Back Bay Brass At Library

Back Bay Brass Quintet

A performance by the Back Bay Brass Quintet on Friday, April 11 at the Hicksville Public Library, will be the fourteenth offering in the 1985-86 "Distinguished Artists Concerts" series, according to Oyster Bay Town Councilman Howard T. Hogan, Jr.

The concert, which is being sponsored by the Cultural and Performing Arts (CAPA) Division of the Department of Community Services, will be held at the library, 169 Jerusalem Avenue, beginning at 8:15 p.m. For further information, contact CAPA at 795-5943.

"The Back Bay Brass Quintet was formed in 1982 under the auspices of Boston University and the Empire Brass Quintet,"

Hogan said. "Since its inception, the group has compiled an impressive list of performing credits including several appearances with the Opera Company of Boston as well as concerts at the Castle Hill Music Festival, the Tanglewood Institute and Busch Gardens.

"The Quintet uses many of its own arrangements and adapts every program to the interests of each particular audience, featuring gospel, jazz and blues in addition to classical music," Hogan continued. "The group has won critical acclaim and has garnered a number of awards in various chamber music competitions."

Informative Mtg. By Midland Civics

The Midland Civic Assoc. continues to consolidate as it offers its members information and a source of community strength. At this meeting the by-laws, which had been amended and updated by Larry Weintraub, Vice President and Committee Head, were voted on and accepted. The slate of officers and Board members for 1986-1987 were presented and there were no other contenders. A report by Civic Chairman, Ellie Draycott, was read and it was most informative as it explained the new 1985 Veteran's Exemption Law, the hearings on local parks, the Water District's new well on Old Country Rd., how our garbage problem is being handled, and why more action is needed in the Remington

Aluminum problem.

The members were then introduced to Lieutenant Peitzak, Commissioner Donlan and Commissioner Krumenacher of the Hicksville Fire Dept. With slides and talks, these men gave a very graphic picture of the wonderful work our firemen do to maintain our health and safety. Because of a very enthusiastic question-and-answer period, members received vital information from fire prevention to getting rapid aid in a health emergency. Due to running out of time, our President, Eileen Richards, who had run a very smooth meeting, had to end the discussion and invite everyone to enjoy the coffee and cake. It was a congenial and enjoyable evening.

Burns Ave. Holds A Special Program

By Gall Cooley SNT
Burns Avenue School

The "Too Smart For Strangers" Program at Burns Avenue School was truly a four star production, a magnum opus! This interdisciplinary unit truly showed off the talents of the children of Mrs. Rosof's Special Education Class, Mrs. Grumo's a.m. and p.m. Kindergarten, Mrs. Oliveri and Mrs. Blaauwer's second grade students in a memorable lesson on strangers through songs, poems and stories. The children used a combination of skills to come up with this innovative and heart appealing production. None of this could have taken place without the coordinated efforts of art, music, health and the classroom teachers. The music was the fine work of Mrs. K. Scheck, the art teacher Mrs. Jane Bernzer. Mrs. Bartlewitz, a kindergarten student's Mom, made our truly professional costumes. Also there was much support from the wonderful parents in helping this very successful production. I was glad to be an integral part of this over all production.

Children are really cared for and loved in our district and that was shown by the presence and enthusiasm of so many administrators and parents.

Hicksville Man Killed On Tracks

The Second Squad reported that Timothy Sullivan, 32, of Hicksville was killed by a LIRR train on March 17 at 10:14 p.m. The accident occurred on the west bound tracks at the underpass to Northern State Parkway, Syosset.

Sullivan was pronounced dead at the scene by Dr. Manos of Syosset at 11:22 p.m. The engineer was Thomas Alserman and Conductor Phillip Russel was in charge of the train.

The train was west bound from Syosset to Hicksville when the accident occurred. It is believed the subject was lying on the tracks in a darkened area and the engineer was unable to stop the train in time. Service was suspended for approximately one and one half hours.

The investigation is continuing by the Second Squad.

New Hearing Date On Zone Change

Oyster Bay Town Councilman Thomas J. Clark announced that the Town Board has scheduled a April 29 public hearing on a request for a change of zone in Hicksville.

Clark said, "The applicants, Bhola Banik and Ratna Banik, are requesting a change of zone from 'D' residence district to 'R-O' residence-office district, to establish an office for the practice of

general medicine and to reside in the structure.

The property is located on the northwest corner of Adelphi Road and South Oyster Bay Road, known as 465 South Oyster Bay Road, Hicksville.

The hearing has been scheduled for Tuesday, April 29, beginning at 10 a.m. in the Town Hall East hearing room, Audrey Avenue, Oyster Bay.

Brass Concert At Trinity Lutheran

Festival Brass, a Festival of Music Arts-in-Education presentation, has been invited by the PTA to perform at the Trinity Lutheran School on April 18.

All the members of Festival Brass are professional musicians who have created a program specifically designed to introduce young people to the characteristics of the brass instrument family. The selections have been carefully chosen from within a wide range of musical compositions, from the Renaissance, through classical times, to Scott Joplin rag and contemporary popular music.

Gregory Museum Bids Open

The Oyster Bay Town Board has approved bids for repovations at the Gregory Museum in Hicksville, according to Oyster Bay Town Councilman Angelo A. Delligatti.

"The Town has awarded contracts for renovations to the Gregory Museum, located on Heitz Place in Hicksville," Delligatti said. "Work to be done includes installation of a ramp for the handicapped, new ceilings on the first and second floors, repair of rotted wood on the outside of the structure, repair of the cupola and installation of a new hot water heating system."

Unicorn Developers, Ltd. of Commack was awarded the contract for general construction with the low bid of \$87,930 and

the contract for heating, ventilation and air conditioning in the amount of \$23,825. The contract for plumbing was awarded to James McCullagh Company, Inc. of Plainville, who was the low bidder at \$9,590. Mainline Electric Corp. of Hicksville won the electrical contract in the amount of \$4,154.

Delligatti noted that the renovations will be paid for by Community Development monies under special programs for historic preservation and removal of architectural barriers to the handicapped. The Gregory Museum, which houses rock and mineral, butterfly and moth collections, was originally built as a courthouse, and is a Town designated historic landmark.

Letters

The following letter was presented to the Hicksville School Bd. Dear Members of the Board of Education:

Tonight at this Budget Review Meeting we are presenting the Board a petition requesting a referendum on May 7th to address the question of transportation. We want the bus mileage changed to 1/2 mile for Grades K-6 and to 1 mile for Grades 7-12.

This petition is the result of information gathered by a fact finding committee of the Hicksville Council of PTA's. This committee was formed in October because the issue of transportation dominated many Board meetings.

The committee was comprised of representatives from each of our ten schools and geographically encompassed our town. We studied the many issues that have affected school transportation since 1973. We have found great changes.

The Hicksville Railroad station has become the largest commuter station on Long Island. Working mothers have become the rule rather than the exception, and parents have become increasingly wary of letting children walk great distances due to the ever present threat of strangers.

At our last meeting in March we disbanded as a PTA committee and separately have taken our petition to community members. In just two weeks we have gathered 583 signatures. This is clearly more than the 5% of the 1174 signatures needed to force a referendum. It is obvious that not only parents but the entire community is concerned about the welfare and safety of our children, and want an improved and amended transportation policy.

