Billy Joel Guest Appearance

by Linda Carpenter

The Hicksville High School Music Dept. held their Spring Concert on Tuesday, May 23, as a tribute to two beloved music teachers, Mr. Charles Arnold and Mr. Thomas Buttice, who are retiring after many years of service.

Before the last performance, as a great surprise to all, in walked the infamous Billy Joel, former student of Hicksville High. He spoke in further tribute of the two teachers he remembered well and of his dubious capers in high school. The chorus could hardly contain themselves as he was just about five feet away from some of them. As they sang their last song in the darkness of the auditorium Billy slipped away as if in a dream.

Still Time For HBA Dance

There is still time to obtain tickets for HBA's Annual Honor the Sponsor Spring Dance scheduled for Saturday, June 3 at Levittown Hall from 8:30 p.m. to 1:30 a.m.

Tickets are \$40. per couple, \$20. single. Dress is casual. A hot buffet including beverages (soda, beer, wine) will be available.

For more information or tickets call Jenny Anderson at 681-6957.

Arrests Made For Graffiti

The five people arrested in Bellmore on May 8, for graffiti writing have been named as the same group of vandals who have been defacing the walls of schools and businesses in Hicksville.

During the evening of May 8, Bellmore police apprehended Kenneth Coumou, John Hinckley, Neil Goldfarb, Peter Savlas, and Deborah Warshawsky for vandalizing building facades in the shopping area. The Hicksville School District had these same youths under surveillance for their possible involvement in the same activity in Hicksville. Comparisons of the graffiti committed in Bellmore with those found throughout Hicksville convinced police that the same parties are responsible.

Officials of the school district have reported that they will press charges against the five to recover the amount of damage done through graffiti to the school buildings.

The theme of the Hicksville Memorial Day Parade is "To the Lasting Memory of the MIA's, the POWs, and the brave men and women who made the supreme sacrifice to preserve the Blessings of Liberty." In the photo above, Conrad Steers, Past Commander of the Hicksville Veterans of Foreign Wars presents two POW/MIA flags to Hicksville School Board President JoAnn Miltenberg and Trustees Carole Wolf, third from left, and Mark Cardella, far right. The flags are to fly in tandem with the American flag over the middle and senior high school buildings.

Memorial Day Poetry Tribute

A Warrior's Return

Dedicated to the men who left their country to fight for its rights as a free Nation under God, and to them that are returning now for their final resting place. "Sit tibi terra levis" (May the Earth lie lightly upon thee).
Wave not the Flag nor beat the drum

No cheers to fill their ears,
Awaken not from slumber deep,
Those who wept the last of tears.

The laughter of their voice no more

Shall ring with gladness gay,
For in this World where peace now reigns

They brought them home to stay.

They did not see the morning Sun
Come up from yonder hill,
As in the cars that moved along

They lay so cold and still.
The train grinds softly to a stop
Then slowly moves away.
Our Nation pays it's Homage to
A Serviceman to-day.

Memorial Day Parades, Observances Held Locally

Special to Littmor Publications

By Maureen Traxler

This weekend, in communities across the nation, Memorial Day, or Decoration Day, will be marked by parades and observances honoring the men and women who gave their lives in the service of their country.

Memorial Day dates back to post Civil War years. Several communities claimed the beginning of the holiday, and in 1966, the United States government declared Waterloo, New York, the birthplace of Memorial Day. The people of Waterloo observed Memorial Day on May 5, 1866 to honor the soldiers who died in the Civil War. In 1868, Major General John A. Logan, Commander of the Grand Army of the Republic, named May 30, as a special day for honoring the graves of the Union soldiers.

Today's observances, celebrated in most of the states with the exception of several southern states, also honor deceased military personnel of the Spanish-American War, World War I, World War II, and the Korean and Vietnam Wars. Beginning in 1971, the date of observance became the last Monday in May.

Since the end of World War I, Memorial Day has also been "poppy day." The sale of small, paper poppies was to benefit disabled veterans.

