Wood Chips Avail From Town

The Town of Oyster Bay's Department of Public Works has a year-round wood chips give-away program, according to Town Councilman Thomas L. Clark.

"With the approach of spring many residents turn their attention to gardening," Clark said. "Wood chips provide a good source of mulch, protect sensitive shrubs and plants, help keep weeds at bay, and have an aesthetic quality by dressing up any garden."

Town residents may come to any one of the three wood chip sites for their free supply. The locations are: Fireman's Field in Oyster Bay Hamlet, on the east side of Larrabee Avenue along-side the railroad tracks; Town's Public Works Complex, 150 Miller Place, Syosset, west side of the Animal Shelter; Highway's Carman Mill Yard, Carman Mill Road, Massapequa, in front of the facility.

Clark noted, "The wood chip program is open seven days a week and is operated on a self-serve basis. You will need to bring plastic bags and a shovel."

Letters

To The Editor:

In spite of my endless efforts to maintain a positive attitude, there are times when a good cry is the only think that works. These past few months have been tough ones for this lady senior. First, my laundry was missing when I went to retrieve it from the laundromat machine (wet laundry, mind you.) Then my Handicapped Permit disappeared in a series of unpleasant experiences with a new mechanic, to wit:

When my car began stalling at every traffic light, I phoned my trusty mechanic only to find that he was on vacation. I consulted the yellow pages for a station within walking distance who did tune-ups. My "new" mechanic charged \$140 and gave me back the car in far worse shape. Albeit, mechanics are not God and, admittedly, my car is aging as I am. I took the car back three times and on the last occasion, was told it needed a new starter (although starting had never been a problem), another \$72. Still, I gave the young man the benefit of the doubt -- until I picked the car up for the last time, found that my favorite cassette had been removed from the tape deck and trampled on the floor. There were empty cigarette packs, butts and ashes all over the front seat and mud all over the rear. But, the unkindest cut of all -- my Handicapped Permit had been taken. Hence, the good cry.

Apart from the wonderful catharsis this letter affords, it brings to mind two things. First, shopping for a mechanic in the yellow pages is not a good idea! Then, at a time when honesty and integrity seem to be at a premium, losing one's faith in his fellow beings, if only momentarily, may just call for a good cry. Meanwhile, however, my "old" mechanic is back, has restored my car to working condition with a small adjustment and no fee, and, most important of all, has restored my own faith in human nature.

'My Favorite Teacher Is...'

By Kara Zearo

Mrs. Nesnick was my favorite teacher. She wasn't just like a second grade teacher to me, she was like a friend also. If you had a good quality such as drawing, or writing stories or poems, she encouraged you to use it. If you could draw very well she would send some of your pictures to the Newsgram. Now I keep her up to date with everything that happens, like entering or winning contests. Mrs. Nesnick is a really great teacher!

Editor's Note: Kara is a third grader at Central Boulevard School in Bethpage where Victoria Nesnick still teaches at the second grade level.

A letter from the President of Northwest Civic Assn.

The time has come again to renew or become a new member of the Northwest Civic Association, Inc. for the year 1988.

I cannot stress upon you the need to stay active in community affairs and to have our voices heard. The only opportunity we will have as citizens, who take pride in our neighborhood and who wish to have our viewpoint given serious consideration, is to unite into a single unit for the future of our community.

As you are well aware we are a Civic organization involved in trying to have the inactive waste site in our community cleaned up.

In a similar vein the Civic organization is still actively involved in examining the possibility of air pollution that may be caused by a local plant.

Another area of considerable concern to our community are the deliberations of the Hicksville School Board in regards to declining attendance and the possibility of school closings and re-zoning of our schools.

The Northwest Civic organization feels that the problems of our neighborhood are real and significant and only by staying involved can we reach our goals as a healthy and proud community.

Come join us. Thank you.

Sincerely,

Mary Ann Ferrando, President P.S. Applications may be obtained by writing to Northwest Civic Assn., P.O. Box 378, Hicksville, NY 11801, or by contacting any Board member.

Patricia Rooney Runs For Board

Patricia Rooney

The Committee to Elect Patricia Rooney has had several planning sessions in an effort to successfully elect Mrs. Rooney to the Hicksville School Board on Wednesday, May 25.

