Memorial Fund Benefits Needy

At a recent meeting, the Joseph F. Lamb Council No. 5723 Knights of Columbus, Plainview, announced the creation of the Arthur M. Crisci Benevolent Memorial Fund. This fund will be used to aid needy brothers of the Lamb Council and their families, who are in dire straits.

The formation of the fund was officially announced at the awards meeting in June, which was attended by many of the members of the Council and their wives, including members of the

Crisci family.

Arthur Crisci was a member of the Council for many years, until his untimely death in April. He was very popular with his fellow Knights and was very active in the affairs of the Council. He served in the office of Chancellor during the last Columbian year. This fund will be a living memorial to him and will serve to illustrate the aims of the Knights of Columbus which are: Charity, Unity, Fraternity and Patriotism.

Youth Council National Night Out

On Tuesday, August 9, the Hicksville Youth Council will again sponsor National Night Out. This nationwide event is held each year to heighten crime prevention awareness, demonstrate the effectiveness of community crime prevention, and send a message to criminals letting them know that our neighborhoods are organized and on the lookout for crime. On this day, the Hicksville community will join forces with communities across America in the fight against crime and participate in a two hour nationwide crime watch.

National Night Out is an opportunity for you and your neighbors to show you care about stopping crime in your neighborhood. Get together with your neighbors, turn on all outside lights and spend two hours, from 8-10 p.m., on your porch or lawn to show criminals that your neighborhood is on the watch for crime. To signify this event tie red ribbons around trees and lampposts. Try to get everyone on

your block to participate in National Night Out 1988. It is imperative that all residents of Hicksville be aware of the importance of crime prevention programs and the positive impact that their participation can have on reducing crime in our community.

The Hicksville Youth Council needs you on August 9. Mark this date on your calendar now. Organize your neighborhood and join the Hicksville community and the rest of America in the fight against crime. Let's show criminals that we are not afraid and determined to make Hicksville safe from crime.

If you would like red ribbons for your neighborhood or any additional information about National Night Out 1988 or other Youth Council programs, please call Beth at 822-KIDS or stop by the Youth Council. We are located at 181 West Old Country Road. The Youth Council is open Monday-Thursday 10 a.m.-9 p.m. and Friday from 10 a.m.-6 p.m.

Gun Shots

At 3 Homes

Det. Anthony Letterer of the 8th squad reports the details of a reckless endangerment in which shots were fired at three separate houses in Old Bethpage on July 16.

Between the hours of 1:30 a.m. and 2:00 a.m. it was reported that three residences, 5 Schoolhouse Rd., 10 Serpentine Ave., and 896 Round Swamp Rd. were shot at for an unknown reason. 6 shots were fired at each house by unknown person or persons. The rounds appeared to be 9mm in caliber.

The Eighth Squad of the Nassau County Police is requesting the public's assistance in this matter.

Plainview Man On Ethics Board

The appointment of John DeLeonardis of Plainview to the Town's Board of Ethics has been approved by the Oyster Bay Town Board, according to Town Councilman John Venditto.

DeLeonardis will fill the vacancy left by P. Vincent Landi, who moved from the Town.

A retired attorney, DeLeonardis did his pre-law studies at New York University and earned an L.L.B. from the New York Law School in 1953. He started in private practice and later served as Chief Law Assistant in the Nassau County District Court for 10 years and as a Deputy Nassau County Attorney in the real estate division for four years.

Yevoli Opposes LILCO Takeover

Withstanding tremendous pressure from the Governor, Assemblyman Lewis J. Yevoli held firm in his opposition to the proposed agreement between New York State and the Long Island Lighting Company that would raise rates a minimum of 63% over the next ten years. The Assemblyman termed the settlement "A bailout of LILCO at the expense of Long Island's rate-payers."

The controversial agreement reached last month by Governor Cuomo and LILCO closes the Shoreham Nuclear Power Plant and passes the plant's outstanding \$3.7 billion debt, and the cost to decontaminate it, onto the ratepayers. Assemblyman Yevoli added,

"We are already paying the third highest utility rates in the country. If this agreement is approved we will be paying the highest rates in the country in a few years."

