Parking Permits Expire This Month

With less than a month before summer begins, parking permits expire for Town residents in unincorporated areas and incorporated villages. Oyster Bay Town Clerk Carl L. Marcellino advises residents to mail in their renewal forms now.

"Current parking permits expire on March 31," said Marcellino. "In past years we received a steady flow of renewal applications after they were mailed out, this year the renewals are trickling in so we can expect a heavy volume during the remaining weeks."

Early renewal forms have shown some confusion regarding the license plate number listed on the form and the newly issued Liberty license plates.

"The renewal form will, in most instances, have the previous license plate number," said Marcellino. "With the issuance of Liberty plates the resident must write in the new plate number in the space provided. If this is not done, the new parking permit will not reflect the current license plate resulting in an invalid permit."

Applications indicating a change in plate number must be accompanied by a photocopy of the vehicle's registration stub.

"The process for permit renewal is begun as soon as the application is received. However, there are verification procedures which must be followed making it time consuming. Early renewal insures that we have sufficient time and the resident has an up-to-date permit before the expiration date," concluded Marcellino.

Budget Increase Causes Concern At Board Mtg.

Special to Mid Island Times

By Maureen Traxler

At the February 24 Hicksville School Board meeting, the Trustees continued to probe areas of concern in the proposed 1988-89 school budget. The review included replacement of two vehicles, two-way radio for security patrols, district-wide furniture replacement, and materials and supplies. The Trustees also touched on self-insurance, location of the district budget vote and transportation costs.

Board President Thomas Nagle pointed out that the district is looking at a substantial budget increase and encouraged the Trustees to zero in on areas which could be cut or postponed. He remarked that the Board is exploring some areas which could cost the district money, such as further use of the elementary cafeterias and a summer program for special education students. The district is also under pressure to comply with on-going fire inspections and mandatory asbestos removal and inspection. The Empire Insurance Plan, which has increased premiums by 60% next year, has now imposed an additional 20% increase effective this April 1.

Mrs. Arlene Rudin, a resident and former Trustee, called for the Board to look at transportation as an area in which to cut costs, rather than in student programs. Mrs. Rudin pointed out that transportation represents about two-million dollars of the present budget.

Trustee Joanne Miltenberg proposed a plan by which the sixth graders who will be bused to middle school next year would walk to their elementary school as a general pickup for students in that neighborhood. This would eliminate the need for buses to wind through the streets picking up youngsters and possibly allow the bus to go to several area schools to pick up students. Assistant Superintendent William Hall agreed to oversee an exploration of alternate ways of transporting students as a way to lower costs.

Another cost-cutting idea was to consolidate the seven election districts into one central location. Mr. Nagle pointed out that the district would have to secure a place which could accommodate a large number of voting machines and that one location would pose a need for transportation by many residents, unlike the present neighborhood voting.

The Trustees deliberated over such items as replacement of furniture at the senior high, Burns Avenue School and Old Country Road School, some which dates back to the 50s and 60s; replacement of worn blinds at Dutch Lane; the need for special fire-proof drapes for the All-Purpose Room at Fork Lane; additional cafeteria furniture at the senior high; and the replacement of two district vehicles. Trustee William Bennett questioned the increase in materials and supplies asking if the purchase of certain items could be postponed.

Administration has reviewed partial self-insurance in order to overcome unjustifiable costs. Assistant Superintendent Hall explained that the district found that by leaving joint coverage, Hicksville would be considered a New York City suburb and therefore would pay double the costs. He added that the district must provide a program satisfying to the negotiation process.

Once again, Mr. Nagle asked for resident participation in the budget review. In acknowledging that the budget is increasing, he said that it is the end result that counts, that is, having students prepared for further education or the work force. He concluded, "Somebody paid for all of us to go to school, maybe it's time to pay back."

Trustee Carol Wolf thanked all members of the Reorganization Study Committee for their enthusiasm and diligence to their duties. She also thanked the spectators at committee meetings for their comments and observations. Mrs. Wolf then presented the final voting outcomes, in which the committee recommended redistricting and the elimination of the temporary buildings. She mentioned a resident's proposal to sell portions of unused elementary school property as a way to bring money into the district.

