Town Approves Deli Location

A request for a special use permit in Hicksville has been approved subject to a number of restrictive covenants by the Oyster Bay Town Board, according to Town Councilman Thomas L. Clark.

"The applicant, Giovanni Riccardi, was seeking the special use permit to maintain a grocery store/delicatessen in an 'H' industrial district," Clark stated. "Pursuant to a public hearing held on March 29, 1988, the Board has approved the application on the property, which is located on the east side of Bloomingdale Road, north of Carter Lane in Hicksville."

In granting the permit, the Board stipulated that the hours of operation would be limited to between 6:30 a.m. and 10:30 p.m. Gasoline pumps currently on the property must be removed so the premises cannot be used as a gas

station.

With regard to lighting, it must be directed only at the subject property with no spill over onto adjacent properties. The Board also required that garbage, waste and refuse be kept in a closed container enclosed on three sides and screened from view. The exterior of all buildings, the parking area and the surrounding property is to be maintained in neat and good repair, and adequate drainage must be provided.

Clark noted that no certificate of occupancy will be issued until a site plan has been submitted to, and approved by, the Town Board. The plan must show all access and egress; the location, layout and striping of the parking area, drainage, the location of dumpster(s); landscaping; and the location of all signs and exterior lighting.

Auto Body Repair Shop Gets Town Bd. Approval

The Oyster Bay Town Board has approved a special use permit for an auto body shop in Hicksville, according to Town Councilwoman Ann R. Ocker.

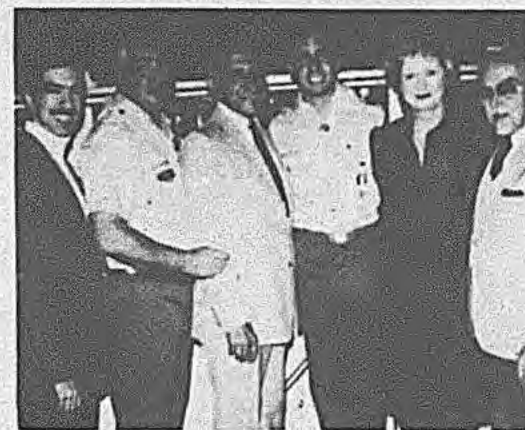

"The applicants, Colonial Auto Body, Inc., and Arthur Moss, were seeking the special use permit to operate an auto body repair shop in an 'H' industrial district located at the northeast corner of the intersection of Burns Avenue and Charles (Keats) Place, also known as 2 Burns Avenue, in Hicksville," Ocker said. "In granting the permit, the Board placed 14 restrictive covenants on the property."

The Town Board has limited the hours of operation to between 8:30 a.m., and 5:30 p.m., Monday through Saturday.

The Board also stipulated that no repair work can be performed outdoors, no sales or rental of vehicles can be conducted on the property and that no gas or other type of fuel can be dispensed. All auto parts and vehicles must be stored inside, and garbage and rubbish must be kept in suitable containers.

With regard to noise and fumes, Ocker said the Board has mandated that no noise or odors can emanate from the building. Filters and similar equipment must be installed and properly maintained to protect the surrounding area from noise, dust, dirt and odors.

The Councilwoman noted that no building permit or certificate of occupancy will be issued until a site plan has been submitted to, and approved by, the Town's Department of Planning and Development. The plan must show the size and location of all signs and lighting, location of parking spaces, access and egress, and landscaping.

Full House For C. Of C. Installation

1988's Hicksville Chamber of Commerce Installation Dinner at Antuns, this past Thursday brought out a large number of members and friends. Membership is on a strong upturn and the growth was reflected in the many present to see Marcos Ramirez installed as Chamber President for a third term.

Among the guests of honor were Nassau County Executive Thomas Gulotta, Oyster Bay Town Supervisor Angelo Delligatti, who installed the new Chamber officers, and Town Councilman Thomas Clark. Pastor Dr. Theodore Grant of Redeemer Lutheran Church rendered the Prayer of Invocation.

Master of Ceremonies for the affair was Don LeCompte, proprietor of Antun's Restaurant, who kept a full program and fine dinner moving along. Dancing was provided by The Summer Breeze Trio, and comedian Dale Grant provided plenty of laughs before the Viennese Table was rolled in. A cocktail hour preceded the evening's festivities.

The newly installed Chamber of Commerce officers include: Ivan Czipott, Vice President; Judith Lombardi, Secretary; and Milton Hirschfeld, Treasurer.

