The Long Island Mandolin and Guitar Orchestra will perform at the Mid-Island Y in Flushing on Sunday, November 22 at 7:30 p.m.

The unique and exciting music of mandolins, mandola, guitar and banjo provides romantic inspiration different from the usual orchestral sounds. Great vocalists and the international folk music, classical and pop selections will be sung and played by the orchestra.

This is the first of the Sunday Evening Special Concerts which will be presented at the Mid-Island Y, 45 Manetto Hill Road, Flushing. Admission to the concert is \$5 for Y members, \$7 for non-members and a \$1 discount for students and senior citizens.

For further information call the Mid-Island Y at 827-3533.

School Board Discusses Scholarship Criteria

Special to Mid-Island Times

By Maureen Traxler

Outlining proposals for changes in instructional and recreational use at the Middle School building, Superintendent Catherine Fenton quoted cost estimates for major renovations and new construction to the members of the Hicksville School Board at their October 28 meeting. Dr. Fenton's report also included the announcement of changes by the New York State Legislature in the criteria for awarding State scholarships.

Board President Thomas Nagle began the meeting, as has become practice since his installation in July, by giving a follow-up report on issues from the Board's last meeting. At that time, several residents again questioned the Board as to the thoroughness of the district's asbestos abatement program.

Mr. Nagle said that the district does not see any further problem in this area. He reminded residents that at present there are no "certified" agencies to perform inspections and that the district will "be on the outlook for the first opportunity to hire an agency to do that."

Mr. Nagle stated that he received correspondence from trustee Daniel MacBride concerning his absence from several meetings. Mr. MacBride, in attendance at the City Council's Public Hearing, indicated that he should return to active service by the December Board meeting, and stated that he understands that his secretarial duties must be handled in his absence.

Superintendent Fenton made several proposals for alternate use of space at the Middle School. The district explored the possible renting of the Cafeteria C area, including the choral room. In order to separate this section from the middle school facilities, renovations would have to take place, such as, installation of bathrooms and separate heating system, erection of a dividing wall, demolition of the cement risers in the choral room, and adjustments to the cafeteria itself. All renovations would cost the district an estimated \$86,000.

Dr. Fenton also proposed a plan to convert Cafeteria C into a "music suite," similar to that which is at the senior high school. The space would be used for instrumental music including band, orchestra, library/practice, music office and storage. By moving all music-related activities to the Cafeteria C area, the room adjacent to the auditorium stage, currently used for band and storage, can be made available for drama and set construction. The estimated cost of these renovations is \$40,000.

Superintendent Fenton's third and most innovative proposal calls for the creation of a recreational area adjacent to Cafeteria A and B on the present parking lot. Middle School Principal Gerald Klein stated that the plan would involve the construction of an enclosed structure on the site to be used by the students during their lunch period. He envisioned the area to include outdoor furniture, including table tops with built-in board games, possibly shuffleboard, benches—all conducive to the socialization of youngsters at this age level. The area would be fenced in and landscaped, and well supervised by school personnel.

Mr. Klein stressed the need for an area to be made available where youngsters can expend their energies in a constructive way, and he said this emotional release would foster better learning. The cost of creating such a recreational area is approximately \$10,000.

Due to recent criticism of the State's awarding Regents and Empire State Scholarships solely on the basis of SAT-ACT scores, the New York State Legislature has required the Education Department to take into account each candidate's high school performance in awarding such scholarships.

The legislative mandate affects awards made during the present school year only. After the awards have been made, the Legislature will examine the gender, race and ethnicity of the winners to see if a better balance of male/female winners has been achieved. Dr. Fenton warned that such a change may mean less scholarship money will be received by Hicksville High School graduates.

Trustee William Bennett challenged the Legislature's involvement in educational matters and vowed to have the Board's Legislative Committee tackle this item.

Trustee Carole Wolf reported that the Reorganization Committee probed the redistricting option at its October 14 meeting. The District

Republicans Sweep Slate For All Elected Posts

It was a quick victory for Angelo Delligatti in his first bid for Supervisor of the Town of Oyster Bay. Before 11 p.m. returns showed that the race was over as he picked up and held a widening lead. Delligatti replaced Supervisor Joseph Colby who was elected to the State Supreme Court.

Republicans Thomas Clark, John Venditto and Ann Ocker won the three Town Board seats up for election, and Republicans Carl Marcellino and Gary Musciello won for town clerk and tax receiver, respectively.

Officers Resign From Lee Ave. School P.T.A.

In an unprecedented event, the president, vice-president and treasurer of the Lee Avenue School P.T.A. handed in their letters of resignation last week.

Citing "lack of cooperation" and "emotional turmoil" from the school's administration, President Rosalme Snowden, Vice-President Linda A. Mirro and Treasurer Barbara Lewis resigned October 29.

Their letters read:
"Let me first start out by saying thank you to those involved for the very enjoyable Moonlight Bowl party this past Saturday night. The Special Events Committee did a wonderful job. Everyone seemed to have a great time. It seemed to be a good start in getting people together and at the same time raise money for the P.T.A.
Everyone is doing a superb job. You are all hard-working dedicated people. Lee is lucky to have all of you.

However, despite our successes, we have had our problems. I think they will, given time, begin to sort themselves out. But in order for this to take place, I feel I must submit my resignation as president of this unit. At the heart of the problems are differences of opinions that I don't feel I can compromise.

posed areas for discussion which, if moved, would more equitably distribute students. Mrs. Wolf also solicited other areas for study. It was the consensus of the committee that any analysis would have as its goal to keep main roads as natural boundaries in any projection for moving neighborhood pockets. Assistant Superintendent William Hall pointed out that the transfer of students between elementary school areas would require at least one more bus to complete. (The cost of a bus is estimated at \$35,000.)