Administration estimates that if our transportation policy were approved it would cost an additional \$320,000 per year. This number represents less than 1% of our proposed \$42,000,000 budget, which the community will be asked to approve.

The children will be the direct recipients of the benefits of this additional cost. We therefore ask that the Board add our transportation referendum to the school budget vote on May 7, 1986.

Sincerely yours,
Patricia Rooney

To the Editor

In a letter written to the editor, mention was made that Mrs. Wolf "is, in fact, Mr. Bennett's cousin." I would like to state that Mrs. Wolf is not my cousin. My wife Clara's grandmother and Carole Wolf's grandfather were first cousins. I will leave it up to you, the reader, to determine the present relationship between Carole Wolf and Clara Bennett.

Sincerely yours,
Bill Bennett

To the Editor:

The Board of Fire Commissioners of the Hicksville Fire District would like to respond to the recent petition which has been circulated in the community by some of the members of the Hicksville Fire Department.

At this particular time, the Board is only interested in getting permission to spend the money to replace a twenty-four year old fire truck.

Your elected officials are acting in your best interest and are only interested in providing you with the most modern and up-to-date fire equipment.

We feel that it is your right to know and to be informed. And the only true democratic way is to educate you with the facts.

As the Board has said before just to reiterate the facts: First, we want permission to spend the money. Second, we want to replace a twenty-four year old fire truck. Third, we want to give you the most modern and up-to-date equipment which we feel you deserve.

Ident-A-Kid At Lee Avenue

Lee Ave. PTA with the assistance of Nassau County Police Dept. and IILCO sponsored an Ident-a-Kid Program. The way this works is the kids are weighed, measured and photographed and this information along with any distinguished marks are then placed on small I.D. cards which were laminated and given to each child. The children were also fingerprinted at the same time. The PTA thanks all the volunteers for their help.

Kasper-Abbondondelo Wedding

Mr. and Mrs. Stan Kasper, of Wheatley Heights, announce the marriage of their daughter, Nikki Ellen Kasper, to Joseph Clement Abbondondelo, son of Joseph A. and the late Sophie Abbondondelo, of Hicksville on Saturday, December 7, 1985.

The inter-faith ceremony with reception following was held at Imperial Manor in Bethpage. Cantor Bernard Fitch and Pastor John Wallace officiated at the double ring ceremony.

The bride's attendants included Mrs. Ellen Ducker as Matron of Honor, Linda Bona and Karen Abbondondelo, as bridesmaids. Best man was Clement Abbondondelo, the groom's uncle, Keith Kasper, the bride's brother, and Steven Abbondondelo, the groom's brother, served as ushers. Steven and Karen Abbondondelo, proprietors of Aladdin Floral Corp. in Hicksville, supplied the wedding flowers.

The bride is employed as a Veterinary Technician with Long Island Animal Hospital in Westbury. Her father is employed as an electrical designer in Manhattan. The groom works for Grumman Aerospace in Bethpage. His father has been employed by Long Island Trust for 28 years. The late Mrs. Abbondondelo was a Seaman and Eisemann employee for many years.

After a honeymoon at Strickland's Inn in the Poconos, the couple reside in Hicksville.

Folk Singer To Perform

Susan Trump
Folk Singer

A performance by folk singer Susan Trump on Saturday, April 12 will be the eighth program in the children's 1985-86 "Music Go Round" series, according to Oyster Bay Town Councilman Douglas J. Hynes.

Accompanying herself on the guitar, banjo, hand-crafted fretless fiddle and dulcimer, Susan Trump delights audiences with her clear, compelling voice and instrumental skill. Hynes said. Her extensive and varied repertoire ranges from English and Irish ballads and fiddle banjo tunes from the Appalachian Mountain region to popular music and contemporary songs of rural living.

The program, which is the

eighth in the series of 10 being sponsored by the Cultural and Performing Arts (CAPA) Division of the Department of Community Services, will be held at the Bethpage Library, 67 Powell Avenue on Saturday, April 12, beginning at 2 p.m. For further information, contact CAPA at 795-5443.

The "Music Go Round" series met with such success in its first season that it has been expanded from five to ten programs this year. Hynes stated. In addition to this program, future offerings will include an introduction to Latin music and a program of compositions inspired by

Michelle Kramer, Outstanding Soph

The outstanding sophomore at Bethpage High School has been selected for nomination to attend the Hugh O'Brian Youth Foundation (HOBY) New York State Leadership Seminar, according to Mrs. Virginia Wolski, president of the Woman's Club of Bethpage.

Michelle Patricia Kramer, 15, the daughter of Mr. and Mrs. Lawrence Kramer, was selected for her potential leadership ability, cooperation with others, sensitivity to the needs of others, the ability to relate to new pursuits and acquaintance, and the desire to learn and share knowledge with others.

Miss Kramer, selected in competition open to all sophomores at the school, will be eligible to attend the 3-day, expense-paid New York State Leadership Seminar in June at C.W. Post College, New York.

The seminar will bring together sophomores from all over the state to discuss America's Inclusive System with prominent leaders in business, government, education, the professions and the volunteer sector. The format is one featuring brief introductory segments, with an intensive

question and answer session following each presentation.

At the State Leadership Seminar, one boy and one girl will be chosen to attend the HOBY International Leadership Seminar (ILS) to be held at the University of Southern California on August 9-11, in Los Angeles, California. The event will bring together sophomore representatives from all 50 states, the District of Columbia and some 20 foreign countries.

The selection process at Bethpage High School was coordinated by Ms. Faith Cleary, the school's principal, and Carol Goldman, the Dean, The Dean. The Woman's Club of Bethpage will sponsor Miss Kramer for attendance at the New York State Leadership Seminar as part of its drive to educate tomorrow's leaders today.

The beginning of the Hugh O'Brian Youth Foundation came in 1958, after O'Brian, then appearing as TV's "Wyatt Earp", spent nine days in Africa with Dr. Albert Schweitzer. O'Brian was so motivated by the experience that he began the Foundation the same year.

Bethpage H.S. Hosts German Students

Eighteen students and a teacher from the Realschule Kreggau in West Germany will attend Bethpage Senior High School under the auspices of the Fulbright-Hayes Student Exchange Program. In school, the host group is the student members of the German Club under the advisement of Mr. Roy Wolff, a teacher in the Foreign Languages Department.

The exchange students will remain in the Bethpage community from March 12 to April 1. They will attend school on a regular class schedule, including participation in academic subject classes, physical education, and extra-curricular activities. Mr. Wolff has planned and will supervise a series of tours to the Old Bethpage Restoration, the United Nations, Southstreet Seaport, Empire State Building and the environs of Manhattan and Washington, D.C. The members of the German Club will host the exchange students at a post-school pizza party.

The exchange program represents a united effort of the school, the students in the German Club, and the host students and parents of the Bethpage community who provide the lodging for the German students. Mr. Wolff stated that the eager cooperation and support of the host families especially contribute to the success of the program and the learning experiences, both of the German and Bethpage students.

The participants in the Fulbright-Hayes Exchange Program are:

Bethpage French Club Mardi Gras

As celebrated in French speaking countries, Mardi Gras is the culmination of a week of carnival festivities before Ash Wednesday. Fantastic costume parades, confetti, lively music, masked balls, pranks, and special cuisine are all part of this holiday.