Don LeCompte of Antun's handled the M.C.'s job with assurance.

The new Chamber of Commerce Treasurer and his lady, Mr. and Mrs. Milton Hirschfeld.

Ivan and Mrs. Czipott pause for the cameraman: Ivan pioneered the redevelopment of West Broadway.

Party's over but the fun still lights faces: Mr. and Mrs. Peter Kenny, the florists, and Joe and Mrs. Gentile.

Photographer Dick Evers of the Hicksville Community Council gets in the act with old Bicentennial friends, Millie Marotti and Tony Previte.

Comedian Dale Grant kept the dinner guests in stitches with his routine and sallies.

Councilman Tom and Corinne Clark, left, with Carol Wolf of the Board of Education (sorry, Carol).

From The Poet's Pen

By Jim Cooley
I Miss You Every Day
 I miss you every evening when
 the sun goes down
 And in the quiet morning when
 no one comes around.
 For the eight years that I served
 you
 In hopes I'd help you through.
 I guess my dear you understood
 and I know you really knew.
 There was no hope
 To ease your pain
 Nor help around
 And it broke my heart to say
 good bye
 When they placed you
 under ground.

Bethpage Girls' Soccer Excels

The Bethpage High School Girls' Varsity Soccer team has a good head start on a successful 1988 season, having won its first two games. The team defeated Roslyn, 5-0, and Wantagh, 2-0, and is heading towards Mineola in hopes of gaining its third straight win.

Standout players this season are freshman Kelly Paulsen, who has scored a goal in each game, and sophomore Debbie Johnson, who has had four assists.

Girls' Soccer is gaining in popularity in Bethpage, and the squad is now 26 strong.

This evening will also provide an opportunity to join the Middle School PTSA. Membership tables will be set up to make it more

convenient for anyone who wishes to sign up.

At 7 p.m. there will be a general PTSA meeting in the auditorium, where the 1988-89 PTSA Budget will be presented and voted upon. Parents will then proceed to the classrooms at 7:30 p.m.

Please mark the date on your calendar and plan to attend. The Middle School looks forward to meeting you at Open House on Thursday, October 6.

Once again, the Hicksville Kiwanis Club will have an assortment of Giant Story Coloring Books available for the enjoyment of young and old. The books measure 17 inches by 22 inches and contain 40 pages of high quality paper suitable for watercolors, felt-tipped pens or crayons. Each of the seven Giant Story Coloring Books contains an informative, educational story, and will be sold by the Kiwanis Club in a fund-raising project to raise money to finance the Kiwanis Foundation benevolences. As a bonus, each Giant Story Coloring Book will include a colorful iron-on T-shirt transfer depicting the book's main theme or character.

The Hicksville Kiwanis Club will select the most advantageous means of making these coloring books available, possibly in banks and other businesses in Hicksville. The books are not available as a retail store item, but only through Hicksville Kiwanis outlets. The actual places will be publicized in the near future.

Shown in the photo with two of the books which will be available shortly, and to demonstrate visually how big these books really are, are on the left, Incoming Kiwanis President Tony Citrola alongside of the previous all-time champion Giant Story Coloring Book salesman Kiwanian, Gottlieb Arthofer. Pledge Stirrs Republican Club

In the first meeting after the summer recess, Bethpage Republican Club Executive leader, George Yochmann, pounded Michael Dukakis' vetoing of a Massachusetts State bill requiring teachers to lead their classes in the Pledge of Allegiance. The standing room only crowd that filled the American Legion Hall were quick to endorse Mr. Yochmann's assessment of the Democratic presidential candidate and a CBS-New York Times poll backed up his statements.

The poll, taken September 9-11, concluded that 70 percent of the individuals questioned disagreed with Michael Dukakis. They firmly believe that, in the classroom, the teacher should lead the children in the Pledge of Allegiance. Additionally, in a nationwide Gallup Poll, almost one-third of all registered voters surveyed said they had a less favorable opinion of Dukakis because of the way he has handled the "pledge issue."

"George Bush", Mr. Yochmann said, "is the person we must work hard to elect as our next president so that we can continue the programs started by President Reagan. Seven years ago big companies were closing, there were gas lines and the country's moral was low with double digit inflation and high unemployment. But all of that has changed - our country has attained its respect back."

Mr. Yochmann thanked everyone who contributed to this fall's fund raising drive and to those who helped with the Club's Journal which will be issued in time for the Harvest Moon ball to be held on October 21.