A sub-committee was formed to develop a community survey to investigate the process to be used, if any. The Board approved an expenditure of \$725 for such purposes.

A resident in the Burns Avenue School section asked Mr. Nagle if the Board is considering a change in zoning to "residential" for the portion of Burns Avenue School property which is zoned "business." Mr. Nagle replied that nothing has been initiated. If such a proposal comes before the Town Board, the district would have the opportunity to go before the Board and oppose it. He further added that the district will do nothing until the Reorganization Committee makes its appraisal of the situation.

In other matters: Superintendent Fenton recommended Thomas Shaw to replace retiring Facilities and Operations Director William Becker. The Board unanimously accepted the recommendation.

The Board unanimously approved the appointment of Gregory Guercio as chief labor negotiator.

The Board approved the issuance of a "letter of intent" for plumbing work to ensure the swift renovation of science laboratories at the Middle School. Bidding took place in the summer months, but the district received no response or extremely high bids from contractors. Bidding will open on November 10, and formal approval will be submitted to the Board at its November 24 meeting.

The next regular meeting of the Board will take place Wednesday, November 24, at 8:15 p.m. in the Conference Room of the Administration Building.

Letters

To the Editor:

We mourn the loss of Lee Ave. PTA's President (Romaine Snowden) and K's 1st Vice President (Linda Mirro), who for the benefit of the 500+ students at Lee Ave, tearfully and regretfully handed in their resignations on Oct. 29.

These 2 fine women were the People's choice when elected to their positions.

Trying their best to co-operate and negotiate with the Principal, it became clear when all PTA programs were terminated, that they would have to submit to pressures applied. In order for the programs to be reinstated, they MUST resign from the Lee Ave. PTA. For the extreme love they have for the children at Lee, they handed in their resignations.

It disturbs us how this can be allowed to happen. We also realize how this can happen again and again if we allow this matter to go unanswered.

Re-election will take place at Lee Ave, but what will occur next if the People of Lee elect a President and 1st Vice President of their choice. Will we allow this to happen again and again until there is a Puppet PTA?

We show our support for Romaine and Linda on this issue. We feel that by submitting their resignations it proves how much they genuinely care about the children at Lee Ave.

Ladies, We Salute You!!
Name Withheld On Request

To the Editor:

I would like to address an important topic that we must pay attention to. This topic is environmental pollution. Today we are constantly dumping pollutants into our ground. These pollutants destroy plants and animals and poison our water supply. On Long Island we take our water from aquifers that are being polluted every day, and the Atlantic Ocean is seeping salt water into these aquifers also destroying a part of our water supply.

Since we live on an island our water supply is very limited and we must take care not to keep polluting it. When all the aquifers are polluted we will either have to build expensive filtering stations or ship in water from upstate. We the people must start at home to stop these environmental pollutants from getting into the water supply. How many times have you just dumped oil down a storm drain? Where does that oil go you don't really care as long as it's out of your sight, but you should care because it comes back to you in the end in the form of the water we use everyday. There is a Town project called S.T.O.P. where you bring your pollutants to a dumping site and the Town hires an outside organization to dispose of these pollutants properly. As a person I feel that we must protect our environment, and remember the old saying "Water, water everywhere and not a drop to drink."

Sincerely yours,
Brian Poppenawimer
Hicksville

P.S. I am a member of Troop 683 Willet Avenue School and I am working on my Eagle Project that deals with bringing to the attention of the community a program called S.T.O.P.

Continued From Page 1

Many of you have expressed your desire to support me and will do whatever I wish. I am asking all of you to continue working for this unit. Please always remember the children must come first. Show everyone in Hicksville what a strong unit Lee Avenue is, and how we can take all our different personalities and put them together to make the best PTA Lee has ever had.

'I'd like to thank all of you for your support and understanding of my decision. I sincerely hope that this PTA continues its dedication to the children of Lee Avenue.

Sincerely,
Romaine Snowden"

To Lee Ave. PTA

"After many months, weeks and days of nothing but emotional turmoil, I am resigning my position as Lee Ave. PTA first vice president. I do not feel I can look at myself and find any self-respect, self-esteem or self-assurance at this point of my life. I feel my husband and three daughters have had to suffer greatly through my many controversies.

Seven years ago when I joined PTA, I strongly believed that if we touched one child's heart in any program we made available to them, we were accomplishing our goals. Through this I never felt I would lose my faith in human nature along the way.

Therefore at this time I relinquish my positions with Lee Ave PTA on behalf of all 476 children in our school.

Linda A. Mirro"

"In the past I have fully supported the President and Vice President of this P.T.A., as well as the new programs that have been introduced. These new programs have been in the best interest of the students, which is what I believed this organization to be all about.

I have worked with and supported to the best of my ability, the President and Vice President. Together, along with all others involved with P.T.A., we worked to form a line of communication as well as a lasting relationship between parents and teachers.

Now due to the lack of cooperation of the present administration, the continuity of that relationship is threatened, as well as the stability of the organization itself.

Because of this as well as the resignations of both the President and the Vice President, I feel I can no longer perform my duties effectively.

I therefore request, with deep regret, that the Lee Avenue P.T.A. accept my resignation as Treasurer.

