Dorsey.

TOB Annex Open For Payments

Effective Monday, May 5, through Friday, May 9, the Town Clerk's Annex, located in the Town Parking Garage at Newbridge Road and Duffy Avenue in Hicksville, will be open to receive general tax payments, according to Town Clerk Ann R. Ocker.

"In order to provide this service to residents," Mrs. Ocker explained, "the office will remain open from 9 a.m. to 4:30 p.m. to receive tax payments.

Residents may also pay in person at the Tax Office, Oyster Bay Town Hall West, Audrey Avenue, Oyster Bay and at Town Hall South, 977 Hicksville Road, Massapequa, during the hours of 9 a.m. to 4:45 p.m., weekdays.

"When paying in person," Mrs. Ocker noted, "residents should bring the entire tax bill. Please do not write on, or deface, the stub as it can cause rejection of the payment by the computer."

Hicksville Bd. Oks New Elementary School Hours

Special to Mid Island Times
By Maureen Traxler

On April 22, the Hicksville School Board unanimously approved a recommendation to establish new school hours for elementary grades beginning in September 1986. The Board also held a public hearing on the proposed \$41 million budget proposed for the district for the 1986-87 academic year.

Superintendent Catherine Fenton requested that the Board of Education establish the school hours for all elementary schools, students in grades 1-6, as beginning at 9 a.m. and ending at 3:30 p.m. effective this coming school year. The approval of this recommendation lengthens the school day by one-half hour for grades 1-3 and adds 15 minutes of instructional time to kindergarten classes (a.m. kindergarten classes would commence at 9 a.m. and end at 11:45. The p.m. kindergarten session would run from 12:45 to 3:30 p.m.)

Dr. Fenton detailed some reasoning behind the change in hours. In addition to lengthening class time for some youngsters and shifting the hours of the intermediate level, Dr. Fenton said that implementing this new schedule will bring kindergarten more in line with the extended day concept sought by some parents. Bus scheduling will be facilitated and the district will be able to make better use of the time spent by some teachers who move from building to building. Dr. Fenton also acknowledges that the change will bring a more efficient use of time within the school building, having all students begin and end classes simultaneously.

Board President William Bennett presented the proposed 1986-87 school budget totaling \$41,023,697, or \$1.5 million (3.8%) over last year. A budget of this size would bring an estimated \$2.04 increase in school taxes. Mr. Bennett noted that this figure was down from the \$2.8 million increase estimated during initial budget formulation several months ago.

Trustee Arlene Rudin made a motion that the Board delete \$3,000 from its own portion of the budget. Mrs. Rudin announced: "The buck has to stop with us." She called the budget "too high" and said that the Board should take steps to reduce its allotments.

Mr. Bennett made two further reductions: \$13,000 in the oil and gas code and \$40,000 in the general maintenance/building and grounds code. These three reductions were approved by the Board.

The Board then took a vote on the five main budget categories and adopted a reduced proposed budget of \$40,967,697 for the coming school year. This figure would reduce the \$2.04 rate increase to just under \$2 per \$100 assessed valuation for taxpayers in Hicksville.

President Bennett detailed large increases in insurance coverage, due to the skyrocketing liability insurance rates across the country. Transportation increased \$379,000, also a tie-in to liability problems. The new budget encompasses increases in the summer school program, school library improvements (\$93,000), guidance services (\$111,000) and foreign language (\$114,000). Reductions were made in the vocational and special education areas. Mr. Bennett said he was "confident" that the items covered in this budget are "needed" and "justifiable".

Under personnel items, the Board approved the appointment of Mr. Michael Dunn as Assistant Principal of Lee Avenue School, making Mr. Dunn the first Assistant Principal in Hicksville in almost 20 years.

In the Superintendent's report, Dr. Fenton reviewed the event planned for the Hicksville Spring Festival, previously called Expo. This year, all students in the elementary buildings will be participating in the festival.

The district has obtained the use of the Town of Oyster Bay portable stage at the Junior High School for musical and choral productions, day and evening, Monday through Thursday, during Expo Week (the first week of June). There will be an art display in the Junior High School gymnasium. Both of these programs will involve community members as well as students. In the Junior High School theater, synopses of plays performed during the year by students on all school levels will be presented.