On Monday, April 25, Mrs. Rooney filed her petitions with the District Clerk officially declaring her intent to run for the seat currently held by School Board President, Tom Nagle.

Hicksville's School Board policy requires a candidate to select the seat of a particular person whose term expires. Mrs. Rooney believes, "This sets up an immediate, and unfortunate, adversarial position for those choosing to serve as Trustees. This is not true in many other districts on Long Island where candidates simply signify their intent to run for the Board. Vacant seats are filled by the candidates who garner the most votes on election day." As Trustee Mrs. Rooney would work with the Board in attempting to change this confrontational pattern.

Peggy Gill reported that some tickets are still available for the "Elect Pat Rooney" Cocktail Party which will be held on Wednesday, May 4, from 7:30 to 10:30 p.m., at the Knights of Columbus Hall, Heitz Place, Hicksville. Tickets are \$10. Contact Ann Freyseisen at 935-8755 or Peggy Gill at 433-8607 for the name of the person in your local area who may still have tickets.

William Bennett

A very lively and enthusiastic crowd attended the Coalition Meeting to Re-Elect Bennett and Nagle at the VFW Hall on Tuesday, April 19.

Discussion centered around plans for the upcoming School Board election, which will be held on Wednesday, May 25.

Bill Bennett, who organized the Hicksville Coalition to Maintain a Moment of Silence, and Tom Nagle, President of the Board, have a total of 28 years experience on the Board of

Education, and are this year's candidates. Because of their knowledge and enthusiasm, they received the unanimous support of the members.

A rally for Bennett and Nagle will be held at the VFW hall on Thursday, May 19, a week before the election. Donation will be \$3 per person or \$5 a couple. Refreshments will be served.

If you would like additional information regarding the Rally, please call the Coalition President, Mike Melody, at 931-3847.

Many Enjoy Spaghetti Dinner

Shown in the photo are two of the kitchen crew, Kiwanian Thomas Folan, left, and Kiwanis President Charles Montana, Jr., center, filling a plate for table warden Barbara Nelson to deliver. (Photo by Sieg Widder)

On Friday evening, April 22, the Hicksville Kiwanis Club provided a service to the community in the form of a sumptuous spaghetti dinner at a very reasonable cost. The purpose of the dinner was to provide a sociable evening, some tasty food, and hopefully to raise some money towards the club's charitable and benevolent activities.

The facilities of Holy Trinity Episcopal Church were made available, and Kiwanians began setting up tables and chairs, bringing in the food, decorating

the hall with red, white and green streamers as well as balloons during the afternoon. Between 6 p.m. and 9 p.m., hundreds enjoyed the tossed salad with a special dressing, spaghetti with just the right spicy sauce and grated cheese, meat balls, garlic bread, assorted soft drinks, coffee, tea, ice cream and cake. This very substantial spread was served by the Kiwanians with the help of some of the Key Clubbers. The working kitchen crew and table waiters were kept very busy.

The Ecumenical Consultation Center is a non-profit, non-sectarian agency offering comprehensive mental health services for individuals and families of all ages. Counseling is provided by licensed, certified professionals who are sensitive to the religious needs of the clients.

Rev. Grant spoke about the services provided by the center.

One Act Plays At Hicks. H.S.

Hicksville High School will present a collection of One Act Plays to be performed in-the-round as its final production of the year. The plays have been directed by Judith Paseltiner with technical direction by James Quinlan.

The evening will open with the Chekhov comedy, "A Marriage Proposal," which deals with the woes of a misunderstood suitor. In it David Danowski attempts to court Jessica Garnets, as her father, played by Tony Walker, helps to confuse the situation. Offering a different view of marriage is Robert Andersen's hilarious comedy, "I'm Herbert," which features Alisa Bayer and Greg Jacobi as an old couple remembering and misremembering events in their lives.

"Trifles," a drama by Susan Glaspell, opens the second part of the evening. It features Jennifer Tower and Heather Tower as two farm women who solve a bizarre murder by observing the small details of daily life, while the men, played by Jimmy Dyckman, Tony Walker, and David Danowski, conduct an unsuccessful investigation. Closing the evening will be the gripping drama, "Sorry, Wrong Number," which was originally performed as a radio play. It deals with a bedridden woman, played by Jennifer Jackson, who overhears a murder plot on the telephone.