In the local area parades, residents from a variety of organizations will be in the line of march, including veterans groups, fire departments, scouts, school marching bands, CYO, 4 H, sports teams, senior citizens, women's clubs and mounted police units. This year's observances shape up as follows:

In Hicksville, the annual parade and ceremonies will be hosted by the Gieir-Levitt Post 655 of the Jewish War Veterans. The parade will kick off at 9 a.m. on Monday, May 29, from the Sears parking lot, and proceed south on Broadway, west on Old Country Road, and south on Jerusalem Avenue to the War Monuments on the Hicksville Middle School property. Ceremonies will take place following the parade. This year's principal speaker is Gen. Bernard Saul, U.S. Air Force (Ret.).

The William M. Grouse Jr. Post 3211 and the Ladies Auxiliary will be selling poppies along the parade route; proceeds will go to help veterans who have been hospitalized.

At the last regular meeting of the VFW Post 3211, Christine Levoy of Centerreach was selected as the 1989 Poppy Queen. Seven-year-old Christine is the granddaughter of post member Raymond Guilfoyle, and her proud parents are Gary and Christie Levoy. She will be participating in the parade on the 29th. Post 3211 will also distribute some 200 flags along the parade route.

The American Legion Post #175 will host the annual Syosset Memorial Day Parade on Monday, May 29. The marchers will form between 9 and 9:30 a.m., on Humphrey Drive at the Variety Pre-Schoolers Workshop. Step off is at 10 a.m. and the parade will proceed east on Dawes Avenue, north on Jackson Avenue, west on Muttontown Road, south on Queens Street, east on Underhill Road to the Veterans Monuments. Ceremonies will be conducted at 12 noon.

Plainview American Legion Post 1812 and the Irish American Club will place wreaths and conduct services at the Washington Park Monument Site on Friday, May 26, at 7 p.m. Plainview's parade participants will assemble between 9 and 9:30 a.m. at the Old A&P Shopping Center on Old Country Road (the present site of the new Medical Arts Building). The parade will proceed east along Old Country Road, north on Manetto Hill Road, east on Washington Avenue and will end at the Plainview/Old Bethpage Park. The parade will stop briefly at Central Island Nursing Home, so that the bands can play for the veterans and residents there.

In Bethpage, assemblage of marchers takes place at 9:30 along Central Avenue, the lower part of Broadway and the parking fields south of the railroad tracks. The parade begins at 10 a.m. sharp and proceeds north on Broadway to Benkert Street, west on Benkert to Stewart Avenue, north on Stewart to the Community Park. Memorial services will be held at the monument at 11 a.m. The parade is under the direction of the Bethpage Memorial Committee which consists of the American Legion, the VFW and its Auxiliary and the Bethpage Fire Department and its Auxiliary.

In case of inclement weather, residents will be notified by a blast of the fire horn at 9:25 if the parade is cancelled. If it should rain, services will be held at the park stage at the appointed time.

Editor's Notebook

Whether you're planning to go away Memorial Day weekend or you're staying closer to home, your life and well being are precious - you owe it to yourself and your family to drive safely.

The week of May 22-29, 1989, has been declared Buckle-Up America Week all across the country. In New York State the Coalition For Safety Belt Use has joined with the State Thruway Authority in a new campaign especially designed for Buckle-Up America Week called "Tie One On For Safety."

That it begins the week of May 22, is no coincidence. This is one of the most heavily travelled weeks of the year because it includes the Memorial Day holiday and the beginning of the summer driving season.

The campaign calls for drivers who stop at New York State Thruway toll booths on Thursday, May 25, to receive a blue card bearing the state's seat belt law and emblazoned with a bright red ribbon. Travellers are urged to tie the ribbon to their antenna or door handle to show their support for increased safety belt use throughout New York State. If you see red ribbons sprouting on antennas and door handles of cars all over the state, you'll know those drivers have "Tied One On For Safety."

And please, don't forget, wherever you drive, that all youngsters under the age of 10 must be secured regardless of where they are in the vehicle, and that those under four must be in an approved child safety seat. Failure to do so can result in a fine of up to \$50 and three points on your license. Be a survivor; obey the speed limits, drive soberly and buckle-up!

Letters

To The Editor:

On May 18 Bill Bennett wrote to you about the recent school board elections. After reading his letter, I have one question: Is WEDTEC coming to Hicksville? The HCT, CSEA and the Teachers Aide Unit (WEDTEC) contributed to the election of James Martillo and William Collins (Mario Biaggi) for "future considerations" (ie: Teacher's Contracts). Is there a difference?

