## Recycling Ranger

Oyster Bay Town Councilwoman Ann R. Ocker joins with Town Councilman Leonard B. Symons in congratulating Parkway Elementary School student Alex McLaughlin, who was the 10,000th youngster in the Town of Oyster Bay to be sworn in as a Recycling Ranger. The Plainview students, like the thousands before them, pledged to assist Town Supervisor Angelo A. Dell'Osso in his recycling efforts, which, in turn, helps preserve and protect the integrity of their environment for the future.

## Eagle Scouts Recognized

Oyster Bay Town Councilman Leonard Kunzig (second from left) presents citations to Brian Thomson (left) and Daniel Blatya (second from right) of Bethpage Boy Scout Troop 604 in recognition of their achieving the rank of Eagle Scout. Also on hand for the event was Scoutmaster Gene Talbot.

## Colonial Club Installation

Oyster Bay Town Councilwoman Ann R. Ocker (second from left) recently joined with members of the Plainview Colonial Club at their Installation Dinner and presented a certificate of merit to President Dorothy Anger for her dedication and commitment to the club. Also on hand for the event (left to right) were Treasurer Anne Bernstein and Corresponding Secretary Mille Bruck.

## Poppy Queen

Michelle Imperato was the Poppy Queen at the Memorial Day Parade, May 27. She is the Poppy Queen for 1991 and the 7-year-old granddaughter of Vincent Ferraro, who is the Commander of the V.F.W. Post 3211 in Hicksville.

## Car Wash Permit Denied

A request for a special use permit in Hicksville has been denied by the Oyster Bay Town Board, according to Town Councilman Tom Hogan.

"The applicants, Amoco Oil Company, lessee, and GAK Properties Limited Partnership, fee owner, were seeking a special use permit in a 'G' General Business District to construct, maintain and operate a car wash, a twenty-four hour filling station and a public garage," Councilman Hogan stated. "The property is located in Hicksville beginning on the northerly side of Old Country Road and the easterly side of Charlotte Avenue Extension."

In denying the application, the Town Board found that the requested uses would be incompatible with the general area and inappropriate for the subject parcel, creating a use intensity that would be inconsistent with surrounding uses. The Board concluded that the proposed car wash would adversely influence the flow of traffic, creating increased hazards to pedestrians and drivers. They also noted that there is insufficient space on site to accommodate auto stacking, drying and off-street parking. In addition, the Board found that there are no other twenty-four hour uses in the immediate area and the addition of such a use, coupled with the overall nature of the operation, would be detrimental to the abutting residential properties and would not be in keeping with the spirit, aesthetic objections and intent of the comprehensive zoning plan of the Town.

Councilman Hogan noted that a public hearing on the request for a special use permit was held on Tuesday, January 23, 1990.

## Residents Vote "Yes" On Budget, Propositions

By Maureen Traxler

The big story at the Hicksville School Board meeting last week was not found on the printed agenda, but in the euphoric cheers, the standing ovations, and the smiles on the faces of board members and administrators, parents and PTA members, students and other residents. The standing-room-only crowd expressed a collective sigh of relief when District Clerk Janet Ullrich announced the passage of the school budget for 1991-92 and the two other propositions calling for the renewal of the district's service contract with the Gregory Museum and reinstatement of in-district daily bus transportation for students at pre-austerity levels.

Residents also cheered for the three newly-elected trustees to the Board of Education. The winning candidates were Mrs. Helen M. Lafferty, Richard H. Pfaender and James M. Black.

Trustee-elect Richard Pfaender, who ran for the unexpired seat of JoAnn Miltenberg, was immediately sworn in and took his seat alongside the present five board members. Mr. Pfaender commented that this election reflected "a mandate for change in Hicksville." He added that the community has "finally come together to support education and changes to move this district forward."

Trustee-elect Richard Pfaender, who ran for the unexpired seat of to fulfill the remainder of Mrs. Rooney's term, the seat which he successfully won, and bring the board to its full seven-member strength. Board President Carol Wolf cautioned the board to hold its decision until attorney Greg Guercio can determine the legality of such a move.

It was learned earlier this week that the attorney freed the board to make the appointment, and Mr. Black was sworn in as the seventh trustee on Tuesday, May 28. Mrs. Lafferty will begin her term, assuming the seal of retiring Bill Bennett, on July 1, 1991.

