by legislation, similar "hospital authorities", and more states are considering such establishments, this case is worth national attention.

In Wayne and Washtenaw Counties one Kenneth W. Gremore over the past dozen years, has created a hospital empire, with nineteen communities committed by law to support his system out of public funds—in perpetuity. It is now revealed that Mr. Gremore has spent in the past decade, nearly \$187,000 "lobbying with booze, parties, champagne, and pizzas by the cartload." Several members of the Michigan legislature demand that Gremore's Peoples Community Hospital Authority (PCHA) be formally investigated.

Gremore's methods are described to this commentator by a Wayne County political leader. Backed by an act of the legislature, Gremore persuades cities and townships, to join his hospital empire—irrevocably. Then if these communities discover they aren't receiving sufficient hospital service for the very large sums they pay annually to the Peoples Community Hospital

Authority, it's just too bad: by law, they are required to pay their toll to PCHA until the Last Trump. Sometimes, though, Gremore has graciously offered to let complaining communities escape—if they pay PCHA a gigantic lump sum, in lieu of perpetual dues.

"Our city still is in the PCHA," my informant tells me, "and we shall pay our assessments to the end of time. We were finally given a hospital, because of the enormous political pressure we exerted on Gremore, but it doesn't change the basic flaw in the way the Hospital Authority is set up."

"Gremore is only a high school graduate, who conceived the idea of setting up a hospital authority, through legislative action. This was done; then he went around to various communities and sold the councils on joining the Authority.

Few councils understood what they were getting into, and naturally anyone who was against joining was put in the position of seeming to be indifferent to the public's good health and welfare. Once a city council joined, it had to pay its assessments, and it had no assurance that it would get a hospital within reasonable distance of its citizens. Our city had paid in about \$300,000, with not one bit of benefit from the Hospital Authority and this could have continued for-

ever, had we not succeeded in our pressure on PCHA and its political lobby.

"Gremore began with a salary of about \$10,000 but he has built it up to more than \$23,000, plus all sorts of fringe benefits. When he became head of the Authority, he knew nothing about running hospitals; whatever he knows, he has learned since his Authority was established. The state itself was utterly irresponsible to set up such an organization, and doubly so in allowing such a man to run it. The Authority is like a sovereign state within a state, running its own show."

Mr. Gremore argues that no matter how scandalous his lobbying in Lansing may seem, he gets results. This, comments my informant, "is on a par with Jimmy Hoffa's argument that whatever he does is justified because he gets such benefits for the Teamsters."

Increasingly, many Americans display a passion for gigantism. The results are especially distressing in the sensitive field of hospital care. This columnist has written twice before in recent weeks, we need to support locally controlled voluntary hospitals, on a humane scale, the alternative is expensive and impersonal medical bureaucracy, dominated by such operators as Gremore.

Braves Chalk Up Victory

The Bethpage Braves chalked up their first win in the Bethpage Little League "Farm" Tournament by turning back the Yankees 10-6. The Braves jumped out to a 6-0 lead in the first inning. Joe Branaccio relieved for the Yankees and held the Braves to 4 runs the rest of the way. In the bottom of the fifth the Yankees really had a rally going. Four runs were in and the Yanks had runners on first and second, one out, they attempted a double steal. Bill Blum the catcher threw the ball to second to get the runner standing up, the runner heading for third decided to go all the way, Steve Menna then threw a perfect throw back to Bill to complete a very unusual double play for boys of eight years of age. Jimmy Friedl went all the way for the Braves.

The Giants and Tigers locked horns in the battle for first place. The Tigers won 11-6. This game was a honey 3-2 until the fourth when the Tigers rang the bell 8 times for a 11-2 lead. The fighting Giants then scored four times and had two men on when the final out was made. Joe Magnani of the Tigers went all the way as did Bobby Filispone of the Giants. Bobby hit two homers and Ricky Frizalone

hit one. The big blow for the Tigers was Steve Love's single with the bases loaded coupled with Larry La Placa's homer.

Letters

Dear Editor:
I trust the voters of this district will keep in mind the fact that it was our Congressman, Lester Wolff, plus a few others, whose weakness under pressure has enabled the Administration to send \$37 million in aid to Nasser's United Arab Republic, starting June 22.

After the House had voted on

Jan. 26 to ban such aid, Wolff and his associates changed their minds and their votes, providing just enough of a voting margin in the House on Feb. 8 to permit such aid which is even now headed for Egypt.

Dictator Nasser should send Rep. Wolff a "thank-you" note.

And speaking of correspondence, this writer wrote Rep. Wolff on another public matter on Feb. 2,

1965, and has not yet received the courtesy of a reply.

