LILCO Volunteers Gear Up

LILCO volunteerism gears up for another busy year. Hicksville resident Debbi Dellavecchia, sitting 2nd left, was recently elected as a board member for the LILCO Lamplighters. This employee volunteer organization helps to improve the quality of life in Long Island communities. The Lamplighters feature the LILCO Lighthearted singers who sing their hearts out to raise funds for worthy causes, and a clown troupe that spreads laughter at nursing homes and other local facilities. The Lamplighters also reach out to non-profit groups by donating collected food and clothing. Dellavecchia and other new electees were recognized by fellow employees at the Lamplighters Annual Awards presentations. They are, standing left to right, Kevin O'Connell, Ben Simmons, Sue Roschak, Rick Vitelli; sitting left to right, Grace Guarino, Cathy Dalton and Mary Griffin.

Voters in the Hicksville Library District which is also the Hicksville School District will go to the polls on April 8. At that time Hicksville residents will vote on the proposed library budget of \$1,999,995, and on one Trustee for the Library. Clara Bennett, the incumbent is running for re-election. She is being opposed by Doretta M. Pavaic.

The new budget is nearly identical to the present budget of \$1,996,794. The estimated tax rate on the new budget is \$1.55 per every \$100 of assessed valuation.

Voting will take place from 10 a.m. to 9 p.m. in the Community Room at the Library.

Plumbing Code Hearing Scheduled

On May 19 the Oyster Bay Town Board will hold a hearing on a proposal to amend Chapter 180, Article VIII of the Town Code which refers to plumbers' licenses, according to Councilwoman Ann R. Ocker.

"The proposed amendment to the code would require each applicant for a plumbers license to provide proof of liability insurance within thirty days of the issuance of a plumbers license," Councilwoman Ocker said. "When applying for a plumbing license renewal each applicant would also be required to provide a certificate of liability insurance prior to the renewal being granted."

that proof of insurance be provided when applying for a plumbing permit. The proposed amendment would broaden this requirement to include proof of insurance when applying for a plumbing license as well.

The hearing is scheduled for 10 a.m. in the hearing room of Town Hall East, Audrey Avenue, Oyster Bay.

Councilwoman Ocker added that the existing code stipulates

History Contest On Hicksville

The Hicksville Historical Society is interested in stimulating young people's awareness of the many fascinating, colorful events in the 344-year history of Hicksville. The society currently is fostering pride in community among teenagers attending the village's public and parochial schools, by sponsoring an essay contest on the topic "An Amazing Event in Hicksville's History: 1648-1991." Hicksville's documented history has episodes corresponding to many of the outstanding events in our state and nation's histories. The village's records date to 1648, only 28 years after Plymouth and the Mayflower!

Cash prizes of \$250, \$150 and \$100 are being offered for the three best researched essays on some Hicksville event, accident or crime which inspired, thrilled or shocked Hicksville's people during any of the four 100-year eras in the community's history: Williams Plantation Period (1648-1745); Division of the Land (1745-1836); Community's Founding and Agricultural Phase (1836-1948) and Hicksville Suburban Development (1948-present).

Essays should approximate 2,000 words, be typewritten in double space, and should contain bibliography of sources as well as footnotes, where needed.

The entry may be a joint-entry, submitted for a single prize. All entries should have the names and addresses of the contestant and his/her parents. The deadline for submitting entries is May 1. Entries may be submitted by mail or in person to Mr. Richard Evers in the Public Library Local History Room, Monday to Thursday afternoons, from 2-5 p.m. Winners and runner-up contestants will be guests of honor and receive their awards at the May meeting of the Hicksville Historical Society.

Contestants are cordially invited to use the research resources of the Local History Room at the Hicksville Public Library. The library historian and room files are available Monday - Thursday afternoons, from 2-5 p.m., and by arranged appointment with the historian.

Board Sets May Ballot: Resumes Business

By Maureen Traxler

After being embroiled in the issue of school closing for the past six months, the Hicksville Board of Education resumed business-usual and approved three propositions to be placed on the May 20 ballot. In addition to the annual school budget and a change in the district's transportation policy, the Board added Proposition #3, an expenditure of funds to support the Gregory Museum.

In the past, an expenditure for the Gregory, a science & geological museum, had been a line item in the school budget, but during last year's particular budget crunch, the Board opted to offer the request for museum funds as a separate proposition. The 1991 proposition passed by a 417 vote margin.