The 1991-92 school budget passed on Wednesday, May 22, racking up 3853 ayes to 2329 nays, an overwhelming 1524 vote margin of approval. This is one of the largest voter turnouts in recent years, with 6182 residents exercising their right, in striking contrast to the 2222 residents who came out to vote in 1986. The number of residents who are participating in the school elections has grown steadily since that time.

The Hicksville school budget had not passed on the first vote since 1985. The district reached its low point last year - a year in which voters Island-wide were extremely tough on school budgets - when it failed twice to achieve approval and went on austerity.

Proposition 2, a \$30,000 service contract expenditure for the Gregory Museum, won approval 3398 to 2481. Rosemary Barrow of the Gregory Museum addressed her comment to those who say they "pass it so many times." She urged, "Why don't you come in and visit us." She reminded residents that with a renewed contract, the Gregory Museum will "go back to free admissions for the people of Hicksville."

Proposition 3 restores daily in-district bus transportation to students - public, private and parochial, beginning in September 1991. Although district-wide only some 80 students received transportation this year under the State-mandated austerity levels, this proposition received resident approval by a slim 305 votes, 2989 to 2684.

Mrs. Lafferty, commenting on her anticipated year of cooperation with the current members of the board, said that there is "a lot of work to do," and that she will work "for the children and the taxpayers." Mrs. Lafferty received 3696 votes. Her nearest opponent, Susan De Freitas, received 1168 votes, and Mary Carton received 710.

Richard Pfaender won 3629 votes over his opponent, Kevin Asher, with 1902. "I am proud of the people of Hicksville that they gave the children a budget," said Mr. Pfaender, "and voted for three board members who will work hard so that we can continue to pass budgets."

Mr. Black expressed "appreciation to the people of Hicksville for the mandate they gave my running mates and I." He said that during his campaign he stressed that it was time to bring a new day to Hicksville and that "with the help of the people, he will do that." As for the future, he said he will be "glad to be able to focus on the other major issues." Mr. Black won 3824 votes, with his opponent, Jeffrey A. Siegel, receiving 1661.

Commenting on the approval of the three propositions, Mrs. Wolf thanked all the different groups who worked for passage for their efforts. "You have been wonderful," she said.

"I am glad I am leaving the district with a budget in place," said

## Editor's Notebook

Every day we read more and more about the state's sorry state. School districts, villages and towns are up in arms about the loss in aid from Albany, which will impact disastrously on next year's budgets.

Here is what Assemblyman George Madison has to say on the subject:

"It is obvious that New York State is plagued by wasteful spending. Nowhere is it greater, or more despicable, than at the higher echelons of state government. New York State is being run as if it were a multi-million dollar corporation making substantial profits. The problem is that our 'corporation' is being run and expanded at taxpayer expense and the 'product' we're receiving is a deficient one."

"While state workers continue to be laid off, taxpayers are asked to shell out more of our incomes, and the quantity and quality of state service provided declines, one has to wonder just where the money is going. Let me enlighten you.

"State University of New York (SUNY) Chancellor D. Bruce Johnstone lives in a four-floor Albany penthouse owned by taxpayers. He pays us not rent, but a \$3,012 yearly maintenance fee. This comes out of the \$157,000 annual salary we pay him. But Johnstone isn't the only one."

"Twenty-six SUNY presidents live in state-owned homes. All of them pay only this yearly maintenance fee. For the five SUNY presidents who don't live in state-owned homes, they receive up to \$24,000 in yearly housing allowances on top of their generous salaries. The continuation of such perks hardly constitutes 'sharing the pain' during this time of budgetary crisis.

Chief of the New York State Department of Education, Thomas Sobol, pays only \$123 a month in rent for his five-bathroom, five-fireplace home in the distinguished Albany suburb of Loudonville. On top of this perk and his \$131,000 annual salary, Sobol gets a \$10,000 a year stipend for the costs of the meetings he holds at 'his' home. Should our dollars be going to fund these luxuries rather than to the school districts which educate our children?

"According to Comptroller Edward V. Regan, there are currently 242 state employees making over \$110,000 a year. There are another 346 employees making between \$100,000 and \$110,000 a year. More than 2,700 state employees earn between \$90,000 and \$100,000. The New York State Department of Labor estimates that the average state employee brings home \$60 a week more than his private sector counterpart performing the same job.

"Hard-working, middle class Long Islanders struggling to put their children through college and pay property taxes have been forced to cut the 'fat' out of their budgets. Isn't it time New York State did the same?"