Club President, Kevin Gallo-way, introduced Lenny Kunzig who is chairman of this year's Harvest Moon Ball. Mr. Kunzig told the membership that the dance was the organizations principal fund-raising event and at \$10 per ticket, it was a bargain. There will be music provided by a DJ and plenty of food. It will give the members a chance to meet the candidates and it will also provide the candidates with a forum. Lenny advised that the tickets will be mailed to the membership very soon.

At the end of the meeting, George Yochmann took a few moments to thank Tom McCarthy, who recently retired, for the many years of service to the club as a Committeeman and, more recently, as its Vice President.

**THE
BANK OF
NEW
YORK**

We're about to give you another good reason to do all your banking with us. Saturday.

Unfortunately, your banking needs don't always automatically end at the end of your workweek. Which is why The Bank of New York has just recently extended its own workweek.

In fact, we have more branches open on Saturday than any other bank on Long Island.

Full-service banking on Saturdays.

But what makes Saturday banking at The Bank of New York even better is the fact that, unlike many other banks, we're offering all of our services during these extended hours. Giving anyone who works Monday through Friday more time to take care of the things that take a little more time—like opening a checking account or taking out a loan.

More hours in which to get a 60 minute loan.™

Of course, when it comes right down to it, you won't need to set aside much time at all for a personal, auto, boat or home improvement loan. Because, with our new 60 Minute Loan,™ in most cases you'll get an answer in 60 minutes or less.

Just visit The 60 Minute Loan Center™ at any one of our convenient branches. Or call Action Phone at 1-800-942-1784, for more information or to apply for a loan.

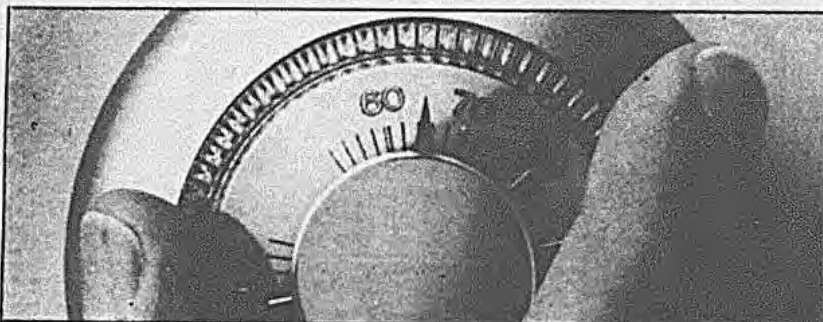

More branches, more hours, and more services. They add up to some very good reasons to talk to The Bank of New York. No matter what day you do your banking.

Editor's Notebook

... "The prescription for a happy marriage calls for a large dose of common sense and realism in addition to romance," says Herman Oliver, M.D., director of Outpatient Services at Hillside Hospital, the psychiatric division of Long Island Jewish Medical Center.

Dr. Oliver offers ten tips as a guide towards better relationships:

- Solve problems before the wedding. Getting married is not the way to work out life's difficulties.

- Happiness doesn't mean that there will be no disagreements. Differences of opinion - and sometimes arguments - are a normal part of human interaction.

- A good sex life is only one component of marriage. But when sexual difficulties exist, they can affect other aspects of the marriage and professional help is advisable.

- Expecting marriage to change or "improve" a partner is unrealistic. Personalities are usually well-established before the wedding date and serious shortcomings are not easily reversed.

- Praise is one of the best ways to say "I love you." Positive feedback and appreciation strengthen the bonds between people.

- Having children is not the way to put a troubled marriage back on track. Instead, children can become victims and even be perceived as aggravating dissent in an unhappy household.

- Talk it over. Too often, as the years go by, spouses think they can read each other's minds. But it is impossible to accurately interpret another's actions or body language, no matter how intimate two people are.

- Togetherness can be overdone. Each member of a successful family unit should maintain individuality and personal interests in addition to those that are shared.

- Total honesty can inflict wounds that don't easily heal. Sensitivity and restraint are often the more constructive approaches to problems. Rarely is one partner all right or all wrong.

- Giving is good, self-sacrifice is not. The successful family recognizes both individual and shared needs.

We wonder whether any of our smart readers can offer the good doctor other tips, based on their own life experiences, for a happy marriage!

Free Junk Mail To Be Recycled

In an effort to expand the variety of recyclables presently being removed from the waste stream, the Oyster Bay Town Supervisor's Recycling Committee, in conjunction with the Division of Environmental Control has decided to add "junk mail" to the materials currently included in the S.O.R.T. recycling program, according to Town Councilman Douglas J. Hynes.

