**Farmingdale Girls May Attend Camp**

Starting on July 13 the Girl Scouts' day camp will open in Hempstead State Park for the summer season. This camp has been organized to give those girls who cannot go to the camp at Wading River. The camp will be open on Monday and Wednesday from 10 to 4:30. The charge is 10 cents a day. If girls wish to go handicraft there is a small additional charge for materials, usually not exceeding 50 cents. The girls may take their lunch or cook it at the camp. Transportation to and from the day camp is provided through the co-operation of Scout mothers and the Girl Scout committee. No girl may enter the camp without presenting a signed slip from her parent permitting her to go to the camp for the day. This consent slip must be presented each time a scout goes to the day camp. The camp is in charge of a trained director and a staff of competent assistants including a trained nurse.

Members of the troop 31 in Farmingdale who wish to go to day camp at any time are asked to set in touch with Lieutenant Anna Rose May, by calling Farmingdale 379. Lieutenant May will make arrangements for the transportation of the girls in this troop.

**Weather Bureau in Army Service**

When the federal weather service was organized in 1919, it was made part of the United States Army Signal Corps.

**Odd Remedies Used**

Toasted bread, monkey's head, dried snails, and baked sparrow are some of the primitive "cures" still to be procured in some chemists' shops in Tokyo.

## Farmingdale Nine Loses To Northporters

### Ninth Inning Errors Lose Game For Home Team

The Farmingdale A. C. baseball team, succumbing to four costly errors in the final inning of the game, were defeated by East Northport Sunday afternoon in a close game played at the Industrial field. The score was 9 to 4.

Errors by Anselmo, Patterson and Leyendecker gave the Northporters four runs in the ninth inning of the game. Up to then the game had been close, the score being 3 to 3 at the opening of the inning. The locals got three runs in the fourth inning. Grubbs, Patterson, and Scholer securing a two bagger by Correll helping them along.

The Farmingdale team will meet the Army Air Reserve Nine at Mitchell Field this Sunday. The box score:

Farmingdale A. C. (4)	East Northport (9)
Runs, 20	9
Left on base, 10	10
Errors, 4	0
Stolen bases, 1	0
Strikes out, 12	10
Base hits, 10	10
Home runs, 1	0
Doubles, 2	0
Triple, 0	0
Grand slams, 0	0
Total, 41	37

Score by innings:  
Farmingdale A. C. 9-0-2-0-0-0-1-0-4  
East Northport 0-0-0-0-0-0-0-0-9

## Farmingdale Nine To Meet Aviators

Farmingdale baseball fans will be able to see their home team play one of the best nines of the county on Sunday afternoon, when the local A. C. team will meet the fast team of the Army Air Service of Mitchell Field at Garden City.

The game was arranged by Manager Leyendecker for the benefit of the West Point Cadets who are stationed at the Army Air Base for aerial training.

A large contingent of Farmingdale rooters are expected to make the trip to Garden City to witness the encounter.

## One First Lady Greets Another

Mrs. Franklin D. Roosevelt is here seen welcoming to Washington Mme. Albert Lebrun, wife of the president of France. The distinguished visitor was a guest at the White House.

8 p. m.—Evening Service.

**Christian Science Lesson-Sermon**

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon in all Churches of Christ, Scientist, on Sunday, June 23.

The Golden Text is: "Thou art worthy, O Lord, to receive glory and honor and power; for thou hast created all things, and for thy pleasure they are and were created" (Revelation 4:11).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Know ye that the Lord he is God; it is he that hath made us, and not we ourselves; we are his people, and the sheep of his pasture" (Psalms 100:3).

The Lesson-Sermon also includes the following correlation selection from the textbook of Christian Science, "Science and Health with Key to the Scriptures," by Mary Baker Eddy: "All things are created spiritually. Mind, not matter, is the creator. Love, the divine Principle,

## Glen Cove Girl Beauty Winner

Miss Peggy Stevenson Chosen 'Miss Nassau County'

Miss Peggy Stevenson, daughter of Mr. and Mrs. Philip Stevenson of Glen Cove, as Miss Glen Cove, won the title of Miss Nassau County, Sunday at the Mill Neck home of Mr. and Mrs. Grover C. Loening, where a tea and benefit fashion show revue was held for the Local Valley Visiting Nurses Association.