## Letters

To the Editor:

On behalf of the Hicksville Council of PTAs, I would like to thank everyone who supported the budget. Its successful passage is the result of many people working together to inform our community of the importance of a budget in terms of the educational opportunities it offers our students.

As advocates for over 4,000 Hicksville students, the PTA remains committed to our children and youth. We offer our help and assistance in the months ahead as the School Board reorganizes and a new superintendent is hired. Should discussions on school closings or the movement of the 6th grade to the Middle School commence, we ask that PTA be involved in the process from the beginning. Thank you.

Peggy Theis, President  
Hicksville Council of PTAs

## Memorial Tribute At Veterans Park

By Maureen Traxler

From Lexington to Desert Storm - Their Sacrifices Preserved Our Freedom. The theme of this year's Hicksville Memorial Day Parade and Services defined a nation's dedication to the memory of the brave men and women who fought our country's great battles.

James Carroll, Past Grand Knight of the Joseph Barry Council 5250 and principal speaker at the services held on May 27 at the Middle School Veterans' Pk., recalled the fallen soldiers who "gave their lives so that freedom could be our gift to the world." He noted that it is only fitting to "publicly thank those who served in our nation's conflicts...They deserve your support no matter how we feel" about the encounter personally. "Let us remember those men and others who made it possible for us to be here today."

In conclusion, Mr. Carroll challenged residents "to rediscover your pride in this country, to rediscover your pride in Hicksville."

Hicksville High School student speaker Chris Munson, referring to the families of our war dead, said that in time "they will come to understand the gift that their sons and daughters have given us today." He quoted Mark Twain: "It is a worthy thing to fight for one's freedom. It is another sight finer to fight for another man's."

The Gold Star Mothers assisted in placing wreaths on the war memorials - World War I, World War II, the Korean War and the Vietnam Conflict. Early on in the parade route, Commander Richard Hochbrueckner of the American Legion, Charles Wagner Post 421, placed a wreath on the war memorial in Kennedy Memorial Park.

The ceremonies ended with the traditional 21-gun salute fired by the Veterans of Foreign Wars Rifle Team, and Taps in echo played by high school trumpeters Elizabeth Jurgenson and Christopher Kemmler.

American Legion Commander Hochbrueckner places a wreath at the John F. Kennedy Memorial honoring Hicksville's war dead.

## Exhibit At Jericho Library

"The Thirty Artists" is a watercolor group that traces its beginnings to the mid 1970's when a small number of Long Island artists who worked together at the National Art League decided to embark on a painting trek to Greece. This symbiotic nucleus expanded in succeeding years by nurturing their mutual support system, their comradery and shared professional information. Each week they meet at the National Art League to

paint and then conclude with an in-depth critique.

Serious dedication has rewarded the members with solo exhibitions, notable newspaper reviews, awards in galleries and museums and memberships in prestigious art organizations. The diversity of styles and subject matter, realistic or abstract, is uniquely individual. This exhibit will be on view in our meeting room/art gallery for the month of May.

## H.S. Seniors 'Adopt Eggs'

Seniors in the Hicksville High School Sociology classes participate in an activity each semester which requires them to "adopt" an egg, name it, cloth it, carry it about with them during the school day and to accept full responsibility for their respective "infants". The egg, representative of a newborn child, is used to raise the consciousness of each student to appreciate the meaning of being responsible for someone other than themselves. At the conclusion of the activity, the students exchange their thoughts, feelings and insights in an atmosphere of sharing and fun. A contest is held for the best effort in preparation and care, with teachers acting as judges. The sociology course, "American Family," is taught by Anthony Call. ## Eligible For Scholarships

Hicksville High School has announced those students eligible for the 1992 National Merit Scholarship Program. Eleventh-graders Daniel Bianco, John Butt, James Fitzsimmons, Soo Young Kim, Melissa Master and Courtney Reynolds have placed among the approximately 50,000 of the highest scoring participants on the 1990 PSAT/NMSQT exams, which determines those students eligible for this honor. Of the 50,000 "high scorers," who have shown outstanding academic potential, only about 15,000 of them (the top scorers in each of the 50 states) will be honored as Semifinalists. The other 35,000 will be commended for their performance on the PSAT/NMSQT exams, but only semifinalists will have an opportunity to advance in the competition for some 6,000 Merit Scholarships to be awarded in 1991. Semifinalists and Commended Students in the 1992 Merit Program will be informed of the standing in September 1991. Good luck to all six of Hicksville's candidates! L. to R.: Guidance Counselor Sheldon Lieber, Melissa Master, Courtney Reynolds, John Butt, Soo Young Kim, James Fitzsimmons, Daniel Bianco, Guidance Counselor John Miller, Principal Richard Hogan.