Surely it is the duty of our elected officials to answer all correspondence from constituents. The interval between Feb. 2 and now is certainly sufficient for even a freshman congressman to catch up on his mail, especially when we taxpayers now give him \$88,000 yearly for just that purpose.

Where does natural hair beauty come from? Not one of us is born with beautiful hair. As a matter of fact we all start out in life bald as a billiard ball. But the ingredients of hair beauty are ingrained the day you first see the light of day. For example, the color of your hair is inherited. So is its texture and chemistry.

As we grow, the trillions of cells in our body produce the food our body converts into soft textured skin, glowing complexion, long tapering nails and beautiful hair. The cells and glands are our beauty factory and in their own magical way they perform miracles every day of our lives.

But, like all factories, the raw materials the body needs to function properly must be fed to it. Proper diet is important. So is exercise and a sound mental attitude. When it comes to hair, the care and attention you give it supplement nature's own gifts will determine the end result.

The color of your hair is predetermined, it's true, but in this one area, the ingenuity of man has improved on our natural inheritance to such an extent that hair coloring is as flexible and as changeable as a woman's whims. At VILU we select a hair color to conform to a mood, a style or even

BEAUTY SECRETS

a passing fancy. And when one of our trained specialists goes to work with her chemistry set, not one in a hundred can answer the question "does she or doesn't she" with complete assurance.

What about hair texture or structure. Whether you were born with straight hair, hair that just naturally curls or hair that grows like crab grass, your VILU beauty technician can shape it any way you want it. There is no new hair style that cannot be yours, thanks to the skill of your beauty operator. And our permanents and settings can keep it easily manageable for weeks supplemented only by your regular weekly visits.

There is no such thing as ugly, hopeless hair to a VILU specialist. An untrained, unsightly crop of hair is the result of neglect, not of nature's failure. For every girl who cries "I just can't do a thing with my hair", we will point to a hundred others whose hair is their crowning beauty. All of them started out with the same basic ingredients. The big difference lies in the failure of the one to take advantage of a vital beauty prerogative - a regular visit to a VILU Beauty Salon.

What nature forgot, VILU can restore. For questions on free consultations call or see Mr. Victor — OVI-8760-334 So. Broadway, Hicksville only...

Farm Tournament First Half

The first half of the Bethpage Farm Tournament was completed with the following results.

The Tigers won over the Yankees 9-2. Bernie Polkner pitched the first no hitter in the history of the Tournament. Bernie was a little wild and walked four Yankees. Larry LaPlaca single with loaded bases proved to be all the runs the Tigers needed. Walter Cicack and Jimmy Remsbecker played very well for the Yankees.

The Giants won their second in a row as Jackie Cassin and Bobby Filippone combined to hold the Eagles to 2 runs. With the score 5-2 and the Giants looking for a real big inning, Tony Alesci of the Eagles took a ground ball at second, stepped on second for a force and then threw a perfect strike to the catcher Wayne Sieben for a double play.

The Eagles came back Thursday to powder the unlucky Braves 11-2. The Eagles had a big second inning when the Braves pitcher loaded the bases via walks and Dick Hilton then unloaded one to clear the bases. Mike Agnoli pitched a steady game for the winners. Charlie Rezac's fine fielding and Bill Blum's two hits were the high spots for the Braves.

We're moving.
Come see our new home.

Soon we'll be all settled down in our new building, hoping you'll come to the housewarming Saturday, July 17th, and join us in a glass of sparkling champagne.

If there's anything you'd like to know or be shown, just ask.

Even if there isn't a thing we can tell you, come in anyway and make yourself at home.

And come with us for a ride in the Volkswagen you'd like to try: VW or Karmann Ghia Sedan or Convertible, VW Station Wagon, Kombi or Truck.

And certainly see our much enlarged service area with the work stalls and hoists it takes to keep the service as good as the car.

PBC Has Busy June

P.B.C.'s Busy JUNE

June 4th: The Hicksville unit of the P.B.C. paraded with the American Legion in their Convention Parade.

June 5th: Hicksville P.B.C. paraded with all the P.B.C. units for County Day. This was the 25th anniversary of P.B.C.

June 16th: On this evening there was an awards dinner of steak and french fried, served by members of the Ladies Auxiliary, at the American Legion Hall in Hicksville, for the winning Rifle and Bowling teams. The rifle team

placed third in Nassau County P.B.C. competition. The two boys who shot the highest score for Hicksville are Paul Spillane and Robert Webster. Bill Trainor of PBC gave out the trophies for the Rifle team. Later, trophies for bowling were presented by Andy Partyka from Woodbury Lanes, to the boys on the winning bowling team. A film from the 1964 Yankee-Cardinal World Series was shown, much to the boy's enjoyment. Also on hand were Presidents of the Hicksville clubs, Dolores Morehouse and Bob Williams, Laura Masterson who works with the bowling team, and Patrolman Director, Frank Darcy.