I am strongly opposed to any organization which stands to directly gain from a school board member who they support either monetarily or otherwise. We must prevent this type of cancer from spreading in our system. The ultimate victims are the children of Hicksville. The unions win - the children lose. Don't let this happen. Speak out silent majority.

Sincerely,
 Bob Kiernan

To The Editor:

In response to Mr. Bennett's letter in the May 19 edition, noting the campaign advertisements I was aware that the supporters of Collins and Martillo also supported the budget. The same fact seemed the case with the McGovern-Wolf camp.

By the way, since he seems to be knowledgeable of "who" supported "who" in this past election, could he please inform the community as to "who" funded the McGovern-Wolf campaign?

In observing that almost four thousand members of the community made a concerted effort to come out in truly "God-Awful" weather to vote, it has to be said that the community "spoke their minds" in no uncertain terms.

The campaign and election are over. It is time for the school board with its newly elected members to get down to the business of the education of the children of Hicksville.

I sincerely hope with all my prayers, that the newly elected school board members will keep in mind at all times the high standards and values that they set forth during their campaign and are in no way swayed to change their attitudes and hopes that the community affirmed on May 10, 1989.

Respectfully,
 Mary R. Cardella

Student Selected Student Of Month

Hicksville High School student Anthony Formica has been selected Student-of-the-Month in his Aviation Operations class at Nassau Technological Center, Bethpage. Hicksville is very proud of Anthony, who during the month of April, surpassed his classmates in production, attitude, study and safety.

Faculty Recital To Be Held

The music faculty of the Hicksville Public Schools will present a Faculty Recital on Wednesday evening, June 14. The recital will be open to the public and will be held at 7:30 p.m. in the Hicksville Middle School auditorium.

Holy Family First Holy Communions

First Holy Communion was held at Holy Family Parish on Saturday, May 13, and Saturday, May 20, at two sessions 10:30 a.m. and 12:30 p.m.

The weather for both Saturdays was just lovely and all the communicantes looked handsome and beautiful.

Family members arrived at the church and Saturday in the rows labeled with the family banners that were made by each communicante.

Father Peter stands in front of the parish's new statue of the Blessed Mother with, left, Steven Recher and, right, John Peter Doyle after making their 1st Holy Communion.

Seldin Speaks At GOP Club

Abe Seldin, second from left, Chairman of the Nassau County Dept. of Assessment, was the guest speaker at the May meeting of the Hicksville Republican Club.

Seldin spoke about how property is assessed, how to challenge your assessment and what exemptions are available to residents of Hicksville and all of Nassau County.

Seldin is shown explaining one of the Dept. of Assessment's property record cards to, left to right, Oyster Bay Councilman Tom Clark, Republican Club President Bob Kluck and Nassau County Sheriff Joe Jablonski.

Community groups and civic organizations wishing to have a program on property tax assessment should write to the Nassau County Board of Assessors, Speakers Bureau, 240 Old Country Road, Mineola, N.Y. 11501 or call 535-2490.

In Service

Navy Lt. Richard J. Rogers, son of Alfred W. and Virginia A. Starrett of 22 Peg Court, Hicksville, recently participated in the North Atlantic Treaty

Organization (NATO) Exercise "Wintex '89" while serving with Commander in Chief, U.S. Naval Forces Europe, London, United Kingdom.

Dutch Lane Plant Sale

Dutch Lane School PTA held its annual Mother's Day Plant Sale on Wednesday, May 10, and Thursday, May 11.

Each class had the opportunity to buy plants such as, African Violets, Geraniums, Impatiens, hanging pots, etc. ranging in price from \$1 to \$6.

The sale was a success thanks to the beautiful plants that were provided... and to all the volunteer help we had.

Marcellino, right, present a citation to Nancy Cammarano, second from left, & Barbara Wolfe, librarians at the Plainview-Old Bethpage HS Library, in recognition of the opening of a special Holocaust-Genocide Study Center in the library. A dedication was held recently as part of a seminar entitled "The Holocaust Remembered/Genocide Prevented," which was sponsored by the Plainview-Old Bethpage School District.

