Improvements

The Oyster Bay Town Board has approved a bid for storm drainage and highway improvements in Plainview, according to Oyster Bay Town Councilwoman Ann R. Ocker.

"The Town awarded a road construction and highway improvement contract for the Ruby Lane and Garnet Lane area," Ocker said. "The project will include curb and apron improvements and the installation of catch basins for improved drainage where necessary. At the completion of the project all areas will be repaved."

Kings Park Industries, Inc., of Kings Park, was awarded the contract with a low bid of \$767,780. Construction is expected to begin in the fall and is expected to take six to seven months to complete.

## Hicksville Bd. Of Ed Meeting

A change in time of the regularly scheduled Board of Education meeting for June 21, has been announced.

The budget vote will take place on June 21, from 10 a.m. to 10 p.m. Results of the vote will be made known at the end of the regular Board of Education meeting scheduled for 9 p.m. that evening (originally scheduled for 8:15 p.m.) in the Conference Room of the Administration Building.

A special reception will begin at 8:30 p.m. to honor outstanding teachers for the 1988-89 school year, and particularly those teachers who have had the greatest impact on the 1989 graduating class.

# **Two Million Reduction** OK'd For June Revote

#### By Maureen Traxler

By Maureen Tracter The revised budget figure for 1989-90 to go before Hicksville residents on June 21, will be \$93,600 less than the May 10 proposal. The Board of Education, at its meeting on May 31, trimmed the budget to \$46,686,719, a \$2,736,719 or 6.2% increase over the present year. The new figure carries an estimated tax rate increase of \$1.53 per \$100 assessed valuation.

In recent years, the estimated rate increase at the time of the budget when they imposed the actual rate in August. This phenomenon has occurred largely because of the assessment on business and commercial properties in the Hicksville district. Assistant Superintendent William Hall reported that he believes the

State will allow school districts to continue to request a further 3 reduction be granted to homeowners by the Board of Supervisors. He stated that he felt the state will postpone the proposed elimination of the reduction to homeowners, in light of the state's search for

the reduction to homeowners, in light of the state's search for long-range solutions to its problems. The Board voted 6 to 1 at its last regular meeting on May 24, to eliminate the high school summer school program [\$63,600]. At its May 31 meeting, Trustee Mark Cardella motioned to retain the program in the proposed budget. Commenting on the revised budget cut, he said, "The only thing cut was an educational program," and he motioned to add the \$63,600 hack into the budget and reinstate the program. However, the Board sustained the elimination by a slim 4-3 vote.

vote. "Some students did benefit" from the program, said Trustee Pat Rooney, in her effort to retain summer school, but Trustee William Bennett insisted that the district was not achieving the desired results in a 50% passage rate. Board President JoAnn Miltenberg encouraged, "We must reevaluate and restructure the program. A course which can't be taught to a student in ten months, cannot be taught in three weeks." Daniel MacBride and Mark Cardella joined Mrs. Rooney in dissenting.

Trustee Daniel Arena was successful in requesting a \$30,000 deduction in the general fund supplies and materials code. The motion was approved unanimously, with Mr. Bennett commenting that the "supplies and materials code could support a reduction." Mr. Bennett also supported the retention of surplus money in the

present budget (1988-89), stating that further reductions could jeopardize future budgets. Mr. Hall agreed that the unencumbered belance would be used to support next year's budget. Without a surplus, the district would "feel financial pressures in 1990-91," he

added, unless we "come up with additional revenues." Roger Engert, president of the high school band parents association, again approached the Board regarding Hicksville's scheduled hosting of a band festival in September. He offered, "if we picture the worse senario, and the district goes on austerity," could the district approve the hosting of the band festival, "if the band parents association foots the bill for whatever costs - insurance purposes, etc., whatever it takes." He asked the Board to give him an answer without delay.

The Board is scheduled to hold its next regular meeting on the night of the budget revote, June 21, at 8:15 p.m., in the conference room of the administration building. Residents are reminded that registration will take place this Wednesday, June 14, from 3 to 8 p.m., at the local polling places.

# July Hearing Scheduled **On Parking Field Meters**

Oyster Bay Town Councilman Douglas J. Hynes announced that the Town Board has scheduled a July 11, public hearing to consider amending the Code of Ordinances (Motor Vehicle and Traffic Chapter 17) which will establish metered parking in Town parking field H-12 in Hicksville.

Hynes said, "The Town Board is considering the installation of 'long term' 12 hour meters at a cost of two quarters for the twelve hour period, so that this parking may be used by commuters in the vicinity." Parking field number H-12 is located on East Marie Street and Nicholal Street in Hicksville.

The hearing has been scheduled for Tuesday, July 11, beginning at 10 a.m., in the Town Hail East hearing room, Audrey Avenue, Oyster Bay.

Chris Kani and Carol Gorst of Hicksville, are congratulated by Barbara White, President of the Girl Scouts of Nassau County, upon receiving their 30 year membership pins at the Annual Council Meeting recently. Daughter and mother joined the organization together when Mrs. Kani became a Brownie Girl Scout and her mother joined as the Troop Leader.