"In our prolific society, the amount of unsolicited mail to reach consumers has increased dramatically over the past decade," said Hynes. "Therefore, it has been determined that a substantial portion of our waste can be categorized as 'junk mail.' Some estimates indicate that 'junk mail' is as high as three to four percent of our Town's waste stream."

program will begin recycling "junk mail." Residents in this area will soon be receiving information leaflets announcing further details. As with the implementation of the Town-wide S.O.R.T. program, once the mechanics of the "junk mail" collection are refined, the Town will consider its expansion to all recycling areas.

The most convenient way to prepare "junk mail" for recycling is to place envelopes, letters, advertisements, leaflets, flyers, pamphlets, etc. in with newspapers and securely tie and bundle them for collection on recycling day. "As an alternative, 'junk mail' which has been bundled and tied will be accepted in brown paper grocery shopping bags," Hynes commented.

Magazines, and materials using high gloss, multi-colored magazine type paper, should not be included, and are not considered 'junk mail'.

Beginning in October, an initial group of residents currently participating in the S.O.R.T.

Jr. Honor Society Goes To Boston

Jr. Honor Society goes to Boston.

At the end of the last school year, the National Junior Honor Society from John F. Kennedy Junior High School in Bethpage toured Boston, Massachusetts. With help from a Parker Tours escort, the group visited the New England Aquarium, the Old North Church, Quincy Market, Faneuil Hall, the USS Constitution, the Boston Tea Party ships, and the Kennedy Library. They also enjoyed a two hour boat cruise of Boston Harbor.

They were accompanied by Ms. Goldberg, Honor Society Advisor, Mrs. Zuk, Mrs. Stein, and Mr. Spinella. The annual Honor Society trip is something the society looks forward to each year and a great benefit of being a member of his prestigious organization.

Sophomores Attend Scholar Program

Bethpage High School sophomores Craig Tellalian and Lauren Arcuri spent one week last summer participating in Lebanon Valley College's Youth Scholar Program in Psychobiology. The students, who were invited to the program based on the recommendation of their ninth grade Biology teacher, lived on the college's Pennsylvania campus and attended classes, seminars, tours, and laboratory classes with other select students from all over the Middle Atlantic states and New England.

Their neurobiology studies included a microbiology lecture and tour at the Hershey Medical Center, an examination of sheep and cow brains, and the opportunity to perform brain surgery on laboratory rats. In their first surgical procedure, Craig and Lauren implanted electrodes in rats' cortexes and determined how stimulation by electrode influenced the rat's behavior. In a second surgical procedure, cannulas into which different liquid substances were introduced were implanted into the rats' brains. The effect of these different substances on rats' behavior was studied.

Craig and Lauren enjoyed the summer program, both for its educational content as well as for the opportunity to meet students from other parts of the country. Lauren said it helped her clarify her future goal to pursue a career in psychology or neuroscience. Craig, who is interested in a number of careers, including medicine, enjoyed learning more about this challenging, interesting field.

Homecoming Fun Includes Carnival

Two week ago, Bethpage High School students ended their summer vacations and started their 1988/89 school year studies. The Student Council hopes to show, however, that the end of summer leads to a fall of fun. To start the year off right, the Principal's Cabinet/Student Council is holding its first Carnival and Flea Market on Homecoming Day, September 24, from 12 to 4:30 p.m.

The Carnival will take place during the Eagles' first home football game on the high school grounds grass field near the old parking lot and paddleball wall. The public is invited for the low admission fee of \$1 per adult and 50 cents per child twelve and under. There will be game booths, food booths, and professional vendors from the Roosevelt Raceway Flea Market.

Game prizes, such as Bethpage Eagle keychains, will all bear the Bethpage logo. Prizes can be earned by playing popular skill games such as a basketball throw, which will be sponsored by the Political Activities Club. Prizes were financed by a series of six summer car washes. Proceeds from the Carnival will be used to finance upcoming Council events. Flea Market vendors will have something for everyone, such as costume jewelry, precious gems, children's clothing, and sweats. PTA's Dad's Club, and Women's Club will also run booths during the Carnival.

The goal of the Carnival, as well as future Student Council events, is to draw the Bethpage community closer by forging lines of communication between students, faculty, community organizations, and the general public. Hopefully, the 1988 Homecoming Carnival will begin a successful year for the Student Council, the community and the Golden Eagles football team.