Sincerely,
Barbara Lewis

Principal John Mateer was unable to be reached for comment. Mrs. Linda Colton, the second vice-president will act as interim president until a new election can be held. The P.T.A. formed a nominating committee to select potential officers, October 29, and an emergency meeting will be called for a general member vote for new officers.

Karen Garbus, Vice President of the Hicksville P.T.A. Council, said this should be done quickly so the P.T.A. will not be left without executive officers.

On October 26, Hicksville P.T.A. Council President Norma Goerke met with the three women to discuss the situation and try to resolve their differences with Principal Mateer, Mrs. Garbus said.

However, this did not occur, and their resignations followed. "In the 16 years I've been involved with (Hicksville) P.T.A. there has never been a resignation under a cloud like this," Mrs. Garbus said.

The P.T.A. Council could become involved in an advisory capacity, she said.

Lee Avenue is the largest elementary school in the Hicksville School District.

Editor's Notebook

It appears that the present methods of dealing with problems will continue. Following Tuesday's vote there is no doubt that the majority of residents who voted believe that the present Republicans can and will do the job they want.

We have been and still are apprehensive about the lack of imagination in coping with problems such as dumping waste and water pollution.

In many ways the dumping and water problems are the same. And while we understand the need to conserve and make the best of things as they are now we do see the need for more overall thinking for the future.

About 20 years ago the counties made a commitment to sewer plants to try to avoid the contamination of county water supplies, at least we thought that was what was being done, but this solution tackled the wrong end of the pollution problem because it helped drain off much existing ground water into the ocean where the sewer residue is emptied.

We have contamination from dumping which is seeping into the water supply and the only solutions that are being worked on at this time are those which would curtail the use of water and dumping. A wider horizon, which takes into account the fact that the world is made up of two-thirds water, is neglected. But in that neglect we fail to realize that the purification of salt water which surrounds Long Island is technically possible and the use of reservoirs for areas close to New York City by expanding the mountain water supply from N.J. and the Catskills is still a possibility. Unfortunately with most of the rhetoric during the last campaign only Leonard Austin in any way touched on the recharge of sewer water. Other long term ideas were set aside and Austin lost.

Reward Offered Teacher Harassment

The Hicksville Congress of Teachers announced today, the offer of a \$500 reward for information leading to the arrest and conviction of the individual(s) responsible for the anti-semitic harassment suffered by Mr. Steven Aronowitz, English Chair at Hicksville High School.

Making the announcement, HCT President, Bob Zaleski, indicated that the Executive Committee and Board of Directors of the teachers' Union were appalled by the vicious attack on the property of Mr. Aronowitz, and the telephone harassment he and his family have been subjected to since the beginning of the school year.

"As teachers," Mr. Zaleski said, "we have a moral responsibility to fight against all forms of racism and discrimination."

"We want to send out a message that we will not tolerate such actions, and will work together with all Community groups and the police, to bring those responsible to justice."

"Members of all religions and races have worked together too long and too well in this community to allow the poison of anti-semitism to continue."

Anyone with information can contact the HCT at 681-9710.

The Richie Iacona Quartet will kick off the 1987-88 "Great Sounds of Jazz" series with a free concert on Sunday, November 15, according to Oyster Bay Councilman Thomas L. Clark.

The concert, which is being sponsored by the Cultural and Performing Arts (CAPA) Division of the Department of Community Services, will be held at New York Institute of Technology's Salten Hall, Rte. 25-A, Old Westbury, beginning at 3 p.m. For further information, contact CAPA at 795-5943.

"Arranger, composer, jazz pianist and conductor, Richie Iacona has performed with many noted vocalists including Fran Warren, Jill Corey, Fyan Jeffries and Placido Domingo," Clark said. "His Bad Little Big Band can be heard frequently in the metropolitan area and has two record albums to its credit."

The other members of the quartet are vocalist/bassist Madeline Kole, percussionist Ken Hassler and Mark

Lopeman on woodwinds.

"I hope many Town residents will avail themselves of the opportunity to enjoy the Richie Iacona Quartet in person," Clark commented. "Upcoming programs in the 'Great Sounds of Jazz' series will be Bob Cantwell and his Saturday Night Stompers on December 6, and Mark Morganeilli and the Jazz Forum All-Stars on March 20."

Soccer Clinic Every Monday

The Hicksville Americans Soccer Club is holding a soccer clinic every Monday evening in November at 7:30 p.m. at the Hicksville Middle School, Cafeteria A.

This series of five clinics is open to all soccer coaches and interested parents. They will be

teaching about the game of soccer, coaching techniques and how to work with children. You may attend one or all four of the remaining clinics.

For more information, please contact Patricia Wiener at 822-7714.

In Service

Airman Ian P. Bresser, son of Theodore J. and Lucy C. Bresser of 3746 Windsor Drive, Bethpage, has graduated from Air Force basic training at Lackland Air Force Base, Texas.

During the six weeks of training the airman studied the Air Force mission, organization and customs and received special training in human relations.

In addition, airmen who complete basic training earn credits toward an associate degree through the community college of the Air Force.

He is a 1987 graduate of Island Trees High School, Levittown.

Pvt. Peter J. Jurgensen, son of Joyce W. and Richard W. Jurgensen of 134 Park Ave., Hicksville, has received the parachutist badge upon completion of the three-week airborne course at the U.S. Army Infantry School, Fort Benning, Ga.

During the first week of training, students underwent a rigorous physical training program and received instruction in the theory of parachuting. The second week they received practical training by jumping from 34-foot and 250-foot towers. The final week they made five staticline parachute jumps including one night jump.