A novel sketch "Modes of the Moment" and "Petitcoat Fever," given on the terrace by Mrs. Pleasant Pennington of East Norwich, presented the fashions, enabling the society girls in beach costumes to compete for the title.

Those that took part besides Miss Stevenson, were: Mrs. Henry Stehli as Miss Bayville; Miss Marjorie Le Boutillier as Miss Meadow Brook; Miss Wendy Ickhart as Miss Westbury; Mrs. Eugene Maxwell Geddes as Miss Brookville; Mrs. Robert Reynolds Hill as Miss Glen Head; Mrs. Willys H. Betts Jr. as Miss East Norwich; Mrs. Drayton Cochran as Miss Jericho; Mrs. George Hepburn as Miss Locust Valley; Miss Whitney Bourne as Miss Mill Neck; Mrs. Jay Carlisle Jr. as Miss Mineola; Mrs. Marshall McLeod as Miss Oyster Bay; Miss Muriel B. Richards as Miss Sands Point; Mrs. John H. G. Pell as Miss Woodbury and Mrs. Cornelius W. Whitney as Miss Wheatley Hills.

**First Iron Rail Made in U. S.**  
The first iron rail was made in the United States in 1841, at the Mount Savage Rolling mill, Allegany county, Maryland. The first Bessemer steel rail was made in the North Chicago Rolling mill on May 24, 1850.

## Sixty Years Ago in Farmingdale

The following items were taken from "The Farmingdale Headlight" of June 16, 1875.

A large drove of cows and young cattle from New York and passed through this place recently. A good many of these were bought by our farmers, who find it pays to sell the calves from their own cows and buy these Western calves.

Our stores report business good. Success to them. We are blessed with four egg merchants, each paying the highest prices.

Born to Mrs. Charles F. Scheuer, a son, and to Mrs. Thomas Seaman, a son.

The dedication of the new Free Methodist Church at Farmingdale will take place, Providence permitting, on Sunday at 10 1/2 o'clock, a. m. M. N. Downing, pastor.

The feed store conducted by Conklin Baylis has changed hands. Gilbert Brush, for nearly three years clerk in C. S. Powell's store, has bought the business and run it now on his own account. Friend Gil is well known and we are confident that he will please his customers, having a full assortment of all kinds of feed and flour on hand, which he is selling at low prices. May success attend him, and his shadow never grow less.

The meetings held every night at the M. E. church in this place are well attended, and seem to be favored with success. Some 10 or 12 people have been converted. May all come and be saved.

The question of building a branch of the Central Railroad of

## Rendezvous Features O

The new floor show at the Rendezvous is a feature of this week. The known dancer, Jeanne Magdalene, is a feature of this week. The known dancer, Jeanne Magdalene, is a feature of this week. The known dancer, Jeanne Magdalene, is a feature of this week.

**\$516 FOR SCOUTS**  
Oyster Bay has raised 85 per cent of its allotment in the Nassau County Scout drive. It was reported this week. The amount raised was \$516. Only nine municipalities in the county made or surpassed their objective this year.

**SON IS BORN**  
Mr. and Mrs. John Nordstrand of Glen Cove announce the birth of a son at the North Country Community Hospital on Saturday, June 15.

## Modern Freedom FOR MODERN WOMEN

Sanitary Protection without Pads, Napkins or Belts

FOR today's women . . . busy, modern, throwing off ancient shackles . . . Beltes were created. Here is a method that ends the discomfort, the inconvenience and the embarrassment that heretofore has been an unavoidable part of this feminine problem. With Beltes there is no consciousness of wearing a sanitary protection at all. They are completely invisible in use . . . deodorant . . . and, though they safely and efficiently perform the purpose of ordinary napkins, Beltes are so tiny that a day's supply can be carried unobtrusively in a handbag. Never before have women known such comfort . . . such convenience . . . such cleanliness . . . in a sanitary protection.

## THIS BUSINESS WORLD by Robert K. Doran

WHAT IS BELIEVED TO BE THE EARLIEST MOST VALUABLE SPOT IN NEAR KIMBERLEY SOUTH AFRICA, LESS THAN 200 ACRES HAVE, TO DATE, YIELDED MORE THAN A BILLION DOLLARS WORTH OF DIAMONDS. \$5,000,000 AN ACRE!

ACRES OF DIAMONDS!