Senior Designated Merit Semifinalist

Russell Singer, National Merit Semifinalist.

Russell Singer, a senior at Bethpage High School, has been selected as one of 15,000 semifinalists in the 1989 competition for National Merit Scholarships. Semifinalists comprise less than one-half of one percent of each state's senior class, they entered the 1989 competition for some 6,000 Merit Scholarships worth about \$23 million by taking the PSAT/NMSQT in their junior year.

To advance to the finalist level of the competition, students must have outstanding academic records throughout secondary school, be endorsed and recommended by their schools, confirm their qualifying performance on a second test, and complete an application including detailed information about their scholastic and extracurricular accomplishments. Finalists who are judged to have the strongest records of attainment will be awarded scholarships. Several types of merit scholarships are awarded. 1,800 awards are prorated on a state representational basis in relation to each state's percentage of the U.S. high school senior class. An additional 1,400 scholarships are underwritten by corporations, foundations and business organizations for finalists who meet their preferential criteria. 2,800 merit scholarships are funded by colleges and universities for finalists attending these sponsor institutions.

Russell Singer, Bethpage High School's semifinalist, has distinguished himself both academically and socially during his high school years. During his career, he has received the Rensselaer Polytechnic Institute Award as the outstanding junior science student, the ninth grade Biology Award, tenth grade Chemistry Award, and has twice received first honors in Spanish at the Iona Foreign Language Competition. Last year he was accepted by Cooper Union to begin his college career in Engineering one year early, skipping his senior year in high school. Russell, who hopes to attend Columbia University this fall as an Engineering major, decided to graduate with the Class of '89 instead.

Last summer, Russell was invited to attend Boys' State on

the basis of his outstanding civic essay. This experience, during which he attended mock legislative sessions and passed bills into state law, taught him a great deal about the workings of government and the importance of working well with others. This year in school Russell is putting that knowledge to work in his extracurricular activities, as President of the Principal's Cabinet and Co-Editor of the "Eagle's Cry." This weekend Russell will be running the first Homecoming Carnival during the Eagles' first home football game. He also participates in the Spanish Club and National Honor Society.

Russell lives in Plainview with his mother and father, both business executives, and an older brother who is presently attending SUNY at Albany.

Hicksville Defeats East Meadow 3-2

The Hicksville Warriors (formerly Shamrocks) 1974 traveling soccer team, ran their L.I. Junior Soccer League record to two wins, no losses, with a thrilling 3-2 victory over the East Meadow Runnin' Rebels, at Cantiague Park, on September 18, while playing with 11 "ironmen" against a team that had 17 players.

The Warriors were led by the play of Chris Koetter in goal, who turned away numerous Rebel shots and fed his offense perfect punts. Eric Blicher, at sweeper, quarterbacked the Warriors defense, exhibiting aggressive tackling, strong clearing passes, and booming, on target goal kicks. Kris Friedrich and Chuck Oliver, at fullback, handled everything that came their way, and constantly worked at drawing East Meadow offside. Brian Harkins, at stopper, was a hustling dynamo whose game featured accurate tackling and passing, as well as perfect throw ups, including the one that set up the game winner.

The Rebels took an early 1-0 lead, which ignited the Warriors, who then took over the game, scoring three unanswered goals, before the Rebels put in the game's final tally. Jason Kingsley, at striker, put in the first Warrior goal on a direct, as he caught East Meadow completely off guard, via quick kick, before they could set up, after he was dragged down on a breakaway. His play, throughout the game, kept constant pressure on the Rebel defense. Matt Pordum, playing inside at halfback, had a fine offensive and defensive game. He gave the Warriors a 2-1 halftime lead, converting a pass from center half Chris Doyle into a goal. The second half featured great, end-to-end soccer, with Hicksville always taking control at the key moments. Doyle, who had a strong game in both offensive and defensive zones, put in the game winner at the 77 minute mark, off a perfect throw in by Harkins. With one minute to go, the Rebels converted a corner kick for their second goal, but the Warriors again took control, running out the clock on an offensive charge.

Kareem Holman, at left inside halfback, had his most productive game as a Warrior, with excellent defensive play and strong offensive pressure. David Lovato, at right outside halfback, led numerous charges upfield, and dropped back to play excellent defense. Karl Rice at left outside halfback, was a defensive force and contributed strong offensive work.

Congratulations to the Warriors for playing 80 minutes of winning, exciting soccer, with 11 men, as well as to Assistant Coach Pat Harkins, Jr., who ran the team and Al Blicher, who assisted. Speedy get well wishes from the team to Coach Pat McHugh and centerhalf Dom Penillo!