Assemblyman Yevoli said, "While I applaud the Governor's efforts to close Shoreham, the fact is it can be done without bankrupting Long Islanders." Yevoli's opposition was echoed by many other Long Island lawmakers who also cited the proposed agreement's failure to hold LILCO responsible for Shoreham's huge debt and decontamination costs. Assemblyman Yevoli continued,

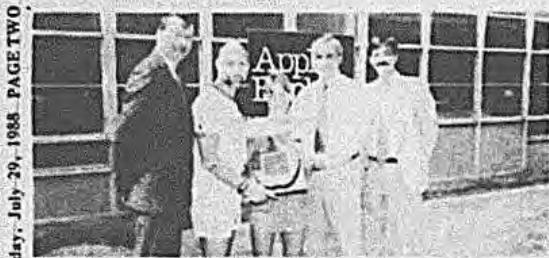

"I think the Governor truly believes this is the best solution to the Shoreham issue; but I and many of my colleagues find parts of the agreement totally unacceptable."

Because of objections raised by Yevoli and other Long Island lawmakers, a key measure the Governor needed to proceed with the agreement never reached the Assembly floor for a vote. Assemblyman Yevoli said, "We apprised the Governor of our position. We want LILCO's stockholders to pay a portion of the \$3.7 billion Shoreham debt, as well as part of the decontamination costs."

Yevoli and his colleagues remained immovable into the wee hours of Saturday morning, July 16, when the legislature finally broke for what may be a four week recess. "We want Shoreham closed as much as Governor Cuomo does. He now has ample time to consider all of the alternatives and renegotiate a more realistic agreement with LILCO," the Assemblyman said. "My position is clear," he added. "LILCO must pay its fair share of the plant's cost, and the rate payers must be protected from exorbitant rate increases - any agreement lacking these provisions is nothing more than nuclear blackmail!"

Oyster Bay Town Supervisor Angelo A. Delligatti, third from left rear, presents a service pin to Salvatore Polit of Plainview for 30 years of service to the Town while Town Councilman Kenneth S. Diamond offers his congratulations. Polit, an employee in the Central Vehicle Maintenance Division of the Department of Public Works was among 65 employees of D.P.W. to receive pins for 20, 25 and 30 years of service. Historical Society Hears FD History

The June meeting of the Historical Society of Bethpage was held on June 15, at the Bethpage Library.

A very interesting program about the history of the Bethpage Fire Department was presented by James Klingelhofer and

James Comerford. Their comments were complimented by many interesting photographs and papers dealing with the 75 years the fire department has been active. We wish to thank these two gentlemen for a very informative program.

The Historical Society of Bethpage will not hold meetings during July and August. The next meeting is September 14, at the library. The first newsletter of the Society will be our September issue.

Elks Testimonial For Past Ruler

A testimonial dinner was given by the members of the Hicksville Elks on June 24, for Past Exalted Ruler Daniel T. Seip for his dedication during the recently completed 1987-88 Elk Year, as Exalted Ruler of the Hicksville Elks.

In addition to the many members of his own Lodge attending were many members from other Elk Lodges throughout Nassau & Suffolk Counties.

Nassau County Executive Tom Gulotta, presented a citation in recognition of Danny's service to the community, not only as an Elk, but in his service over the years to Levittown Fire Department of which he is an Ex-Chief.

Assemblyman Fred Parola presented Danny a tie with an official N.Y. State Emblem design.

Oyster Bay Councilman Tom Clark also presented a Citation and in his comments noted that Danny's father had been a member of the Hempstead Elks and his grandfather a member of Freeport Lodge.

The Hon. Peter T. Affatato, Grand Exalted Ruler of all the Elks in 1986-87 and a charter member of Hicksville Lodge was a featured speaker adding his compliments for a job well done.

Mrs. Ethel Barnet, a past winner of the Mrs. America contest for N.Y. State, accompanied by her husband Marvin on the piano added to the festivities with a beautiful repertoire of vocal numbers.

The affair was held in the Ballroom at Hicksville Elks Lodge with well over 200 in attendance, a prime rib dinner and live music for dancing until after midnight. Danny was overwhelmed by the festivities and expressed his appreciation to all attending and to the committee and volunteers who worked so hard to make the evening one which he would remember for the rest of his life.

Editor's Notebook

The state of children's TV is a disgrace, based on a number of alarming statistics. Consider the following:

• American children view 23 to 27 hours of television a week, according to the A.C. Nielsen Co. By the time today's children reach age 70, they will have spent seven years of their lives watching television. The 15,000 hours they will spend watching television as children far exceeds the 12,000 hours they will spend in school.

• In 1982, the National Institute of Mental Health issued a report on the effects of television on children's behavior. According to that report, television violence contributes to the aggressive behavior of some children.

• A 1988 Harris Poll reveals that American children will view an average of 14,000 sexual references and innuendoes a year; yet, only a handful will allude to sex with responsibility or use of birth control.

