## Bid Awarded To Recycler

The Oyster Bay Town Board on October 23 approved a bid for recycled office paper under which the Town will receive \$50 per ton for mixed paper, \$70 per ton for white paper and \$135 per ton for computer paper, according to Town Councilman Leonard B. Symons.

"The Town's office paper recycling program was instituted in the spring of 1989, and has proven to be a huge success," Symons stated. "Since the program's inception, an average of 1.2 tons a month of white, mixed and computer paper have been recycled, making that much less that the Town has to ship out of state."

Symons noted that the bid was awarded to IPF Recycling Corp. of Garden City Park. The contract is for a period of one year.

"The office paper recycling program was a natural step in the Town's commitment to maximize recycling efforts in the Town," Symons continued. "We also hope to use our success to stimulate interest in the business and commercial sectors to become active recyclers. The Town has already helped a number of businesses start their own in-house recycling programs similar to the Town's, and the Environmental Control Commission is putting together a program to bring more businesses into the mainstream of recycling."

## 18 Restrictions On Special Permit

Eighteen restrictive covenants have been placed on special use permit granted by the Oyster Bay for a restaurant operation in Hicksville, according to Town Councilman Thomas L. Clark.

"The applicants, ESJF Corp. and 167 Broadway Realty, were seeking the special use permit to operate a restaurant in a 'G-1' Central Business District located on the east side of Broadway south of Cherry Street in Hicksville," Clark stated. "Pursuant to a public hearing held on April 24, the permit has been granted subject to 18 restrictive covenants."

The covenants stipulate that the use of the building be restricted to a restaurant with a maximum occupancy of 63 persons. The hours of operation are limited to between 10 a.m. and 10 p.m. Sunday through Thursday and 10 a.m. to 11 p.m. Friday and Saturday. The Board prohibited cabaret or commercial catering uses as well as live entertainment.

With regard to the maintenance of the property, the Board stipulated that shrubbery and appropriate landscaping must be installed and that a buffer zone be

created between the parking lot and Broadway. The property must be policed and kept free of litter and debris, and all garbage must be kept in closed containers and disposed of in accordance with prevailing regulations. The parking lot must contain spaces for 21 cars, and the handicapped spaces must be situated so that cars using them will not back out onto Broadway or in front of the restaurant entrance.

The Board further requires that there be no rotating or electrical signs and that all signs must conform to Town ordinances. Lighting must be directed only onto the subject premises and not spill over onto adjacent properties.

Clark noted that no certificate of occupancy will be issued until a site plan has been approved by the Town Board. The plan must be to scale and show all access and egress; location, layout and striping of all parking areas; location of all fencing, lighting, signs, landscaping, dumpsters and refuse containers; the interior layout of the premises and any other information deemed pertinent by the Department of Planning and Development.

## Midland Civics General Meeting

The Midland Civic Association will hold its general meeting Monday, October 29. The meeting will be held at the Willet Avenue School and will begin at 7:30 p.m. "Meet the Candidates" is the topic for the evening. Many of the local candidates running for

election this year have promised to attend. They will each give a short talk about themselves and then we will open the meeting up to a general question and answer period. Please come and bring a friend! Remember to vote November 6th!

## Hicksville Fire Dept.

### Visits Fork Lane

On Thursday, October 4, Mrs. Marra's Kindergarten Class, both morning and afternoon, were treated with a tour of a Hicksville Fire Truck. Firefighter Owen Magee let the children sit on the truck and demonstrated the flashing lights and siren for the children.

Later in the day Mr. Magee lectured the entire school on fire safety and then showed a film on fire prevention.

A special thanks to the Hicksville Fire Dept. for its help and cooperation.

Shown in the picture is the fire truck the Kindergarteners got a tour of.

## Letters to the Editor

To the Editor:

I was informed that the Town of Oyster Bay is to have a representative at the Hicksville Community Council meeting Nov. 1. This rep. will explain a proposed building and parking lot to be built on Giese property on Lee Ave.

The agenda for the Council meeting has been announced to have candidates for the coming election - usually a very full night. This rep. from the Town is supposed to explain the proposed construction and to get some input from the community.

This appears to be a rather surreptitious way to inform and to obtain community approval - of spending your tax money and adding an extra burden to our already heavily taxed area.