"CULLINAN" THE LARGEST DIAMOND EVER FOUND, WEIGHED ONE AND ONE-THIRD POUNDS!

PRESENTED TO ENGLAND KING EDWARD VII. IT WAS LATER CUT INTO 96 DIAMANTS!

SOUTH African diamonds were first discovered by Farmer Van Niekerk's young offspring. Playing on the banks of the River Orange, they picked up a bright pebble. Trader and adventurer John O'Reilly caught the pebble from the children, horse-backed to Cape Town, found the stone to be a 2 1/2 carat diamond and brought back \$3,000.

Pike County, Arkansas, U.S.A. is a small though regular diamond producer.

The diamond imbels itself in mud, sand, gravel. Brought to surface, the ground is exposed for a number of months. When

weather-softened, this ground is washed, after the concentrated machinery also passes this heavy concentrate over grease-coated tables. The grease retains the diamonds, all other matter sluffs off.

Ninety per cent of the world's diamonds carry a South African label.

APPROXIMATELY 400,000 new concerns started in business in the United States last year. A brand new, mammoth army of prospects for goods and service are now open to sell. Advertis-

go to them with what you sell and 100 will of a certainty be most kind to you. Indeed Bruce Barton was right when he said that advertisers constantly talk not too a mass meeting, but to a Parade.

It is estimated that more than nine million wage earners own stock in large industrial organizations. Over 60,000,000 carry life insurance. Forty million have savings accounts. Insurance companies, and banks invest in the securities of roads, industry and public utilities. Thus it is apparent that the average wage earner plays a real, an integral part in American business.

Reveille Takes Victory Class From Four Rivals

The Manhasset Yacht Club began its series of Sunday regattas in the harbor off Port Washington June 16 with 14 boats sailing in five classes.

## Port Sport Shorts

By ARNOLD DICKERSON

With the passing of the Port Washington Twilight League, which died a slow and painful death last summer, much talk is being circulated about the business circle, of starting an "Industrial League." This, of course, is a very old story, and has been tried by many organizations as the firm companies—Procter, Flower Hill and Atlantic—the Post Office, Atlantic & Pacific Tea Company, Police Department, Lewis Coal & Oil Company and possibly others. It's true that the boys who would represent those organizations would not display the same kind of ball as shown in the Twilight League, but it wouldn't be a business proposition. If such an idea takes form, it would be for pleasure alone. At least it's a thought, and someone or someone's house should grasp the idea and get it under way.

A number of such games have been played to date without the help of sponsors or spectators and have gone over big with the participants. A lot of the fellows haven't had a ball or a bat in hand in years, yet the enjoyment has been more than casual talk days after.

Artie Lewis, the Port Washington Athletic Association's south-paw twirler, has been the topic of conversation for some time since his performance against Mineola last Sunday. He beat Mineola, 3-1, in the game of the season to date. It was an extraordinary feat, considering the fact that he was fanning 15 or 20 batters or holding the team hitless; but he just pitched a steady and heady game. After a batter had faced him once, Lewis appeared to sense his weakness, and after that, fed him everything except the kind of balls he liked. Whether it was luck or otherwise, Lewis gained the respect of the crowd—and that's what counts.

Now that high school activities have been brought to a close, we have now only one new line to follow. Track, tennis and baseball have been the important subjects, but the high school boys have deserted us for the summer, and from now on, it looks like checkers, tidle-de-winks and solitaire.

Somebody asked us the other day just how long it has been since "Pop" Vercy pitched a ball game. The answer is obvious. We don't know. We've been following the game for quite a few years now, but "Pop" is usually among the first ten to enter the field.

The Port Washington Athletic Association soccer team took it on the chin from the Great Neck boys Sunday. It was a hard-fought game. Yes! It was the elimination round for the Nassau Cup, and the Great Neckers put out of the running with superior teamwork. But next year is another year and the boys promise to come back.

It's easy to tell college is closing for all the boys are beginning to drift home. So far we were notified Cleve Polk, Joe Teja, Jack Leydon, Ernie Jenkins, Tex Koslosky and a score of others frequenting their old haunts. . . . Tex Koslosky, incidentally, was the only four-letter man at Nassau this year. . . . Mavis Freeman gave Port Washington five points at Jones Beach Saturday when she captured the 100-meter free style swimming race for girls in the Nassau-Suffolk High School Division. . . . The A. A. had to beat 11 Mineola men Sunday! (including the two umpires) but 13 wouldn't have made any difference with the determination the boys had. . . . Al Knapp hurled a three-hitter for Roslyn against Great Neck Sunday.