And finally, the district has arranged with the Millersidge Inn to have small choral and musical groups perform for restaurant patrons during lunch hours. Dr. Fenton pointed out that the thread of community involvement runs through the entire festival theme.

News From Road Runners

Among the 1986 POBRRC age group winners were Jerry Miller of Synasset, left and Jack Roden of Bethpage, right.

Ed Gonsalves of Bethpage and Margaret Bertram of Hicksville headed a list of 26 members of the Plainview Old Bethpage Road Runners Club who were awarded the Club's 1986 Championship Plaques at the Club's April 15 Awards Night.

Awards were presented to the top male and female POBRRC finishers in each of eleven age categories in the 1986 Plainview Long Island Championship 10K Run, to the four "most improved" Club members, and to the overall male and female Club Championships for 1986.

Gonsalves was the overall men's Club champion, turning in a time of 33:21 over the 10 K championship course. Bertram was the overall women's Club champion with a time of 40:51.

The Club's men's age group championship plaques were won by Lewis Kaufman, Steve Glasser, Jerry Miller, Geza Feld, Ari Kuppelman, Jack Roden, Bodo Blacrak, Andy Mulrain,

George Dennis, Jeff Cole and Steve Spinner.

The Club's women's age group championship plaques were won by Gina Gelman, Lori Harfenes, Lois Polesky, Joanne Gallo, Erica Gassen, Alexandra Finger, Annette Frisch and Jeanne Ofenloch.

The coveted "Most Improved" trophies were taken home by Sal Miranda, Anne Anderson, Irene Robinson and Marvin Glassman. The single most improved performance was Miranda, a Bethpage resident who completed the 1986 Run in 49:43, more than nine and one half minutes ahead of his 1985 time.

Also highlighting the ceremonies were Special Service Awards to Club Vice President Ira Eskow of Woodbury and Club members Sam Zinn of Plainview and Alan End of Levittown, in recognition of their diligent service to the Club and to the running community generally.

Tips About Insuring Mail

If you send merchandise or valued objects through the mail, you can buy postal insurance. The key is knowing the rules that apply.

Hicksville Postmaster Roger Nienaber points out that while almost all packages and envelopes handled by the U.S. Postal Service reach their destination without incident, insurance is a safe and economical way to assure reimbursement in the event of accidental damage or loss.

Insurance is available up to \$500 for fourth-class parcel and book-rate mail, third-class business mail and for merchandise mailed at the Priority Mail or First-Class rates. For articles insured for more than \$25, a receipt of delivery is signed by the recipient and filed at the delivery post office.

The cost of the insurance ranges from a minimum of 50 cents to a maximum of \$4.40. Express Mail is covered by limited insurance at no additional charge.

Postmaster Nienaber offers these tips:

"First, send irreplaceable articles, regardless of value, and all items worth more than \$500 by Registered Mail for greater security.

"Second, do not overinsure your articles. Payment for a lost item is limited to the actual value of the item, less depreciation.

"Third, insurance does not cover the spoilage of perishable items. Sentimental value isn't covered either.

"Fourth, if a mailed article you insured has been lost or damaged, you need to pick up the claim forms at your local post office where the required procedures for filing claims will be explained to you. The same forms also are used for claims on registered, COD or Express Mail."

Money orders offer another kind of insurance.

"The Postal Service does not want its customers to send cash through the mail," adds Postmaster Nienaber. "If they do, the cash can't be insured. The safe answer is to purchase domestic money orders, available at all post offices in amounts up to \$700. If your money order is lost or stolen, present your customer receipt and it can be replaced."

The featured speakers at the April meeting of the Plainview-Old Bethpage Road Runners Club were New York Daily News running columnist Eddie Coyle and national 50 Mile Women's champion Diane Hawkins.

Pictured here at the meeting, Coyle, center, receives an "honorary POBRRC Membership Plaque" from Club President Mike Polansky, left, as Ms. Hawkins, right, looks on with approval.