Halloween At Burns Ave. School

Mrs. Sadetsky's Special Education class from Burns Avenue School did a writing unit in October about Monster Madness. They wrote scary words, designed invitations to Baby Gog's birthday party, described the family pet, developed original recipes and wrote about the scariest story ever told. They also drew their own monsters. Here are some samples of their favorite recipes and stories.

16 lbs. of cow guts
99 cups of blood
turtle's guts
19 pounds of goblin guts
1 witch's hat
Mix all ingredients. Bake at 16,000° for 1 hour.

By Eddie Brown

1/4 of an eye
1/3 of a cat
1 sailboat
1/2 doghouse
1/8 sandbox
1/9 baseball
10 pigs, 2 beds
3 ants, 4 suns
5 ducks
Cook for 3 minutes.

By Christina Tillman

4 bat noses
3 cups of bones
1 pound of hands
5 cups of hair
Mix well, cook 1 year.

By Kathleen Larson

1 rat
15 cups of eyeballs
10 beans, 50 mice
Cook for 1 hour.

Original Monster Family Favorite Recipes

One day I walked in the forest. I saw a monster. The monster grabbed me and he put me in his stomach. I found a machete. I

Mrs. Grumo's P.M. kindergarten class, Burns Avenue School: Dustin Butt, Robbie Dwyer, Melissa Nadol, Jennifer Timque, Monica Bhatia.

took the machete and ripped open his mouth. I jumped out of his mouth and called the army. They took the bomb and shot off his head. The blood went all over the place.

By Ryan O'Rourke

One day I went to a haunted house. I went with my friends. When we got inside I screamed so loud that a black cat jumped up. Then we walked upstairs. We saw 9 ghosts in one room. Then in another room there were 10 big bats. The ghosts and bats started chasing us. When we got out of the house, we almost got killed.

Halloween Fun At Fork Lane

Friday, October 30, was Fork Lane's Halloween Fun Day. During school, all classes had their own class party, followed by a "Show Off My Costume" parade. On Friday evening, Fork Lane PTA hosted a Halloween party for all in the gym. Many costume clad boys and girls, baby

brothers and sisters, moms and dads came. Games and prizes were the main event. A "count the candy corn" contest was done, as well as several prizes being raffled off. Baked goodies, juice and cotton candy were available to everyone. A fun and safe time was had by all.

Mrs. Heffernan's 3rd grade Fork Lane class.

Even Alf came to our Halloween party.

Kaplan puts you in scoring position.

Want a touchdown on the SAT and achievements? If so, you want Kaplan.

We're the undefeated leaders in the test prep field. Number one since we started 59 years ago.

Since then, we've helped over one million students increase their scoring power. We've taught them how to tackle "test nerves." How to use winning test-taking strategies. How to scramble through exams with an eye on the clock.

So don't wait on the sidelines. Avoid getting sacked by the SAT and achievements, by getting on the team with the best scoring record in the league. Stanley H. Kaplan.

News From Bethpage Library

Disney Animated Film

On Saturday, November 7, the Bethpage Public Library will show "The Aristocats," (color - 78 minutes), a Disney animated film hit for school age youngsters.

Here is the ultimate feline fantasy - in which a family of Parisian cats become heirs to a fabulous fortune, only to be kidnapped by an evil, greedy butler. Join their exciting, suspenseful romp to rescue, filled with thrills, chills, non-stop action and delicious surprises. With dazzling animation, unforgettable music, magical fun for all, and with the voices of Phil Harris and Eva Gabor.

Showtime is 2 p.m. and tickets are now available in the Children's Room of the Bethpage Public Library for young people who reside in District #21.

Computer Club

On Thursday, November 5, the first meeting of a Computer Club for young people will be held at the Bethpage Public Library.

Led by Rob Reale, majoring in computers and business at SUNY-Farmingdale, the club will offer youngsters in grades 4-6 an exciting opportunity to learn about many aspects of computers. There will be an introduction to the library's extensive software collection, fun with graphics and word processing, an introduction to programming in Basic and intriguing games, contests and other activities geared for their age group.

The club will meet on the first Thursday of each month from 4-5:15 p.m. Registration is now being taken in the Children's Room of the Bethpage Public Library. For further information please call 931-3907.

YOU CAN BE A RESTAURANT CRITIC - If you visit any of the restaurants selected for inclusion in this section - call 931-0827 at any hour and tell your ideas. We want you, the reader, to be our critic. Your message then can be printed in this space.

Magical Musical Story Theater

On Saturday, November 21, the Bethpage Public Library in co-sponsorship with Norstar Bank will present "Magical Musical Story Theater" by Dave Sear for youngsters in grades K-6. Join us for a fascinating romp through the highlights of Americana with rollicking stories and songs about animals, children, giants, mermaids, rogues, witches and more. Here is spirited story theater at its best, accompanied by rousing music on the banjo and twelve-stringing guitar--and with an exciting grab bag of tricks and surprises, and with loads of hand clapping, foot-stomping fun.

Storysinger Dave Sear has appeared on CBS, NBC, CBC, and WPIX Television and has given concerts throughout the United States and Europe. He is currently host producer of "Folk Music Almanac," heard over radio station WNYC in the New York Metropolitan area.

Showtime is 2 p.m. and school age young people who reside in District No. 21 are invited to attend. Tickets are now available in the Children's Room of the Bethpage Public Library. The program is co-sponsored by Norstar Bank, Bethpage Office, 521 Stewart Avenue, Bethpage-Glen Fuhrman, Manager. For further information, please call 931-3907.