Performances will be in the high school on May 6 and 7, at 8 p.m. Admission is \$3. A special free performance for Senior Citizens will be held on Thursday, May 5, at 6:30 p.m. For information, please call 933-6621.

Diga Georgiades, a senior at the Waldorf School of Garden City, recently performed in a school production of "Iolanthe" by Gilbert and Sullivan. Miss Georgiades played the lead role of the Queen of the Fairies. "Iolanthe," one of the most beautiful of the Gilbert and Sullivan operettas, is the story of an encounter between a fairy band and an august body of English Lords. This extraordinary meeting occurs under circumstances which are in themselves wonderfully incredible. Miss Georgiades is a resident of Hicksville.

Councilwoman Visits GOP

Town of Oyster Bay Councilwoman Ann R. Ocker was introduced by President Kevin Gallaway to a group of constituents at last week's meeting of the Theodore Roosevelt Republican Club.

Mrs. Ocker thanked Kevin and Club Executive Leader, George Yochmann, for inviting her to the club. The former Town Clerk who was elected Councilwoman this past November compared being Town Clerk to being a Councilwoman. "Before I faced the Town Board and now I am on the other side sitting on the Town Board. I have a great deal of reading to do in preparing for public hearings, but I enjoy the job very much," said Mrs. Ocker.

Councilwoman Ocker went on to say that the Town was holding many hearings to catch up on last year's building moratorium. She advised everyone that if you cannot appear before the Board you can send a letter which is just as important as appearing. The letters are read into the record and taken into consideration by the Board.

Mrs. Ocker spoke about the preparations under way by the Parks Department to get the Town Pools and Beaches in shape for the summer. The Town of Oyster Bay is the only township in the County to have both north and south shore recreation or bathing facilities. The Pavilion at Tobay beach will be in operation and the refurbishing of community pools will continue.

Before joining her constituents, Mrs. Ocker thanked the membership for giving her a chance to serve and reminded everyone: "All the Councilmen serve all the people, so you can contact any of them for help."

Executive Leader, George Yochmann, spoke about last month's visit by Nassau County Fire Marshal, Frank Pendle and advised that Nassau County has erected a special monument in Eisenhower Park to Firemen who lost their lives and for all those who serve.

He went on to thank Ann Ocker for coming to the meeting and stressed to the members, "We win elections because we have the people to run." He advised that the primary was strictly Democratic as there are no contests in the Republican Party. He reminded everyone that Sal Greco was up for re-election as Bethpage Water Commissioner and urged all to vote on May 2. Mr. Greco thanked Bethpage for their fine effort to conserve water. Last year, Bethpage saved 14.7% over the previous year's water usage and was in the top 5% of all the Long Island Districts.

On the County level, George spoke about County Executive, Tom Gulotta's flyer regarding tax exemptions. Veterans and senior citizens must file for exemption by May 1. On the State level, Mr. Yochmann supported the stand by the Long Island Senate delegation who were preventing passage of the state budget because Long Island was not getting its fair share. They were fighting for additional funds to help pay for the removal of asbestos in our schools which will cost hundreds of thousands of dollars. He commended the 9 Long Island Republican Senators for holding up the budget and fighting for their constituents.

With a rather extensive property to be spruced up, more than 30 members of the parish family of Good Shepherd spent the best part of a recent Saturday raking, sweeping, and planting in preparation for the growing season ahead. An alfresco luncheon of sandwiches and beverages helped lighten the labor and the spirits of the workers. Some parents of children attending pre-school and early childhood classes at Good Shepherd Lutheran School also contributed time and energy to the clean-up effort. They are all considered to be a part of Good Shepherd's "Parish Family."

Bandit Takes \$600 From Gas Station

Second Squad Detective Doug Worthington reports the details of a robbery that occurred this morning at 6:17 April 13, at Zitzmar Amoco Station, 506 Old Country Road, Hicksville.

William Jackson, 29, of Westbury, had left the cashier's booth temporarily. When he returned, there was a male white wearing a ski mask, taking money out of the cash register. The man pulled out a small black revolver and ordered Jackson out of the booth. The suspect then punched Jackson in the face and fled on foot west bound on Old Country Road. Jackson refused any medical aid at the scene.