Trustee Miltenberg noted that at Burns Avenue School some rooms of the T-wing are used. She asked how this would be affected if the temporaries were demolished. Dr. Fenton said that the question to be answered is "where would they go if the temps were not there?" Mr. Nagle noted that it could cost the district approximately \$50-60,000 each to demolish the remaining temporaries.

Trustee Bennett commented that redistricting is a complicated undertaking. He noted the closeness of the vote on closing schools and said that this option would receive close review. All final decisions on

Editor's Notebook

On Monday of this week the editor had a call from an annoyed woman. She wanted to know why the wording of an article she wrote had been changed. Apparently the reader never heard that every newspaper reserves the right to edit (i.e. change) items, provided the meaning is not altered. The practice even applies to letters to the editor.

The editor does not just slap headlines on articles received before sending them off to the print shop. Here is how the process works:

- Every week the paper gets hundreds of items, but few can be used. Only about 10% are of local interest and these are kept. The remainder - about 90% - are discarded because they have no relevance to the newspapers we publish.
- The selected articles are read and checked for spelling, punctuation, etc. If they are too wordy, they are shortened. If the main point is buried, it is moved to the first paragraph. Repetition in words or thoughts is minimized. Unattributed opinions in news items may be deleted.
- Sometimes the information is unsufficient and the editor must make special phone calls to clarify or flesh out the article.
- Special events are assigned to reporters and their reports must also be edited.
- Headlines are written which will reveal the main thought of the article and at the same time fill the allocated space properly.
- Photos are treated much the same way. Local pictures, those in which people are identified, those which are clear (close-ups are preferred to distant shots) are selected for publication.

We hope these comments will help the reader understand why we do some of the things we do.

reorganization will be made by the Board of Education.

Superintendent Catherine Fenton's report began with the presentation of a five-minute film prepared by the district and shown on cable TV during half-time at a recent basketball game. The film outlined Hicksville's education programs, including its increased emphasis on the use of technology in learning and its programs for the gifted and talented.

The Superintendent continued her report by briefly updating progress on the Board's goal to develop a district-wide program to track student mastery of basic skills. Dr. Fenton noted that the district is in the process of compiling a booklet describing grade level expectations, K-6, covering major subject areas. It contains parental hints for helping your child succeed and joins expectations between school and home.

The next regular meeting of the Board will take place on Wednesday, March 23, at 8:15 p.m. in the conference room of the Administration Building.

Letters

To The Editor:

Your recent Editor's Note of February 19th suggesting a special rate for Third Class Mail is misleading.

We appreciate your comments on the impact of the Budget Reconciliation Act of 1987 on the Postal Service. However, your suggestion that Third Class Mail does not pay its own way is not the case.

The revenue received by the Postal Service from Bulk Third Class Mail not only covers the cost of processing and delivering the mail, it also helps pay a substantial part of our overhead costs. The current rate case before the Postal Rate Commission calls for a larger percentage increase for Third Class Mail versus First and Second Class Mail.

The reduced rate for Bulk Rate mailings is based in part on the savings in handling costs which accrue from the mailer presorting their mail. Also, the rate structure for Third Class Mail does not include forwarding and return-to-sender costs.

Third Class Mail is not being delivered at the expense of other classes of mail.

Sincerely,
Roger Niemeyer
General Manager/Postmaster
Hicksville Division

Hicksville, N.Y. 11805-9998
Editor's Note: We have heard the Postal Service and Third Class mailers view that Third class mail is paying its way, but there are some unexplained things that make us think otherwise. The Post Office is losing from \$200 to \$400 million per year. First class mail costs 22 cents to deliver a letter from Hicksville to Hicksville or anywhere else. It appears that local letters are subsidizing out of

town but First class costs almost three times Third class so the losses on First class cannot be much. Recent figures show First class mail is 50 percent of the volume, Third class is up to 40 percent of the volume and Second class mail (which is subsidized) and Fourth class mail only about 10 percent. If we say that Third class mail is paying its way then where is the loss coming from? We think "junk mail" should go up more than 30 or 50 percent. Even if it doubled its cost it would not equal the cost of sending a letter from Hicksville to Hicksville. The large mailers are very persuasive.