Bethpage French students also

celebrated this "fete" on February 11. To get into the spirit of things, students wore masks or had their faces decorated by Miss Lowe's traditional "face painting." At an after school party everyone tasted French specialties such as "mousse au chocolate" and "crepes."

News From Hicksville Library

On Friday, April 4 at 8 p.m. in the Community Room the Hicksville Public Library will show the movie "Witness". This film is rated "R". It is a spellbinding thriller, combining suspense and romance. A tough Philadelphia cop finds his only witness to a murder is a young Amish boy. Tension mounts as the killer stalks his prey. Admission is free.

Looking for a career? Need help with your resume? Schedule a meeting with the Career Counselor at the Hicksville Public Library. Tuesday and Saturday hours are available. Call for an appointment now: 931-1417.

The Hicksville Public Library will be closed on Sunday, March 30. The staff of the library extends their best wishes to all our patrons celebrating the holidays.

During the month of April the Hicksville Public Library will display art work of the children of St. Ignatius School in the fiction room case. The lobby case will contain a display by the Gregory Museum. The show cases may be seen during regular library hours.

The Long Island Biannual Storytelling Contest was recently held at the Hicksville Public Library and twelve very talented Hicksville children told traditional fairy and folk tales. The audience enjoyed listening to each storyteller as they weaved tales of kings and queens, elves and pixies, princes and princesses, and the deeds of mighty heroes. Because each child was so very talented and told each story with enthusiasm and skill, choosing a winner was most difficult for the judges. However, after long and very careful consideration two winners were finally chosen, 6th grader Shen-Wei Wu who told "The Princess And The Pea" and his 4th grade sister An-Ya who told "The Heavenly Spinning Maiden".

Both these most talented winners will compete against winners from neighboring libraries in the Regional Contest to be held April 19, at 2 p.m. at the Hicksville Library. All are invited to attend this most memorable event.

April 6 through 12 is National Library Week and in celebration of this very special week a number of activities and programs for children will be featured throughout the month.

On Saturday, April 5, our "Holiday Chocolate Workshop" will be held for 5 to 10 year old Hicksville children. Registration for this workshop will be held the week of March 24 and there is a \$1.50 material fee.

Our annual jelly bean contest will again be held during National Library Week. All children are invited to come in and guess the number of jelly beans in the jar. All winners will be announced and prizes given at the children's show on April 12. At this most special program Dale Friedman will sing "Broadway Show Tunes for Young People". The show starts at 2 p.m. and all are welcome to attend.

On Saturday, April 26, at 2 p.m. the Town of Oyster Bay, Cultural and Performing Art Division and the Hicksville Public Library will present "Alborada Latina" an introduction to the music of Latin America. This program is also free and all are invited to attend.

Navy Ensign **Robert D. Mayfield**, son of Robert H. and Theresa Mayfield of 10 Oak St., Hicksville, has been commissioned in his present rank upon graduation from Officer Candidate School (OCS).

OCS, located at the Naval Education and Training Center, Newport, R.I., is designed to prepare students to assume the duties and responsibilities of commissioned officers.

During the 16-week course, Mayfield studied the principles of leadership, manpower management techniques, navigation and communications. He also studied Naval history, traditions and missions; the structure and organization of Naval commands; military courtesy; uniform regulations; seamanship; and the Uniform Code of Military Justice.

A 1972 graduate of Hicksville High School, and a 1985 graduate of Auburn University, Auburn, AL, with a Bachelor of Science degree, he joined the Navy in August 1972.

Mr. and Mrs. John Patwell of Gables Dr., Hicksville, stand proudly with their daughter Tracey of Cadette Troop #3155 of East St. School. Tracey was the recipient of the Regina Coeli Award. This award, which was presented to Tracey by Bishop John R. McGann of Rockville Centre, is given to Catholic Girl Scouts after they fulfill many requirements. Mrs. Diana, Tracey's leader and all the girls of her Troop are very proud of her.

Oyster Bay Town Councilman Angelo A. Delligatti, left, presents a citation to Detective William John Mokson, who is retiring after serving more than 21 years with the Nassau County Police Department. An eight-year veteran of the Marine Corps, Mokson joined the police department in October 1964 and served with the Detective Division's Crime Prevention Bureau and with the Vice Squad before being assigned to the 2nd Precinct, which takes in most of Oyster Bay Town's central and north shore communities. During his career, he earned two commendations for Excellent Police Work and one Command Recognition Certificate.

Solid Waste Facility To Open

The Town of Oyster Bay's Solid Waste Management Facility in Old Bethpage will be open for five consecutive weekends from April 5 to May 4, for use by residents. It was announced this week by Town Councilman John Venditto. "Beginning Saturday, April 5, and continuing each Saturday and Sunday through May 4, residents will be able to take their refuse directly to the Solid Waste Management Facility between 10:30 a.m. and 6 p.m.," Venditto stated. "Proof of residency must

be shown upon entry to the facility.

"Only private cars and trucks will be permitted," Venditto continued. "No vehicles with commercial plates will be allowed. For safety, children will be required to stay in the vehicles at all times."

The Solid Waste Management Facility is located east of Round Swamp Road on Bethpage-Sweet Hollow Road. Residents must use the entrance on Bethpage-Sweet Hollow Road.

Road Runners To Hold Clinic

All runners who are competing in the Long Island Marathon or Half Marathon on May 4 are invited to attend a special pre-race clinic sponsored by the Plainview-Old Bethpage Road Runners Club. The clinic will be held at the H.B. Mattlin School on Washington Avenue in Plainview on Tuesday evening April 22 starting promptly at 8 p.m.

The Clinic will feature a "last minute" presentation on what to expect on the day of the marathon/half marathon, what to wear, what to eat, etc. The focus will be on how to run an intelligent race, and on how to get the most out of all the training that leads up to the big day. Veteran sub-3 hour marathoners Larry Davidson and Howard Greenberg will be on hand to provide valuable insights and practical tips based on years of experience. Individual questions from the audience are welcome.

Special attention will be paid to the unique problems of the half marathon as well as to those involved in running the full marathon.

There is no charge for the Clinic and it is open to everyone. It's a must for Long Island Marathon/Half Marathon first-timers and a good refresher for everyone who will be out on the Wantagh Parkway for this year's race.

For more information about the Clinic, call POBRRC President Mike Polansky at 433-0919.

Hicksville Named On Postal Reorg.

Hicksville has been designated one of the U.S. Postal Service's new Divisions, part of a system-wide reorganization that aims at putting management expertise closer to the mailing public. Postmaster General Albert V. Casey announced March 21.

The Postmaster General also announced that Roger Nienaber has been appointed as Division Manager.

"In filling this important position, the Postal Service Executive Resource Board considered the best managerial talent available in the Postal Service. This group included managers who care about postal employees, its customers and the Postal Service as a whole," Casey said.

Currently, the Postal Service has four levels in its Field Management structure; regions, districts, management sectional centers (MSCs) and associate offices (AOs). Under plans developed by Casey, the Postal Service's 74 Divisions of which Hicksville is one will now become the Postal Service's key field units. All other field offices will report to the Divisions. The units known as Districts will be phased out.

This change will be effective June 7, 1986. Hicksville will cover 005 (IRS, Holtsville), 115, 117, and 118 zip code areas with Riverhead, 119, reporting to Hicksville.