The loss was placed at \$600 cash and the Second Squad is investigating.

Students Perform In 'Magic Flute'

Fork Lane students with Ms. Bollhoffer perform in "The Magic Flute."

On March 29, 18 students from Fork Lane Elementary School had the opportunity to be the "Special Instrumental Group" for the performance of "The Magic Flute", an opera type play given by "Opera Options". The 18 students were from Ms. L. Bollhoffer's music department at Fork Lane. The children were very excited about the opportunity, and rewarded all of us with a great performance. All of Hicksville's 3rd-6th graders were able

to attend the play, which was fantastic.

Fork Lane would like to congratulate Ms. Bollhoffer, as well as:

Hicksville I.N.N. Third Anniversary

On Sunday, April 24, the Board of Directors and Volunteers of Hicksville I.N.N. held a Brunch at Peppercorn's to mark the Third Anniversary of the operation of the Hicksville Soup Kitchen, known as Hicksville I.N.N. Approximately one hundred people were present.

Guests included Brother Michael Moran, Director of the Interfaith Nutrition Network for Long Island, and many of the service organizations were represented. The speaker was the Rev. Dr. Theodore S. Grant, who was one of the original founders of the Soup Kitchen. Dr. Grant traced the history of the I.N.N. from its inception, and pointed out the need for a broader welfare program in the Hicksville area.

Awards were made to some of the original volunteers, and special presentations were made by Effie C. Krogmann, one of the original founders, to Alice Spinella and Anne Jenal, coordinators for I.N.N.

Peppercorn's provided a special cake, properly inscribed to mark the occasion, and a pleasant time was had by all. Funds for this celebration were provided by the workers themselves, and did not come from I.N.N. funds.

I.N.N. provides a hot noonday meal each weekday, to anyone who comes in need. The I.N.N. is conducted in the Parish House of Trinity Episcopal Church at Jerusalem Avenue and Old Country Road.

Clean-Up Program Aids Homeowners

Residents in the Town of Oyster Bay's Sanitation Disposal District will be able to simplify their spring cleaning by bringing all their accumulated rubbish to the Old Bethpage Solid Waste Disposal Complex during two weekends in May, according to Town Councilman Thomas L. Clark.

"Last year, the Town revised sanitation rules to permit homeowners to dispose of all rubbish on either of their collection days provided they comply with sanitation guidelines as to length, weight and bundling of certain items," Clark said. "However many residents prefer to spend one day during the weekend undertaking a major cleanup and find it more convenient to bring their rubbish directly to the Disposal Complex rather than store it until their next collection day."

The following is the schedule of dates for this year's Spring Homeowner's Clean-up Program:

Saturday, May 14, Sunday, May 15, Saturday, May 21, Sunday, May 22.

The entrance to the Solid Waste Disposal Complex is located on Bethpage-Sweet Hollow Road, east of Round

Swamp Road in Old Bethpage. Clark noted that only private cars will be permitted to enter the complex and proof of residency must be presented. For safety reasons, children must remain in vehicles.

The program is open only to residents of the Town's Solid Waste Disposal District. If you are not sure whether or not you reside within the district, call the Environmental Control Division at 921-7347, ext. 5626.

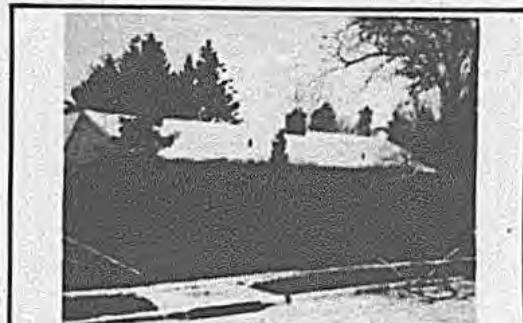

Zenneck Becomes Court Advocate

Carol Zennack of Hicksville has completed training to become a Court Appointed Special Advocate (CASA) with EAC's Advocate Program in Family Court.

The Advocate Program works closely with the Family Court judiciary to help children in foster care. Appointed by a judge, CASAs investigate and report back to the court on the status of individual children in foster homes as those placements are reviewed by the court for approval.