Ancient Indian Workshop

Become a detective and re-discover Long Island's fascinating past! On Saturday, November 14, Melissa Piorek of the Suffolk County Archaeological Association will present an unusual workshop on Long Island's ancient Indians at the Bethpage Public Library. The program will include an intriguing slide show, outstanding artifacts, stories, Indian face painting and lore, and a fabulous archaeological discovery kit.

A session for grades K-3 will be held from 10:30 a.m. to 12 noon. Another for grades 3-6 will take place from 1:30-3 p.m. Registration for both programs is now being taken in the Children's Room of the Bethpage Public Library for youngsters who reside in District No. 21. For further information, please call 931-3907.

Ice Hockey Clinics Starting Nov. 7

The Town of Oyster Bay Parks Department has scheduled three registration dates during November for its instructional ice hockey clinics, according to Town Councilman Angelo A. Delligatti.

"Registration for the ice hockey clinics, which are open to Town residents ages 6 to 17, will be conducted at the Bethpage, Marjorie R. Post (Massapequa) and Syosset-Woodbury Community Parks skatehouses on the following Saturdays: November 7, 14 and 21 from 9:30 a.m. until 1 p.m.," said Delligatti.

To register, a youngster must be accompanied by a parent or guardian. Registrants will be required to show a birth certificate and proof of residency. The registration fee will be one new hockey puck.

Details relating to the clinics and a complete list of dates and locations will be available at all registration sessions.

Delligatti noted that on Saturday, November 21, a "Swap Jamboree" will be held at Bethpage Community Park skatehouse from noon until 4 p.m. Residents will be able to sell or purchase used equipment for their growing youngsters.

For additional information regarding both events contact the Parks Department at 795-1000 ext. 7785.

Central Classes Visit Pumpkin Farm

Kindergartners from Miss Baker's and Mrs. Cordiner's classes and Mrs. Sharofsky's Pre-K students visited Schmidt's Pumpkin Farm in Melville on October 27.

At the farm they enjoyed a tractor-drawn hayride to the pumpkin fields where they spent a half-hour choosing the roundest, brightest, firmest pumpkins to decorate their homes at Halloween. Before leaving they visited Schmidt's animal farm and saw lambs, goats and baby farm animals.

Local Student 3rd In Essay Contest

Robyn Sonntag

Robyn Sonntag, a senior at Bethpage High School, won third prize in Nassau County in the New York State Constitution Essay Contest. In her essay commemorating the Constitution's bicentennial she wrote how the Constitution's flexibility and expandability make it a timely document today which continues to hold American democracy

together.

Robyn, who lives in Hicksville with her Mom, Dad, and ten year old brother, hopes to major in marketing in college next September. She is active on Student Senate, Student Council, Future Business Leaders of America, Spanish Club, Political Activities Club and the Outdoor Club.

Holy Trinity Holds Winter Fair In Nov.

Holy Trinity Episcopal Church is having its annual Winter Fair and Jamboree on Friday, November 20, 5 - 9 p.m., and on Saturday, November 21, 11 a.m. - 9 p.m. Dinner will be served at 6:30 p.m. each night. Cost is \$6.00 per person. Call the Parish Office 931-1920 (9 a.m. - 3 p.m.) to place reservations for dinner. Some special features at the Fair this year are: handcrafted articles, Christmas decorations, baked goods, White Elephant treasures, holiday candies, fine gifts in

glass, new and used jewelry, religious articles, cards, books and much more.

Holy Trinity Church is located at the corner of Old Country Road and Jerusalem Avenue, Hicksville. Members of our neighboring communities are invited to come and browse, shop and dine with us. Winners of the Jamboree raffle will be announced and special prizes will be offered on the Sweepstakes Wheel after dinner each evening.

Kiwanis Hosts Peter Allen Concert

In order for the Kiwanis Foundation of Hicksville, Inc. to be in a position to continue to annually give scholarships to worthy Hicksville graduates, it is advisable to periodically conduct some fund-raising activity.

The Hicksville Kiwanis Fund Raising Chairman, Mr. Marc Ramirez, has arranged to present "A Night With Peter Allen" at the Westbury Music

Fair on Friday, November 13, at 8 p.m.

A block of choice seats has been set aside for this fund-raising project at \$30 per person. All proceeds will be used for scholarships. Mr. Ramirez has advised that not too many tickets are left. Call him at 433-8383, buy some tickets, and help the Scholarship Fund.

Nassau County Executive Thomas S. Galotta, left, attended the 2nd annual Foster Grandparent Recognition day luncheon which was recently held at the Pompei Restaurant in West Hempstead. The County Executive presented a pin to Katherine Carpinis of Hicksville who is a volunteer in the Foster Grandparent program. Also in attendance is Commissioner Adelaide Altard, N.C. Department of Senior Affairs.

CentralJoinScott's Learning Program

Central Boulevard School in Bethpage is participating in Scott Paper Company's "Learning Tools for Schools" program. Until February 29, 1968, apple seals from specially marked packages of Scottowels, Viva Towels, Scott Tissue, Cottoselle, Soft 'N' Pretty, Waldorf, Family Scott, Scotties, Kleenex, Viva Napkins, Scott Family Napkins, Baby Fresh, and Wash-a-Bye Baby may be redeemed by schools for valuable educational and audiovisual equipment such as encyclopedias, cameras,

televisions, VCR's, and computer systems.