Eight Student Science Awards

Eight Hicksville High School students won awards for their science projects at the Long Island Science Congress Fair held in late March.

Colleen Bartley and James Fitzsimmons received Honorable Mention for their projects. Marilyn Wood and Jennifer DeGross received the Merit Award for their work on Acid Rain. Michael's project dealt with the effect of light on the behavior of mice. Richard's project involved planaria and looked into aspects of the relationships involving maze learning and food.

At the Awards Assembly held at SUNY at Farmingdale, John Butt was awarded the LILCO award for his project on the effects of alpha radiation on plant cells. Heather Carpenter was awarded the Honors Plaque. The title of Heather's project was "Is There Such A Thing As A Smart Pill?"

These students, under the guidance of advisor Mr. Dave Bouton, have been working on their projects since September, extensive research and preparation was involved and we hope that their success will inspire future scientific endeavor.

Editor's Notebook

Whether you're planning to go away Memorial Day weekend or you're staying closer to home, your life and well being are precious - you owe it to yourself and your family to drive safely.

The week of May 22-29, 1989, has been declared Buckle-Up America Week all across the country. In New York State the Coalition For Safety Belt Use has joined with the State Thruway Authority in a new campaign especially designed for Buckle-Up America Week called "Tie One On For Safety."

That it begins the week of May 22, is no coincidence. This is one of the most heavily travelled weeks of the year because it includes the Memorial Day holiday and the beginning of the summer driving season.

The campaign calls for drivers who stop at New York State Thruway toll booths on Thursday, May 25, to receive a blue card bearing the state's seat belt law and emblazoned with a bright red ribbon. Travellers are urged to tie the ribbon to their antenna or door handle to show their support for increased safety belt use throughout New York State. If you see red ribbons sprouting on antennas and door handles of cars all over the state, you'll know those drivers have "Tied One On For Safety."

And please, don't forget, wherever you drive, that all youngsters under the age of 10 must be secured regardless of where they are in the vehicle, and that those under four must be in an approved child safety seat. Failure to do so can result in a fine of up to \$50 and three points on your license. Be a survivor; obey the speed limits, drive soberly and buckle-up!

Challenger Class News

The students in Mrs. Hartmann's Central Blvd. Challenger classes in Bethpage culminated their Major Unit studies with a presentation to their parents. This creative endeavor synthesized modern day entertainment formats with their varied tasks relating to the diverse cultures of Ancient Egypt and the Middle Ages. Through cooperative teamwork the students developed original game shows, skits and newscasts, some of which were: Jeopardy of the Middle Ages, Circuit Board of Ancient Egypt, Name That King, Circuit Board of the Middle Ages, An Original Play from the Middle Ages and Filmstrips (Trading in the Middle Ages; Growing Wheat in Egypt). The picture above shows from left to right Laura Novelli, Dena Imbes, John Cain, William Conroy and Oliver Luisi in the presentation of their game show "Name That King."

A Busy Day At Gregory Museum

By Rosemary Barrow

The old Hicksville Courthouse at Heitz Place was the scene of much activity during the recent Mineral Show and Sale on the grounds of the Hicksville Gregory Museum, Long Island Earth Science Center. Adult collectors were delighted with the bargains as they added to their collections from the Museum's surplus and donated minerals, prepared for sale by curator Donald Curran.

Highlight of the two day show was a spectacular display of Opals and lecture each afternoon on this fascinating mineral by Museum Trustee John Kean.

Youngsters had a great time at the Rock Swap where they "traded up" to improve their collections. Some came from as far east as Southold to participate. Assisting at the Swap were twenty five volunteers from near by Willet Avenue Elementary School and Hicksville Middle School. In addition to planning details of the Swap, they prepared labels for the minerals, and display banners and signs. They spent the entire weekend setting up, manning the swap tables, supervising the Dinosaur Dig, and conducting tours of the Museum. At the end of each day, they also cleaned up. They were vital to the success of the Rock Swap, as they have been to many other Museum activities.