Oyster Bay Town Clerk Carl L. Marcellino left, joins supporters of the Hicksville Interfaith Nutrition Network at a third anniversary celebration. Also on hand for the occasion were Rev. Dominic Ciannella, center, pastor of Trinity Episcopal Church where the soup kitchen is operated, and Rev. Theodore Grant, pastor of Redeemer Lutheran Church.

Woodland Students Tour Hicksville

Hicksville's elementary school classes continue to see their village features at first hand. Mrs. Beverly Brown and Miss Elaine Kabacoff's classes at Woodland Avenue School are the most recent children to bus "sight-see" Hicksville. The youngsters received a tour of their historic, cultural and economic places of interest as part of the Hicksville Gregory Museum ongoing services to local public and parochial schools.

The itinerary for a typical school trip of about 1½ hours usually includes actual visits of sites or bus stops while Gregory Museum historian Richard Evers briefly explains the site's importance.

Among the sites and sights enjoyed by our teachers and students are:

Visits to the Hicksville Fire House; Gregory Museum at its home in the historic Old Hicksville Courthouse; the Trinity Lutheran Church; the Stoltz family farm and horse paddock, and a walk around the Cantiague Rock area, where Hicksville was "bought" from the Matinecock Indians, in 1648.

Other places of Hicksville note are identified as the bus tour is enroute: the U.S. Post Office; the L.I. Railroad terminal and the nearby Roman Eagle; the Hicksville Memorial Fountain; John F. Kennedy War Memorial; Cantiague Park; two remaining gold-beating shops; the asphalt recycling plant and the industrial zone on northwest Duffy Avenue; the Plainlawn Cemetery; all churches and funeral parlors passed enroute; the N.Y. Telephone Company building; Public Library; Hicksville Middle School with the nearby four memorials to our service men and women.

A street of particular interest, aside from Broadway with its Delco Plaza, Goldman Brothers, Greenpoint Bank (one of four banks pointed out to the children) St. Ignatius Church, Old Albin House, Church of Christ, is West Nicholai Street. On this street the kids can see the Masonic Hall; and across the avenue the quaint 1914 building which was Hicksville's first movie theatre. Later a bowling alley, and for years, a dr's factory, before its current occupancy by the Wee Care day nursery people. Next door is today's playground for Trinity Lutheran School. Here, for 70 years, stood the fabled Old Nicholai Street School, once housing all public school grades.

A high point of every Gregory Museum tour by Mr. Evers is a visit to what Michelangelo called "the gates of Paradise," the great bronze door replica of Ghiberti's Florentine masterpiece. There are two copies of this superb feat of sculpture and diverse perspective in the United States. One is in a cathedral in San Francisco, the other is in Hicksville, and the museum's outreach tours have brought hundreds of children to see it.

Auto Body Shop Seeking Permit

A public hearing has been scheduled for Tuesday, May 24, by the Oyster Bay Town Board to consider an application for a special use permit for an auto body shop in Hicksville, it was announced this week by Town Councilman Douglas J. Hynes.

"The applicants, Colonial Auto Body Shop and Arthur Moss, are seeking a special use permit to operate an auto body shop in an 'H' industrial district," Hynes

said. "The property is located at northeast corner of the intersection of Burns Avenue and Charles (Keats) Place, also known as 2 Burns Avenue, in Hicksville."

Hynes noted that a public hearing on the application was originally scheduled for August 26, 1986, and was postponed at the applicant's request.

The meeting will be held in the hearing room of Town Hall, East Audrey Avenue, Oyster Bay, beginning at 10 a.m.

Youth Council Has Jobs

Spring has arrived and everyone is preparing their homes and gardens for the warmer weather. Toni Testa, Youth Employment Coordinator at the Hicksville Youth Council, states that this is an excellent time for kids to get jobs around the neighborhood helping residents with spring clean-up and lawnwork. Moms in the Hicksville area are already starting to hire babysitters and mother's helpers for the summer months ahead.

Kids from 14-16 can participate in the Rent-A-Kid program at the Hicksville Youth Council. The Rent-A-Kid program provides much needed jobs and experience for unemployed teens and also provides services for residents in the community. In turn, community members are really helping young people gain experience in the world of work.