Seals may be sent to the school with students or brought to special collection envelopes at the school, local businesses, and community centers. The special apple seals will only appear on packages manufactured between September and November, so it is essential to collect them as quickly as possible.

Drive chairperson Marianne Morea can be reached at 433-4844 for further information.

Lutheran Women Host Quilting Bee

The Lutheran Women's Missionary League of Trinity Lutheran Church, 40 W. Nicholai Street, Hicksville, invites you to participate in a Quilting Bee on Saturday, November 7, from 9 a.m. to 4 p.m. in the Youth/Senior room of the new East Wing. Fingertip lunch will be served to workers.

The quilts are ready to be tied with yarn and need many willing hands to gather and finish them. The quilts, along with many blankets which have been

donated, will be sent to Lutheran World Relief, to be used by people in need all over the world, and in our own backyard.

For thousands of refugees, disaster victims and homeless, a blanket is shelter. It is privacy in a crowded camp, a tote in which to gather a few salvaged belongings, or a roof between a family and bad weather.

If you would like more information about the Quilting Bee please call the church office at 931-2225.

Road Runners Coming Events

The featured speakers at the Tuesday, November 17 meeting of the Plainview/Old Bethpage Road Runners Club will be Physical Therapist David Balsley, and Paddy Rossbach, who heads up the Hospital for Special Surgery "ASPIRE" program for the rehabilitation of young amputees.

The meeting will be held at the Plainview/Old Bethpage Public Library, 999 Old Country Road in Plainview, beginning promptly at 8 p.m. The general public is cordially invited to attend.

Balsley will tell the audience a little bit about his experiences in the recent Wasatch Front 100 Mile Endurance Run through the Rocky Mountain Trails of Utah, and then both he and Ms. Rossbach will give a presentation

on the ASPIRE program, which is financed in large part by the proceeds of the annual David Lerner Associates, Plainview 10 Kilometer Championship Run administered by POBRR.

Applications are still available for the November 21 Syosset Sprint 5 Kilometer Run. Runners of all ages and abilities are welcome to participate in this low key race through the streets of Syosset, starting and finishing at the H.B. Thompson Middle School.

For more information about the November 17 meeting, the November 21 Sprint, or any of the other many activities sponsored by POBRR for the Long Island running community, call POBRR President Mike Polansky at 433-0919.

Thanksgiving Meal Explained, Displayed

At Old Bethpage Village Restoration, Thanksgiving meal preparation will keep the residents busy during the weekends of November 21 and 22 and on Friday, Saturday and Sunday, November 27, 28 and 29, from 10 a.m. to 4 p.m. each day.

In all the houses, the old-fashioned, wood burning stoves, beehive ovens and open hearths will be fired up to prepare a variety of foods and baked goods from 19th century recipes. A turkey or duck will be spitted and roasted in the reflector oven in the William's house hearth. Decorated pumpkin pies will brown in the Powell House brick oven and additional goodies chosen from a mouth-watering list of items that graced Long Island tables in the mid-1800s will bubble, bake and stew.

Late fall crops were also preserved at this time of year for winter eating, and several methods of food preservation will be demonstrated.

A Thanksgiving target shoot will be an additional attraction on November 21 and 22 from 2 to 4

p.m. Costumed villagers will fire flint-lock muskets and caplock rifles to compete for prizes and food.

Old Bethpage Village Restoration is operated by the Museum Services Division of the Nassau County Department of Recreation and Parks. It is located on Round Swamp Road in Old Bethpage, one mile south of the Long Island Expressway, exit 48. The Village is open six days a week from 10 a.m. to 5 p.m. and is closed on Mondays. In December the Village will close at 4 p.m.

Two Stationery Stores Robbed

Two stationary stores were robbed by what appears to be the same subject between 6 p.m. and 6:30 p.m. on October 29.

At about 6 p.m. a white male, late 20's early 30's and armed with an automatic revolver entered the Royal Stationery Store at 750 Old Country Road, Plainview. Gregg Alper 17 was the clerk on duty. The bandit announced a robbery and produced the handgun. He escaped on foot with about \$750, no injuries were reported.

Det. Tony Mirabal of the Second Squad is investigating.

At about 6:30 p.m. the same gunman entered Jelly Beans Stationery at 3103 N. Jerusalem Rd., Levittown and robbed Frank Davy 17, the clerk on duty, of \$450.00. The robber escaped in a white Volkswagen and no injuries were reported.

Det. John Catalano of the Eighth Squad is investigating.

Shamrocks Down Mohicans 3-1

by A. Bliker

The Hicksville Shamrocks 1974 travelling soccer team steam-rolled the Patchogue-Medford Mohicans 3-1 at Cantlague Park, Sunday, Nov. 1, to continue their undefeated season, bringing their LI Junior Soccer League record to 4 wins, no losses and three ties, which keeps them in first place in their Division.

The Shamrocks jumped off to an early lead, scoring at the 55 second mark from a melee in front of the goal, as striker Chris Koetter shoveled the ball to left wing Karl Rice, who put it in. However, the Mohicans came right back to tie about two minutes later. Eric Bliker, playing striker, was to the left of the goal, about 15 yards out, and hooked in a rebound off a Jason Kingsley shot on a rising line drive over the goalie's head, for the game winner, at the 10 minute mark. The game continued at 2-1 until the 65 minute mark as both teams played aggressive, end-to-end soccer, when Koetter, from right wing, lobbed a pass over the Mohican defenders, to the left side. Karl Rice, from left wing, timed his charge perfectly so he would not be offside and chipped the loose ball over the goalie's head, for the game clincher.