# Acid/Gas Leaks Keep Haz-Mat Team Busy

The Hicksville Fire Dept. was notified by the General Instrument Company, at 600 W. John St. Hicksville, on Wednesday, May 31, at 9:10 a.m. that an underground pipe containing sulfuric acid ruptured spilling out an estimated 900 gallons of product into the ground under the plant. The leak was discovered when operators found the above ground tank inside the building was near empty. Hicksville F.D. Haz-Mat team coordinators met with the plant safety

director and were informed all state and local agencies were notified including Health Dept., State Environmental and EPA and the County Fire Marshal and Water District.

The acid is used to clean incoming water so it can be used in its manufacturing process. No evacuation was necessary. The spill was about 60 feet above the water table and the product was in a jello-like about 60 feet above the water table and the product was in a jelio-like thickness. Movement was termed as slow, with no immediate threat. Hicksville F.D. Chief Terrence Farrell was notified that the Fire

Dept. and Health Dept. will be kept advised of progress. Hicksville Haz-Mat team coordinator, Owen Magee stated the plant followed its emergency plan notification system. The Haz-Mat team, on a regular basis, keeps in touch with the plant so in the event of a Haz-Mat spill and leak, information is ready and instantly available. This product is considered a non-flamable liquid but reactive with chemicals, and has strong corrosive or oxidizing properties. many Sulphuric acid is used in car batteries, and the material used to unclog stopped up sinks.

As of Wednesday the plant was waiting an approval on several different plans to remove or dilute the product. Removal will be difficult as it's under the plant.

UPDATE: Since Friday, June 2, a clean up agency has removed most of the spill and they are nearing completion of the task. The spill did not go too deep and the removal operation went well.

Two other leaks - these natural gas - kept Hicksville vamps busy this past week. On June 2, at 8:53 a.m. construction crews working at 267 Woodbury Road, broke a LILCO gas main. Woodbury Road was closed till LILCO crews shut the valve off. Hicksville Haz-Mat team members

monitored residential areas for fumes. On June 6, at 1:15 p.m., a worker putting up a fence broke a gas line at 154 Broadway - Chroma Paint. Fire fighters and Haz-Mat responded, closed the area off and after locating the valve shut down the service line. Haz-Mat monitored the area for fume accumulations. There were no injuries or property damage in either incident.

I am writing this letter to clear up some mis-conceptions that have been written about the Hicksville School Board elections. 1989 6 It concerns me that a Board June member, could write such nonsense. The comments about the HCT & CSEA are unfounded. I Friday. myself, like other concerned residents who are fed up with the present school board, have ISLAND TIMES contributed their time and money to Collins & Martillo. Like many others I do not stand to directly gain from their sitting on the Board. I am not a member of the HCT or CSEA, nor do I work for E A

the school system in anyway. On May 18, Mr. Bennett stated he has reason to believe eight to ten thousand dollars was funneled into the campaign. To pick these figures out of thin air is also unfounded. Why is it that whenever the present board member's candidates lose, they and their friends write vicious letters. It amazes me that these so called concerned residents, who write some of these letters, do not attend Board meetings. Mr. Bennett also wants to make the community aware that they will be negotiating with the HCT & CSEA (Teachers Aide) bargaining units in the months to come What Mr. Bennett doesn't say is that the CSEA is without contract and will be negotiating for a year come this July. What is unbelievable is that they are the people who work first hand with the childen, and they have to wait a year or more to get a new contract. Why then did Dr. Fenton, the Superintendent, get her contract 18 months before her current one ran out, 6 months carlier than needed? If the Board is so confident in her work, why did they rush to push this through, ignoring the people, when they were speaking out against this move. A contract for \$100,000+ of taxpayers money is not something that should be rushed. At the May 24, Board meeting, our young people were pleading with the Board, to put the budget up again. Mr. Bennett bitterly spoke out stating, the people have spoken. We should respect their decision. Well it would seem to me, that he should practice what he preaches. The people not the HCT & CSEA, have spoken. They are tired of the Board ignoring the peoples voices. They did speak out because, they care about the children of Hicksville. To think they don't is utter nonsense. One thing I do agree with from a letter on May 25, like every town, Hicksville does have its cancer Hopefully within time we will rid ourselves of some of it.