The building, at this time, is proposed for senior citizen use - maybe Scouts, too. This means lavatory facilities as well as storage for some equipment. Already discriminating! A building like this will become a hangout for mischief-especially at night. Of course, added Town personnel could possibly eliminate some problems. (More tax money)

Oh, yes! A parking lot - off street. Another new quiet place to park (noise, drinking, etc.???) unless supervised.

With the possibility of a school closing, why doesn't the Town have patience and explore the idea of using this facility.

We have enough parks - pocket parks, school ground areas, and county parks with varied activities, equipment and open fields. And certainly enough taxes (lease we forget the large school raise this year and possibly next year).

Please try to attend the Council meeting at the Library, Nov. 1, or write/call your Councilman or Town Supervisor about your opinion. You're a taxpayer and you count!

Charles P. Cunningham

caring. This year Dutch Lane was selected as the Special Education Pre-School, which houses the entire district's qualifying three and four year olds. In addition, Dutch Lane has two self contained special education classes. We have a long history of successful mainstreaming of special education students into regular education classes. Because of that, children with no learning problems perceive children with learning difficulties as being no different from themselves. Equally important, we also house the Academic Enrichment Program.

Dutch Lane takes an innovative and exciting approach to education. For example, some children exhibiting above grade level abilities may move up a grade for instruction in particular academic areas. Children at Dutch Lane are encouraged to strive to reach the highest possible goals.

Dutch Lane state pupil evaluation test scores indicate that our students score well above New York State expectations. Students at every level are receiving a quality education in a supportive atmosphere.

What meaningful examination of the impact of closing any particular school has been made? None. Claims that the physical plants of all eight schools are in the same condition defies logic, and has never been documented. The Dutch Lane building is in excellent condition, both structurally and environmentally. Two classrooms have recently been refurbished. The building requires only regular maintenance for it to continue to function.

Just as important as educational issues, Dutch Lane is a community school. Even before austerity, most of Dutch Lane students walked to school. If our community stays on austerity next year, our children will have to cross major roads to go to schools outside of their neighborhood. We are an informative and caring community. We have proven this consistently by voting for and passing the budget. The closing of Dutch Lane would destroy a long established community base, sending our children in all directions.

When considering the closing of schools, please remember to look not only at your pocketbooks, but also at the quality of education that is being offered at Dutch Lane School. It represents the successful interaction of a principal, teachers, other staff, its students and the community. Closing Dutch Lane will deprive the entire District of a model school to be emulated. We hope you will keep your promise to examine all the issues carefully before closing your minds and the doors of our school.

Sincerely yours,  
Dutch Lane P.T.A.

Printed By Request

Dear Mrs. Miltenberg:

I am writing to express my deep concern with regard to the student protest against an austerity budget staged during school hours on October 1, 1990 by students at the Hicksville High School which resulted in the destruction of both school and personal property. I agree wholeheartedly with Principal Richard Hogan that we "cannot condone students interrupting classes and abandoning education in order to

protest and shout down the voices of reason and authority."

I think it is very important that we respect the viewpoints of students and that they have an opportunity to express their opinions. As I see it, students have two courses of action. First, they should express their views to their parents and if their parents feel that action is warranted, their PARENTS should present any complaints to the School Board. Secondly, through their student government association, students can make their views known to the Principal and Supt. of Schools. In my opinion, students should NOT be encouraged to stage protests nor to present their complaints directly to the School Board.

The School Board should set very specific guidelines for speakers appearing before the Board and make them known to all parents and teachers. Students should be made aware of them in social studies classes each year.

Students in general are impressionable and lacking in experience and mature judgement. They can be manipulated by adults to further their own causes. In my opinion, this entire incident should be investigated by Dr. Fenton to determine if the students were encouraged by teachers to leave the High School building to stage a public protest. Any teachers found to be involved should be charged with unprofessional and irresponsible conduct for possibly endangering students entrusted to their care. I also believe that in the future, students leaving school without authorization while classes are in session to participate in public protests or demonstrations, should be expelled.

When parents send their children off to school, they have a right to expect that they are being guided by responsible, mature teachers.

Helen M. Lafferty

To the Editor:

I wish to endorse the suggestion put forth by Al Ciccio in your last edition in which he noted that the school district in the near future is going to have to shed excess property. It would be an excellent opportunity to enhance our community with the addition of a long overdue community park and the corner stone of the park, a community building, would already be in place.