Demonstrators Meet At Landfill

An orderly demonstration took place April 19 at the Old Bethpage Landfill, Winding Road Old Bethpage. The demonstration protesting the extension of the time the site will operate until May, brought approximately 300 persons to the scene.

Police supervisors and officers from the Eighth Precinct were present to ensure order and safety for the parties involved. The demonstration ended at 1 p.m. with no incidents.

Piano Duet In Plainview

A performance by piano duo Louis Alcuri and Avraham Sternklar on Saturday, May 3, at the Plainview-Old Bethpage Public Library, will be the eighteenth offering in the 1985-86 "Distinguished Artists Concerts" series according to Oyster Bay Town Councilman Thomas L. Clark.

The concert, which is being sponsored by the Cultural and Performing Arts (CAPA) Division of the Department of Community Services, will be held at the library, 999 Old Country Road, beginning at 8:15 p.m. For further information, contact CAPA at 795-5943.

"Louis Alcuri has had a varied career as a pianist, choral director, accompanist and music educator," Clark said. "He holds two degrees from Juilliard School of Music and is currently pianist and musical director of the Ars Musica Trio of Long Island."

"Avraham Sternklar is a graduate of Juilliard School of Music where he was awarded scholarships for five consecutive years," Clark stated. "In addition to being a concert pianist, he composes and lectures. He is currently a regular member of the Bayview Chamber Players."

Selections for this concert will include "Ma Mere L'Oye" by Ravel, Schubert's "Marche Caracteristique, Opus 121, No. 1," Rimsky-Korsakoff's "Scherzade, Opus 35" and "Sonata in B flat major, K. 358" by Mozart.

Holy Trinity H.S. Cancels Oktoberfest

For the past ten years, Holy Trinity Diocesan High School has gained a fine reputation not only as a school but also as being the home of Long Island's largest and best Oktoberfest. Thousands of people would flock to Hicksville each year on the last weekend of August and Labor Day weekend to participate in the Oktoberfest events. Heralded by a mammoth parade through the streets of Hicksville, the Oktoberfest would draw somewhere between 20,000 and 30,000 visitors in the eight days that the event was held. Top performers entertained under the Big Top while the smell of cooking sausages and other foods would make people's taste buds come alive. Carnival rides as well as a casino for gaming adults added a variety of activities for everyone.

For ten years Oktoberfest grew and was blessed with the fine weather necessary for this mammoth fund-raiser to be successful. Last year, the Oktoberfest was plagued with a number of days of bad weather and the resultant proceeds were minimal.

Monsignor Seidenschwang, together with his staff, evaluated

the event and have decided that it is time to make the Oktoberfest an event of the past. In addition to the challenges of nature, the Trinity Community is also aware of the many other liabilities involved in such a vast undertaking.

All things being considered, this memorable event will no longer be. The Holy Trinity High School Community is planning other events to raise the funds necessary to help absorb the costs of running such a large school. Although tuition and Diocesan support maintain better than 93% of the running costs of the school, the additional monies needed to complete the payment of school expenses must be met by other fund raisers.

Fund-raisers will include the Oktoberfest dance with Adam Barthalt and the Schlierachtaler-Stamm Dancers on November 15, which will be held in the Holy Trinity Diocesan High School Cafeteria, the Reverse Raffle, the Super Bowl Sunday, and the various Irish concerts and parties during the year. If interested in any of these events, please write to the school at 98 Cherry Lane, Hicksville, or call 433-2900.

The Hicksville Coalition gathering for Dan Arena and Carole Wolf last Friday, April 18, at the Hicksville V.F.W., was a spectacular success!

A capacity crowd came to meet Dan and Carole, and discuss their plans for the Hicksville School

Board. A wide cross section was represented at the reception, to the joy and delight of not only Dan and Carole, but to all those in attendance as well. It was truly a "Community gathering!"

Letters

To the Editor:

As a candidate for a seat on the Hicksville School Board, I would like to list my qualifications and explain why I am running for the Board.

In May, I will graduate with my MBA in International Finance from Pace University in New York City. I received my BBA in Accounting from Hofstra University in 1981.