On one other matter. To the people who feel Mr. McBride's letter was the cause of the budget

going down. They had better come out of their caves. Mr. McBride must be one heck of a powerful person. Since half the schools on the island voted down their budgets also. This is the first year, I found it hard to vote for the budget. I did vote yes, because of how important it is for the children. However, needless spending does have to stop. To think the people who vote no don't care is wrong. You can not squeeze blood from a stone. If something isn't done soon, we will have no one left in Hicksville to pay the taxes. Imagine people who have lived here most of their lives, have to give up their homes because of taxes. Why are our taxes so high? Mismanagement? If so it has got to stop. The only way is for you the people, to start speaking out. Ask questions and demand answers. These are your homes and your money that is slipping away from you. Jo-Ann E. Broska

To the Editor: The Hicksville Board of Educa-

tion has unanimously voted to re-submit the 1989-90 School Budget for a re-vote by the community. This measure was taken in answer to concern from community members - senior citizens, parents, students involved in musical endeavors, drama, sports, clubs, and students who were just concerned that the quality of their education would decline with an austerity budget. The budget has been reduced by \$93,000. and also has built in to it \$900,000. for the beginning of the Asbestos Removal Program.

This Budget Vote will take place on Wednesday, June 21 from 10 a.m. to 10 p.m. at the local elementary school in which you vote.

It is important that residents who have not voted on a School Budget register. They may do this on Wednesday, June 14 from 3:00 p.m. to 8 p.m. at their designated voting place. You are registered and can vote if you voted in the 1988 Presidential Election. You cannot, however, cast your ballot if you are not registered and have not voted before.

Voting NO for a school budget can cost you money: -If you have a student who

normally takes a bus, you must now drive them; this will cost you in time and aggravation on your vehicle and you.

-On days that you cannot drive your student, and they decide not attend, the district loses financially on State-aid in reim-bursement for attendance.

-Your real estate value on your house will decline; not many people want to move into a community whose school district is on austerity. -Sports and Extra-curricular

#### To The Editor:

On Wednesday, June 14, the residents of Hicksville will be given the opportunity to meet with the officials of Twin County Recycling Corporation so that they may express their views to the firm's management of any dissatisfaction they may have with the operation of an asphalt plant located in the heart of two residential areas of Hicksville. The Duffy Park Civic Association strongly urges the residents of the surrounding areas, as well as all Hicksville residents to attend this important meeting. Without your support, our efforts of the last three years will mean nothing. We need numbers. We need each and every one of you. We must convince Twin County and our local officials that we will not tolerate the smoke, dust, and fumes that pervade our area.

Remember the date - Wednes-day, June 14, at 8 p.m. in the Town Hall Hearing Room, located at 54 Audrey Avenue, Oyster Bay. Please be there. Your attendance will make a differ-ence. Do it for yourselves, your neighbors, your home and your families.

## Deligatti To Visit Bethpage

Bethpage area Executive Committeeman. George Yochmann, announced that Town of Oyster Bay Supervisor, Angelo A.Delligatti, will be the special guest of honor at the Theodore Roosevelt Republican Club on Monday, June 12. The meeting will take place at 8 p.m. in the American Legion Hall located in the LIRR Bethpage station

parking lot. "This is our last regular meeting before the summer," said Mr. Yochmann, "We are delighted that Supervisor Delligatti can come and spend some time with us. The people here in Behtpage love to meet and talk to their local elected officials. We all look forward to Monday's

meeting". Club President, Kevin Galloway added, "I expect a large turnout for our June 12 meeting. It is more of a party than a formal meeting. Refreshments will be served and the business part of the meeting short."

The last meeting of the Club played to a packed house as Town of Oyster Bay Councilman Howard "Tom" Hogan, Jr. and Nassau County Clerk Harold W. McConnell were the special guests. "Both men have held their current positions for a long time and are doing a great job,"

Galloway noted upon introducing them to the membership. "Long tenure is the true test of an elected officials capabilities. They have earned our respect and deserve all the help we can give them to insure their re-election this November."

Tom Hogan, Jr. is the senior member of the Town Board having served for 17 years. "1 enjoy my work very much and it is a privilege to be part of the Delligatti Team," he said. Councilman Hogan is running for re-election along with Supervisor Delligatti, Councilman Leonard B. Symons, Councilman Douglas J. Hynes and Town Clerk Carl L. Marcellino.

Harold W. McConnell, Nassau County Clerk, thanked everyone for allowing him to serve the people for the past 22 years. "This November 7, I will be seeking my eighth term as County Clerk," said Mr. McConneil as he waved to many old friends. He reminded everyone that people don't get excited with "just local elections." "This is the one people should be most interested in; this affects them directly," he added. County Clerk McConnell will be running with County Executive Thomas S. Gulotta, Comptroller Peter T. King, and District Attorney Denis E. Dillon.

voices of the many music students awaiting their departure for Disney World, Florida. Channel 12 Newsman Ken Grimball was busy interviewing students parents and teachers as they loaded the luggage on the four buses waiting to take them to the airport. After a short delay the buses pulled away at 6 a.m.

heading off into the sunrise of what was to be an exciting adventure.

Once in Orlando, buses took the students and chaperones to the Orange Lake Country Club, home for the next four days. A poolside barbeque awaited them and everyone enjoyed a cool dip in the pool. At two oclock it was time to depart for the Mercado Mediterranean Shopping Village. There they would eat and perform.

The jazz ensemble was the first to perform, followed by the orchestra. Even the thunder showers which interrupted their performance didn't dampen anyone's spirits. After a twenty minute rain delay the band and chorus put on quite a show.