Ed Jacobsen, at goalie, turned away everything the Mohicans chucked at him, and his punts were true and on the mark as he rotated the ball to the right and left sides, keeping the Mohicans off balance. Chuck Oliver and Kristian Friedrich, from right and left fullback, both had 70 minutes of fine, defensive soccer, with Oliver making one brilliant stop as he cut completely across the field to cut down a play on the left side. Eric Bliker, playing sweeper instead of his usual wing, totally controlled the Shamrocks defense, taking on a striker two heads taller than he, with outstanding, heads up results. Hustling Brian Harkins, playing stopper instead of sweeper, had a fine defensive game and made his presence felt in the offensive zone.

David Lovato, Kareem Holman, Cory Kessler and Dom Perillo interchanged at the two outside halfback positions with equally great results, working successfully with their fullbacks and wings. Perillo also put in some productive minutes at center half. Matt Fordum, at center half, played equally well in the offensive and defensive zones. Karl Rice, who played left and right wing, was a ball of fire, always on the move forward, which led to his two goals. Junior Tomlinson, with extended playing time, had his most productive game of the season, putting on fine offensive pressure. Chris Koetter, in addition to his two assists, made his presence felt from striker, wing and sweeper. Jason Kingsley, from wing and striker, had a strong offensive game and contributed four perfect corner kicks.

Congratulations to the Shamrocks and coach Herb Fordum, with Assistants Gianni Lovato and Glenn Kingler, Sr. for another victory and 70 minutes of exciting soccer!

Pioneers Defeated By G.C. Raiders, 2-1

By Jay M. Schwartz

Hicksville's '77 Pioneers traveling team lost a hard fought game last Saturday to the Garden City Raiders, 2-1.

Although they controlled the ball throughout most of the game, they were not able to dominate at scoring. Their game was aggressive and sharp, but chances to tie the score proved unsuccessful.

The score was 0-2 at the end of the first half. With Peter Titone in goal, two hard shots sailed by for the Raiders' scores. Dave Nelson, Danny Wolchok, Greg Latini, Russell Brousseau and Jonathan Kanuck all tried to even it up without success. In the backfield was Joseph Matz, Robert Ilsey

and Richard Werchenski, all working together to move the ball to safety.

In the second half, Hicksville played with a spirit of purpose. After a Raider foul, Joe Croce took an indirect shot on the goal and put a boomer in from the 18 yard line. But no! The play was called back for Raider encroachment. Croce had taken the shot just as the whistle had sounded and it was no good. Minutes later, Joseph Matz kicked one in from the right side to score for Hicksville. The midfielders Jonathan Schwartz, Joe Florio, Phil Caputo and sweeper Joe Croce all worked the ball forward

now.

Shortly afterwards, the ball was struck towards the Raider goal. It bounced off the far post and was rebounded by Hicksville. The second shot hit the upper post and was rebounded again. This time it hit the left post and bounced into the field. The spectators were watching in disbelief! The chance to even the game was now gone as time was running out.

A great game for the Pioneers and the coaching staff. The players and parents will remember this one for a long time.

Six Commended By Merit Program

Six Hicksville High School seniors have been designated as Commended Students in the 1988 National Merit Scholarship Program by placing in the top 50,000 of more than one million participants in the 33rd annual Merit Program. Students entered the current Merit Program by taking the PSAT/NMSQT tests in October 1986, when most of them were juniors. The six students are: Betsy E. Edelstein, Shawn P. Kraemer, David M. Laspaluto, Lisa M. Reinhardt, Gregory J. Sholl, and Straughn Zimmermann. Each student received a Letter of Commendation in recognition of outstanding

academic promise. Student in the Merit Program, conducted by the National Merit Scholarship Corporation (NMSC) of Evanston, Illinois, is an accomplishment of which both the student and the high school may be especially proud. High performance in this rigorous competition is indicative of exceptional scholastic ability, which schools play an important role in developing. It is hoped that recognition of these students will add to their motivation to pursue higher education to become productive adult citizens in a society that values talents such as theirs.

Spotlight Hicksville At Library Nov. 5

If you wondered about the many agencies that exist in our area, come to the "Spotlight On Hicksville" program on Thursday, November 5, at 8 p.m. in the library's Community Room and find out. This program co-sponsored by the Hicksville Public Library and the Hicksville Community

Council will present speakers from several community groups. Representatives from these organizations will talk about the services they offer to Hicksville residents.

You will be able to find out: where mothers can exchange ideas, how you can arrange transportation for special circumstances, where to get training in life saving techniques and discover what activities are available for Hicksville teens.

Tobay Hosting STOP Programs

Many common garden, household and car maintenance products are actually materials which are hazardous pollutants, according to Oyster Bay Town Councilman Howard T. Hogan, Jr.

"To assist residents in the safe disposal of these products," Hogan said, "the Town of Oyster Bay, in cooperation with local fire departments has sponsored five special S.T.O.P. program days this year. The sixth, and final S.T.O.P. (Stop Throwing Out Pollutants) day will take place Saturday, November 14, between the hours of 9 a.m. and 4 p.m. at the Hicksville Firehouse, 20 East Marie Street."

Residents are urged to bring their toxic household materials, including aerosol containers, unlabeled chemicals which cannot be classified, radioactive chemicals, flammables, latex paint, Silver 2AST and explosives to the Hicksville Firehouse.