Pioneers Defeat Roadrunners

By Jay N. Schwartz

The 1977 Pioneers took on the HBC Roadrunners on September 10. The play began slowly as both teams struggled for control. Peter Titone in goal made four saves during the half. Tim Dalton, David Nelsen, Richard Isley, and Joey Matz did a great job of clearing and moving the ball forward. The midfield was dominated by Russell Brosseau, Sean Flanagan, Jonathan Schwartz, and Joey Florio. Near the end of the first half, the first goal was scored by Danny Wolchok. It was a pop over the goalie's head, fed by Jonathan Schwartz to Joey Florio, who passed it up beautifully on the right side. Later on, Danny Wolchok passed a slider to Phillip Caputo but it was caught. Also, Sean Flanagan passed to Tommy Coffey but it was tackled away near the box.

The forwards worked nary in the second half. Richard Werchenski, Ricky Ladimir, Danny Wolchok, Tommy Coffey, and Phillip Caputo worked the ball well. The defense was alert but early in the second half they lost the moment. They could not clear the ball and the tying goal was scored. Ricky Ladimir made five saves this period, and only let this one in. The game was still even, when Hicksville had a burst of power and three goals were scored in succession. Richard Werchenski sailed one in from the left side as the goalie was left alone. Phillip Caputo put one in on a pass from Danny Wolchok. Finally Peter Titone had a breakaway on a pass from Jonathan Schwartz and put the ball in the left corner. Total score, 4-1 as HBC had only one save the second period.

TOB Receives \$25,000 Grant

Oyster Bay Town Supervisor Angelo A. Delligatti praised the efforts of New State Senator Ralph Marino in obtaining a \$25,000 legislative grant which will enable the Town to expand their on-going water conservation program.

"This 100% state-funded program will be used to implement a public education program, distribute additional informational material regarding good water conservation practices and allow the Town to purchase water conservation devices for distribution to all residents," said Delligatti.

The water conservation kits include toilet water saving devices and shower head restrictors and will be distributed with an informative pamphlet outlining simple measures each homeowner can employ to save water both indoors and outdoors.

Delligatti stressed that edu-

cation is key to resident participation. "Part of this grant will be used develop a multi-media presentation which the Town will offer to public schools and adult groups so that they better understand the need to practice effective conservation techniques," he said.

Supervisor Delligatti noted that recognition at the state level of the Town's efforts was rewarding and encouraging. "All levels of government should be cognizant that on Long Island we obtain our potable water from a single source, underground aquifers. Although a water shortage does not currently exist, we must prepare for our future needs by curbing some of our past practices. This can be done with minimal change in our lifestyle."

"Senator Marino understands and supports our goals and we are very appreciative of his help in this effort," concluded Delligatti.

CPR Offered At Adult Ed.

Bethpage Public Schools Adult Education Program will be offering CPR beginning October 13, and First Aid beginning October 17.

Pioneers Shutout Valley Stream

By Jay N. Schwartz

The 1977 Hicksville Pioneers defeated the Valley Stream Cougars on September 17, in a rough and tumble physical game. The Cougars were playing too dangerously and their high elbows and late kicks made the Pioneers and their parents hot under the collars. The game was played hard and fast but neither team could capitalize on their plays. Joey Matz had some great sweeper plays to clear the ball in front of the goal and goalkeeper Jonathan Schwartz made three saves in the first half.

Early in the second half, the Pioneers finally scored to pay back the dirty plays they had been subjected to. Jonathan Schwartz sent the ball skimming down the left sideline where Richard Werchenski was waiting. Richie passed the ball to Tommy Coffey and Tommy pushed it up to Danny Wolchok. Danny worked the ball through the middle and crossed over to the right side of the goal. He turned and shot the ball to the upper left corner as the defense was looking.

Greg Latini made two saves. The forwards, Ricky Ladimir, Tommy Coffey, Richard Werchenski, Peter Titone, and Phil Caputo tried to make the next goal, but were kept from scoring. The defense of Tim Dalton, David Nelsen, Richard Isley, and Joey Matz were bumped and jarred in the backfield by the Cougar players. The midfielders with Sean Flanagan, Russell Brousseau, Danny Wolchok, Joey Florio, and Jonathan Schwartz, were all kept busy fighting off other players as they controlled the ball.

The Pioneers deserve a lot of credit for keeping their heads and playing a fair game.