I am a Senior Auditor for the 11th largest bank in the world and have been employed by them for the past five years. In addition, I am a member of the Institute of Internal Auditors and am a candidate for certification.

There are two reasons why I wanted to run for the school board my belief in my community and in children. My experience is as follows:

- Member of the Board of Directors of HAD. (Help, Aid, Direction) for five years.

- President of the Hicksville Community Council for three years; currently serving on its Executive Board.

- Treasurer of the 1986 National Figure Skating Championships, held at Nassau Coliseum from February 2 through 9; responsible for an \$800,000 budget.

- Player Representative of the Hicksville Baseball Association for three years; also served a year as publicity Director.

- Author of the annual "History of Hicksville".

- Judge of the annual Albinus A. Hanlon Scholarship Award given by the VFW.

- Judge sanctioned by the United States Figure Skating Association since 1980.

- President of the Newbridge Road Park Figure Skating Club; also served as Vice-President and currently its Secretary.

- Treasurer of the Regional Council of Figure Skating Clubs for two years.

- Treasurer, Friends of the Hicksville Public Library.

- Junior and Cadette Girl Scout Leader.

- Den Mother, Cub Scouts.
- Member of the Hicksville Bicentennial Committee.

- Mother of six children and past chief-chauffeur to educational and recreational events.

- Resident of Hicksville for 19 years.

Vote for me on May 7. I want to use my experience to benefit our community.

Sincerely,
Carole Wolf

Gregory Museum Art Contest Winners

On Sunday, April 13, over 175 people were present for the award ceremony of the recently held Wildlife Art Contest for elementary school children sponsored by Hicksville Gregory Museum. A welcoming speech by Museum Director Joan Scancarelli stressed the purpose of the art contest.

"This program encouraged the children to become more aware of the world around them, that wildlife is part of our ecology and environment and must be preserved for future generations." The noted artist Paul Connor handed out the awards to the children and Director William Kolodnicki of Theodore Roosevelt Sanctuary gave a presentation with a live red tail hawk.

Also on exhibit is the art work of noted artists Guy Coheleach, Paul Connor, Arthur Singer and Don Eckelberry, whose love for wildlife and art goes back to when they too were 10 and 12 years old.

The art work of budding young artists as well as noted artists will be on display until June 30. A National Wildlife poster will be given out, one to a family, while supplies last, for those viewing the exhibit. Come and visit.

Museum hours are Tuesday to

Friday, 9:30 to 4:30, weekends, 1 to 5 p.m. Closed Mondays.

Chamber Speaker Advises Seniors

Members of the Hicksville Chamber of Commerce attending the monthly luncheon meeting Thursday at Milleridge Inn, April 17 heard Ms. Roberta Miller outline the Senior Citizens "matching services" offered by Nassau County's Department of Citizens Affairs. These "matching services" aid Senior Citizens to remain active and employed after retirement through a special Job Placement Service.

at 535-5821. She further noted that her services' involvement is in just one of the many areas in which the County offers aid to Senior Citizens.

At the moment the program is searching for 1,500 applications for over 800 different firms.

The Chamber conducted its normal business activities under the leadership of Ms. Effie Krogmann, President.

Ms. Miller briefly described the program and asked individuals interested in the "job assistance" project to contact her

The annual Dinner Dance and officer installation will be held September 16 and a Committee Chairman will be named at a later date.

Why on earth would you take an SAT class this summer?

Because after the beach, the barbeques and the movies, you still have a lot of free time.

Stanley H. Kaplan's test-taking techniques and professional educational programs have helped many students increase their scores 150, 200, as much as 250 points.

We offer classes at flexible times to suit your schedule. And before the SAT this fall, take our refresher program—free.

Hospital Week At Mid-Island

The Mid-Island Hospital will celebrate National Hospital Week under the banner "Hospitals Make Healthy Neighbors" which reflects the theme of contributions made by the 39-year-old health care facility to the communities it serves, as announced by James J. Dickson, Administrator.

Special health education screening programs and professional counseling activities are scheduled, free of charge, from 12 noon to 4 p.m., Wednesday, May 14, in the hospital's staff room.