June 19th: The Drum and Bugle Corps, and the Color Guard from PBC Nautical Cadets were invited

to parade from Mid Island Plaza to the opening ceremonies of Canntique Park in Hicksville. Seaman Fred Inness from Cadets had the honor of presenting the colors.

June 29th: On this evening all the boys who had taken part in the annual spring candy sale were treated to heroes and soda at the PBC clubhouse. They were again served by members of the Ladies Auxiliary. After they ate, transportation was supplied, and the boys, along with members of the Men's Club, were taken to the Freeport Stock Car Races. There they thrilled to the excitement of watching the "Hell Drivers" who recently appeared at the World's Fair.

Will every boy belonging to PBC please help us round up all our equipment! All boys, whether they still belong or have dropped out, but who still have rifles, baseball or basketball uniforms or equipment please return it to us at the clubhouse, 85 Bethpage Rd., Hicksville, or call Pres. Bob Williams, WElls 1-4877, Ptl. Director Frank Darcy, NY 4-3841.

4-H Chippies

Last Meeting

The 4-H Club The Chippies of Hicksville held their last meeting on June 30. 100 percent attendance awards were presented to Ann Marrone and Diane Kopp. A project pin was presented to Lorraine Jurgens. The members in turn presented a D. S. Flag and a 4-H flag.

a bronze plaque and a bronze memo pad to their leader, Mrs. W. Jurgens. The girls held a candle light ceremony. Those participating were Lorraine Jurgens, Ann Marrone, Debbie Zeeck, Patty Mahlstadt, Marianne Figliuolo, Diane Kopp, Linda Turk, Debbie Turk, Lynn Carpenter, Carol Pendergast, and our Junior Assistant Leader - Susan Kopp. Their next meeting will be in September.

Who buys more Savings Bonds?

As statistical-minded as we are today, the Treasury Department can't answer that question.

The Treasury does know that U. S. Savings Bonds are owned by tens of millions of families. So it might be safe to assume that people in every walk of life belong to this "savings club."

This is a happy fact for the United States, and for the free peoples of the earth. For Savings Bond dollars are playing an important role today in the making of history.

This \$46 billion reserve in the government's hands is working vigorously to-

day to help our country in the major struggle to defend freedom.

At the same time, Savings Bonds help build your personal purchasing power by paying good interest and providing a method of saving that's unconditionally safe and readily cashable. And the higher your purchasing power, the better it speaks for our system.

It all adds up to one of the best ways you can save money and at the same time help your country. Start buying Bonds next payday—through the Payroll Savings Plan where you work, or from any bank—and see if you don't feel pretty good about it.

Quick facts about U. S. Savings Bonds

- You get \$4 for every \$3 at maturity
- Your Bonds are replaced free if lost, stolen or destroyed
- You can get your money anytime
- You can save automatically on Payroll Savings

Six Music Scholarships Given

The Hicksville Junior High School has awarded six scholarships to the summer music camp at the University of Vermont, for the month of July, to students whose musicianship was outstanding during their years as members of a junior high performing group. In addition to good musicianship, each student had to qualify satisfactorily in scholastic ability and in school conduct. Each scholarship is worth \$210, monies for which were obtained from the annual Fine Arts Week. A \$50 award to be used for further instruction by a private teacher of the student's choice was also given.

Awards were won by the following students:

8th Grade Boys' Chorus - Robert Salek; 9th Grade Mixed Chorus - Deirdre MacAlpine; Band - Patricia Cantone (8th Grade); Band - Lois Bienensfeld (9th Grade); Orchestra & Mark Mankuta (8th Grade); Orchestra - Pamela Mertz (9th Grade); Piano Award - Sharon Zaltz.

Members of the Hicksville Regular Teen Democratic Club toured the many agency of town and county government on June 29

The Teen Dems first visited Oyster Bay Town Hall in Oyster Bay. They talked with Supervisors Michael N. Petito and Deputy Supervisor O'Hare in Supervisor Petito's private office. And then listened to a Public Hearing before the Council. Visited the Printing, Civil Defence, and Town Clerk's offices.

After the tour the Club traveled to Mineola. The Club talked to Deputy County Executive Coup, who is in charge of the County Executive's Office in the absence

of County Executive Eugene H. Nickerson, who is touring Europe. After seeing Mr. Coup the Club moved on to the County Attorney's Office and talked with Deputy County Attorney Louis Schlesky of Hicksville. And then visited the Nassau County Police Department HQ.

President Joseph Rohan called the trip "A very good trip which will give members of our club a better understanding of local government, and issues which will arise in the forthcoming election." (Photo shows members of the Hicksville Regular Teen Democratic Club in front of Oyster Bay Town Hall.)