To The Editor:

Our children attend a Hicksville public school. In our school district they send home a health form in June to be filled out for the beginning of September by your family doctor, which we did and which we returned by hand to the school nurse. On this form it says that if you don't have your own doctor give your child a physical, the school has the right to give your child one. Well our 8 year old son came home a few days ago and informed us that he was given a physical, he had to drop his pants and have his private parts examined. He was very embarrassed. I can't believe they have the right to do this without the child's parent permission or knowledge. In our society today we teach our children not to let anyone touch their bodies and here the school does it without letting the parents know first so we could prepare our child, especially when you had your child given a physical by their own doctor. We feel that parents should know what is

being done to their children without the knowledge or permission.

Gulotta Mobile Office To Be Here

Nassau County Executive Thomas S. Gulotta's Mobile Office will be located at the Plainview/Old Bethpage Public Library, 999 Old Country Road, Plainview, on Tuesday, March 29, from 10 a.m. to 3 p.m. The Mobile Office was created by the County Executive to provide residents with information about County government and expand the County's outreach program.

A primary function of local government is to reach out and to make government available and responsive to our residents in all corners of the County," Gulotta said. "One means by which this can be achieved is to make available direct lines of communication with our citizenry. Our Mobile Office will allow our residents to receive information about the County and seek redress for their concerns in a location convenient to their homes. This is particularly helpful for the disabled or the elderly who may find transportation difficult.

Gulotta said the Mobile Office would also serve as an excellent management tool. It will permit citizens and county employees alike, to forward inquiries and/or offer their thoughts with regard to the operation of various county departments, facilities, services and programs. This will result in the implementation of greater efficiency procedures and cost cutting measures as well as a greater responsiveness to the needs of local residents.

Elks Regional Hoop Shoot

The New York Regional "Hoop Shoot" was held February 20, at Christ the King High School, at 10:30 a.m. in Middle Village. After the contest trophy awards and dinner were held at Queens Borough Lodge #878 in Elmhurst. As throughout these series of contests all costs were absorbed by the Elks.

There were only a total of twenty-four contestants in this phase of the contest that goes nationally. That composed only four boys and four girls in each of the three age brackets (8-9, 10-11 and 12-13). Hicksville Elks Lodge #1931 had three entries at this contest. In the 8-9 year old group they had, Keith Cromwell filling in for Jimmy Toelstedt. Laurie Zeller also in the 8-9 group and Robert Paul in the 12-13 group. Eight year old (?) Keith shot an excellent score of 19-25 to take first place and go into the State Contest in Horseheads on March 5. Lovely young Laurie Zeller ended up in a three way tie for first place and had to go into a five shot shoot off with the other two girls. Her luck deserted her some there, and she ended up with a third place trophy. Robert Pauls shooting touch deserted him in the 12-13 group and he ended up in a third place finish also receiving a trophy. He earned it the hard way in a triple shoot off finally sinking five of five in the third round. Boys and girls at this contest came from Southampton to Hicksville to Mt. Vernon covering hundreds of miles. By the time the national champions are awarded their trophies over three and a half million boys and girls will have taken part in this national contest through Elksdom.

The other winners at this regional were Melissa Yusko (8-9) from White Plains Lodge #535 - John Bittner (10-11) from New Hyde Park Lodge #2107 - Gretchen Turner (10-11) from Mamaroneck Lodge #4557 - Michael Mohr (12-13) from Islip Lodge #2533 and Christine West (12-13) from New Rochelle Lodge #756. They will all compete for the right to represent New York State Elks at the Eastern Regional in Wilkes-Barre, Pa. later in the month. We wish them all the best and no matter what the outcome they and their families are all winners. Thank you.

Unwanted Mail Protection Avail.

"The Postal Service is pleased to advise you of an important protection available to those who do not wish to receive sexually oriented advertisements through the mail," says Roger Nienaber, General Manager/Postmaster of the Hicksville Division.

Postal customers have two options when they do not want to receive sexually oriented mail.

The person who receives an advertisement, which according to their discretion is "SEXUALLY provocative", may obtain a prohibitory order, Form 2150, directing the mailer from making other mailings to them. This application may be submitted to any post office and must be accompanied by the advertisement upon which the application is based, including the opened envelope, cover or wrapper.

If you continue to receive these unwanted mailings, contact your postmaster and the Postal Service will request the Department of Justice to seek a court order directing compliance with the prohibitory order.