For older teens between the ages of 16-21, the Vocational program offers the opportunity to not only find out about jobs in the area, but also gives teens the opportunity to learn necessary job skills such as resume writing and interview techniques. Toni states that spring is the best time to

begin exploring job possibilities for the summer.

The employment program also offers an avenue to the other services offered at the Hicksville Youth Council. Teens that are enrolled in the employment program also are made aware of any leisure time activities, such as baseball games or camping trips that are coming up. Also teens that are having personal problems may at first feel more comfortable coming into the Youth Council for a job rather than for counseling. After speaking to them, Toni has the opportunity to direct them to the Youth Council's therapists for support and counseling.

To apply to either the Rent-A-Kid program or the Vocational program, teens can contact Toni at 822-KIDS or come into the Youth Council at 181 West Old Country Road in Hicksville to make an appointment. The Youth Council is opened Monday-Thursday, 10 a.m.-9 p.m. and Fridays, 10 a.m.-6 p.m. Toni can also assist teens in finding out how to participate in the other programs offered at the Youth Council.

Legion Ceremonies Honor Youth, Police, Firemen

The Charles Wagner Post of the American Legion last week honored Hicksville High School youths, Hicksville volunteer firemen, and Nassau Police at the Post 421 Annual Awards and Ceremonies Night. In addition to honoring these community achievers, the Post presented continuous membership certificates and the 1987 Commander's Outstanding Service Awards to post members. The evening's awards program was preceded by the Post Everlasting Services, a ceremony marking the passing of Legionnaires who died within the year past.

Commander Harry Christo presided at the well attended affair, being joined in the presentations by Nassau County Richard Hochbrueckner, who is post commander of Hicksville's Charles Wagner Post. The Post Everlasting tribute was followed by the formal retirement of the post's national colors and the presentation and posting of new colors by the Post Color Guard.

Charles Wagner Post 421 was pleased to honor two officers from the Nassau Police Department 2nd and 8th precincts for outstanding police work and to present a unit award for fine public services in life saving to Company 5 of the Hicksville Fire Department.

Patrolman Joseph Pavette of the 2nd Police Precinct was given an inscribed plaque for his outstanding initiative in collecting evidence and making an arrest of individuals who were Class B fireworks dealers, in possession of \$52,000 worth of the dangerous explosives, which were of a type which took the life of a young man in Plainview, in 1987. Pavette maintained his own volunteer surveillance of the suspected fireworks dealers. This was an outstanding piece of police work, a deed avoiding many injuries to Long Islanders.

Honored also for off-duty police efforts was Patrolman Nicholas Ewen of the 8th Precinct. Ewen was distinguished by apprehending, while off duty, two burglars trying to break into the theaters at the Broadway Mall. Several weeks later, this dedicated officer stopped a vehicle operated by two wanted persons accused of felony crimes. For his two commendable feats, officer Ewen has just been assigned to the Detectives Division.

In reading the citation which accompanied Hicksville Fire Company 5's unit award, Commander Christo noted that members of this company were prompt in resuscitating an elderly woman who was in a critical state upon their arrival.

The Hicksville American Legion was pleased, also, to have present at the Awards and Ceremonies held in the Knights of Columbus Hall, the winner and runners-up in the Post 421 Oratorical Contest on the topic of the U.S. Constitution, held at the Hicksville High School. Thomas Reilly was the contest winner, speaking on the topic, "Our Constitution, Our Freedom, Our Lives." He was presented with a \$100 U.S. Savings Bond and a Parker pen and pencil set by the Legion's Americanism Officer and school affairs chairman, Richard Evers. Erica Moncaya, a 9th grade student was recognized for taking 2nd place in the

contest, orating on her topic, "Two Constitutions: the U.S. and the Indian Constitution." Erica received a \$75 U.S. Bond and Parker set. The third place orator was Jennifer Livingston, who spoke on "Our Changing Constitution." Her prize was a \$50 U.S. Bond and a Parker pen set. The youngsters were extolled for their ability to take part in numerous school activities and in Tom Reilly's case, carry on an after school job. The girls are members

of the outstanding Hicksville High cross-country track team, Miss Livingston holding numerous Hicksville and Nassau County long distance running records.