Adult volunteers were indispensable, especially Gailand Michael Hofer, Michael Neary from Nassau Mineral Club, and Amy Curran, Warren Barrow and photographer Ed Bady. Minerals

for the Swap came from many donors, with outstanding contributions from former trustees Marilyn and Dick Schuler and Gussie and Ben Daines.

Girl Scouts from Troop 3550 handled the refreshments, under the supervision of Debbi and Larry Weltraub. For two days the barbeque grill provided a constant supply of great Hot Dogs.

The Nassau Mineral Club, the largest adult group of mineral collectors on Long Island, is planning to form a Junior group, ages 12 to 16. This group will meet at the Hicksville Gregory Museum, under leadership of the Nassau Club. This is a wonderful opportunity for any teenager interested in minerals. Those who would like to participate may add their names to the mailing list being compiled at the Museum. Call 822-7505.

A complete schedule of summer activities at the Museum will be ready shortly. One addition this year will be more programs for the 4 to 6 year group. Joining the program staff will be Mrs. Rose Davis, a specialist in Early Childhood Education with many interesting new ideas.

On July 19, Mrs. Davis will have a workshop on Birds from 1-2 pm. for 4-6 year olds; 2:30 - 3:30 pm. for 7-9 years olds.

On August 16, her workshop will be on Animal Encounters-same time and age schedule. Fee will be \$6 for Museum members, \$8 for non-members, including all materials. Make advance reservations at the Museum 822-7505, since class size will be limited.

Registration Open For Tennis

Registration is now open for a unique new free month-long tennis program for area youths - the Spiegel Associates/Gene Mayer Junior Tennis Academy - it was announced recently by Arthur D. Sanders, president of Spiegel Associates, sponsors of the program.

Supervising the Academy will be Long Island resident Gene Mayer, formerly the fourth ranked tennis player in the world; and Laurie Fehrs, who has been ranked among the top 10 women players in the United States. In addition, three other expert instructors will be coaching each session at all times.

All Town of Oyster Bay residents, ages 10-15, are eligible to participate in this free learning opportunity. The initial 48 applications will be accepted on a "first come - first serve" basis, and must be received no later than June 15.

The inaugural Spiegel Associates/Gene Mayer Junior Tennis Academy will be held at the Theodore Roosevelt Memorial Park in Oyster Bay on Mondays, Wednesdays and Fridays, beginning July 5, and ending on July 31. Lessons, based on the junior's level of skill, will be given in two sessions, from 2-4 p.m., or 4-6 p.m.

Spiegel Associates, the academy's principal sponsor, has been one of Long Island's most prominent real estate acquisition, development and management firms for more than 40 years. "The Town of Oyster Bay has provided our company with a great many opportunities for

growth throughout the years," noted Sanders. "This Academy is Spiegel Associates way of giving something back to the community - by giving some of the town's boys and girls the chance to develop or discover their tennis and athletic skills. Who knows, maybe another Long Island tennis great like Gene Mayer, Sandy Mayer, John McEnroe or Vitas Gerulaitis will be found."

The tennis courts which will be used by the Academy are provided as a courtesy by the Town of Oyster Bay.

For additional information about the tennis academy or for an application, call Lori Lee of Spiegel Associates at 935-1100.

Victoria A. Tymons, of Bethpage received a BA in Political Science Merrimack College on May 14.

Minutemen Tie Garden City

The Hicksville Minutemen, my 1977 "B" travelling soccer team, played a brilliant 1-1 tie against the Garden City Citadel, at Cantiague Park on Saturday, May 20th, in a game that featured outstanding soccer play by every member of the team. The Minutemen, displaying a very strong passing game; applied constant offensive pressure from the opening whistle until the game's end, which they coupled with great defensive play.

Their aggressive attack posture paid off at the 17 minute mark when it set up an Anthony Noya direct, which he bombed across the goal mouth to left wing Danny DePinho, who then crossed the ball to right wing Jorge DeSilva, who beat the Citadel goalie. Hicksville had numerous scoring opportunities, but the Citadel goalkeeper and sweeper rose to the occasion every time, and the 1-0 lead held up until the 55 minute mark when Garden City finally managed to tie it, in a scramble to the right side of Hicksville's goal.