The second, Form 2201, may also be obtained at any post office. The customer retains the instruction portion and uses the identifying number in any future communication with the Postal Service concerning his application. The forms are sent weekly from the local post office to Washington, which publishes a monthly list of people who do not want to receive sexually oriented advertisements. The person's name and address is kept on this list for five years.

Any mailer who sends that person an unsolicited sexually oriented advertisement more than 30 days after the date on which the Postal Service adds his name to its reference list of those who desire this protection, may be subject to both civil and criminal sanctions.

Flag Committee 25 Years Old

Twenty five years ago the Hicksville Chamber of Commerce Flag Committee was formed with former old time resident Larry McCaffrey at the helm. Donations were requested from various organizations and at one time over 100 Flags were flown along Broadway, Hicksville. Over the years, flags became tattered, some stolen, poles broken and now have to be replaced. If anyone wishes to donate to the supply (Flags 3' x 5', poles 10 feet high, 1-5/16" diameter) contact Larry McCaffrey at 681-2500 or Marc Ramirez at 433-8383.

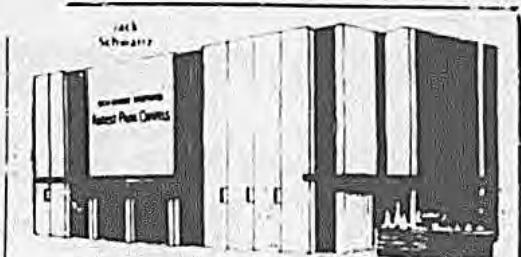

On February 24, 1988 the Hicksville Chamber of Commerce was the recipient of twenty four flag poles, a donation from the William M. Gouse Jr. Post 3211 Veterans of Foreign Wars. The donation was made in answer to an appeal in the local newspapers by Effie C. Krogmann, Past President of the Hicksville Chamber of Commerce.

PTA Council Dinner Honors Carol Marks

Thursday night, February 25, proved to be a delightful evening for all those attending the 35th Founders Day Dinner of the Hicksville Council of PTAs. People were there from all paths and persuasions - guests, family members, PTA members, teachers, school administrators and Board Trustees, and community members - to honor those who have devoted their time and energies to the tasks of child advocacy.

The Hicksville Council of PTAs was honored to have as its distinguished guest one of its own colleagues - Mrs. Carol Marks, President of the Hicksville Senior High School PTSA. Members of the PTA family from each of the

district's 11 units were on hand to give tribute to their own honorees - 29 in all.

In a gesture of admiration and thanks, School Superintendent Dr. Catherine Fenton led the audience in a toast to the honorees of the night. Honorary Life Membership in PTA was presented to Mrs. Karen Garbus, Council Vice President, by Council President Norma Goerke.

The Hicksville PTA organization looks forward to another year of working with all community leaders to insure a healthy, happy, safe, educational sound childhood experience for the youngsters of Hicksville.

Dave Sear Concert Scheduled

Folk singer Dave Sear will give a free performance at the Plainview-Old Bethpage Public Library on Saturday, March 19, as the tenth program in the 1987-88 "Distinguished Artists Concerts" series, according to Oyster Bay Town Councilman Thomas L. Clark.

The concert, which is being sponsored by the Cultural and Performing Arts (CAPA) Division of the Department of Community Services, will be held at the library, 999 Old Country Road, beginning at 8:15 p.m. For further information, contact CAPA at 795-5943.

"An active member of the folk music scene since the late 1940's, Dave Sear has given concerts throughout the United States and Europe, sharing stages with such luminaries as Woody Guthrie and Pete Seeger," Clark said. "He has directed music for, and appeared on, several major network television stations and, for more than 35 years, has performed on radio where he currently is the host/producer of the nationally-syndicated 'Folk Music Special' and a weekly program entitled 'Folk Music Almanac.'"

For this concert, Sear will accompany himself on the 12-string guitar and banjo and perform songs ranging from traditional foot-stomping mountain square dance tunes to contemporary compositions.

Clark noted that the concert is being supported by grants from the Long Island Savings Bank, Apple Bank for Savings and Cablevision.