Dickson said, "Mid-Island's celebration will increase health care awareness by the communities we serve of the relationship of caring and understanding on the part of our hospital's health care team."

Health Fair events will include blood glucose and blood pressure screening, pulmonary function testing and nutritional guidance for planning healthy meals.

Exhibits at the Health Fair will include displays from regional and national pharmaceutical companies, the American Cancer Society, American Lung Association, and the Heart and Diabetes Associations.

Arbor Day At Willet Ave.

Tradition is important in Hicksville's Willet Avenue School and the annual Arbor Day ceremony is one of the events that create lasting memories.

Each year a tree, donated by the PTA is planted in memory of some notable person. This year one was planted in memory of Samantha Smith, the little girl

who proved that even one child could make a worthwhile contribution to world peace.

With heavy hearts, and tears in many eyes, the tree commemorating Willet Avenue's beloved Principal, John Maher, who died last spring, was rededicated.

In a touching ceremony, students read original poems, the

orchestra's selections included one of Mr. Maher's favorites, the chorus sang beautifully under the direction of Mrs. Scammato. Principal Jack Schwartz delivered a touching and appropriate address. The students even looked especially nice, wearing the uniforms of their Scout groups or sports organizations.

Representing Willet Avenue's Scout Troops in the Arbor Day Color Guard are Sheryl Wagner, Ellen Michael, Danielle Stampf, George Nolan, Michael Speranza, and Beth Rose Hoffman.

WHENEVER news gets quiet it is always time to check to see if a grand jury is investigating something in the Town of Oyster Bay. Now, for the second time in four years a grand jury is looking into the affairs of the Town's Building Dept. The last time the probe fizzled out after the Appellate court decided the grand jury was improperly instructed. That was in 1982. **AFTER** ten successful years the annual Oktoberfest at Trinity H.S. in Hicksville will be cancelled due to weather conditions and other liabilities. **THE 50th** anniversary of the changing of the name of Central Park to Bethpage will be celebrated on Sept. 13. The Bethpage name was taken from the park in the area. **THE CRIME** report is published each week as a public service to alert residents of where crime is taking place in the area and as an aid in the Neighborhood Watch program. Anyone seeing suspicious activity should phone 911. **BURGLARS** attempted to break into the Simeone residence 1 Madison Ave., Jericho on April 12. TV Star Visits Fork Lane School

Stories and Photos
By A. Eichenauer

Fork Lane students in grades K-6 were visited by Mr. Slim GoodBody. Mr. GoodBody comes to us from Channel 21. Most of the children have seen him on T.V. and were very familiar with him.

He came out dressed in a body suit that shows what the inside of your body looks like. One side showed muscles and veins, the other showed bones. Mr. GoodBody sang songs along with his robot XREBOCK. He made all the students take the Good Health Pledge.

At one point in the show, he divided up the students in half and made them make the sounds of the human heart. When he told them to do it all together, it really did sound like a heart beating.

He told the students that your heart is the hardest working organ in your entire body. The human body is made up of some 260 bones. Your bones are there to protect your body. Some bones

protect your heart, lungs and brain. Bones also hold us up, for without bones we'd all be one big bowl of jello.

Mr. GoodBody brought two friends of his along. His first friend was Miss Nobody who took the place of your imagination, which is part of a brain function. The second friend was Barbara Saville. Ms. Saville talked about hair and how it protects your head, and how to take good care of it.

Last but not least, he asked the students "What would you do without hands?" We all take our bodies for granted, but what if a certain part was gone, or had to be removed, what would we do? The best thing to do is eat right, exercise, get plenty of fresh air and rest.

Mr. Slim GoodBody had a question and answer period at the end of the show. This performance was excellent and with the children participation in it made it a big success.

Ecumenical Center Celebrates 13th Yr

Pastor Frank Nelson of St. Stephen's Lutheran Church extends congratulations to Ecumenical staff members Vera Cakars, ACSW and Peter Gelber, ACSW on the occasion of the center's 13th anniversary.

The Ecumenical Consultation Center, a non-profit counseling center, located at 30 Grand Avenue, Hicksville, recently celebrated the 13th anniversary of the reception of its charter from the state of New York.