Friday morning, after an early breakfast the buses departed for free time at Disney World. It was a hot and oppressive day. This however, did not stop the enthusiasm of the marching band, who stepped off down Main Street at 3 p.m. Members of the Chorale and Orchestra lined the streets along the route with thousands of other spectators. Greg Simoneschi a member of the band remarked "This was one of the most exciting days of my life, a day 1 will never forget. The crowds all along the way were enthusiastic and supportive." Another member, John Butt, when asked if he would march again, said, "Yes, only in February the next time." John

also felt that their performance each one of you. was one of the best the band has ever given. What a proud moment for all these deserving

youngsters. At 6 p.m., it was time for the Festival Chorus to shine on Lake Buena Vista, Disney World Village. Because of the heat, the dress attire was toned down, but not the excitement of an excellent show. They performed selections from Phantom of the Opera and Les Miserables. Todd Catanzano, a member of the Chorale and Madrigals said, "I had a great time. I would do this again. I feel the Chorus performed well." The main thing Todd said, that impressed him most was the close friendships that were formed and how everyone pulled together to make this trip so successful. Brian Gunnigle, another member of the Chorus, expressed gratitude for the opportunity to represent his school. He also "All of the students worked hard to make this trip a reality, and we were rewarded with a fun filled trip.

Saturday and Sunday were free days for all. Let's not forget a great big thank you to all the chaperones who took such care with these young people. The trip would never have succeeded without them. Three cheers for

Monday morning at 12:15 a.m., the buses returned very tired but very proud students to Hicksville. Thomas Buttice orchestra Mr leader summed up the trip this way, "The parents can be proud of the young people; the students can be proud of themselves; they represented their families and our school in a positive manner." Mr. Buttice along with choral director Chuck Arnold, will be retiring this year after serving the youth of Hicksville for over 30 years. Mr. Buttice ended by saying, "What an exciting way to conclude our careers in public education.

I know that the students wish to thank Mr. Jim McCrov, Mr. Phil Grussenmeyer, Mr. Gagnon, all the great chaperones, Perkins travel, and all their parents without whom this trip could never have taken place.

As all the pictures are put into albums, and momentos are tucked away in special places, all of Hicksville can be proud of what our young people brought to Florida - Great musical ability, youthful enthusiacm and the name of Hicksville Long Island to Main Street, U.S.A., and what did they get in return? ## Local Students In Bus. Honors

Colleen P. Reilly and Robert Richards of Hicksville were inducted into the Theata of New York Chapter of Beta Gamma Sigma, the honor society of the American Assemble of Collegiate Shcools of Business on April 27, 1989. Election to membership is recognized as the highest academic honor conferred on students of business in American colleges and universities.

#### Kiwanis Supper Smashing Success

After the April 14, Kiwanis Spaghetti Dinner was over, and the tables were cleared, and the chairs and tables were put away, and the pots and pans were washed, and the floors were cleaned, and the decorations were taken down, and all the Kiwanis members, Key Clubbers, friends and family members who had volunteered to belp out were able to say "Good Night" and go their respective ways, it was the responsibility of the Kiwanis Fundraising Chairman, Patty LeCompte, to put all the plusses and minusses together and find the bottom line. That bottom line proved that the evening was a "smashing success" both socially and financially. Socially, because it brought people from the Hicksville Community together for some friendly, neighboriy visiting, and financially, because it provided the Hicksvillé Kiwanis Foundation with some funds to supplement their Scholarship Fund which is used annually to help some Hicksville students on their way to college.

At the May 24, meeting of the Hicksville Kiwanis Club, Patty LeCompte presented the club with the "1989 Spaghetti Dinner Report," In addition, she mentioned that the records showed that before, during and after the dinner, some individuals seemed to have put forth a bit more effort and time towards the success of the dinner than was expected.

For a varlety of "extra efforts," certificates were awarded to those shown in the photo. Seated, left to right: Salvatore Roccaforte, Patricia LeCompte, Karen Menechino, Roger Sirangelo; standing, left to right: Ed Kamber, John Flizpatrick, Mary Ann Esposito, Charles Montana, Jr., Beth Dalton, Tony Citrola, Ed Draycott, Phyllis Caggiano, Mare Herbst, Joe Lupo. #### Story Hour At Dutch Lane

During the month of May Mrs. Lynn's 5th grade class from Dutch Lane were busy writing stories and then typing them out on computers. When the books were completed with covers and illustrations the students invited Mrs. Calio's and Mrs. Saul's 1st graders to come to their "Story Hour." The children were put into four different groups so the 5th graders could read their books to them...they really liked it!

## Water Dist. Watching Acid Leak

#### By Louis G. Dettloff Administrative Assistant

The Board of Commissioners of the Hicksville Water District wish to advise their consumers that they are most mindful and aware of the recent sulfuric acid leak uncovered in the ground beneath General Instrument Corporation's plant in Hicksville. Representatives of the professional engineering firm, H2M Group, who are responsible to the Board for a wide spectrum of matters including that of quality control of the product, were on site by this past mid-week and they reported in considerable depth their findings together with observations of our own District personnel.