It's an idea that is so simple, I wonder why the town and the school district haven't jumped at the opportunity to solve two perplexing problems.

Sincerely,  
Owen W. Magee

## News From The VFW Post 3211

By P.P.C. Carmine A. Somma  
Wm. M. Gouse Jr. Post 3211 V.F.W. Hicksville would send a package to our Armed Forces in Saudi Arabia. We ask the public for their help. If anyone has a son, daughter, husband or wife in Saudi Arabia, let us know about it by calling the V.F.W. Hall at 931-7843.

**Veterans Day Services** - On Sunday, November 4, the United Veterans Organization of Nassau County will hold Veterans Day Services at Eisenhower Park starting at 10 a.m. All are welcome.

On Sunday, November 11, the Wm. M. Gouse Jr. Post 3211 V.F.W. the host Post and the Hicksville Combined Veterans Organizations and the Ladies Auxiliary will hold traditional Veterans Day Services at the Hicksville Middle School at 10 a.m. All are welcome.

We at the Wm. M. Gouse Jr. Post 3211 V.F.W. are asking all the Veterans Groups, Fraternal, Civics Association and the public of Hicksville to get everyone to sign a petition to ask our Long Island Congressional Delegation to use Lydia Hall Facility in Freeport as a Veterans Hospital Clinic. Since Nassau County has a large Veterans population at the present time the only veterans facility is in Suffolk County which creates undue hardship for all the veterans living in Nassau and Queens County. We believe Lydia Hall in Freeport is a central location in the heart of Nassau County, easy by car and mass transit. Veterans from W.W. II are 70 years or older and Korean Veterans are 60 years and over and the Vietnam Veterans are in their 50's. All veterans from all the wars will need some medical help in the near future. We are asking all our political leaders and our Congressional Delegation for their help to use Lydia Hall as a Veterans Hospital Clinic. If any groups would like a blank petition or more information, you can call our chairman Connie Steers at 822-5938 or call the V.F.W. Hall at 931-7843.

Ray McGrath, Congressman from the 5th C.D. (R- Valley Stream) has an article in one of the local papers in Valley Stream about his meeting with U.S. Secretary for Veterans Affairs Edwards J. Derwinski. Several years ago Congressman McGrath tried to convince the Veterans Administration to open veterans care facility at the Nassau County Medical Center which has several wards of unused bedspace. The request was denied because the V.A. believed not enough veterans were in the area to use another facility. "I could not emphasize enough to Secretary Derwinski that for the past several years top decision makers were unaware of the numbers of veterans on Long Island", McGrath stated. "Last month I told the chairman of the house veterans affairs committee the same thing and he couldn't believe it. We have several hundred thousand veterans on Long Island and the level of health care currently available is inadequate.

Every Wednesday and Friday from 9 to 2 the V.A. Satellite Clinic from Northport is at the

V.F.W. Hall 320 So. B'way. Comrades and sisters of the Post serve coffee and doughnuts to vets who come for medical help at the V.S. Satellite Clinic.

## 'Flowers For Algernon' On Nov. 8

The Department of Performing Arts at Holy Trinity H.S., Hicksville, will present, "Flowers For Algernon" on Thursday, November 8, at 7:30 p.m., Friday, November 9, and Saturday, November 10, at 8 p.m. in the Trinity Theatre. # ARE YOU OVERLOOKING LONG ISLAND'S WILDEST NIGHTLIFE?

Photos by Don Sims

The black-crowned night heron (*Nycticorax nycticorax*) is a mostly nocturnal native Long Islander who is highly discriminating. You won't find him at just any watering hole. And for dinner the fish had better be fresh, the ambience unhurried.

You might say the black-crowned night heron is a hard bird to please. But The Nature Conservancy has been working hard for 38 years to provide the night heron and hundreds of other animals and plants the finest accommodations available on Long Island.

We've saved 18,000 acres of ecologically significant land on Long Island alone, from the last 19-acre remnant of the Hempstead Plains to our 2,000-acre Mashomack Sanctuary on Shelter Island. Nationwide, we've preserved nearly 4 million acres of forest, prairie, desert, island, and mountain. And our international program is fighting to save the world's rapidly vanishing rain forest.