Casey emphasized that there will be no change in postal service due to the realignment.

Other principle changes are:
•Regional staffs will be aligned to reflect the increased responsibility of these 74 management divisions to provide their own support services.

•Regions will be responsible for ensuring that continued oper-

Roger Nienaber, Hicksville Manager/Postmaster has been appointed Hicksville Division Manager by Postmaster General Albert V. Casey. As a Division Manager Nienaber will oversee operations in most of Nassau and Suffolk post offices.

ational gains are accomplished and will focus on longer term operational opportunities.

•Expand top management capacity at Headquarters by establishing a new position, Associate Postmaster General, responsible for advancing the development of the Postal Service as a system.

•Elevate marketing to senior staff level under the Associate Postmaster General.

•These changes in the U.S. Postal Service Headquarters and field organization will result in fundamental, lasting improvement through:

•better, faster management decision making

•a better focused organization, more responsible to market needs, economic realities and new technology.

•enhanced management development and employee career satisfaction.

"This is one of the first steps in a process that we believe will

enable the Postal Service to become more efficient, responsive, and service oriented," said Mr. Casey. "While there may be some dislocations in the short

term, the Postal Service believes these changes can do much to revitalize us as an institution and enable us to move ahead to better serve all parts of the nation."

2 1/2-year	8.50%	8.87%
3 1/2-year	8.75%	9.14%
5-year	9.00%	9.41%

*Minimum deposit is \$1000. Interest compounded daily and funds that remain on deposit for full year will be withdrawn by year end to allow interest to be reinvested.

And Gets Even Better

It reduces your federal and state taxes. This is because your IRA contribution is fully tax deductible and cuts your taxable income by the amount of your IRA deposit.

Moreover, the interest your Westbury Federal IRA CD earns is

tax-deferred every year until it is withdrawn. This way, your retirement nest-egg grows faster.

Stop by our nearest neighborhood office. Open a Westbury Federal guaranteed high rate CD that gets even better.

IT WILL cost \$20.9 million to haul garbage to Pennsylvania from the town of Oyster Bay when the Bethpage landfill closes in mid April. Willets Point Contracting Co., a Flushing firm, won the bid. **THERE** will not be an office building on Norcross Ave. Bethpage. Protesters from Central Civic Assn. opposed it and the Town turned it down this week. **ANY GROUP** or organization interested in meeting with the Commanding Officer of the Eighth Precinct or one of his deputies is encouraged to either call or write to Inspector M. Miglino, Commanding Officer, Eighth Precinct at 535-6800. The meeting may be to address a particular problem or just a general liaison between Eighth Precinct Administrators and a community group. **THE CRIME REPORT** is published each week as a public service to alert residents of where crime is taking place in the area and as an aid in the Neighborhood Watch program. Anyone seeing suspicious activity should phone 911. **BURGLARS** removed a rear window at the Sieber residence, 11 Po Lane, Hicksville on Mar. 18. They entered and stole a VCR. **A REAR** door was pried open at the Ahern residence, 25 Wendall St., Plainville between Mar. 17 and 20. Burglars entered and stole cash, jewelry and clothes. **THE REAR** door of the Schneider home, 46 Richfield St., Plainville was pried open on Mar. 21. Jewelry was stolen. Police are looking for a male white 5 ft. 9 with brown curly hair and a beard. **JEWELRY** and a stereo were stolen from the Winger residence, 26 Lucille Dr., Syosset between Mar. 21 and 22. Entry was by breaking glass in a rear window. **BURGLARS** broke glass in a rear window of the Kahn residence, 4 Hollywood Drive, Plainville between Mar. 22 and 23. The loss is unknown. **BURGLARS** broke glass in a rear window of the Mid Island Liquor store in Mid Island Plaza on Mar. 22. Liquor was stolen. **THE FRONT** window of ARC Tools, 2575 Broadway, Hicksville was broken on Mar. 23. No loss was reported. **BURGLARS** broke into the Sklar residence, 47 Eileen Ave., Plainville between Mar. 22 and 23. The rear door was pried open to gain entry. Jewelry, \$400 and a Quasar VCR were stolen. **A BREAKIN** was reported at the Kevelin residence, 665 Plainville Rd., Bethpage on Mar. 17. The loss is unknown at this time. **BURGLARS** entered through the rear door of the Coster residence, 1216 Stewart Ave., Bethpage on Mar. 21. \$14 and jewelry were stolen. That's all the news for now. G.T.

NJHS Honors Senior Citizens

Traditionally, the Thursday evening performance of the Hicksville Junior High School Drama Club has welcomed senior citizens as non-paying guests. This year's production of "Fiddler on the Roof" was no exception. In fact, thanks to the efforts of the National Junior Honor Society members, a record number of Hicksville seniors were able to take advantage of the wonderful opportunity. The students of the NJHS chose service to senior citizens as their community project for the year. They raised funds and provided a bus to transport their guests the night of the performance. In addition, each senior citizen received a lapel flower or corsage, which had been prepared by Junior Society members. Mr. and Mrs. Peter Kenney, of "Flowers by Peter" on West Main Street, contributed the

flowers and florist materials. They taught the students how to construct the corsages and shared their good will. The committee extends their gratitude to these patient and generous supporters of Hicksville youth. The students also wish to thank Mr. Neil McCormack who facilitated the activity. He and his group were a wonderful audience and very appreciative of our students' efforts. This event is only a part of the NJHS student project plans. They are arranging a chorus to entertain at senior citizen meetings, and they will sponsor a book collection if a senior group would like to start a library. Any organization of senior citizens who would like to schedule a chorus performance or receive a "library" should contact Mrs. Louise Higgins, NJHS faculty advisor, at 933-6562.

Dutch La. Students Create A Mural

In front of their mural are I.D.S. Students (from left are): Andrew Sham, Gregg Becker, James Moeller, Robby Walker, Jennifer Poeach, Kathy Rombach, (I.D.S. Teacher) Mrs. Loshigian, Timothy Glover, Guy Caploni, Michael Kraemer, Michael Iovenno, Andrew Simoneschi, Adam Flester, Meredith Mezeul, (in back), Amy Verbodwens, Melissa Watkins, Lisa Garofolo, (seated on left) Robert Antonetti, and Louis Zello.

The In Depth Studies students at Dutch worked together to create this mural, titled "With Liberty and Justice for All." The I.D.S. Program is an inter-disciplinary program for "gifted students" in grades 5 and 6. They work in all subject areas which revolves around two themes for this year: "It's The Law" and "That's Entertainment." The I.D.S. Teachers at Dutch Lane are Henry Grib and Carol Loshigian. The class consists of a total of 18 students.

The mural's components symbolize various aspects of law in the U.S.: The Declaration of Independence and our First Flag mark the beginnings of our laws as a nation. Replicas of dollar bills and income tax forms represent laws regulating currency and taxes. Symbols of law enforcement include a police officer, the revolver and handcuffs, the highway patrol car and the judge's mallet. The fist represents the struggle we must make to change unjust laws and make them fair

for all. The processes of making, upholding, and changing laws are symbolized by the capitol building, the scales of justice, and the courthouse.