Mike Coen, in goal, played his finest game of the season, stopping all but one shot. His distribution of the ball to his teammates made the attack work. Greg Walunas, at sweeper, continued his outstanding defensive work, as the glue of the Minutemen defense. Tracy Kotter had terrific game from right fullback. Robin Bliker, at left fullback, was most effective in controlling her side of the field. Anthony Noya, at stopper, was a dynamo, both in the offensive and defensive zones, switching to

center half at numerous times during the game, which lead to many long shots in goal.

Bobby Braun, at center half, played an outstanding two-way game, expertly dropping back on defense whenever Noya overlapped him. Jason Brown, at right half, was a terror, both on offense and defense. Brian Rigert was at his offensive best from left half and chipped in with some impressive defensive play. Mike Whitman had a very strong game at striker and with a little luck, could have had a number of goals. Jorge deSilva played with hustle and determination from right wing, in addition to scoring Hicksville's lone goal. Danny Depinho led numerous offensive charges down the left side and dropped back on defense whenever necessary. Mark Spinner had a strong game from left half, left full and stopper, proving his versatility.

Congratulations to the Minutemen for playing a spectacular soccer game with just one sub to the Citadel's four. A big thank you to my Assistant Coach, Pete Whitman, for his constant help. Thanks to Seaman & Eisemann for their sponsorship and Happy 100th Birthday from the team!

Mike Famiglietti went 4 for 4 and Matt Lewis 3 for 3, as did Luke Johnson. Adam Grecco was impressive on the mound, only this usually slugging team, 1 run. On Sunday, May 21, the team traveled to East Northport to face, St. Anthonys and continue their batting spree, by beating St. Anthonys 15-4. Greg Figlia went 3 for 4, Richie Woodworth scored 4 runs all by himself. The professional pitching effort by Luke Johnson and Matt Longo with a mop-up effort by Chris (The Wild thing) Gioia.

Hicksville Amer. Soccer Club News

By Steve Baglieri

Saturday, May 13, the 1978 Hicksville Raiders continued their soccer quest by making it to the final four of the Chase Cup.

The Raiders were playing in Terryville, and started off determined. They seemed to actually have been a little too strong, since about four shots were just slightly high over the net. They kept possession of the ball most of the time and were able to score first on Edward Puerta's shot from the left side. At the very end of the first half, however, the ref's clock buzzed and the defense let down their guard. (The ref added some extra time for an injury.)

A Terryville player broke free, but on a great defensive effort by Jeff Reinhardt, the player was stopped; unfortunately the ball itself was missed and the player went down in the box. With time out on the clock, a well placed penalty shot was scored and we had a tie game at the end of the half.

Paul Oliva, used his speed and quick hands as goalie for the entire game and kept it within our grasp. At the beginning of the first half the Raiders had a little bit of a let down (after that penalty shot), and allowed one of Terryville's players in on the weak side uncovered - goal! Now came the real action. Down 2-1 everyone played the best I've seen them in a long time. Michael Tesoriero demonstrated some real needed speed at the back

position. Along with Chris Allen at sweeper, Nikitas Koroneos as stopper and Kenny D'Introno as the other back, they continually built up the attack and were still able to stop what came their way.

With Michael Bablieri playing most of the game as center midfielder and David Koehn at striker, these two played beautifully off of each other. At about the 45 minute mark, their movement off the middle created a space for Nikitas to come up from his stopper position and head in a ball for a 2-2 game.

Hicksville began to isolate their players by cutting down passing lanes, and Terryville now seemed to get frustrated. A grabbing penalty set up a direct kick from about 25 yards out and David took a hard shot that the goalie just could not handle. At the 55 minute mark another penalty in the box gave us the chance to seal the game. David took that shot, and again scored - final score Hicksville wins 4-2.

It's easy to mention the scoring opportunities, but it really does not reflect the way the whole team played. Everyone should be congratulated for their effort. Their faces were a joy to look at, and makes it all worthwhile.

Thanks also to Nicky Riccardi, Susan Accardo, Steve Healy, and Ryan Ferraro. We now go on to a college campus to play the final four. Win or lose, this is something to be proud of for a long time.