Many of the same people who were involved with the MEK spill of several years ago in the adjacent area are also in place at this time. It is our opinion that none of the concerns are to be taken lightly and dismissed as not being immediate threats to our drinking water supply. We will keep careful watch over the events as they take place as we did during the MEK crisis. Beginning with the Nassau County Health Department (as our local regulatory authority) and going on through the state are responsible by federal law in matters relating to chemical spills, leaks, etc., are already on notice.

General Instrument Corporation is required to submit their plan for appropriate action to clean-up to the Nassau County Health Department. The deadline for this first action was June 1. The Water District though not involved by law in this matter will be in close liaison with the Health Department throughout proceedings and will keep our citizens and consumers advised of events.

## Guest At Beth Assembly

#### HOW TO LOWER CAR INSURANCE FOR TEENS

Do you have a teenage driver in your home? Parents who do often are shocked to find out the price of auto insurance for young drivers.

For a teenage boy, the rate can be three-and-a-half times the rate an adult male pays.

Young men usually pay more than women because women are involved in fewer and less costly accidents than men, according to the Insurance Institute for Highway Safety.

Automobile insurance rates are so high for drivers under 25 years of age because teenagers as a group are involved in more car crashes than people of other ages. This is true even though they drive less than older people.

Premiums are highest at age 17 and taper off gradually until age 30.

There are some ways to reduce your child's premiums:

-Drive the family car. Rates are usually higher for young people who own their own cars, than for those who drive a family car.

-Good Student Discounts. Full time students aged 16-25 who are in the upper 20 percent of their class, maintain a B average and/or make the honor roll or dean's list may be eligible for discounts.

-Driver Training Discounts. Discounts may be available for drivers under 21 who have completed an approved driver training course. Some companies give discounts to individuals of any age who complete "defensive" driving classes.

-Resident Student Discounts. Families with a young driver who resides at college more than 100 miles from home may receive discounts.

-Choose A Higher Deductible. Rates are lower if you choose a higher deductible for collision coverage. If you have an older car you may wish to decrease the collision coverage. During the teenage years, one accident could cause insurance rates to skyrocket.

#### **Pre-School Spring Graduates**

At the Bethpage Public Library, even pre-schoolers join the ranks of spring graduates! In a time-honored library tradition, a new group of pre-school youngsters was graduated from storytime in a recent festive ceremony, complete with beribboned diplomas, lollipops, soft piano music, and proud parents in attendance. The children earned their diplomas by attending a year of weekly storytime programs at the Bethpage Public Library, where they heard a great variety of stories and were introduced to a broad spectrum of the finest books, appropriate for their age group. The storytime programs were chock-full of educational and entertainment value - including activity songs,

learning games, magic tricks, puppetry, creative dramatics, films, and other memorable and exciting activities. This year, Jack Rubin, Bethpage Public Library Trustee, graciously did the honors by presenting diplomas to many eager and pleased four and five year olds.

Very good work! My warmest congratulations to you. Jack Rubin, Bethpage Public Library Trustee, presents a diploma to John Meyer and gives him a hearty handshake as well, as his fellow storytime companions look on approvingly.

## Grandparents Day At Woodland

Grandparents Day was held at Woodland Avenue School in Hicksville recently.

Children's grandparents or favorite older friends were invited to visit their school.

The morning began with a delicious array of refreshments, supplied by the Woodland Ave. PTA. Then the special visitors enjoyed a concert, wonderfully performed by the school's string section, brass section and chorus,

GE NINE under the direction of Mr. Ricardo Garcia, Mr. Robert Pownall and Ms. Cynthia Decker respectively. The visitors were really impressed with the child-Friday, ren's musical talents.

Following the concert, the guests were invited to the children's classrooms to see all the work they accomplished throughout the year. All in all everyone had a great morning.

## No Increase Birth, Death Certificates

Oyster Bay Town Clerk Carl L. Marcellino announced that the Town would not raise the \$5 fee charged for birth and death certificates, even though these same records will now cost \$15 when purchased from the State of New York. "The State Department of

Health has notified the Town that effective immediately they will charge \$15 for copies of birth, death and fetal death certifi-cates," said Marcellino. "The Town of Oyster Bay does not feel that these increases are warranted, and has chosen to maintain the fees at \$5.

Marcellino noted that the increase which causes him the most concern is the marriage license fee, since this is one he is required by law to pass on to residents. As of May 16, his office is compelled to increase the fee charged prospective brides and grooms from \$10 to \$20. With this new fee, the Governor raised the State's revenue by ten fold, from \$1.25 to \$11.25. The Town Clerk's Office continues to retain the same Registrar's License fee of \$3.75. The balance of \$5 is the standard charge for the cost of the marriage certificate.