The famous people depicted are: President Reagan, who represents the Executive Branch of government; Geraldine Ferraro, who, as the first female candidate for Vice President, reminds us of women's rights and our political party system; Abraham Lincoln, who, as lawyer and President, was instrumental in bringing about abolition of slavery; Martin Luther King Jr., whose peaceful struggle for civil rights has left an impact on American history.

Finally, the images of the Statue of Liberty and the bald eagle indicate the hopes of the future. "...with liberty and justice for all."

The I.D.S. Mural was put on display in the Board Room of the Administration Building on Feb. 26 and will be there through April.

News From Lee Ave. School

Mrs. Abramowitz's first grade class and their Pot-Of-Gold.

The children in Mrs. Abramowitz's class are using a Leprechaun and his Pot of Gold (pennies) to learn counting by tens and ones. This is very exciting since the children get to keep the gold when they have

successfully mastered the art of counting. The children also took a little time off from their busy day to celebrate St. Patrick's Day with cupcakes, juice and candy. Fun was had by all.

News From Bethpage Library

Cellist David Bodner and pianist Audrey Schneider will appear in recital at the Bethpage Public Library on Sunday, April 6, at 2:30 p.m. Sonatas by Beethoven and Prokofiev are featured on the program which also includes works by J.S. Bach.

David Bodner is a scholarship graduate of the Manhattan School of Music. He is principal cellist of the Manhattan Symphony and the Manhattan Philharmonia, and has performed in solo and chamber music concerts in New York and Connecticut, as well as on television and radio. He was a prize winner in competitions sponsored by the Greenwich Symphony, Bridgeport Symphony and Stamford Young Artists. Mr. Bodner performs on an instrument built by D. Nicolas in 1796.

Audrey Schneider has studied with several distinguished pedagogues, most recently and currently with Dorothy Taubman and Edna Golandsky. She has performed in solo and duo-piano recitals at Queens College, Brandeis University, the Long Beach, Massapequa, Shelter Rock and Bethpage Public Libraries. She appeared as soloist with the C.B.S. Concert Orchestra, conducted by Alfredo Antonini on C.B.S. Television, and subsequently created and presented a series of televised music and dance programs for children.

Admission to the program is free of charge.

On Wednesday, April 9, from 1-3 p.m. the Bethpage Public Library, 47 Powell Avenue, will take pleasure in presenting Marilyn Margulis in a program of "Sittercise". Stay fit while you sit and tone up while you watch TV. Wear loose clothing or sweats, and pre-register, please. Call 931-3907.

On Saturday, April 19, the Bethpage Public Library is proud to present the film special "Born Free" (color - 95 min.) for young people and their families.

Out of Africa comes this riveting account of a now-famous and remarkable association between man and beast. Here, for the enjoyment, is the whole story of Elsa, an orphaned lioness cub, adopted and raised as a household pet.

But one day, the growing Elsa causes an elephant stampede and grave damage to a Kenyan village. Her fond trainers realize that they face a challenging task—Elsa must now be taught to survive in the wild as the fierce predator she was born to be. Winner of two Academy Awards, this celebrated, action-packed film is based on Joy Adamson's internationally acclaimed best-seller.

Showtime is 2 p.m. Tickets are now available in the Children's Room of the Bethpage Public Library for all youngsters in Grades K-6 and parents who reside in District #21. For further information, please call 931-3907.

On Saturday, April 12, the Bethpage Public Library will present "Magical Musical Theater" by Susan Trump, as a family treat and salute to National Library Week.

The outstanding program will

include fabulous contemporary and traditional songs and stories brought to life with magical artistry by famed performer Trump—on her banjo, guitar, fiddle and dulcimer. The story-singer weaves a lively, colorful sampler of the rich American folk heritage enhanced by a variety of unusual props—authentic crafts and folk toys—and she pulls many surprises out of her multimedia bag of musical tricks.

Susan Trump has made numerous radio and television appearances and she has presented her songs and stories in many northeastern schools and libraries.

Showtime is 2 p.m. All youngsters in grades K-6 and parents who reside in District #21 are invited, and tickets are now available in the Children's Room of the Bethpage Public Library. The program is co-sponsored by the Town of Oyster Bay, Department of Community Services. For further information, please call 931-3907.

On Saturday, April 5, the Gala Grand Finale of the Long Island Storytelling Contest will be held at the Bethpage Public Library. The judging and awards ceremony will begin promptly at 2 p.m.

At this time, the district school winners will tell their stories before the judges and the two all-district winners (one fourth and one fifth grader) will receive their gilded trophies presented by Lawrence J. Roemer, Assistant Vice President of Citibank, 1125 Old Country Road, Plainview. Mr. Roemer will also present \$50 U.S. EE Savings Bond awards to each of the school winners. The bonds have also been provided by Citibank. All family members and friends of the school winners are invited to the storytelling gala, along with any youngster who participated in the contest in the Bethpage District. Refreshments will be served.

The 73, fourth and fifth graders who took part in the contest each learned a fairy or folk tale by heart that was told in their school contests. All young storytellers on the school level received certificates of participation and a coupon for a Burger King Whopper Sandwich, courtesy of Burger King Corporation, 4201 Hempstead Turnpike, Bethpage.

The young storytellers of Bethpage selected stories that they liked, attended storytelling workshops at the Bethpage Public Library, learned to share their stories with their families and friends and generally had good new experiences and lots of fun.

For information, please call 931-3907.

Ginnie Maes and Government Bonds: Two Investment Vehicles for the '80's will be discussed by Paine Webber Financial Planning Consultant Jeff Sena at the Bethpage Public Library on Thursday, April 10, at 8 p.m. Mr. Sena will introduce these important investment vehicles, explaining why they are attractive to some individuals, how they work and how they can be used to achieve a variety of investment goals.

Admission is free.

Bethpage Woman's Club Celeb. 'Presidents' Night'

Left to right, 1st row: Dolores Parry, Laurette Beattie, Louise Haugen. 2nd row: Virginia Wolski, President; Marge Saum, Vice President.

Historical Society April Mtg.

Dorothy Dyson, one of the first stewardesses selected by American Airlines, will speak at the annual Covered-Dish Dinner of the Farmingdale-Bethpage Historical Society. The dinner will be held at 6 p.m. on Sunday, April 6, in Bicentennial Hall, Northside Elementary School, Farmingdale.

Using this year's fiftieth anniversary of the Douglas DC-3 as a theme, the pioneer flight attendant will bring the early days of commercial aviation back for her audience by recalling passenger aircraft prior to the DC-3, reasons for its development, the competition with passenger trains in their heyday, the stewardess selection process, and famous passengers with whom she flew.

Mrs. Dyson, a longtime Farmingdale resident and an officer and trustee of the historical society for many years, will speak following the dinner, of which Mrs. William Hencken is chairperson. Community residents interested in attending the dinner are invited to call Mrs. Hencken at 249-6637 for additional information.

College Notes

On Thursday evening, March 20, Molloy College honored Christine Ungania by inducting her into the Molloy Scholars Honor Society.

Christine and her parents have been invited to attend a buffet supper in the Anselma Room of Molloy College as Christine is awarded a plaque commemorating this special evening.

Bethpage High School salutes Christine as Molloy College honors her for her excellent academic record.

Recently the Woman's Club of Bethpage celebrated their 28th President's Night. A festive evening was held at the Bethpage Library. The President of the Woman's Club, Virginia Wolski welcomed many guests from the Second District of the N.Y. State Federation of Women's Clubs.