Hicksville Warriors Over Garden City

The Hicksville Warriors 1974 travelling soccer team defeated the Garden City Raiders by a 3-1 score at the latter's field on Sunday, May 21st, to bring their LI Junior Soccer League record to 4 wins, 3 losses. The Warriors got a strong defensive and offensive effort from all 15 players, as Coach Pat McHugh made six position switches in the starting lineup with spectacular results.

Offensive pressure was exerted on the Raiders directly from the opening whistle. To prevent a goal, they were forced to kick the ball over the end line, which set up a Hicksville corner kick. Sweeper Eric Blicher, kicking from the right side, hit striker Chris Doyle, to the left of the Raiders goal, and Doyle put it past the Raider goalkeeper for a 1-0 lead at the game's two minute mark.

Chuck Oliver, playing right outside half, following four years at fullback, put his tremendous speed and strength to work, constantly putting pressure on Garden City's defense, narrowly missing a number of shots. His persistence paid off at the 20 minute mark when he gave Doyle a perfect cross, which Doyle put in for his second goal, giving Hicksville a 2-0 lead which they carried into halftime.

The second half started off with more aggressive play on the part of the Raiders, and they made it 2-1 at the 54 minute mark. The Warriors then dominated the balance of the game. At the 66 minute mark, stopper Jason Kingsley, took a direct from the left of the box, which was perfectly headed in by center half Dom Perillo, giving the Warriors a 3-1 lead. Despite numerous opportunities, Hicksville did not score again, mainly due to great play by Garden City's goalie.

Joe Flanagan, who had an excellent day in goal for the Warriors, saved the best for last. At the 79 minute mark, the Warriors were called for a hand ball in the box, setting up a Raider penalty shot. Flanagan made a great stop and followed that up with a perfect kick save on the rebound.

Brian Harkins and Matt Pordum had very effective games from right and left fullback, after playing sweeper and stopper for the majority of the season. Eric Blicher, playing sweeper for the first time this season, celebrated his return to that position with an aggressive all-around game. Jason Kingsley, playing stopper for the first time in four years, was an offensive and defensive dynamo. The halfback play of Chuck Oliver, Karl Rice, Terry Aylward, Mike Heyer, David Lovato, Junior Tomlinson, and Kareem Holman featured strong, heads up play. Dom Perillo, at center half, had a great nose for the ball throughout the contest. Chris Doyle, at lonely striker, had a terrific game in addition to his two big goals.

Congratulations to the Warriors, as well as to Coach Pat McHugh and Assistant Coach Pat Harkins, Jr. for an exciting day of soccer.

HBA Opening Day Ceremonies - 1989

By Cathy Doyle

Rain on opening day is no surprise for Hicksville Baseball Association. Despite all the gloom from the darkened skys on April 15, almost all of the 830 little league players came out to march.

It's always hectic early that morning when everyone meets up at Old Country Rd. School fields. With the help of volunteers everyone is assembled into the divisions so the parade can begin at 9 a.m. Pictures couldn't be finished because of the rain so May 27, is team picture make-ups at minor field between 11 and 1

p.m. After the parade marched up Levittown Parkway all the teams and board members assembled around Abe Levitt Complex or the Senior Field. Also present or the field were Town Officials wishing all a great season and HBA president Buzz Doyle, past president Gregg Simonelli, and HBA board members.

The opening speeches were cut short because of the rain, but many thanks were given to the town for HBA's new storage shed and rest rooms.

Come See HBA march again on Memorial Day May 29!

The graduating class at Woodland takes a bow!

On May 11, Woodland Ave School held its graduation ceremonies for their Pre-K class of 1989.

The children, wearing their very best outfits and handmade graduation caps marched on stage in front of their proud parents and friends. After they took their places on stage they sang their songs which they worked on so hard for weeks. They were really great.

Then each one was presented with their diplomas from Patricia Love PTA president. All looked adorable and very proud for their accomplishments during the year and are all ready to come back in September as official students of the Woodland Ave Kindergarten Class. The evening ended with an assortment of refreshments and a great big graduation cake served to all who attended.

Special congratulations and thanks should go to the PTA committee of parents who have voluntarily worked through the year to make Pre-K a special experience for all the children. They are: Rosemary Dikeman, Angela Valente, Leslie Gagliano and Cindi Krisel.