## 'Kids For Kids' **Charity Tourney**

Hicksville's own dynamic 12-year old girls softball and 13-year old boys baseball All-Star Pros will be participating in the 3rd annual KIDS-FOR-KIDS tournament. HBA (Hicksville Baseball Association), St. Ignatius CYO and Hicksville PAL (Police Activity League) will again have teams representing their leagues. St. Ignatius CYO Boys and Hicksville PAL Girls were the winners last year. This year, as in previous years, the community of Hicksville will have the opportunity to come and cheer on some of Hicksville's finest baseball and softball players.

Last year almost \$2,000. was raised by these youngsters. HBA will have their food shack open during this tournament and will donate all profits made during this date. Last year HBA donated \$900. profit made from the sale of food.

The A.H.R.C. (Association for the Help of Retarded Children) is the organization that was chosen to be the recipient of this charity tournament. As in the past, the A.H.R.C. and the Tournament committee will again ask sports figures (Islanders, boxers, etc.) to donate their time (and autographs too!) to this event.

An initial meeting was conducted on April 26 concerning this tournament. Present at this meeting were: Al Ciaccio (Co-ord-inator), Charlette Anstey, Joan Familigetti, Dave Nelson, Gary and Barbara Lewis, Jack Zeller and Audrey Andrews (HBA President Buzz Doyle could not attend this meeting due to a prior committment). The HBA organization will again sponsor this tournament.

Jane Senn of Hicksville shows her excitement as she graduates from Nassau Community College on May 21. Jane graduated Summa Cum Laude with a final grade point average of 3.91 and is among the top 2% of her graduating class. She is also a member of Phi Theta Kappa, the National Honor Society for two-year and Junior Colleges.

Among the graduates this year were 3 parents who graduated with their children. Jane and her son Robert were among them.

Jane has received a scholarship from Adelphi University and will be attending there as an elementary education major in September. Robert is presently applying to New York Institute of Technology and hopefully will be attending there in September. Congratulations Jane and Robert.

#### **Students Visit Philadelphia**

Friday, May 19, students assemble at Dutch Lane at 6 a.m. The bus departed with Mrs. Lynn's, Miss Cecere's and Ms. Rosenberg's 5th grade classes. On arrival the students, teachers, Mrs. Burke (principal), and Dr. Ferrin found themselves in the heart of the area associated with early history of our Nation.

During the morning, visits were made to Independence Hall. The Liberty Bell, Franklin Court and the U.S. Mint. At 1:30 p.m., The Dutch Lane Group went to the Franklin Institute. Here the students could relate to the world of science and technology.

The students had a chance to operate a giant pinball machine and sit in a pilot's seat of a jet trainer and actually walk through a super-sized model of a human heart.

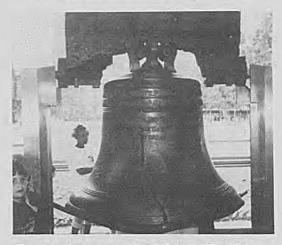

All the students had a wonderful time and arrived back at Dutch Lane at 8:30 p.m.

## Scenes From Memorial Day Parade

SLATEEN Hicksville held their Annual Memorial Day Parade and Services, Monday, May 29. It was PAGE one of the most impressive parades as is the Hicksville tradition. The Gieir-Levitt Post #655 Jewish War Veterans of the USA deserve every compliment 989 they receive for hosting one of the finest Memorial Day Parades and 6 Services. Congratulations to JWV Commander William Fielstein, Sr. Vice Commander Leo Gray and Jr. Vice Commander Herbert Gesser. They and all other Memorial Day Committee members did a superb job. It was gratifying to see so many

people who lined the parade route. From Sears, Broadway to Old Country Road and then on to Jerusalem Avenue, where the Reviewing Stand was stationed. The weather was without a doubt in our favor. Beautiful sunshine all morning. The Hicksville VFW and its Auxiliary are proud to report that the people have not forgotten the Veterans. What was sacrificed was not in vain. Those Veterans that gave their all will always remain in our memory. If you were there and heard the student speakers from Hicksville High School you will know that the youth of America are still the backbone of our country. Denise Beja and James McCrann both

seniors at Hicksville High will go

on to make this country the great

country that it is. Hicksville was honored to have as our honorary participants, the Honorable Thomas S. Gulotta, Nassau County Executive, Thomas Clark, Councilman Town of Oyster Bay, and the Honorable Daniel Frisa, Assemblyman 15 Danier Frisa, Assemblyman 15 District Hicksville VFW and its Auxiliary would like to thank all the people who participated in the parade. All the Veteran groups, Fire Department, the Knights of Columbus, the Coast Guard, the Boy Scouts, Girl Scouts, Brownies and Cubs, Little League, Schools and a special thanks to Mr. Walter Hawkins, President of Model "A" Car Club of Long Island for the use of their cars. I'm sure the Hicksville VFW speaks for all in saying "thank you". Keep on remembering the Veterans, not just on Memorial Day, but always.