You can help The Nature

Conservancy do its vitally important work. For \$15, not much more than the cover charge for one of Long Island's hottest night spots, you can become a member of the Long Island Chapter. You will receive the *Long Island Chapter Newsletter* and

*The Nature Conservancy Magazine* to keep you informed of Conservancy activities. As a member of the Long Island Chapter, you can participate in hikes and education programs led by experienced naturalists, and you are welcome to volunteer to take part in Chapter operations.

If you're concerned about Long Island—not just about its native flora and fauna but also about the

water we drink, the air we breathe, and the quality of life here—we urge you to give us a hand. Just call (516)367-3225. You can help protect your environment. And you can have a wild time!

## Comets Capture Div. L. Champ

Hicksville Comets Beat Southside 3-1

The Hicksville High School Comets, last year's Class 1 Division Nassau County soccer champions, continued to dominate by outplaying Southside (Rockville Centre) on Saturday, October 20, at our School Field. Parents, friends and fans packed the bleachers to watch Hicksville come from behind a second half 1-0 deficit to win 3-1.

Goals were scored by Chris Doyle via Brian Harkins throw in; Mark Flynn from Jason Kingsley; and Dom Perillo on his own rebounding shot. The Comets record, as of October 22, for League play, is 7 wins, 1 tie, 3 losses, which puts the team in a three-way tie for first place with one game remaining prior to playoffs. In a recent voting of Nassau County coaches, Hicksville was ranked first and in a State Class A Poll last week, the Comets were ranked fifth in the State.

In addition to the team's superior play, the Comets are fortunate to have a core of devoted parents who not only support the kids at home games, but travel to their away games to cheer on the team. Three cheers for these supportive parents! Thanks as well to Jen Lane and Doreen Barile for their valuable assistance at the scorer's table.

The Comets consist of: Dom Perillo, Chris Doyle, Jason Kingsley, Mark Flynn, Les Spence, Erik Matz, Jason Kingsley, Brian Harkins, Mike Valente, Eric Blicher, Nick Cirigliano, Tim Blind, Brian Garnets, Mike and Danny Longo, Karl Rice, Brian Rooney, Sapreet Singh.

Sure-handed Julio Ortiz is our terrific goalkeeper. Congratulations for a job well done, guys! Congratulations, too, to Coach Ed Moeller and Assistant Tom Manaskie for their fine efforts inguishing this team that makes us so proud, consistently, year after year.

**Hicksville Comets Outplay Oceanside 3-1 to Clinch Division I Soccer**

The Comets journeyed to Oceanside Monday, October 22, for the season finale and beat the latter 3-2. Goals were scored by Chris Doyle (2) and Brian Harkins. Congratulations on your Division I record of 8 wins, 1 tie, 3 losses. Playoffs begin Thursday, October 25. More next week!

## Young-Cooley Wedding

T/Sgt. James C. Cooley, Jr. formerly of Bethpage, son of James C. Cooley, Sr. the Bethpage Poet, was married on September 22. He is now in the U.S. Air Force stationed in Plattsburgh, N.Y. He married Miss Cynthia Young, daughter of

Mr. and Mrs. E.D. Young of Watertown, New York. The couple are both in the air force stationed in Plattsburgh. T/Sgt. Cooley attended the Bethpage High School and was graduated from there.

## Assembly Candidate Says 'Time For Change'

State Assembly Candidate Carol Reden talks with Bethpage Democratic Committee member Louis Digena about the problems facing the community during her recent visit to Bethpage.

"It's time for a change," State Assembly candidate Carol Reden told a group of Bethpage Democrats at a campaign appearance last week.

Reden, a Registered Nurse who specialized in elderly and hospice care, has made affordable, accessible health care, a cleaner environment and a reformed state school aid system top issues in her campaign.

"I know the problems many face - especially the elderly - in finding quality, affordable health coverage because I worked in the field for 19 years - not talked about it in Albany," Reden told the crowd.

Reden, who recently earned her law degree, also talked about her hands on environmental experience. She worked for the National Wildlife Federation in Washington and is currently enrolled in an advanced environmental law program at Pace University.

As for school aid, Reden said the system must be reformed to help high tax areas like Bethpage. "Politicians have talked about the problem for years and haven't done anything to solve it."

Reden has a plan to end budget statemates which hurt taxpayers, like the recent problems in Washington and last spring's budget crisis in Albany. She said legislators should lose two days pay and benefits for every day the budget is late.

Reden also talked to Bethpage Democrats about crime - she supports a public referendum on the death penalty to break the political logjam in Albany.