Special recognition was paid to the Past Presidents in attendance. Mrs. Wolski presented each Past President with a bouquet of flowers. Two special guests were introduced, Miss Faith Cleary, Principal of Bethpage High School and Dr. Antonette Mansfield, Principal of the JFK Junior High School.

The program for the evening was a presentation of a condensed

production of "Some Enchanted Evening" by the Plainedge Playhouse. The talented players who performed were: Joanne Boltja, Helene Webster, Tomiann Notarfrancesco, Ron Lombardo, Herb Portum, and at the piano, the musical director Rocco Notarfrancesco. This very enjoyable program was arranged by Tony Georgian, Director of the Plainedge Playhouse. Everyone thoroughly enjoyed this fine presentation.

At the conclusion of the entertainment, everyone enjoyed delicious desserts prepared by the members of the club. Many thanks to Marge Saum for organizing this evening so beautifully.

Oyster Bay Town Supervisor Joseph Colby, seated, and Town Councilman Kenneth S. Diamond, third from left, put their signatures on a citation commending the Plainview-Old Bethpage Road Runners Club on its upcoming April 5 10 Kilometer benefit run. All proceeds will be donated to a special program for the rehabilitation of young people whose legs have been amputated because of bone cancer. On hand for the presentation of the citation were, left to right: Road Runners Club president Mike Polansky; vice president Julie Shapiro; Joseph Colombo of David Lerner Associates, financial backer of the race; David Balsley, a physical therapist in charge of the rehabilitation program which is conducted under the auspices of Memorial Sloan-Kettering Cancer Center and the Hospital for Special Surgery; Paddy Rosbach, director of the rehabilitation program and herself a leg amputee who is the first woman amputee to successfully complete the New York City Marathon; and Ira Eskow, vice president of the Road Runners. For more information about the 10K Run call 433-0919 or 575-3868.

Bethpage Poet Looks At Life

If I could turn back the clock of time	We'd walk the Avenues we knew And wipe away those memory blues.
When I was young and in my prime	Yes turn back the clock if we only could And find that all is fine.
I would try to erase my hair that's gray	The years are speeding and I'm getting old
And dream my dreams of yesterday.	And I'm running out of Time Jimmy Cooley "The Bethpage Poet"
I would search the World from end to end	
To locate all of my old friends

**Church Of Christ
Survey Results**

In an attempt to become more of an active part of the Hicksville community, the Church of Christ of Hicksville conducted a survey, March 10 through 13. During that time members of the congregation went door to door throughout several Hicksville neighborhoods asking willing participants to respond to five questions.

Rain halted the survey one day, limiting the area covered to about 20% of Hicksville. Still the results were enlightening and will be helpful.

The following is a summary of the survey information, including the leading responses to each question.

Summary

1837 houses approached, March 10, 11, 12 between 9:30 a.m. and 4:30 p.m.
1102 no answer (60%)
382 not willing to participate (52% of those answering the door)
353 responses (48% of those answering the door) (1 out of 5 houses approached)

Questions

1. Are you an active member in a nearby church?

A. 248 active in church or synagogue (note: numerous individuals who did not respond cited their membership in a church as the reason) (70% church, 30% unchurched or nearly 1 out of every 3 homes surveyed were homes with unchurched people). 194 Roman Catholic (78%), 49 Protestant (20%), 5 Jewish (2%).

2. What do you think is the greatest need among the people of Hicksville?

A. 43% no answer; 12% community caring, friendliness and help for each other; 8% neighborhood, protection, clean-up; 7% Christ, church, belief; 6% youth activities, child care; 5% love, caring, peace

3. Why do you think most people in your neighborhood do not attend church?

A. 28% no answer; 13% laziness; 12% work, too busy; 11% people have lost their beliefs; 4% no transportation (elderly)

4. If you yourself were looking for a church what kind of things would you look for?

A. 10% no answer; 10% my own denomination; 7% minister/clergy; 4% activities for children; 3% fellowship

5. What advice would you give to leaders of a church in this community?

A. 12% no answer; 9% be more aware of peoples' needs and problems; 5% show more concern for people; 5% get young people involved; 4% get to know the people

To those who participated in this survey, thank you for your cooperation. The answers to these questions will help the Church of Christ determine the major needs of the Hicksville community and, thus, help shape its programming.

Because the survey covered only a portion of Hicksville, more canvassing will be done in the upcoming months, starting with Saturday afternoon, April 19.

Please welcome our workers as they come to your door. Your participation will be extremely helpful to the Church of Christ and, hopefully, all of Hicksville.

Table's value lies in finish

By James G. McCollam

Q This unusual little stand or table has been in our family for years. It is painted to look like rosewood and trimmed with light-colored lines.

I would like to know what you can tell me about it.

a decorative arts exposition held in Paris in 1927. The style persisted until World War II. It was typified by angular lines, stylized figures, cubistic art, chrome metal, etc. The prices range from quite high to very modest.

- Bronze, ivory and marble bookends, signed Roland, Paris — \$1,400

- Cigarette case and matching lighter, angular and zigzag lines, by Dunhill — \$500

- Cocktail shaker, amethyst glass and chrome — \$50

- Nine-inch figure of girl, blue dress, green trim, green hat, marked Royal Dux — \$300

- Tray, 29 inches, mahogany and gilt metal, molded with female figure and a fish — \$40

- Vanity mirror, three piece, decorated with black glass — \$75

Send your questions about antiques with picture(s), a detailed description, stamped, self-addressed envelope, and \$1 per item to James G. McCollam.

McCollam is a member of the Antique Appraisers Association of America.

A This is a sewing or work table. It was made in New England during the early 19th century. The value would be at least \$1,000.

I should point out that most of its value lies in the finish. If you stripped off the rosewood graining, the value would be cut in half.

Q What is Art Deco? How is it identified? What are typical items? Is it very expensive?

HICKSVILLE LIONS CLUB JOURNEY FOR SIGHT 5K RUN

Sponsored By

SAVINGS OF AMERICA

144 Manetto Hill Road, Plainview, NY

The Hicksville Lions Club would like to welcome you back to the 1986 Running season with the grand-daddy of Long Island prize races - The Fourth Annual Hicksville Lions Club Journey for Sight 5K Run! Never before has a race been able to offer prizes of such high quality. Special thanks to **Goldman Brothers of Hicksville**, one of Mid Island's leading specialists in athletic footwear, for their assistance and support.

Like most races, we offer quality merchandise prizes to the top three winners in 8 age groups, both male and female. But unlike any other Long Island race, we can reward all first place finishers in these categories brand new, top quality running shoes from companies such as Etone, New Balance, Puma, Converse, Saucony, Brooks and many more.

We are also able to provide the wealthiest raffle around! Hats, shirts, socks, bags and 20 more pairs of running shoes are raffled off to anyone with an entry blank!!!

The only reason we can achieve this feat is that our sponsors have generously been sympathetic to our cause; raising the sorely needed funds through Lions Clubs International to help alleviate the problems of the blind and sight-impaired. Last April, along with 33,000 other clubs in over 150 countries directed their Journeys to raise over \$1.5 million. So come on out, have some fun and win some incredible prizes while you do your part in a truly international fundraising event!