## Bethpage Students Equestrian Winners

Michelle Ogden and Linda Musilli, students at Bethpage High School, were first place winners in the recent Future Farmers of America District Horse Skills Competition held at Knoll Farm in Brentwood. Participants were high school students from Nassau and Suffolk Counties and from New York City.

Michelle's award was in the English Equitation division for her performance as a "Beginner on Flat, Walk or Trot." Linda's first-place was also in English Equitation in the "Beginner over Fences" competition. Both are students in the Large Animal Care program at the BOCES Nassau Tech Center in Old Westbury.

#### **Pioneers** Outrun Northport

#### **By Jay Schwartz**

The Hicksville American 1977 Pioneers put out 100% in the last ten minutes of the game and made a flashy come from behind win look easy.

In the first half Hicksville looked tired as they moved slowly to clear the ball. They seemed confused by Northport's attacks. The pressure was on the Hicksville goalie as the defense made attempts to break up the plays.Goalie Gregory Latini made a few bouncing ball saves. The half ended with the score 0-0. The forwards Ricky Ladimir, Phil Caputo, Tommy Coffey, Richard werchenski, and Danny Wolchok worked hard to put their attacks together.

The second half began and moments later Northport scored as the defense failed to clear the ball from the box. The ball came rolling back to an opponent's feet and he took a high kick which sailed over the goalie's hands. Robert Ilsley made a nice run and dribbled up field. He passed to Tommy Coffey who crossed it for Ricky Ladimir, but the alert goalie dashed out and scooped it up. Peter Titone, now goalkeeper for the Pioneers, came out for a line drive shot and made a diving save. He tapped the ball away and then picked it up. Moments later he made a jumping tap save and put the ball over the crossbar. The defenders Robert IIsley, Joey Matz, Scan Flanagan, Russell Brousseu, Timmy Dalton, Joey Florio, Joey Croce and Dave Nelsen all tried to move the ball up field.

Jonathan Schwartz took over as goalie at the 17th minute while the Pioncer offense slowed down. Schwartz made two run and scoop saves soon after. With few minutes remaining, Danny Wolchok ran on the left side and popped the ball in for a goal after an assisting pass from Ricky Ladimir. Right after that tieing score, Phil Caputo shot a low ball the corner from a Ladimir assist, as he sent the ball up for a running attack. The Pioneers had rallied for the win and upset the Northport team.

travel team defeated. Our Lady of inning and were never headed. Mercy 5-1. Although he was under the weather Danny Meegan pitched a brilliant 6 innings of 2 hit balls. Hicksville can be proud of the effort by both teams.

On Sunday, June 4, in a come from beyond victory, St. Ignatius defeated St. Christophers of Baldwin 3-2. A superlative 7 inning pitching effort by Chris Kelly. Clutch defense by, Tommy Patterson, and Joe Ferrucci. The power hitting was supplied by Jimmy Famiglietti and Tommy Curran. The Eggie are now on the way.

#### 7th Grade Travel Team

St. Chris. 5 St. Ignatius 11 St. Chris. 5 St. Ignatius 7th grade travel team, got back on the winning track beating St. Christophers 11-5 at Baldwin Park. Led once again by Shennan Maceo who despite having teeth pulled earlier in the day, struck-out 11, displaying the heart of a Lion. The boys scored 4 runs in the 1st

Leading the run parade was, Dennis Kelly scoring 3 times and Ralph Accardo who crossed the Ralph Accardo who crossed the plate twice. Steve Talento snuffed out a possible rally in the last inning by making a great running catch and turning it into a double play. play. 8th Grade Travel Team

St. Ignatius 12 St. Williams 6 St. Ignatus 12 St. Williams 0 St. Ignatus 8th grade travel 1 team, masterfully defeated the defending Diosean Champs, St. Williams of Seaford by a score of 12-6. The game balls go to Adam Greeco, Greg Figlia and Michael Famiglietti. Adam pitched a fantastic "Birthday Present" for 1989 himself and helped his victory by scoring 3 runs himself. Greg Figlia power hitting helped secure the victory with 4 hits and ISI LAND 6 RBI's for the day. Michael Famiglietti clutch defense and 2 hits with 2 RBI's completed a TIMES great day for the team.

#### Hicksville Beats Copiague 5-1

By A. Blicker

The Hicksville Minutemen 1977 B travelling soccer team thoroughly outplayed the Copiague Raiders at the latter's field on Saturday, June 3, rolling to a 5-1 victory behind the big right foot of stopper Anthony Noya, who scored three goals for a "hat trick", and the superlative defensive play of sweeper Greg Walunas, who totally shut off the Raiders attack.

The Minutemen were on the attack from the opening whistle and scored at the two minute mark, on the third rebound of an offensive charge led by left wing Danny dePinho, on a goal by right wing Jorge deSilva. At the 10 minute mark, Noya put in his first tally, from 15 yards out. dePinho made it 3-0 at the 20 minute mark. At the 29 minute mark, Nova nailed a line drive from 20 yards out for a 4-0 halftime lead. Copiague came back for a goal early in the sceond half, but Noya got it right back at the 35 minute

mark, on another long bullet into the Raiders goal.