• American children see more than 1,000 beer and wine commercials a year. For every clever Partnership for a Drug Free America ad they see ("This is your brain. This is your brain on drugs. Any question?"), they will see 10 to 20 beer and wine commercials.

• The United States is the only Western nation that does not provide at least one hour of age-specific, educational programming for children on any of its national networks.

If adults turned on their television sets Thursday evenings and found that "The Hoover Vacuum Cleaner Show" had replaced "The Cosby Show," there would be an outcry. But American parents have remained silent while Saturday morning television has steadily deteriorated into one long commercial cartoon.

Soap operas and MTV provide a regular diet of sex, drugs and rock'n'roll for older children and teenagers. George Michael's "I Want Your Sex" and Madonna's "Papa Don't Preach" are probably not helping teenagers to "Just Say No" when it comes to sex. The United States has the highest teenage pregnancy rate in the Western world - more than 1 million teenagers become pregnant each year.

In addition, more than 60 percent of high school seniors report trying at least one illicit drug. Those are the highest rates of pregnancy and drug abuse in the history of American society. When a majority of adolescents report that the media are a leading source of information for them about sex and drugs, are the high rates of pregnancy and drug abuse mere coincidence?

No parents would allow a stranger to come into their house and teach their children for four to five hours a day. Yet the television set sitting in the living room is doing just that.

Driver Dead In Car Crash

A 21 year old Hicksville man died in an accident on Old Country Road on July 24. A 1978 Datsun driven by Mark Caranza was in collision at the intersection of Old Country Road and Jerusalem Avenue with a 1975 Ford driven by Michael Haywood, 18, of Massapequa Park. The Haywood car, according to police, was making a left turn on to Old Country Road at the time of the accident.

Mr. Caranza was taken to Nassau County Medical Center where he was pronounced dead.

Mr. Haywood and his passenger, Jean Cortes, were admitted to Central General Hospital in Plainview. Haywood had multiple body trauma and Cortes suffered a broken leg and hip. No charges were filed in the accident.

'Shenandoah' At Bethpage Park

A performance of the musical "Shenandoah" by Plaza Theatrical Productions will highlight the fifth week of "Music Under the Stars" for Bethpage Community Park District residents, according to Town Councilman Kenneth S. Diamond.

The program will be held at the community park on Thursday, August 11, beginning at 8:15 p.m. In the event of rain, the performance will take place in the auditorium of Bethpage High School, Cherry and Stewart Avenues.

"Set against the backdrop of the Civil War, 'Shenandoah' tells the story of the war's effect on the members of one Virginia family," Diamond said. "The show had a long, successful run on Broadway and Plaza Theatrical Productions' version has been playing to enthusiastic audiences throughout Long Island."

Diamond noted that the program is being sponsored by the Cultural and Performing Arts (CAPA) Division of the Town's Department of Community and Youth Services.

You look at a hospital differently when the patient is your child.

Nobody is ever thrilled with the prospect of becoming a hospital patient. Nobody.

And the feeling is even worse when the patient-to-be is not you, but your child.

That's why we go to such great lengths at Winthrop-University Hospital to prepare young patients — and their parents — for the experience. Our belief is that the more you know about what to expect, the less reason you'll have to be apprehensive about a hospital stay.

To this end, we sponsor an ongoing program of educational tours for children — school classes, Scout groups and the like. "Look. There's nothing to be afraid of," is the message we want to communicate.

Once they watch how a cast is applied or see how X-Rays help doctors make people healthy again, a hospital starts to look less mysterious and more, well, hospitable.

Pre-Admission Visit

For those whose hospital trip is more imminent, we offer a pre-admission "teaching session." A nurse will put the patient-to-be, and the parents, at ease by familiarizing them with the facilities and introducing some of the people who will soon be a part of the getting-well process.

Then a videotape featuring Mr. Rogers gently reassures the child about what happens in a hospital. The result is less anxiety, which can lead to a speedier recovery.

Any questions? We'll do our best to explain anything that's on your mind.

Every effort is made on our part to avoid the necessity for remaining in the hospital overnight. Many of the procedures that once required several days recovery can now be completed in the morning with the patient well enough to go home by evening.

Parents May Remain

When this is not possible, arrangements can be made for parents to sleep in the room with the child during the recovery period. We recognize that this can help a child to relax and often satisfies a parent's peace of mind as well.