Founded in 1973, under the auspices of the Ecumenical Council, comprised of the religious community in Plainview,

Hicksville and Bethpage, the center was created to fill an existing need in the area. A study had previously been done in 1972, which revealed that a gap existed in mental health services. Local clinics were available to serve those families whose income met their particular guidelines and private therapists were in the area to help those able to provide

higher fees. However, many families in the middle income range then faced a dearth of services. The ECC was formed to provide high quality professional care to meet the needs of those individuals.

Once the need for such a facility was established, a search was instituted to find appropriate headquarters for such a center. This proved difficult due to the high rentals required for offices in most existing buildings. However, at that time St. Stephen's Lutheran Church owned a house on Grand Avenue, which in the past had served as church offices, but was then vacant. The congregation generously offered this house to the ECC rent free, and it has served as its location ever since. This extension of the St. Stephen's ministry perhaps passes unnoticed in our community even today.

Then an appeal was made to local churches. Volunteers from the congregations immediately offered to paint and help furnish the center. Rugs, chairs, desks and other items were donated by local citizens. Indeed it was only through the initial support of the people of this area that the

concept of the ECC was brought to reality.

Over the years, the Ecumenical Consultation Center has continued to play an ever-widening, active and unique role in the social service network of our communities. From an original staff of four, under the leadership of Rev. Dr. Roland J. Perez, then Pastor of St. Stephen's and Rev. Dr. Theodore S. Grant, Pastor of Redeemer Lutheran Church, and a trained social worker and Adjunct Professor at Yeshiva University, the agency has now increased to a staff of 14 licensed/certified professionals. This staff provides a wide range of services such as individual and family counseling, premarital and marital therapy, help with parent-child problems and school difficulties.

The ECC has over the years held meetings with clergy, health professionals, school psychologists and other school personnel to ascertain the services needed. It is significant to note that ECC was a pioneer in developing bereavement programs, in its work with parents of leukemia victims. In addition, several years ago, the agency instituted a workshop for clergy of Nassau and Suffolk counties designed to address the plight of the depressed and suicidal adolescent. ECC recognized that clergy were often the first professionals contacted when parents were worried about a depressed teenager. Dr. Herbert J. Levowitz, of SUNY, Stony Brook Medical School and Long Island Jewish Hospital, as keynote speaker for the conference, provided clergy with the knowledge and skill to enable them to provide help and direction to such distressed families.

The ongoing groups for "Caregivers of Aging Parents" and mothers of nursery school children, as well as the clergy and family consultation services are only a few of the ways the ECC endeavours constantly to add new programs to meet changing needs. As school districts made us aware of their search for psychotherapists with a fluency in

Spanish, a new bi-lingual service was added at ECC.

Due to the graciousness of St. Stephen's Church, and consequently the low overhead with which ECC functions, it has been possible to keep fees on a sliding scale, an important factor at a time when so many individuals face economic hardship. Many single parents, young adults living on limited incomes, as well as families in financial difficulty can testify to the fact that they were able to get help, and consequently their lives enriched, by the work done at the ECC. Due to staff flexibility, both day and evening hours are available, a factor which is particularly helpful to those on rotating shifts.

Since individuals seek help at mental health agencies for intimate and personal problems and family difficulties, which are rarely shared with others, the valuable role that psychotherapy services can play, may easily pass unnoticed in the community. Yet all such agencies see a need for publicity regarding the value of such programs, to make others aware that help is available and that they are not alone. The staff of the ECC has been inspired over the years by the letters of tribute, as well as voluntary gifts and contributions received toward the work of the center, from former clients, often many years after the original help has been rendered.

The staff of psychologists, social workers and pastoral counselors working at the ECC, beyond providing their professional expertise, also donate time and energy in many other ways to keep the center vital and ongoing. Their loyalty and dedication to the concept of a small voluntary non-sectarian agency, which has the flexibility to provide a personal and caring approach, as well as a sensitivity to the religious and spiritual values of the people it serves, is what has kept the Ecumenical Consultation Center active and thriving in the life of our community.

Anyone interested in service or in obtaining further information are encouraged to call the ECC at 935-4437.