The Hicksville players, other than the aforementioned, also exhibited exceptional play and determination in the victory. They were: Tracy Koetter in goal and right wing; Robin Bicker at full back, wing and stopper; Bobby Wagner at fullback and wing; Declan Healy at fullback and wing; Jason Brown at right halfback; Bobby Braun at centerhalf and stopper; Brian Rigert at left halfback; and Mike Whitman at stopper. Jorge deSilva made his Minutemen debut in goal for the game's final 20 minutes and handled everything that came his way with ease.

Congratulations to my everimproving soccer team for a great effort! Special thanks to Richard Walunas for refereeing the game in the absence of the appointed referee. Thanks to my Assistant Coach, Pete Whitman, for his help, and to our sponsor, Seaman & Eisemann, for supporting our team

## Warriors Trounce Rockville Centre

#### By Karen Blicker

The Hicksville Warriors 1974 travelling soccer team annihilated the Rockville Centre Rebels 7-0 at Triangle Field on Sunday, June 4. The offense was seldom better as Hicksville poured on the pressure from the game's onset. The first goal was scored at the

32 minute mark when Brian Harking chipped the ball to Chuck Oliver who, in turn, passed it to striker Chris Doyle for the game' first tally. At the 43 minute mark, Chuck Oliver passed the ball to Terry Aylward who then headed it in for the Hicksville's second goal. Dom Perillo scored two goals in two mnutes when, at the 50 minute mark, Terry Aylaward passed to Perillo who put it past the Rebels goalie. Two minutes later. Chris Doyle fed Ferillo who, again, placed the ball in Rockville Centre's net. Karl Rice then chipped in with two added goals in just three minutes when, at the 60 minute mark, he scored on a Dom Perillo feed. Then, once more at the 63 minute mark Rice scored on a Perillo feed for the Warriors sixth goal. Perillo closed out the Warriors scoring when Eric Blicker passed to him at the 64 minute mark for the game's final goal, much to the relief of the competition.

The game saw the Warriors

play great end-to-end soccer with the team always anticipating the pattern of the ball and their next move. Hicksville never let up for a minute despite a questionable call by the ref nearing the games end. The balance of the team should all be commended for their hustle and determination; they are: Kris Friedrich, Brian Harkins, Kareem Holman, Jason Kingsley, Dave Lovato, Matt Produm and, in goal, Joe Flanagan. Thanks for a great game, Warriors, and our appreciation to Coach Pat Mchugh for his guidance and assistance.

## Library Closed For Asbestos

As previously announced, the Hicksville Public Library is undergoing an Asbestos Removal project and will be closed Sunday, June 18 through Tuesday, July 4. The Periodical Room and the Children's Library are now closed and will reopen July 5. Library patrons are reminded

that they may borrow books from neighboring libraries.

Due to the large number of videos that circulate in one day, patrons will not be abic to check out videos after June 14. The last day for taking out 7-day videos will be June 7.

Following the award today of construction contract by the Oyster Bay Town Board, work will soon begin on a new maintenance facility for the Town's Recycling Bureau, according to Town Supervisor Angelo A. Delligatti.

"The Bureau's new quarters will be located adjacent to the Central Vehicle Maintenance facility at the Old Bethpage disposal complex," said Super-visor Delligatti. "This will allow the SORT recycling trucks to be serviced and dispatched in close proximity to the recycling transfer station, which will increase the efficiency of the Bureau's operations.

The new facility will be approximately 10,500 square feet and will be built to accommodate a second story storage and office space. At the present time the Bureau is housed in extremely cramped and inadequate quarters in one of the old incinerator buildings at the disposal complex. This building is scheduled to be demolished.

MID ISLAND TIMES

Because from now until June 21st, we've lowered the rate on our Homeowners Edge<sup>w</sup> loan. So you can enjoy the potential tax advantages of a home equity loan along with the simplicity of an installment loan. At the lowest rate in the New York area.

Borrow from \$7,500 to \$50,000 with no upfront costs. And take up to 10 years to pay. We offer a choice of low rates, flexible terms and set payment schedules. With no upfront fees or closing costs. You can choose either the variable rate and take up to 10 years to pay, or the fixed rate and take up to 5 years to pay.

Use it to buy anything you want and next

April all the interest may be deductible. You can use the money as you see fit. And because Homeowners Edge is secured by a mortgage on your house, condo or co-op, chances are the interest will qualify for a full tax deduction. Which isn't always the case with other types of loans. (There are some exceptions to deductibility. Please consult your tax advisor before applying.)

Get an approval in 60 minutes or less. In most cases we can give you a decision on your application in 60 minutes or less.

Just visit The 60 Minute Loan Center<sup>™</sup> at any of our 91 Bank of New York and Bank of Long Island branches throughout Long Island and Queens.