His battery mate, Bud Tyson, was out of the game because of injuries.

The Cocker Spaniel Club of Long Island will hold its next Match Show on the estate of Mr. and Mrs. Leonard J. Buck, Lakeview Road, Great Neck (Opposite Lake Success), on Sunday, June 23, at 3 p. m. Mr. Robert McCaughey, manager of the Isthmian Kennel Club of Boston, who bred and handled Cocker Spaniels for the past thirty-five years, will judge the show.

Trophies will be awarded for the best novice exhibitor, best puppy and best in match, ribbons will be awarded in other classes and special favors awarded in the children's classes.

## ON THE BENCH

By RICHARD WILLIS

Ho—hum it's time to get out another edition of ON THE BENCH, but it feels much more like going swimming. Speaking of swimming—the North Shore was pretty well represented at the Eastern Intercollegiate Swimming Championships, which were held at Jones Beach on Saturday afternoon. D. Tilford, of Bayville, won the girls' 50-meter freestyle event and placed third in the 100-meter freestyle. This event was won by M. Freeman, of Port Washington, in 1:17.9. J. Holm, of Oyster Bay, placed fourth in the 50-meter event. (Note—all girls. What a matter y'all guys!)

The boys over in the Great Neck Twilight League have an arrangement, whereby the team that fails to have nine men on the field at playing time, forfeits a run to the opposing team. So, if Sammy Jones can't get his finger started and is two minutes late, it costs his team one run. Boy, how that run hurts when it means the game!

It looks as though Ben Cliff may have a big league in Bill Hrovok, former Sea Cliff High twirler. He was given a tryout with the Dodgers and was invited back to play with them during practice sessions. Good luck Bill! Cipler, highly-touted East Norwich pitcher, received a rather unpleasant injury at the hands of certain Oyster Bay rooters on Sunday. However he certainly proved to the spectators that he's a real take it and in answer burned them across the plate all the harder.

Well fans the summer sporting season is well under way by this week. I hear they are putting on some bang-up matches every Sunday at Sanda Point and Roselick. It was given a tryout with the Dodgers and was invited back to play with them during practice sessions. Good luck Bill! Cipler, highly-touted East Norwich pitcher, received a rather unpleasant injury at the hands of certain Oyster Bay rooters on Sunday. ## Port Trimmed By Great Neck In Soccer Tilt

Great Neck trimmed the Port Washington Athletic Association soccer team 3-1, on the Senior High School field in Port Washington in the elimination round for the Nassau Cup on Sunday.

It was a hard fought contest, and the Great Neck boys won purely on merit. Their teamwork outclassed that of the Port Washington boys, and they entered the second half two up.

The Port backs played a hard defensive game, but Murphy and Higgle managed to evade the defenders in the opening half and shoot two past both the defense and the goal.

The second half opened with both teams fighting hard, and finally George Young, the Port Washington flash, managed to score. But no kind of play could deprive Great Neck of the game and Murphy boot another one past the uprights to put the contest on ice.

The Great Neck line-up included McManahan, Becker, Rock, A. Higgle, Collier, Rhiford, R. Hergie, Murphy, Rumanetz and O'Brien, while the Port men in the game were Dick, Miller, Johnson, Fleming, Capriani, Goldrick, Rafferty, Young, Cambrish and Nesbit.

Cliffettes Take Valley Stream

The Sea Cliff Athletic Association baseball team won an odd and interesting game of baseball on Saturday last when it defeated the Valley Stream Ball Club by the score of 12 to 11.

Sea Cliff started "Bill" Hrovok, late of the Sea Cliff High School pitching staff, and due to an attack of nervousness the visitors scored three runs in the first inning before "Bill's" team mates came to his rescue and closed the inning with some classy fielding. The visitors soon overcame and when rain set in the score was 9 to 7 in favor of Sea Cliff. After the rain the game continued under an agreement to seven innings and it took until the eighth for Sea Cliff to break the 11 to 1 tie.

Next Saturday, at Clifton Park, Sea Cliff will play the postponed game with St. John's A. A., which team has been making a creditable showing with the faster semi-pro teams in the Metropolitan Area. Game started at 3:30 promptly.