However, our paramount obligation is to make certain that every patient receives absolutely superior-quality medical care. Here our reputation is among the highest in the country. Every aspect of our

Every effort is made to help parents feel confident about the care and concern that Winthrop offers their child.

pediatric care is overseen by a senior specialist of extraordinary ability and wide professional renown. Our teaching affiliation with SUNY Stony Brook further assures a consistently high level of treatment. And in backup is a full complement of state-of-the-art technological equipment that enhances all these personal and professional skills.

In other words, you're in superb hands at Winthrop and this is what matters most. Hospitalizing a child is never easy but when it becomes necessary, you want to — *you must* — feel totally confident in any decision you make.

As you see, everything we do for our young patients and their parents is done with this in mind.

If you'd like to know more, we'll be glad to send you information on our hospital tours and pediatrics pre-admissions briefings. We'll also include the names of physicians on our pediatrics staff.

Grandparents Visit Kramer Lane

Kramer Lane students invited their grandparents to visit the school and enjoy a tour, special performance, and refreshments with them on June 20.

After the special guests visited their grandchildren's classes, they went to the all-purpose room to enjoy musical performances by the band. Mrs. Hunt's and Mrs. Thomas' second graders dressed in Hawaiian costume, sang and danced to "Do the Rockin' Hula." The PTA provided coffee, cake and juice for grandparents and students.

You will become learned, accomplished men and women. You will emerge as original thinkers, upon whom the advancement of knowledge and society depends.

An Imaginatively-Integrated Education

Today's challenges have already outstripped the ability of vocational and professional education alone, to provide answers and acceptable solutions to problems. Therefore, we at Adelphi University are developing an imaginatively integrated curriculum. A carefully balanced approach. A mix of professional education and the insights drawn from the arts and sciences that will foster the understanding and the decision-making skills that together will prepare you for your future profession intelligently and competently.

An Education for Leadership and for Life

Someone once said, "Universities ought to offer a degree in life." Not a bad idea. It's what we had in mind in our focus on distinctive liberal learning.

For through such liberal learning, you will acquire a powerful capability. A capability to be critical of everything you have learned or ever will learn; a capability without which no one may claim to understand or hope to change the worlds of today and tomorrow; a capability with which Adelphi graduates will become leaders in their professions, successful in their various pursuits, and fulfilled in their personal lives.

Open House
At Nursery School

The Hicksville Nursery School is holding an Open House for Fall registration on Friday, August 5, from 10:30 to 12 p.m. for parents of 2, 2½, 3 and 4 year olds in the school classrooms at W. Cherry Street and Nelson Avenue.

The Hicksville Nursery School is a non-profit, non-sectarian cooperative located in the back of the United Methodist Church. Founded in 1967, it has offered twenty one years of quality education to hundreds of preschool children as well as serving as field training center for student from SUNY Farmingdale, Nassau Community College and Adelphi University.

The school seeks to offer the young child an environment in which he can grow emotionally, socially, intellectually and physically under the careful supervision of a fully trained staff. The program provides varied activities with an abundance of materials and opportunities for free creative expression under the guidance of skilled, N.Y. State Early Childhood certified teachers. Art, media, woodworking, music and rhythmic movement, language arts, storytelling, dramatics, puzzles, doll corner, books and manipulative toys are all part of the daily program. A huge indoor playground permits daily large muscle activity even in the worst weather. A mid-session snack of milk or juice and crackers or fruits and vegetables is provided. Field trips are included to broaden the child's understanding of the world he lives in.

All parents who wish to, can share in the administration of the school. Monthly business meetings give parents the opportunity to make decisions on administrative needs. There are lectures, films, and "rap groups" to help parents learn more about parenting. Fundraising projects are most often social events helping young families meet other adults who are at the same stage in life.

We invite all parents of pre-school children to join us for a chance to play and learn together in our spacious well-equipped rooms. For further information, call 932-9663 or 681-8246.

Think about talking to The Bank of New York about adding an extra room or two.

**We make
a home equity
credit line
affordable at 10.5%.***

Right now we're offering one of the most attractive rates available. Which means that it's now easier than ever to use the current equity in your home to acquire other important things, simply by writing a check.

When you take advantage of EquityLink, you avail yourself of a low Prime-plus-1% interest rate (Prime plus 1.25% for co-ops). For example, we can turn a \$75,000 credit line into 120 manageable monthly interest payments of a minimum of \$64740.** And you don't have to be a regular customer to take advantage of these terms.

That's only the beginning. Our new Lifetime Rate Cap option (Prime plus 1.5%) protects you from rising interest rates for the entire 30-year life of the loan. Which means your rate will never go up more than 6%.