## Presidential Fitness Awards

## Harvard Prize

Hicksville H. S. Junior James Fitzsimmons has received the prestigious Harvard Prize Book, awarded to an outstanding eleventh-grade student who "displays excellence in scholarship and high character, combined with achievement in other fields." The winners of this award, through their intelligence and variety of achievement, exemplify Harvard's concern for excellence.

James is currently a hospital volunteer who plans on pursuing a career in medicine, specifically pediatrics. He credits his grandfather as having been a great influence in his life because of his "inner strength and courage in meeting life's trials."

James, whose favorite subjects include science and English, enjoys reading and is a member of the String Ensemble. His strong points are his perseverance, concentration, compassion, dexterity, and a sense of the aesthetic. "While I try to do my best in school, I strive to keep my sense of balance and humanity."

L-R: Social Studies Chair Ken McGinnis, English Chair Steve Aronowitz, James Fitzsimmons, Guidance Counselor John Miller, Principal Richard Hogan.

## Desert Storm 'Pen Pals'

John Roach, a sergeant in the U.S. Army Reserves, stationed in Sandi Arabia, came to Woodland Avenue School to speak to the children in Mr. Mandel's and Mrs. Ulrich's classes and thanked them for their letters and support during Operation Desert Storm. He showed them some of his Army gear and answered their many questions.

## Career Counseling At Library

Free, confidential career counseling is available at the Hicksville Public Library. If you want to update your resume or wish to re-enter the job market or if you are thinking about a career change, the Career Counselor can help. Call 931-1417 for an appointment.

## Senior Citizen Annual Recital

The Hicksville High School Jazz Orchestra, String Ensemble, Madrigal Singers and Drama Club entertained senior citizens at their annual recital at the Levittown-Hicksville Senior Citizens Hall on May 1.

Under the directorship of James McRoy (Jazz Orchestra), Amy Noll (String Ensemble), and Dan Kristoff (Madrigal's), the students sang and performed brilliantly, including the Jazz Orchestra's "In the Mood," to which several seniors danced in

the aisles. Additionally, students Stacey Heyer and Billy Paulovich performed an excerpt of the high school drama production, "Plaza Suite," under the direction of Judith Paseltiner.

Among the seniors enjoying the recital were Josephine and Frederick Fischer, 25-year members of the Levittown-Hicksville Senior Citizens Club. Additionally, the happy couple will be married 70 years come October 8, and Fred turned 93 years young on May 4. Congratulations!

## Nursery School

### Open House

The Hicksville Nursery School is holding an Open House for Fall registration on Tuesday, June 4 from 10 - 11:30 a.m. for parents of 2, 2½, 3 and 4 year olds in the school classrooms at W. Cherry Street and Nelson Avenue.

The Hicksville Nursery School is a non-profit, non-sectarian cooperative located in the back of the United Methodist Church. Founded in 1967, it has offered twenty one years of quality education to hundreds of preschool children as well as serving as field training center for students from S.U.N.Y. Farmingdale, Nassau Community College and Adelphi University.

The school seeks to offer the young child an environment in which he can grow emotionally, socially, intellectually and physically under the careful supervision of a fully trained staff. The program provides varied activities with an abundance of materials and opportunities for free creative expression under the guidance of skilled, N.Y. State Early childhood certified teachers. Art, media, woodworking, music and rhythmic movement, language arts, storytelling, dramatics, puzzles, doll corner, books and manipulative toys are all part of the daily program. A huge indoor playground permits daily large muscle activity even in the worst weather. A mid-session snack of milk or juice and crackers or fruits and vegetables is provided. Field trips are included to broaden the child's understanding of the world he lives in.

All parents who wish to, can share in the administration of the school. Monthly business meetings give parents the opportunity to make decisions on administrative needs. There are lectures, films, and "rap groups" to help parents learn more about parenting. Fundraising projects are most often social events helping young families meet other adults who are at the same stage in life.

We invite all parents of pre-school children to join us for a chance to play and learn together in our spacious well-equipped rooms. For further information, call 681-6415 or 681-8246.