"The success of last year's program resulted from citizen awareness," said Hogan. "As you prepare for the holidays take advantage of this opportunity to dispose of the unused chemical products in your home...you'll be doing yourself and the environment a favor."

Temple Or Elohim

Mark your calendars at once. You won't want to miss the third annual "Scholar in Residence" weekend at Temple Or Elohim on January 22 to 24.

TRAVEL TALK

By Rosalind Rosowald

Skiing: It's getting close to that time of year when skiers turn dreams of snow country into reality. And in today's world, anywhere in the mountains of the Northern Hemisphere is fair game for consideration. Ambiance, type of snow, proximity or, conversely, exotic distance - all play parts in the planning mix because skiing is available just about everywhere there's snow. I wouldn't be surprised if some enterprising Sherpa might even now be clearing a slope and building ski lifts in Nepal.

Air/land comprehensive travel packages are the vehicles that have opened the world to hosts of ski enthusiasts. These cleverly structured packages make affordable skiing possible at distant locales such as Switzerland, France, Italy, Austria, Germany, Yugoslavia as well as within our own country in the Rocky Mountain states and New England and also in Canada. There are a myriad of wholesalers who are presently working to lure skiers with packages that carry most attractive prices.

Europe: Some packages, such as Pan Am's Holiday Ski Vacations (available to 26 European destinations) which include roundtrip air fares, airport transfers, daily breakfasts, accommodations for a week, taxes, service charges, insurance and the services of hosts, are available for as little as \$596.

Travel wholesalers such as Ski Travel International, a division of Student Travel International, also offer tours which carry price tags at just under \$600. Ski Travel International, in cooperation with Lufthansa, advertises a 9-day/7-night Innsbruck package that starts at \$599 and offers many of the same features available in Pan Am's packages. There are also many other group travel specialists that offer competitive programs in the European market.

Some packages have imaginative twists. A Rebel Tours/TWA program features an 8-day/7-night package called Salzburg Ski Safari. Free bus transportation to five different world-class ski areas and accommodations at a four-star Salzburg hotel are part of its allure. The land cost of the Ski Safari is \$261 per person, double occupancy with daily breakfasts (\$348, with breakfast and dinner) and includes airport transfers, services of a host, taxes, and service charges.

Moving further afield to Yugoslavia, we find that Yugotours is promoting apartment living for families or groups up to six in its 12-day ski packages at the Serbian resort of Kapaonik with rates starting at \$770 a person. Other important ski areas that are being promoted in Yugoslavia are Bled, Kranjaka Gora and Sarajevo. A 6-night Sarajevo package with departure from New York starts at \$704.

You can see from the above that there are a number of ski tours that carry sweet price tags - they are, of course, starting price tags, but they are very definitely available.

The thrill of shussing down an Olympic-caliber trail during the day while in the evening experiencing the ambiance of an atmospheric European city or resort has got to be exciting--so it's nice to know that there are affordably-priced packages available; however, I don't want to get carried away because some of the best skiing in the world is right here in North America and the ambiance may be different but it's just as alluring. We'll look at some of these areas next week, including a few in our own backyard.

WINTHROP-UNIVERSITY HOSPITAL UPDATE: Women Helping Women

Dr. John F. Aloia, Chairman of the Department of Medicine at Winthrop, is in charge of the osteoporosis prevention study. Bernadette Janonne, R.P.A. is the program's clinical coordinator.

"We're convinced osteoporosis can be prevented, but we can't go much further without your help."

Unless enough women join us in this new clinical study, our work could be slowed and many women will suffer needlessly.

Perhaps one of them will be your sister. Or a close friend. Or you yourself. Because the hard fact is that one out of four Caucasian women who have passed menopause are stricken by this debilitating bone deterioration. *That's millions of women a year.* Think about it.

It explains why this new osteoporosis-prevention project is so important. And so urgent.

Winthrop-University Hospital has been designated to conduct this study by the National Institute of Health. Preliminary work is already underway. But an essential element in the program is recruiting the support of a large group of women with no sign yet of osteoporosis, and then tracking their reactions to several different preventative therapies. Without a sufficient number of participants, the study probably cannot proceed to a satisfactory conclusion. The

consequences could be crucial for the next generation of osteoporosis victims who might otherwise have avoided the disease.

Exactly what is involved for those who become part of this study?

It's quite simple. Once a volunteer passes a preliminary screening (see box), she is invited to Winthrop-University Hospital, located near the LIRR station in Mineola, for a complete physical checkup. She will also have her "bone density"

Who is eligible to join the panel?

To be considered for this important work, a woman must be in good health and have no history of arthritis, high blood pressure, alcoholism and certain other illnesses. She must also be past the onset of natural menopause (not hysterectomy-induced) by not fewer than six months nor more than three years. There are other criteria, of course, and each will be carefully and confidentially discussed by a medical professional when you call. She will be able to answer all your questions.

measured by state-of-the-art equipment. (Don't worry: Nothing gets stuck or poked into you. It doesn't hurt at all.)

Then you go home and follow the directions you'll be given. Different women will get different directions. (That's the whole idea of the study.) You'll be asked to return to the hospital only every few months so that we can keep track of the way things are going. It's very easy.

Please give serious thought to joining. The number to call: 516-663-2888.

We need you. So do all your fellow-women throughout the country. Since women are the principal victims of osteoporosis, it falls to women to take the lead in discovering what can be done to help prevent it.

It would be easy to turn away and not get involved. But somebody has to. Somebody must.

If not you, who?