Three Groups For History

As end of the year projects, Mrs. Grady's fifth grade class at Woodland Avenue School was divided into groups and then chose the area of history they wanted to present.

We researched the Early Middle Ages which took place between 400 - 1100 A.D. Our project consisted of subjects such as village life, jobs, transportation, the great rulers, castles, etc. We did a clay model of the castle in the Middle Ages which had a moat surrounding it and a field around the meat. We drew up maps of Europe in the Middle Ages and now, Europe's climate and Charlemagne's Empire.

By Kristin Rooney, Todd McGee, Gary Wood & Lisa Rudis

By Kenny Yee, Michael Belnert, Gina Abarro
We each read and learned a different happening of the Later Middle Ages of Europe and wrote a composition about what we learned. Then we put it all together into one big report. We learned how they lived, traveled, and how different their culture was. Last we drew a big map of Europe for our project and then we presented our report.

By Shabana Master, Maria Gagoules, Thomas Galati
Our project consisted of the Middle Ages to our own time. We made a mural of important people and things in this unit. We also made a banner with facts in puzzle form. On the whole, we learned about new discoveries, happenings, and growth in this time period.

Letters

To the Editor:

It was most heartening to read your story that the Town Board has denied the petition of the Messrs. Brown (Roberts Chevrolet) for a change of zone from D residence to G business which would have permitted 40 more cars in this already congested area. The Town Board is to be commended for this action. Local homeowners and the wonderful Giese Civic Association had presented a strong case against the further infringement of this car dealership into a lovely residential block.

These last years we have witnessed a virtual explosion of business development in Hicksville. Albeit Hicksville has always been a mecca for businesses, but balance was sought so that the peace and tranquility of local citizens was kept in mind. At this point in time we have multitudes of cars, and people moving in and out and through our community, who feel no responsibility for its appearance or tranquility. (Accolades to the few gas stations or what have you who have had the audacity to plant flowers on their property.)

I wish I could fathom why in view of this acceleration of business our taxes continue to escalate also. The quality of life has been diminished but the returns are not in evidence except for the barrenness and ugliness of the land.

Another important question. Why did Tom Clark (and one other Councilman) abstain in this important matter. The down-zoning of precious residential property, and what little open land remains, is a matter of utmost concern. Perhaps he could let us know his reasoning in this situation.

But again, thanks to the Town Board and the local homeowners who spent so much time and effort in a matter that will benefit all homeowners in Hicksville.

Sincerely,

Joan Jones
To The Editor:
The Board of Water Commissioners wishes to express their condolences to the family of Stanford Weiss who expired on July 12.

He served as Commissioner of the Hicksville Water District for twelve years.

During his term of office Hicksville Water District's residential homes and commercial buildings grew. The District increased their facilities to serve all its customers adequately.

During his term of office the District built its first Water Treatment Plant at Bethpage Road; to improve the quality of water. This was constructed without the necessity of borrowing money by Bond Issues.

Mr. Weiss was active in the Long Island Water Conference and the American Water Works Association. He gave his personal time attending many workshops conducted by the Long Island Water Conference.

The Board of Commissioners expresses their regret at the untimely passing of their former Commissioner by Resolution at the meeting of July 21, a copy of this Resolution attested and inscribed with the Seal of the District was sent to his immediate family.

Olympic Marathoner Wins Bank Champ Run

Cathy O'Brien of Boston, who will be representing the United States in the Olympic Marathon in Seoul this fall, showed she can handle the shorter distances as well, as she led all the way to a convincing victory in the Apple Bank Long Island Summer 5 Kilometer Women's Championship Run in Jericho on July 16. O'Brien's time of 16 minutes, 14 seconds was only two seconds shy of the course (and Long Island) record of 16:12 set by fellow Olympian Michelle Bush in 1985.

Gillian Beschloss of New York City took 2nd place in 16:52, leading the Warren Street Social and Athletic Club to victory in the team competition. Doreen Ennis Schwarz of Bloomfield, New Jersey, who won the race in 1984, took 3rd place this year in 17:00. Barbara Gubbins of Setauket, the first Long Island finisher, took 4th place in 17:22, and Masters Champion Angela Hearn of New York City was 5th in 17:42. Nearly 300 women finished overall, including 92 year old Lena Zalis of Plainview. There were 19 finishers under 19 minutes, and 29 finishers under 20 minutes, in one of the strongest women's fields ever to race on Long Island.

The race was sponsored by Apple Bank, and conducted under the auspices of the Plainview-Old Bethpage Road Runners Club and its race director Barry Saltsberg, with technical assistance from David Katz of Finish Line Promotions.