Your entry fee (if it is received by the deadline) will guarantee you a beautiful mesh running jersey, a hot cup of soup from **Ian-none's restaurant** and entrance in our after the race raffle! Most importantly, your participation in this event welcomes you to the world of Lionism; caring for the less fortunate members of our community.

Join us once again for our **Fourth Annual Hicksville 5-K RUN and Journey for Sight.**

- WHEN:** Sunday, April 6, 1986 at 1:00 P.M. (RAIN OR SHINE)
- WHERE:** The Hicksville High School
Division Avenue (south of Old Country Road)
Hicksville, New York
- COURSE:** 5-K race (3.1 miles) through the flats of the Hicksville High School Grounds and the streets of Hicksville. All inter-sections will be blocked off and monitored by our volunteers, the Nassau County Police, and Nassau County Auxiliary Police. The race will be administered by the **Start to Finish Corp.** Splits will be given at each mile.
- ENTREE FEE:** Pre-registration is \$6.00 till the deadline
Late registration the day of the race will be \$9.00
Late registration will open at noon and close at 12:45 P.M., April 6
- DEADLINE:** Pre-registration entries must be postmarked by midnight March 31, and received by April 3, 1986. FREE mesh running jersey to first 500! Late registrants cannot be guaranteed a jersey in their size. Any extra jerseys will be sold after the race for \$5.00 each.
- AWARDS:** 16 pairs of top quality running shoes will be awarded to first-place finishers (male & female) in the following 8 categories: 12 and under, 13-15, 16-20, 21-30, 31-40, 41-50, 51-60, 60 and over. Any age categories (male & female) with fewer than 5 entries will be awarded first-place trophy only. Additional merchandise prizes will be given to 2nd and 3rd place finishers in the same categories. Trophies will be awarded to the top overall finishers first, second and third (male and female). Team competition: A maximum of 5 runners may register as a team. The team award is a satin baseball jacket with the team name inscribed to be awarded to each member of the winning team. You must be present at the awards ceremony to receive your prize. All finishers will receive a handsome ribbon at the completion of the race.
- FACILITIES:** Parking will be available in the school parking lots. Indoor registration and warming facilities will be provided in the school gymnasium. Toilets will be provided. Sorry, no lockers or showers.
- PAYMENT:** Please make your check or money order (no cash please) payable to "Hicksville Lions Club Journey" and mail it with your entry blank to:

'Rock Swap' At Willet Ave.

As a culmination of the third graders' study of Rocks and Minerals, and in response to overwhelming demand from those who remembered such events in the past, Willet Avenue School in Hicksville was the scene of that most popular of science activities: a Rock Swap. The theory is not too different from the age old system of bartering, or the more modern trading of baseball cards. The difference at Willet is that the trading is done with mineral specimens and that all trades are not equal. When students trade with each other, they made their own deals. Each participant, however, receives an envelope of special tickets, each good for a chance at a raffle prize or for a trade with adult swappers like Tom Daunt, Curator of the Gregory Museum, Marilyn Schuler, a special guest swapper from the Nassau Mineral Club or with Mrs. Barrow, Librarian at Willet Avenue and mentor of the Willet Avenue Rock Club. On these swaps, the students always get the better deal.

More than eighty students, in grades two through six signed up for the Swap. Members of the third grade Rock Club worked on publicity, raffles, setting up and clean up, writing thank you letters to the adults who helped out or donating mineral specimens. Fifth graders Jimmy Chambers, T. J. Keevins and Matthew Voss prepared mineral identification labels on their computers.

The school Library/Media Center was set up Flea Market style. Equipment was packed away for the day, so that every table could be utilized, as students set up their specimens for trade. There was an abundance of Long Island quartz! However, Tom Daunt brought delicate Selinite crystals and glittery Pyrite. Mrs. Schuler, who is also a Trustee at the Hicksville Gregory Museum brought boxes of amethyst geode parts and lots of sparkling crystals. Mrs. Barrow had a wide variety, gathered during the past couple of years in anticipation of this event.

Students came prepared with plastic baggies so that each specimen could be packed with its label, and paper bags to hold newly acquired treasures. Every fifteen minutes Raffle Chairmen Joe Soviero and Russell Brousseau announced another prize winner of a mineral collector's starter kit or a beautiful polished specimen.

It was an exciting, stimulating afternoon: an experience in cooperative organization for the rock club members, lots of fun and an introduction to new wonders of nature for all the participants.

In Service

Marine Cpl. William K. McSweeney, son of John J. and Genevive C. McSweeney, of 40 Notre Dame Ave., Hicksville, has been promoted to his present rank while serving with 2nd Marine Division Camp Lejeune, N.C.

A 1980 graduate of Hicksville Senior High School, he joined the Marine Corps in September 1983.

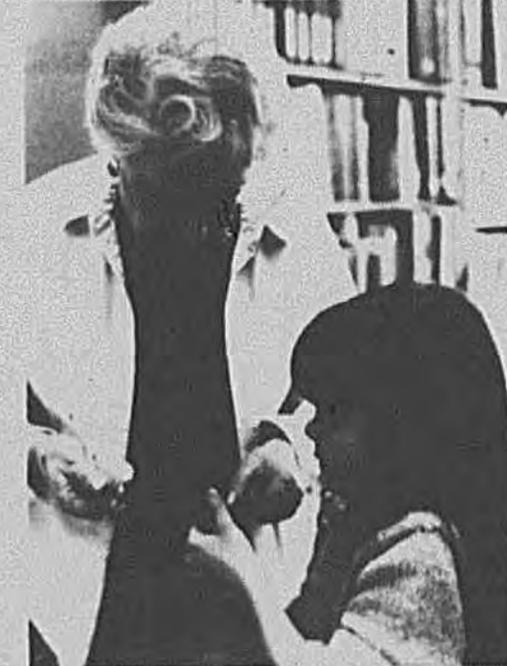

Marilyn Schuler of the Nassau Mineral Club identifies a mineral specimen for Eugenia Michalos and Chris Kearney.

Tom Daunt, Curator of the Gregory Museum, swaps with James McLaughlin, while Lori Masterson and Michele Bergin try to decide which specimens they want.

Kimberly Schulz and Joe Soviero are delighted with the amethyst crystals they acquired in swapping with Mrs. Schuler.

Third grade teacher Barbara Koenig admires one of Renee Gengler's new treasures.

Taryn Donovan won the first raffle prize, a gemstone identification set.

Decisions, decisions...Sharon Yu, Meghan Conk, Michael Marcin, Tom Coffey, Michele Bergin and Carrie Seiler try to decide.

Mrs. Schuler was amazed that third grader Jean Marie Keevins could identify the various stones in her necklace.

Church Of Christ Easter Services

A celebration of the Resurrection of Jesus Christ will begin at 7:30 a.m., March 30 at the Church of Christ of Hicksville.

The day will begin with a "Sunrise" Service followed by breakfast in the Fellowship Hall. At 10 a.m. nine Bible School classes will be held for age groups ranging from 2 year old through adult. Then, at 11 a.m., a special Easter worship service will be conducted, featuring a variety of musical selections by the adult choir.

Easter Sunday is a day for the whole family to come together for

fellowship and worship, in the name of the Resurrected Lord. And the Church of Christ of Hicksville is a place where your family can feel at home on Easter Sunday.