Zone Change Public Hearing

A request for a change of zone in Hicksville will be the subject of a public hearing by the Oyster Bay Town Board scheduled for Tuesday, March 29, according to Town Councilman Douglas J. Hynes.

"The applicant, KPT Enterprises, Ltd., is seeking a change of zone from 'E' residence district to 'R-O' residence-office district for the purpose of operating a travel agency," Hynes explained. "The property, fronting on Woodbury Road and East Street, is also known as #201 Woodbury Road, Hicksville."

The meeting is scheduled for 10 a.m. in the hearing room of Town Hall East, Audrey Avenue, Oyster Bay.

Girls Gymnastics County Champs

On February 9, the Hicksville Girls Gymnastics Team achieved something that has alluded them over the past three years; that was winning the Nassau County Girls Gymnastic Team Champion-ships.

"This was our goal all season and, even after our only loss, to undefeated Great Neck North, it was more of a determining objective," said Coach Tony Villois.

The team, under Co-Captains Senior Jackie Langlois and Junior Tammy Marshall, worked very hard on cleaning up and adding new moves to improve the team's individual routines.

Hicksville, seeded second behind Great Neck North, didn't

waste any time that night. From the first rotation, which was vaulting they scored an impressive 39.70 points, giving them a slight lead over the other seven schools.

Hicksville's second rotation, the uneven bars, seemed to be the turning point. Since Great Neck North worked the bars during the first rotation, the girls from Hicksville knew what they had to do to keep and build on their slim lead. With scores from Melissa Kugler (5.85), Jackie Langlois (5.95), Elaine Borja (6.90), Wendy Marshall (8.05) and Tammy Marshall (8.50); the team had a total of 32.25 to Great Neck's 32.30. This extended their lead with the final two

events yet to come.

The "Comets" kept their goal in mind and never looked back. With the outstanding and near flawless routines by Junior Co-Captain Tammy Marshall on the Balance Beam (9.20) and Floor Exercise (9.05) the team totaled a season high of 148.00. When all the chalk finally settled, the nearest team and score to Hicksville was Great Neck North which took second place with 145.55.

Remaining members of the team are: Dale Hoffman (vaulting), Jeanne Marie Bonner (Uneven Bars), Kacey Knauer (Balance Beam and Floor Exercise), Elaine Borja (All-around), Kathy Loece and Fran Baer.

AARP Sponsors Chinese Auction

Marie A. Pedersen

Edward J. Kajko, president of Farmingdale Chapter No. 3967 AARP announces that the Chapter will sponsor a Chinese Auction on Saturday, April 23, from 11 a.m. to 3 p.m., at the Masonic Hall, 197 Fulton Street, Farmingdale. Kajko is asking all members to cooperate and to make this fundraising affair a success. Members may buy tickets and donate gifts and cakes to the Auction. All proceeds will be distributed to local charities.

Chinese Auction Committee
Chairperson, Margie Palma, said that the local merchants have been very supportive of the drive for donation of gifts, and thanks them for their courtesy and generosity. Palma said a special innovation, at the Chinese Auction, will be a table of gifts "For Men Only", so that male members will not feel left out. All merchandise is new. There will also be many door prizes and a sweepstakes will be held.

Tickets are \$3.50 each and include 20 "free" chances, door prize and refreshments. Rose Brothers, Ticket Chairperson, reports ticket sales have been brisk, and will go on sale at the meeting of March 16, at 1:30 p.m. Tickets are limited by the size of the Masonic Hall. Tickets may also be ordered by telephone: call Anna at 249-9542 or Jack at 249-0579. No tickets will be sold at the door. Come help us help others.