"We need a change in Albany, and I'll bring that change," Reden concluded.

# This is what free checking at most banks adds up to.

Free checking and savings deals at some banks can really cost you.

Sure, you save a few dollars on your checking account, but you end up earning less interest on your savings account.

**Only we offer free checking linked to Priority Savings\* paying the highest rate of any major bank.**

Free checking with savings at The Bank of New York is different. Our free checking is linked to Priority Savings,\*\* which has paid higher interest more often on money market savings than any other major bank since 1988.

Priority Savings™	
<b>8.00%</b> Annual Yield	<b>7.70%</b> Annual Rate

What's more, you don't have to worry about maintaining a minimum checking balance. If you have as little as one dollar in your checking account, you're in business. And you can open a Priority Savings account for as little as \$2,500.

## Free first order of checks.\*

So why not take advantage of the best free checking and savings deal in town? As an extra bonus, you'll even get your first order of personalized checks, in the design of your choice, absolutely free. As well as a free ATM card, with no ATM fees at any Bank of New York or thousands of NYCE\* locations.

Just visit one of our more than 240 locations, many of which are open Thursday or Friday evenings and Saturdays. Or call us at **1-800-422-1784**.

When you consider how much you stand to gain, you'd be nuts not to.

**We're making it hard to bank anywhere else.**

\*Yield assumes principal and interest remain on deposit for a full year at the same rate of interest compounded daily. Rate subject to change monthly. Savings balances below required minimum will incur fees. Minimum savings balance required to qualify for free checking and free first order of checks. Comparison based on a survey of comparable accounts since September, 1988, conducted by an independent source. \*\*Free Checks offer expires December 1, 1990. ## Hicksville Steamrolls Elmont

The Hicksville Minutemen 1977 B travelling soccer team steamrolled the Elmont Rowdies for a 4-1 victory at Cantiague Park Sunday, October 21, to improve their L.I. Junior Soccer League record to 2 wins, 2 ties, and 1 loss, led by the great play of Andres Turcios at left inside halfback.

The first half was an evenly matched period of soccer, with each team having many opportunities, both scoring, for a 1-1 halftime tie. Jorge daSilva, at striker, put the Minutemen tally off a feed from Brian Rigert, at left wing, at the game's 30 minute mark. Elmont came back to tie, at the 32 minute mark. The second half was Hicksville's best soccer of the season, as they totally dominated the opposition, with only a dozen saves on the part of Rowdie goalkeeper keeping the game from being a rout.

Tommy Coffey continued his 'hot' play, converting an Andres Turcios feed at the 48 minute mark. At the 58 minute mark, Brian Rigert headed in a cross from deSilva. At the 66 minute mark, following a save of a daSilva penalty shot, plus two more rebounds by the Elmont goalie, left wing Danny dePinto converted, with the assist going to halfback Anthony Noya, who had taken the prior shot. The Minutemen kept up the offensive pressure right up to the final whistle, including another goal, which was called back by an offside.

In addition to the aforementioned, the Minutemen are: Bobby Braun, who had a sensational first half in goal, fending off all but one Rowdie shot; Tim Dalton at left fullback; Richard Werchenski at sweeper and right fullback; Greg Walunas at right fullback and sweeper; Jason Brown, with a great game from right outside halfback; Alcino Silva at halfback and wing; and Bobby Wagner at wing.

Congratulations to the Minutemen, Coach Tony dePinto and Assistant Coach Al Blicher for a great, winning soccer game. Thanks to sponsor Seaman & Eisemann for their continued support. Get well soon to Christine Rigert, Brian's sister.

## Right Around Home

By Maureen Traxler

The light-hearted, toe-tapping renditions of the Long Island Harmonica Club will once again resound through the Hicksville Library community room. Members of the group will be there "in concert" on Sunday, November 4, at 2 p.m.

The club is proud to be the recipient of the Harmonica Award presented by the Society for the Prevention and Advancement of Harmonica at its recent national convention in Detroit. It was a surprise to the group and was graciously accepted by Chamber Huang of Long Island.

The Island's chapter boasts close to 100 members, including retirees, with a varying degree of expertise. For many its a hobby which brings camaraderie and much enjoyment. The members of this easy-going organization play harmonicas large and small.

Every year there is an international competition. This year, the event was held in Germany, with 22 countries participating. The Long Island chapter has had a fourth place winner, the son of its president, Bob Bower.