Among the Post 421 members receiving "service citations" for their 1987 post activities were: Past Commander Arthur Rutz, Gregory Bennett, Alfred Cinnotti, Wesley Tietjen and Richard Evers. A warm buffet was the fine creation of Past Commander Tietjen.

Officer Nicholas Ewen, 8th Police Precinct was honored for outstanding police work at the recent American Legion Post 421 Awards and Ceremonies Night.

Holding an inscribed plaque awarded to him by the Hicksville American Legion is patrolman Joseph Pavette, 2nd Precinct.

Inspector Anthony Antonucci, Commanding Officer, 2nd Police Precinct is seen with Post 421 Commander Harry Christo and Nassau County Legion Commander Richard Hochbrueckner.

Old comrades, American Legionnaires Past Commanders Tom Nikitas, Arthur Bleisch and Arthur Rutz are reunited at Post 421's Awards and Ceremonies Night, last week.

Erica Moncaya, Hicksville High 9th grader who took second place in the American Legion Oratorical Contest is shown at the Post 421 Awards program at the K of C Hall. Richard Evers oratory contest chairman, left, shares Erica's \$75 Bond award with her parents, Mr. and Mrs. Marcos Moncaya.

Honored by Charles Wagner Post 421 American Legion for their prompt response and resuscitation of an aged woman are Hicksville volunteer firemen of Company 5, Lt. Christopher Moskow, Captain Keith Kopinski and Capt. Carl Schmitzer.

Cutting the Post 421 birthday cake during Awards and Ceremonies Night are Auxiliary President Joan Eises and Post Commander Harry Christo.

Tom Reilly, winner of the American Legion Oratorical Contest on the topic of the U.S. Constitution at the Hicksville High School, is shown with his parents, Mr. and Mrs. Thomas J. Reilly and Post 421 Americanism Officer Richard Evers, right.

John Kerrian of the Charles Wagner Post American Legion posts the new national colors of Post 421 at Awards and Ceremonies Night.

Nassau County American Legion Commander Richard Hochbrueckner extends greetings to a large turn-out at his own Post 421's Awards and Ceremonies Night.

Legionnaire Aldo Vitello receives a 40-Year Continuous Membership Certificate from Vice Commander Gregory Bennett.

John Cicilese is congratulated on his 20 years of continuous membership in Legion Post 421 at last week's ceremonies.

Editor's Notebook

With the warm months about to begin police reports indicate that residential burglaries will increase with windows and doors left open and other security problems.

The following is a list of tips given by Government Employees Insurance Co. on the problem.

The average cost of a residential burglary is \$991. But the loss of your television, stereo and jewelry may be the least of your concerns. Perhaps the most precious thing a burglar can steal is your sense of security in your home.

Try these simple, inexpensive measures to make your home less inviting to an intruder and give you peace of mind.

1. Trim shrubs around your house so the windows and doors are in plain view. A burglar is less likely to risk detection by breaking in through a highly visible door or window.

2. Secure basement windows with locks which can't be opened, even if the glass is broken. Put screens over the windows to deter intruders.

3. Sliding glass doors can be easily forced open. Secure them using Charley bars, pinning or other types of locks.

4. Don't leave ladders or tools lying around the yard. A burglar may use your own tools to break into your house.

5. Keep your garage door locked, particularly if it's attached to the house. An enclosed garage provides the perfect opportunity for an intruder to work out of sight.

6. Make sure your house numbers are in plain view from the street and keep them well lit at night to help police and emergency vehicles find your home when necessary.

Campagne PTA Salutes Teachers

The Charles Campagne PTA is joining thousands of others throughout the nation in celebrating National PTA Teacher Appreciation Week, May 1 to May 7.

The PTA wants to focus national attention on the outstanding contributions teachers make to us individually and as a community. Experts have suggested that the best way to improve education in this country

is to give teachers the status and recognition they deserve as professionals. All of us know of exceptional teachers, which means there is a great deal of good work being done in our schools.

The Charles Campagne PTA is planning special activities during Teacher Appreciation Week and we invite everyone to pay tribute to our public school teachers.