ST. PATRICK'S Day comes twelve days ahead of time on Long Island. The parade steps off in Mineola and Garden City at 1 p.m. on Sunday. If the usual weather prevails don't forget to wear your overcoat....THE DONOVAN Armed Guard Services of Hicksville lost an important contract of guarding Nassau County property. Salem Securities Systems was a lower bidder than Donovan. Salem had filed a Chapter 11 bankruptcy plan but the County accepted them with Court approval. The Donovan company had the contract since 1982....IT MAY not seem like much, but the L.I. Commuters Council says that a survey of its members shows that 35 percent say that the railroad is getting better. (Only 20 percent said that last year.) The council raised the grading of the LIRR from a D to a C. Most riders said that the trains and stations are cleaner. But the "on time" performance was scored by many commuters as the no. 1 problem....THE CRIME REPORT is published each week to alert residents of where crime is taking place in the area and as an aid in the Neighborhood Watch program. Anyone seeing suspicious activity should phone 911: BURGLARS entered a house at Seitz Drive, Bethpage on February 20. They pried a side window to gain entry and stole jewelry....A WINDOW was broken on a house on Lane Avenue, Bethpage on February 24. The loss is unknown....A REAR DOOR was used by burglars to enter a house at First Street, Bethpage on February 25. No loss was reported....POLICE arrested a 17 year old Hicksville youth on February 23 for pulling a false fire alarm at Hicksville High School....That's all the news for now. G.T.

Youth Council Neighborhood Watch

As you may have heard, there have been numerous reports to the police department about a man soliciting youngsters near the East Street School. In response to this, the Hicksville Youth Council, with the help of concerned residents, will be organizing a Neighborhood Watch in the area surrounding the school. A meeting has been scheduled for Thursday, March 10, 7:30 p.m., in the East Street School. A police officer from the Nassau County Police Department will be on hand to discuss Neighborhood Watch and Operation Identification, the marking of valuables with an easily traced identification number which aides police in recovering property if stolen.

Crime is a problem in every community and affects people of all ages. Statistics from the National Crime Prevention Council indicate that young people, ages 12-19, are the most frequent victims of crime in the United States. Every 19 seconds a teenager is the victim of a crime.

One of the most effective and least costly answers to the crime problem is Neighborhood Watch. A Neighborhood Watch group is a group of neighbors who agree to look out for each other's property and family and alert the police to suspicious activities or to a crime in progress. By getting to know neighbors and watching out for them, you can build your neighborhood into a safer place to live and work. Police departments across the country report a substantial decrease of crime in areas participating in Neighborhood Watch. Watch groups are the foundation of community crime prevention and a stepping stone to community revitalization.

The Neighborhood Watch program is sponsored by the Hicksville Youth Council, a non profit organization dedicated to serving the Hicksville community. For more information about the program please call Beth at 822-KIDS. Remember: Good Neighbors can make a difference. Hope to see you on March 10.

Gunman Robs Hicksville Motel

Sgt. Timothy Schriffen of the Second Pct. reports the details of a robbery 1 that occurred on February 27, at 7:25 p.m. at the Hicksville Motor Lodge on Duffy Ave. and Old Country Rd., Hicksville.

A male black entered the main lobby several times and finally approached the night clerk Michael Delledonne 58. The defendant then produced a handgun and demanded money. He was given \$700 in U.S. Currency and fled the scene on foot toward Duffy Ave.

There were no injuries and the Second Squad is investigating.

The defendant is described as a male black, 20's, 5'8", mustache, round face, short hair, wearing a brown leather jacket.

Mid Is. Y Swim Along

Win great prizes, meet challenge and have fun at the Mid-Island YM & YWHA 1988 Swim-A-Long. The Swim-A-Long will be from 9 a.m. to 5 p.m. on Sunday, March 20, at the Y, 45 Manetto Hill Road, Plainview.

Portledge School Presents 'Our Town'

In celebration of the 50th anniversary of the first performance of Thornton Wilder's Pulitzer Prize winning play, "Our Town", Portledge Upper Schoolers will present their interpretation on Friday and Saturday, March 11 and 12 at 8 p.m. in the Lower School gym.

The play, described as "haunting and evocative" by the N.Y. Times, takes place in the small town of Grover's Corners, New Hampshire, and genially outlines the history of the town and something of the character of its citizens.

Wilder introduces the audience to the Gibbs family, played by Gigi Ballin as Mrs. Gibbs (Locust Valley), David Mester of Huntington as Dr. Gibbs, Noah Cermak of Glen Cove as George Gibbs, Kirsten Osmundsen, also of Glen Cove as Rebecca Gibbs, and the Webbs, portrayed by Kristina Johnson of Bayville as Mrs. Webb, Josh Winstral of Muttontown as Mr. Webb, Hillary Matthews of Great Neck as Emily Webb and Joy Pardi of Sands Point as the youngest member of the family. The first act follows these good people through one entire day.