ON DEXTER CARD

The Homestead Grays of Pittsburgh, one of the few prominent colored ball clubs which has not played in Dexter Park in two years, returns to the home of the Bushwicks Sunday for a double header. The Grays, a member of the Negro National League, have a powerful lineup and hold a high position in the circuit standing.

The Grays bring to Dexter Park an old face, George Scates, high-strung, talented infielder and former playing manager of the Black Yankees. Scates quit the Black Yankees in a hot year but has conquered his temper since and is playing an outstanding brand of ball.

NEWS-WEEK is a weekly newspaper published in the form of a magazine, a news-magazine.

It is like a great daily newspaper, served by more than five thousand correspondents in the strategic news centers of the world; its telegrams are fed twenty hours a day by radio, by cable, by air.

Yet it functions in a way different in the daily presentation of news; it incorporates in its treatment of events a background of fact and analysis, only through painstaking research on innumerable fronts; the plentiful fact complete its presentation.

Daily newspapers keep newsreaders abreast of the events of the moment; but NEWS-WEEK, the weekly, gives a deeper, broader understanding of all the week's news they need to know.

## Port Washington A. A. Takes Mineola For A Second Time

Both Teams Held Scoreless For Six Innings; Pitchers Duel Develops Between Lewis, Of Port And Cerney, Of Mineola

By ARNOLD T. DICKERSON

With each team having won one game previously, Port Washington faced Mineola, 3-1, on the Mineola diamond Sunday afternoon to make the series two to one for Port.

A real pitchers battle between Artie Lewis of Port and Charlie Cerney of Mineola, made the game one of the best of the year, and the issue was not settled until late in the contest.

Both teams went scoreless for six full innings before Mineola punched across in the seventh. Pitching like veterans, Lewis and Cerney kept the few hits well scattered, and neither team was able to gain an advantage.

In the seventh, the break came. Lewis, at bat, was awarded a base. Hechin attempted a sacrifice, but the ball popped up and Cerney shared it before it hit the ground. Then Cerney fanned and Gazzo drew a pass. Speery hit one hard that started for deep center, but the wind pushed it toward right and Tony DeRose, at first base, was able only to touch it. As two were down, Drost was well around third when the ball landed and scored easily.

With the game so tight, the one run looked like the game, but the Port boys made their own breaks in the eighth and stepped out in front. With one down, Gazzo walked. Bill Smith lined one to right and Gazzo took third. Decker lifted one to short left, but before the fielder could regain his balance after the catch, Gazzo had slid safely home, seconds ahead of the ball. Smith took second on the throw to the plate, and when Eddie Dempson drove one to center for a hit, he crossed the plate standing up.

A one-run lead was a big advantage in this game, but the Port men played a tight ball to keep Mineola down. Lewis allowed but one hit in the last two frames and gave Mineola not the slightest opportunity to score.

Just to play safe, Port registered one more in the first of the ninth, although as it turned out the tally wasn't needed. DeRose singled but was forced at second on Russ Gazzo's single. Then Russ Gazzo singled successfully to left field.

Class A—C. Rollins, six up—37-26-69.

Class B—J. Isaacs, three up—37-26-69.

Class C—G. Bauman, three up—39-30-69.

## British Polo Team Will Invade U. S.

That British polo will send a formidable force to the United States in quest of the United States Open Championship at Meadow Brook in September was indicated yesterday when Chairman Louis E. Stoddard of the U. S. Polo Association received a cablegram from Hurlingham officially naming the members of the British side.

The invaders will be a team of 26 goal strength, including two stars who are well known on American polo fields and two others who are among the present day leaders in British polo.

Captain M. P. Ansell of the Fifth Dragoon Guards, rated at six goals, will be the British No. 1; Ernest Tyrrell-Martin, formerly of the 16th Lancers, rated at 7 goals, the No. 2; Captain P. B. Sanger of India, rated at 8 goals, the No. 3; and Captain Humphrey Guinness of the Royal Scots Grays, rated at 7 goals the back.

### FOUR HOUR TICKET OFFICES

Despite the Long Island Railroad's statement that commuters would "suffer no inconvenience because they could purchase their tickets on the train," we nevertheless believe that the closing of the Central Park and Wyandanch ticket offices for all but four hours a day is a definite blow to both these communities.