Minutemen Lose 5-4 In Soccer

The Hicksville Minutemen, 1977 "B" traveling soccer team, lost a heartbreaker to the Oyster Bay Bayrunners, in a game that started during a rain and hail storm which thankfully abated as the game progressed at Cantique Park on April 24.

The Bayrunners jumped off to a 1-0 lead, but the Minutemen came right back to tie it 1-1 on a line driver corner kick by sweeper Sean Flanagan, which glanced off one of the Bayrunners' heads into the goal. The Bayrunners then took a 2-1 lead, but the minutemen bounced back to tie it 2-2 on a line drive goal by striker Anthony Noya, from 20 yards out. Oyster Bay then took a 3-2 lead with Hicksville rebounding again on a line drive header by left halfback Brian Rigert off a Sean Flanagan corner kick. The Minutemen then took a 4-3 lead, with about seven minutes to go, on a charge up right wing by Jorge deSilva, whose shot went into the goal mouth, where left wing Daniel dePino completed the play for a goal. The Bayrunners then put on a show of unrelenting offensive pressure, tying the game with three minutes to go and putting in the winner with barely a minute left in the game. Hicksville tried valiantly for a tie, but Oyster Bay held on.

Walter Hoffman, in goal, had no chance on the Bayrunner tallies and turned away numerous shots that were within his reach. Sean Flanagan had a fine game at sweeper; also taking all goal kicks, a majority of the throw-ins, and all corner kicks. Mike Whitman and Greg Walunas had fine games from right and left fullback, respectively. Robin Blicker was a dynamo at stopper, with some exceptional tackling and sure and accurate clearing kicks. Brian Rigert, Tim Dalton and Jason Brown, with assistance from Noya had the benefit of working with two excellent wings, allowing him to show what he really could do from striker, Jorge deSilva and Daniel dePino, playing right and left wing respectively, in their first games as Minutemen, gave Hicksville the best offensive they have had yet.

Congratulations to the Minutemen, who were coached by Al Blicker with Pete Whitman and Bill Dalton, for playing exciting and ever-improving soccer.

Jump-A-Thon At Fork Lane School

On Friday, April 22, the students at Fork Lane participated in a Jump-A-Thon to benefit the American Heart Association. The children obtained sponsors prior to the activity, who will donate money according to how long each child jumped rope.

The boys, girls, teachers, staff and PTA members did a wonderful job. The children enjoyed the activity, as well as everyone else. A big round of applause goes to all the participants for all their hard work.

Teacher Mr. Malorino dancing to the music.

Vanessa France, 3rd grader, working very hard.

Hicksville Beats East Meadow 2-1

The Hicksville Shamrocks 1974 traveling soccer team bested the East Meadow Running Rebels at Tudor Field on April 23 by a 2-1 margin.

The game was notable due to rain, hail and generally muddy playing conditions, as the Shamrocks coasted to a 2-0 lead despite the very physical presence of East Meadow. Running Rebels' lone goal was scored on a penalty shot which was nearly deflected out of the goal but then bounced off the post and into the net. Hicksville goals were scored by Dom Perillo off of a Jason Kingsley corner kick. The other shot was put in by Jason Kingsley on a feed from Chris Koetter. Nice going, guys!

Our outstanding goalkeeper, Ed Jacobsen, had yet another spectacular game, repelling Rebel charges continually. The defense was seldom better as fullbacks Chuck Oliver, Kris Friedrich, Greg Szumowski and sweeper Eric Blicker joined forces to keep East Meadow at bay.

Brian Harkins was a dynamo at stopper, covering the middle with his hustling, gritty style. Center half Matt Pordum, flanked by left halves Dom Perillo, Dave Lovato and Cory Kessler and right halves Kaseem Holman and Chris Koetter, had a very productive

afternoon, despite slippery playing conditions. Left wing Karl Rice, center forward Jason Kingsley and right wings Junior Tomkinson and the aforementioned Koetter combined to continually challenge East Meadow's goal keeper.

Congratulations to the boys for the win and their sportsmanship conduct, and to Coach Herb Pordum for his time and efforts in molding this team.

Robber Takes \$600 From Store

Second Precinct Lieutenant Harry Biffar reports the details of a robbery that occurred at Curtain Country, 377 South Oyster Bay Road on April 18 at 7:45 p.m.