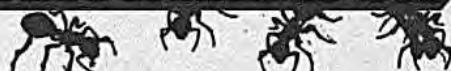

### Art Teacher Gives Presentation

Hicksville High School Art Teacher Cynthia Appold gave an excellent presentation at the 31st Annual Convention of the National Art Education Association held in Atlanta, Georgia, on March 20 through 24.

Ms. Appold's presentation of Hicksville's Computer Graphics Program, which was well attended, explained the premise, approach, equipment and course content, and featured a continuous visual display of student work. Two video tapes and slides were used to explain the Computer Graphic I and II classes.

This presentation was well received at the convention, bringing much credit to Hicksville.

## Lessons Found In Tragic Mall Fire

The tragic fire at the Walt Whitman Mall in Huntington Station in which two persons died should not pass without some lessons learned for all of us. Ex-Chief Owen Magee of The Hicksville Fire Department's Public Fire Safety Education Unit states the one major mall in Hicksville - the Broadway Mall - has in recent years been brought up to date for fire safety. After two serious fires in the '60's the Mall and its stores are all protected by automatic fire sprinklers not only below the ceilings but above as well (where many fires can start and progress without notice).

Fire alarm pull stations, marked exits, uncluttered mall areas and security patrols all help to catch a fire in its early stages. However, there is always a chance a fire will be set on purpose as was the case in the tragic hotel fire in Puerto Rico.

In light of this - Magee cautions that we should always be prepared and when we are in crowded malls, stores and in particular the large over stocked, narrow aisle flea market type stores - always keep an exit in sight. Just like in a house - if you are not prepared to get out in a hurry you can get into trouble.

The mall and large stores like Sears and Ikea are all connected by automatic fire alarms to central alarm facilities who relay the alarm to the Fire Department. There have been some complaints from shoppers about Ikea. The building is huge and if you don't pay attention you can get confused. But, Magee points out the Ikea management is working with local fire officials to correct problems as they are reported and alleviate consumer fears.

A serious problem that confronts all fire departments is shoppers indifference to parking in fire zones and blocking fire hydrants. In event of a fire, valuable time is lost by firefighters getting up to the building and getting a water supply. Blocking a fire hydrant from access by firefighters is like taking a police officer's gun away from him. It is the major tool needed to carry out the job in many instances.

The fire safety unit urges all shoppers to:

- 1) Be aware of an exit at all times.
- 2) Report blocked or locked exits to store managers and Fire Dept. (both).
- 3) Cluttered aisles are a hazard. Don't hesitate to point it out to store management.

All of the above are violations of the law.

In addition to the above the following will greatly help your firefighters:

- 1) Don't block fire hydrants
- 2) Don't park in the fire zones.
- 3) In a fire situation - do not attempt to drive over fire hose (it's a violation). Ask for help and directions. And finally - treat yourself to a movie and go see Director Ron Howard's "Back-

draft" and experience what firefighters experience. You will be amazed at the destructive force of fire, and what it takes for firefighters to battle and overcome the "Red Devil."

Half the price of a postage stamp. That is all this newspaper cost you per week delivered to you by mail.

## Supt. Retiring

Oyster Bay Town Councilman Leonard Kunzig (left) presents a citation to Bethpage School Superintendent John Sommi, who, after 13 years with the district, is retiring. Also on hand for the presentation was Sommi's wife, Catherine.

## HBA News Update

### Boys Instructional

The Yankees, sponsored by Westbury Savings & Loan, and managed by Joe Restivo played the Mets, their cross town rivals on Sat., May 18. The fans had plenty to cheer about as David Skelly grabbed a hot smash and doubled a Met runner off 3rd base. Matt Restivo continues his good hitting going 4/4 and scoring 2 runs. Anthony Minervini, Mike Kalos, and Mike Recher contributed 3 hits each. Billy Cain added 2 hits and scored once. Our outfield of Patrick Mullen, Eugene Pietzak, Chris Colantropo and Joey Ahern all made fine throws to keep the Mets from scoring big runs. Great game guy!

This past Saturday, the Yankees and Reds played a real scorcher of a game at the instructional field. David Skelly led his Yankee teammates with 5 base hits, Matt Restivo and Billy Cain each collecting 4 hits. All the Yankees reached base safely for a complete team effort. Greg Kryeski, Eugene Pietzak, Joe Ahern, Anthony Minervini, Mike Kalos and Patrick Mullen all continue to improve their skills each time they play. Watch out instructional division, the Yankees are on the way up!