A staffed nursery will be provided during the Bible School and Worship hours. The breakfast is free and open to all. Please call 935-3855 if you plan to attend the breakfast.

The Church of Christ is a non-denominational community of Christians meeting at 405 Broadway, between Marie Street and Nicholas Street.

Shriners Visit Fork Lane

By A. Elchenauer

On Thursday, March 20, Mr. George Christie and Mr. Rupert Meyers, of the Kismet Temple in New Hyde Park, came to Fork Lane to show a film strip on fire safety.

The film was entitled "Dance of Prevention" and it featured Bugs Bunnies, Tweedy Bird, Daffy

Duck and Sylvester. The children were able to relate to these cartoon characters and all eye's were glued to the screen.

The film explained the major reasons why children get burned in their own homes, pot handles turned the wrong way, children vank at an electric cord to unplug something, also, placing things

near the stove that would make a child have to reach over a hot burner to get it. Many children have set themselves on fire by reaching over a hot stove with a loose jacket, sweater, blouse etc.

Sylvester talked about making your home Burn Proof. Example—some people keep gasoline in their garage, you also may keep an electrical appliance in the garage too, if a spark from the appliance and the fumes from the gasoline meet (Boom) a fire occurs.

Tweedy Bird told the children about safety in the bathroom. When you're going to take your bath you first put cold water in

the tub then the hot water. The same thing applies if you take showers. Also a young child should never be left alone in the tub.

Daffy Duck spoke on Bedroom Safety. Have smoke detectors in your rooms. We should all know an escape route if a fire breaks out. Your family and you should have a safe meeting place outside your home if a fire occurs. This way if you are all together at your meeting place the family knows everyone is O.K.

If a fire breaks out in your home and you are trapped in your room first you should feel the door for heat. Never hide under your bed, never hide in your closets. If the

room gets full of smoke, you get on the floor on all fours and crawl out.

It is a good idea to have fire drills with your family, so that each member becomes familiar with the procedure and in the event of a fire, your family and you won't panic.

When the film was over Mr. Christie had a short question and answer period, and I'm sure the children walked out more aware of what to do at home in case a fire ever occurs.

Fork Lane PTA would like to Thank our Principal Mrs. Carol Bentzen and Mrs. Maryanne Goldberg for bringing this program into our school.

Scouts Visit Med. Center

By A. Elchenauer

Wednesday evening March 19 both Brownies and Juniors of Fork Lane, went to the Nassau County Medical Center to distribute Easter Baskets they made to all the children.

Both troops made Easter Baskets out of milk containers that they decorated. The Junior troop also made little bunnies from cotton balls, and little chicks in an egg shell.

The Brownies wrote little notes and put them in the baskets, one note read: "You don't know me, but I am in Brownie Troop 3166 at Fork Lane school. I am 8 years old. I like Easter and I hope you do too. I am sorry you are sick but I hope you get better real soon." Love, Jennifer F.

Other notes were: "hope you Get Well Soon", "The Brownies Love you", "Get Well."

Upon arrival, the girls were greeted by Kate Fagan the activities director, who took all the girls and their leaders to the recreation room for a short talk. In the room the girls saw Fred the rabbit who is 11 years old, they were allowed to play with the games and they also visited the room where the 11 and up kids go.

The girls were told about the

things they might see as they go from room to room. Ms. Fagan explained what an I.V. was, why some children are unable to have visitors, and she let them operate a hospital bed.

As the girls walked around the floor, they would go into a room and hand out the baskets. Some of the children would wave to the Scouts or talk to them for awhile.

On the way home many questions were asked of the leaders, some of the girls said how lucky they were that they were not sick and that they didn't have to be in the hospital for Easter.

We would like to Thank Ms. Fagan for taking the time out of her busy schedule to take us around the children's floor.

Thanks to the Junior Leaders Sharon Fusco and Marcia Gunnigal for transporting the Juniors to the hospital along with two moms from their troop, Lucy Antonacci and Virginia Perry. The Brownies were transported by their leader Annette Elchenauer. This was one of many projects the troop worked on together. Both troops are now getting ready for a camping weekend in April at Camp Blue Bay in the Hamptons.

School Taxes Will Be Due

Oyster Bay Town Receiver of Taxes Gary F. Musiello reminds residents that the second half of the 1985-86 School Tax levy is due on April 1, but may be paid through May 10 without penalty.

The law, a taxpayer has a 40 day grace period from the date the tax is due during which time the tax may be paid without penalty. Musiello explained, "After that 40 day period, a 1% penalty is attached for each month the tax remains unpaid reverting back to the due date which in this case is April 1."

Residents can pay in person at

the Tax Office, Oyster Bay Town Hall West, Audrey Avenue, Oyster Bay and at Town Hall South, 799 Hicksville Road, Massapequa, or they can pay by mail. When paying in person, residents should bring the entire tax bill. Those paying by mail should detach and enclose Stub #2 with the payment. Musiello noted that taxpayers should leave a few extra days for mail delivery to avoid any late penalty.

Residents are asked not to write on, or deface in any way the stub as it can cause rejection of the payment by the computer.

New York Telephone & You—Where We Are Going

Since 1984, major changes have swept over the telecommunications industry, dramatically changing how New York Telephone provides your telephone service.

New York Telephone provides and maintains the local telephone network, offers various local calling plans, and in many areas, optional features such as Touch-tone and Custom Calling Services.

Other companies now provide and maintain your telephone equipment, and carry your long distance calls outside your Regional Calling Area. If you have questions about these products and services, you can deal directly with them.

Why all the changes? Rapid technological advances, and a series of court and regulatory decisions were the main reasons. New technology also played a part in opening the doors to competition. It was felt that the Bell Telephone system had become obsolete and it was time for a change.

Who made these decisions? In a broad sense, we all did, through our legislators, our courts, our regulatory agencies, and through the advancement of technology. This was done over time and opened up major segments of the telecommunications business to competition.

These changes have been complex and confusing. And we know that you have been concerned. That's why we want to help you to understand the changes.

Our Community Relations representatives plan during the coming months to speak to as many of you as possible in

communities throughout the state. The title of their program is "New York Telephone and You."

If your community organization would like to hear more about changes in our industry, call our Long Island Community Relations office at 294-7921.

Expanding Fiber Network On Long Island

This spring when Eastern Suffolk customers pick up the telephone and dial a number, their call will reach its destination over new fiber optic cable.

Fiber optics can transmit voice, data and video images from one point to another faster, more reliably and less expensively than any other transmission system available. The hair-thin glass fibers are immune to interference from static and moisture assuring the clearest connections.

The growing fiber optic network on Long Island will expand from 11,000 to more than 15,500 fiber miles in 1986. We recently installed 1,080 fiber miles of cable connecting central offices from Patchogue to Southampton, expanding a fiber optic network that will soon encircle all of Long Island.

This remarkable network uses laser light pulses to transmit calls at close to the speed of light. The fiber cable is only seven-tenths of an inch in diameter, but it can carry about 72,600 simultaneous telephone calls. It would take 20 copper cables three-and-a-half inches thick to carry the same volume. And because fiber optics make our service more efficient, it could make your service less expensive.

New York Telephone began placing fiber optics facilities on Long Island in the early 1980's to meet the needs of our customers.