It is always annoying to buy tickets on a train; the conductor has difficulty in finding the exact change, and often the passenger must wait until Jamaica is reached until he is paid back the money that has been paid. But more than that, the fact that, for five or six hours in the day it is impossible to get information on trains, or to get in touch with the station agent at all, is, we think, far more serious. It makes Central Park and Wyandanch, both rapidly growing communities, seem very small and unimportant places indeed, and certainly will not encourage the growth of these villages. Even without back in 1875, we read in the pages of the "Farmingdale Headlight," there was all day ticket service at Central Park.

Charles W. Wyson of Williston Park, chairman of the Long Island Branch of the Brotherhood of Railroad and Steamship Clerks, said the situation this week said that this curtailment in service was only the beginning of a gradual decrease in facilities which would "strangle the commuter." This seems a bit far fetched, but nevertheless it does seem apparent that the Long Island, by this and other newly authorized regulations, is not making any great attempt to lower its great publicized shrinkage of passenger traffic.

### A MESSAGE TO GRADUATES

Thus speaks an older man to the North Shore's young graduates leaving high school these days.

This is a great day in your lives. It is a great day in any life where there comes new experiences, a turn of the road to fresh developments, and the unfolding of new ideas. May every day be a great day for you, measured by this standard—namely, new battles to fight, new problems to solve, and best of all, the adoption of new lines of approach, with added strength and power and vision with each new conflict.

"Young people, accept life as a challenge and resolve that you are big enough and able enough to meet the challenge and conquer when others fail. The moment you face life's tasks in that spirit you become a king and a queen in your realm. You then become a person. People will recognize you as such, look up to you, respect you, and, whether you deserve it, will regard you as an exceptional person.

"Strive to be interesting. Nothing so engages our attention, nothing is more fascinating than people who are interesting. When one is interesting in speech, mannerisms, habits, accomplishments you may be very sure that that person has capacity. To be interesting is not accidental. It is study, or else the unconscious and inevitable result of self-discipline in several fields. He who has a hobby and has mastered it in spite of himself becomes interesting. He can't help himself. The world is rather hungry for more interesting folks, for those who do their own thinking, who have little to apologize for, and who do their work so well and with such rare precision, without having a slave to detail, that it is a rewarding thing to watch them.

"Again, young folks remember that your school has not finished your education. A few rough corners may have been knocked off, some foundations were laid, but you are to do the rest. And your life's education is not finished. Through the years you must grow, or others, in this age of fast competition, will outstrip you.

"You should have your mind made up by this time as to what your life's work will be. Remember that the field is not overworked, no field has a super-abundance of folk who know their job. The world may seem to ask much of us. All it asks is that we shall be on the job, and obtain results. Some people do this in part. Some hit about 70 per cent. Far, far too few, as we observe, range very far above 90 per cent.

"To obtain the best results I have found by experience that we must train ourselves. If we do that, the rest will take care of itself. What we are reflected in our work. What we think, so are we. May success be yours always in all ways."

In government, business and science, the men of high faith and uncompromising ideals are measured by the dozens and not by the thousands.

### VACATION IS HERE

For thousands of North Shore school children and their teachers, the summer vacation has arrived. It means a period of rest of about two to three months' duration, and it is deserved and undoubtedly appreciated.

The city is that a similar system cannot be worked successfully in other walks of life when men and women grind away for at least three hundred days a year in comparison with the two hundred days that those connected with the city system enjoy. Perhaps at some later date more leisure will be available also for those who are occupied in other spheres of life. A more equal distribution of labor and of the material things of life, and likewise of its rest periods, would mean a more uniform enjoyment of the benefits and pleasures of life, and therefore, greater happiness for a larger number of people.

In the meantime, the pupils are wishing the school activities and the pupils are enjoying summer wherever they may spend it, and may the rest enable them to resume their duties in the fall with renewed enthusiasm.

## With the Democrats

By ALBERT R. BEATTY

The selection of Philip N. Krug of Mineola as one of the two commissioners of the Nassau County board of elections is being hailed on all sides and appears to meet with the general approval of the rank and file of the Democratic party.

This recognition of Mr. Krug has long been deserved, his supporters maintain, and he will make an able member of the newly created board.

Few men have given the length of service to the minority party in Nassau County as Mr. Krug. He has served as a commissioner for many years as acting chairman of the North Hempstead Democratic committee and was the county leader from 1924 to the fall of 1933, when he was elected to the position of county leader.