Act Two concerns the love affair between George and Emily, and culminates in a moving wedding scene.

Act Three takes the audience to the cemetery where Emily, now dead, learns that the past cannot be re-lived, and that truth is to be found only in the future.

Digressing from tradition, the pivotal part of the Stage Manager, normally played by a male, will be portrayed by Kristen Howe, a junior from Huntington.

Townspeople of Grover's Corners include Chris Wilroy of Bayville, John Trowbridge of Syosset, Alex Dadourian of Plandome, Sunny Mullick of Roslyn, Pamela Polls of Glen Head, Joan Nidzyn of Huntington, Jennifer Wingate of Glen Cove, Marion Weil of Sea Cliff, Tara Narango of Oyster Bay, and Peggy Hogan and Zaidee Bliss of Locust Valley.

Lisa Cermak, Head of the Performing Arts department, is directing and has used a unique approach for Portledge performance space by working with four separate stages placed around the gym. Tracey Burdick, Brian Ferguson and Jane McKee, upper school teachers, are assisting.

Tickets for "Our Town" are \$5 for adults and \$2 for students and may be purchased by calling the school at 671-1475.

they choose, and the speed they wish with as many sponsors as they obtain. Sponsors contribute the amount they select for each lap. To participate there is a \$10 minimum contribution. The Swim-A-Long is open to members and non-members.

Every swimmer wins a prize. Those sponsored for \$100 or more receive a satin jacket with the "Y" logo, for \$25 to \$100 a sports bag; for \$125 or more, both the bag and jacket. Swimmers sponsored for \$10 up to \$25 receive a gift of goggles. All swimmers receive a baseball cap. There are also special awards for long distances and other special categories.

The Swim-A-Long is an important fund raiser for the Y. Sponsor sheets and additional information can be picked up at the Y or call the Health and Physical Fitness Office, 822-3535.

Students Enjoy Animal Show

On Tuesday, February 23, Bill Fix visited Fork Lane Elementary School with a Wild Animal Show that enchanted all. The show was sponsored by the PTA through its Arts in Education Chairman Cathy Santoiemma.

The animals that Mr. Fix displayed were all exotic predators. The students saw a weasel who did flips, twists and ran through small openings. They were also delighted and mesmerized by a Blue Fox, a Red Tailed Hawk, a Rat Snake and a Python.

The snakes appeared to have a magical effect on the teachers in the room. As soon as Mr. Fix took out the snakes, the teachers disappeared.

The students enjoyed a fine learning experience and a good time was had by all -- man and beast alike!

Nassau County Executive Thomas S. Gulotta, second from left, attended the grand opening of the "Mr. Philly" restaurant located at 27 Woodbury Road in Hicksville. There's one thing wrong with those cash back offers on new cars.

You don't get to choose the car.

*4.4% ANNUAL PERCENTAGE RATE FOR NEW AUTOS UP TO 160 MONTHS TERM, 10.9% APR FOR 80,323 USED AUTOS (UP TO 160 MONTHS). DOWN PAYMENT REQUIRED. FOR EXAMPLE, IF YOU BORROW \$10,000 FOR 4 YEARS AT 9.4% APR, YOU'LL HAVE AN ESTIMATED MONTHLY PAYMENT OF \$250.75. THE RATE MAY INCREASE AFTER CONSUMMATION.

These days, auto buyers are often confronted with seemingly irresistible discounts and overly generous cash back offers. The problem is, a lot of these incentives don't apply to all makes and models. And rarely to the one you're most interested in.

On the other hand, consider the options and features available from The Bank of New York.

First of all, we offer one of the lowest variable rates around. Only 9.4%.* Whether you're a customer or not.

9.4%

Variable Rate
Auto Loan

And that rate applies to *any* new car you'd like to buy. Not just the car they'd like to sell.

And importantly, your regular monthly payments will never go up. If interest rates rise or fall during the term of the loan we'll simply make the adjustment at the end of your loan term.

To take advantage of our variable rate auto loan just visit one of our 190 convenient branches. Or for an even faster response, call Action Phone at 1-800-942-1784 (out-of-state, call 914-684-5514 collect). Call by 2:30 P.M. on any business day and in most cases you'll have an answer by 5:00 P.M.