Hicksville resident Ed Bady is a member of the Harmonica Club. Ed recalls going with club members to an elementary school in Queens. They played at an assembly for the youngsters, and then the students whipped out their harmonicas and played for the club members. The school's musical program included harmonica playing as part of its instruction. Truly a different technique.

A favorite instrument of soldiers and cowboys, and almost every child, the harmonica is intriguing.

Mrs. Ann Maccarrone, Corresponding Secretary of the Bethpage Senior Citizens Friendship Club, reports that the group will be holding their annual Boutique Sale on Saturday, November 10, beginning at 9 a.m. The sale will be held at their Burkhardt Avenue headquarters. All are welcome to stop by and indulge yourselves in early purchases for the holidays.

## H.H.S. Alumnus Fortunoff Vice Pres.

John Fallon

John Fallon of Centereach, an alumnus of the Hicksville High School, has been appointed a vice president at Fortunoffs.

Joining the staff of the Westbury store, when it opened in 1964, Mr. Fallon has risen steadily, through positions of increasing responsibility. Starting as a camera salesman, in the same year he became Assistant Buyer in Housewares, was promoted in 1967 to Assistant Buyer in Food and to Buyer in Housewares in 1970. In 1988 he became Senior Buyer, responsible for Fortunoff's Houseware, Hardware and Cookware.

As buyer for the renowned three Fortunoff stores, Mr. Fallon has traveled frequently to countries of the Orient and to European manufacturing centers. Fallon, his wife Janise, sons Jeff, John and daughter-in-law, Donna, reside in Centereach. He is the son of John and Dot Fallon, former Hicksvillites, of Huntersville, North Carolina and the son-in-law of Mrs. Pat Hodgkinson of Hicksville.

### Hearing Resched.

A public hearing on a request for a change of zone in Hicksville from a "D" Residential District to "R-O" Residence Office District originally scheduled for October 9 has been rescheduled for Tuesday, October 30, by the Oyster Bay Town Board, according to Town Councilman Douglas J. Hynes.

"The applicants, Harry Ravetz, Giovanni Cimmino and Ferner Mollberg, are seeking the change of zone from 'D' Residential District to 'R-O' Residence Office District for the purpose of utilizing the premises as an accounting office," Hynes stated. "The property is located on the north side of Old Country Road, west of South Elm Street also known by the street address of 156 Old Country Road, Hicksville."

The meeting is scheduled for 10 a.m. in the hearing room of Town Hall East, Audrey Avenue, Oyster Bay.

## Dutch Lane Visits Carvel

Monday, October 22, was an exciting day for Miss Kiely's 2nd grade class when they took a walking trip to one of our local Carvel Stores. It was a perfect day and the children always enjoy this trip, because they get to learn how one of their favorite treats is made. Best of all the children get their very own sample of ice cream and some treats to take home!

The students anxiously raise their hands to ask questions about Carvel.

Miss Kiely and her class watch as Mrs. Fried, a Carvel cake decorator, begins to put designs on the cake.

At the Newbridge Carvel Cake Store are: Mrs. Fried, Miss Kiely and students, Jade Bottitta, Michael Cummins, Johnathan DeFilippas, Jason Fleischman, Scott Hoffer, Thomas Howell, Samra Khezri, Michelle Lovastik, Sean McCarthy, Eileen Perchinaki, Jason Rogers, Victoria Snack, and Julianne Sullivan

**Plastic and Reconstructive Surgery**

Plastic surgery is often thought to be limited to cosmetic surgery. While cosmetic surgery - a procedure that is done solely to improve the appearance of a feature - is one type of plastic surgery, there are many others.

Plastic surgery can correct a range of abnormalities, including devastating problems like severe facial disfigurement resulting from serious illness or accident.

Now physicians at North Shore University Hospital at Glen Cove - specialists in plastic surgery - can successfully restructure most cases of facial disfigurement. A Maxillo-

facial External Fixator System, newly acquired by the hospital, enables plastic surgeons to reset shattered facial bones so that they may heal with little or no trace of injury.

Other advanced procedures - the correction of congenital deformities, micro-surgery, trauma repair, hand surgery, and cosmetic surgery - are regularly performed by plastic surgeons in one of North Shore University Hospital at Glen Cove's six operating suites.

State-of-the-art facial reconstruction...just one of the steps we are taking to make your hospital outstanding.