The Pirates, team #1, sponsored by Goldman Bros. and managed by Jim Cockren met the Reds on May 21, and the improvement in all the boys was in evidence as the team started. The Reds defense held the Pirates scoreless until the 3rd inning when the Pirates bats came alive. With 3 hits apiece were Chris McKenna, Chris Cockren, Jesse Roestenberg, Michael Walsh, Kevin Fitzpatrick and Brian Oswald. Gerard McNicholas, Daniel Landers, Chris Bretton, Brian Murphy, and Jimmy Carapezza also had good hits. On the field Jesse Roestenberg caught a pop fly at second base in the 1st inning and then stepped on 2nd base for an unassisted double play. Great play Jesse! Steven Kessler made some great plays at 1st base while Doug Pinelli caught a hard grounder at 2nd base for a put out. Andrew Cardenas and Brian Murphy also made nice plays at the pitchers mound.

These same Pirates, Goldman Bros. team, played the Cubs, team #5, on Sat. May 25, it was the hottest day of the year so far, so both teams tired quickly. Between drinks of juice and water through both Pirates & Cubs gave all the fans some exciting baseball to watch. For the Pirates Doug Pinelli made some great plays in the field at 1st base, 2nd base and shortstop. Chris Cockren caught a hard grounder at 3rd base for an out. Chris Bretton played well at 1st base. Kevin Fitzpatrick made a nice play at shortstop and threw to Brian Murphy at 2nd base for a put out. Gerard McNicholas and Michael Walsh played well at pitchers mound. The hitting stars were Jesse Roestenberg, Chris Bretton, Chris Cockren with 6 hits each. Jimmy Carapezza got a hit today too. Everyone else on the team had a couple of hits. Great game.

### Boys Farms Division

On May 25, the day was hot but not as hot as the Blue Jays, team #1, managed by Joe Epifania, bats as they lit up the sky with

baseballs during their 19-3 victory against the Pirates, team #5. Eddie Adolphus, starting pitcher, gave up 3 runs in the first inning but settled down to pitch shut out baseball in the 2nd and 3rd innings. He also hit a 2 run homer in the 1st and a 3 run homer in the 4th. His first and second home runs in the season. With the bases loaded in the second, Anton Berzins hit a line drive to right center field over everybody's head for a grand slam home run and Jason Rogers hit back to back triples in the 1st and 3rd innings. The catching duties were handled superbly by James Burans and Christopher Amoroso. Great fielding plays were made by Shauna Dwevildi, Chris Cinelli, Michael Theis, Matt Sobel and a diving try by Shaunak Dwevildi, Chris Cinelli, Michael Theis, Matt Sobel and a diving try by Robert Epifania. Both Jimmy Skelly and John Lyons reached base in the last inning and scored. David Golris went 2/1, and scored both times and Thomas Dougherty reached base both times he batted.

## Swimming Safety

Oyster Bay Town Councilman Thomas L. Clark (center) joins with his son Stephen, and Fred Vivante, President of Aquascape Pools Inc. in Hicksville, in displaying information on swimming safety. In order to promote the importance of following safety procedures while swimming, Aquascape has teamed up with the National Swimming Pool Institute to help publicize the message.

## Holy Family Science Fair

Recently, the Seventh and Eighth Grade students of Holy Family School, Hicksville, held their annual Science Fair. Pictured are the winners in the three different categories. There were 1st, 2nd and 3rd places awarded in Life Science, Physical Science and Earth Science. Congratulations to the winners and all 60 students who participated.

All the projects were very interesting, creative and well done. Our First Graders were very interested in the explanations given for each project.

retiring Supt. Catherine Fenton. "Thank you for your great efforts." Hicksville Council of PTAs President Peggy Theis thanked everyone for supporting the budget and, referring to PTA's commitment to children and youth, she offered to the board the help of the PTA in the months ahead.

Due to the budget impasse on the state level, no tax rate figures for the coming year have been estimated by the district. The Nassau County Board of Supervisors will set the tax rate in August.

Other items approved by the board include:

\*The rescinding of seven excessed teachers. The Supt. explained that on April 1, the district was informed of all employees who expect to retire this year. In order to fill the vacancies created by these retirements, seven employees who would have been excessed on June 30 were rehired. The former positions held by the excessed personnel remain abolished.