Mr. Krug has been engaged in the building business for the past 28 years, having started in business for himself at the age of 22. He is president of the Mineola Cold Company and is a director of the Nassau County Trust Company of Mineola.

The newly named election commissioner is a member of the Elks, Knights of Columbus and the B'nai B'rith. He is married and has several children—six daughters and one son.

Mr. Krug will assume the duties of his office on July 1, the date provided by law.

The Democratic committee of North Hempstead is this week in receipt of a letter from the town chairman, Martin P. Leahy, asking each district leader to appoint five captains in his election district on or before July 1 and appoint his own captain.

It is generally believed that the Democratic party will have a good chance of winning the election next fall for the purpose of defeating the party of the incumbent, Mr. Regan.

On Saturday night, Postmaster Thomas J. Hartnett of Hempstead, fourth zone, and Maynard C. Schill, the new zone head, will be given a testimonial dinner by the Democratic party of the county.

In addition to enjoying sound motion pictures and transacting the regular business of the group, the Post Washington Democratic Club will next Tuesday night support candidates for North Hempstead in the county election next fall.

Postmaster Thomas J. Hartnett, fourth zone, and Maynard C. Schill, the new zone head, will be given a testimonial dinner by the Democratic party of the county.

On Saturday night, Postmaster Thomas J. Hartnett of Hempstead, fourth zone, and Maynard C. Schill, the new zone head, will be given a testimonial dinner by the Democratic party of the county.

Deploable Transit Conditions On Queens Boulevard Scored By Thomas J. Regan Of Old Westbury

Transit conditions on Queens Boulevard between Grand Avenue and the westerly terminus of the Grand Central Parkway were soundly scored this week in a letter from Thomas J. Regan, prominent Old Westbury resident, to the Township Press newspapers.

Queens Boulevard is one of the most heavily traveled thoroughfares in this section of New York State. A portion of it, three miles long, has been opened to traffic although construction work has been at a standstill for several years.

"I have, for several years past, observed the deplorable condition of the transit facilities on Queens Boulevard between Grand Avenue and the westerly terminus of the Grand Central Parkway (about three miles, passing through Forest Hills). The wide central lane, open in other parts of the boulevard, in this section, never been opened for travel. It is overgrown with weeds. Traffic is diverted to narrow lanes on either side, and the cars are parked along the sidewalks. The subway construction under the center lane has not been completed."

"If a satisfactory reason exists for permitting three miles of Queens Boulevard to remain closed to traffic, we all would like to know it."

"As an automobilist I have, for past years, in common with the rest of the traveling public, suffered official neglect on the part of the city."

"If, in these years, the actual loss to the public, in time, convenience, loss of business and property values, from this cause, must have been enormous."

"If a satisfactory reason exists for permitting three miles of Queens Boulevard to remain closed to traffic, we all would like to know it."

"If a satisfactory reason exists for permitting three miles of Queens Boulevard to remain closed to traffic, we all would like to know it."

"If a satisfactory reason exists for permitting three miles of Queens Boulevard to remain closed to traffic, we all would like to know it."

## Ideas About Things

By CHARLES W. DORR

Personal Impressions  
State Chairman Melvin C. Eaton came, saw and conquered the respect and admiration of 400 Republican county committeemen and women at the meeting held in the police auditorium at Mineola last Friday evening.

There were many women here, but held opinions in abundance until the meeting face to face, but there is no longer a question that Paul G. Penney's slogan, "Nassau County Let's Go" will be an animating factor in the local campaign which occurs next fall.

There were many women here, but held opinions in abundance until the meeting face to face, but there is no longer a question that Paul G. Penney's slogan, "Nassau County Let's Go" will be an animating factor in the local campaign which occurs next fall.

## With the Republicans

By CHARLES W. SMITH

While it is early yet to attempt a forecast of the several probable slates in the forthcoming lower county election, it is possible to state a general principle that several old-time Republicans will be expected if not requested to retire.

The results of the late county election justify this, for the old-time Republicans of the county are not the psychology of the times demands justifying the sort.

You must be served, and while it is hoped the Republican organization will not rush to the polls, it is not recommending the entirely inexperienced and callow, there is no doubt of a definite feeling that, generally speaking, the old-time Republicans of the county are not the psychology of the times demands justifying the sort.