\*Abolition of two civil service posts due to declining enrollment and the closing of Willet Avenue School.

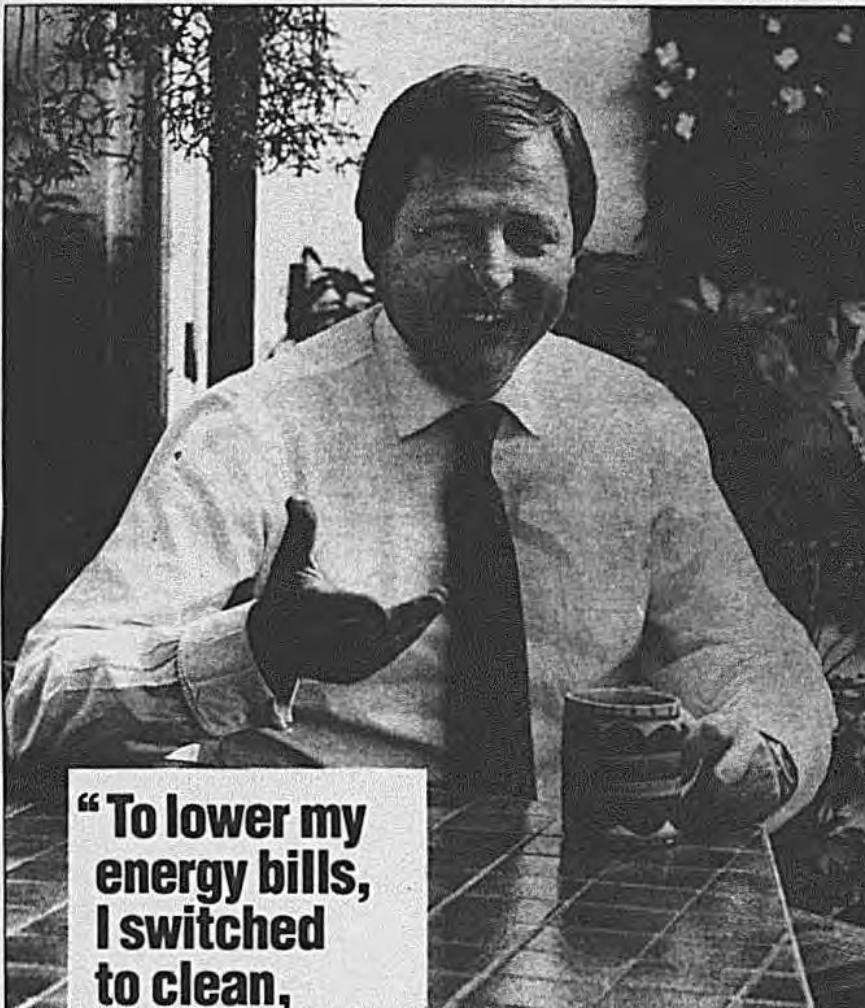

\*A resolution authorizing the sale of \$8,500,000 in Tax Anticipation Notes for the 1991-92 school year.

## Nero, Philly Pops

## At Summer Concert

Peter Nero and the Philly Pops will strike a festive note at the Ninth Annual Summer Picnic Concert on Saturday, June 15 at 6 p.m. at Old Westbury Gardens. The evening benefits North Shore University Hospital in Glen Cove.

Pack your favorite picnic supper and treat your entire family to an evening of fun, lilting music and a fireworks extravaganza sponsored by the Pall Corporation. The delightful music of the Philly Pops begins at 8 p.m. on the North Lawn of the Gardens.

"The music, the picnics, and the fireworks all add up to a feast for the senses," said Innis O'Rourke, Jr., Chairman of the 1991 Summer Picnic Concert. "And what makes it all the more enjoyable is knowing we are helping a hospital that is so valuable to our community."

North Shore University Hospital at Glen Cove, a 265 bed hospital, is part of the North Shore University Hospital network, a regional health care, medical research and education complex located in Manhasset and Glen Cove.

Prior to the concert, a cocktail reception, sponsored by Norstar Bank, will be held for Special Friends, Benefactors, Patrons and Sponsors on the South Lawn Terrace between 6 p.m. and 7 p.m.

Tickets are \$50 for adults and \$15 for children under 15 and must be purchased in advance. For more information about tickets and sponsorships, please call (516) 562-1594.