Proposition #3 was by far the most difficult for the trustees. Although they acknowledged strong public sentiment for the museum, trustee Richard Pfaender stated, "Funding of the museum is not technically a school district expense."

After hearing brief remarks by Museum director Joan Kawecki and Treasurer Rosemary Barrow, the board debated the dollar figure to be presented on the proposition. Even knowing full well the financial strain under which the museum operates, Mrs. Kawecki and Mrs. Barrow were uncertain as to the strength of the economic and historic sentiment which would be heeded to carry this proposition to acceptance.

The Board ultimately agreed to a \$40,000 appropriation for the Gregory Museum. Trustee Jim Black pointed out that a \$30,000 appropriation would add two cents onto the tax rate; raising that appropriation to \$40,000 would mean a three cent increase.

Mrs. Kawecki reminded the board that the museum has been a product of the Hicksville community from its inception in 1963, having been started by Gardiner Gregory, a member of the Hicksville science department. She added that the historic building which houses the museum is maintained by the Town of Oyster Bay, and that if the museum was to leave that space, she could not be certain that the Town would continue upkeep.

Additionally, Mrs. Kawecki noted that the small staff is supplemented by volunteers, and that the museum actively seeks funds from other sources, particularly in the field of grant writing.

"We do not wish to strain the community," said Mrs. Kawecki. "We are grateful for your support," added Mrs. Barrow. "Without which we could not keep our doors open, serving the Hicksville Community."

"Hicksville is very fortunate to have a historic site," said William Kelly, resident and member of the district-wide lay budget committee. Mr. Kelly added that many of the committee members lean favorably toward the museum.

Advising the Board on Proposition #1, the School Budget, board Counsel Gregory Guercio urged the trustees not to put forth an exact dollar figure on the printed ballot. He explained that state law allows boards the flexibility to change the figure, up or down, until seven day prior to the vote. He asked the Board not to tie itself into a figure at too early a date. The Board accepted wording for the 1992-93 school budget, but did not at this time include a dollar figure.

The wording for Proposition #2, School Bus Transportation, posed some problems between the trustees and counsel. Counsel advised that the proposition reflect the whole transportation policy, whereas the trustees were concerned that residents realize that under this proposition, transportation eligibility will only change for students in grades six, seven and eight.

The wording was modified to highlight the change in eligibility for sixth graders - mileage increase for eligibility from more than ¾ of a mile from their school to 1¼ miles, and for seventh and eighth graders - a decrease for eligibility from 1½ miles to 1¼ miles. This change would bring all students in the 6-7-8 grades Middle School into uniformity next year. This move would bring no additional funds into the 1992-93 budget then those funds already earmarked for transportation at this time.

In addition to the propositions, residents will be asked to vote for two school board trustees. The seats currently held by James Martillo and Bill Collins will expire on June 30. Prospective candidates must legally file petitions to run for these positions four weeks prior to the actual vote.

Letters

To the editor:

I would like to respond to Mr. Frank H. Willard's letter to the editor regarding the "Firing" of all the currently employed Hicksville Teacher Aides.

Mr. Willard stated, "This case is no different than a Kitchen Helper who peels potatoes and carrots, and then wants to be called and paid as a Chef."

State Education Law clearly states the difference between a Teacher Aide and a Teacher Assistant. The teacher aide duties are clearly defined as clerical. Teacher assistants work individually and with small groups of students, teaching, reteaching, reinforcing, tutoring, and drilling on all academic subjects, under the general supervision of a teacher.

The current teacher aides have been performing the duties of teacher assistant from the start of this program fourteen years ago. The very nature of a special education classroom requires this service. State Education Department, as well as the Nassau County Civil Service Commission, have upheld our claim that, indeed, we have been required to out-of-title work.

In this case, the Hicksville School District hired "chefs", called them "kitchen helpers" and paid them as "kitchen helpers".

Mr. Willard also stated that, "No wrong or harm occurred to them (teacher aides) in the course of their employment." Mr. Willard has not been actively involved in this issue for these past fourteen years; therefore, for him to make a statement of fact is grossly unfair.

On December 2, 1983 I traveled to Albany and met with Commissioners from the State Education Department. At this meeting I was informed that the teacher aides were in jeopardy of personal lawsuits in that to work individually and with small groups of students on academic subjects, as required by the Hicksville School District, required licensing as Teacher Assistants. The following week I met with the former superintendent, along with other administrators, and stated my concerns over this matter. I was assured that as long as we were employed by the Hicksville School District, we had nothing to fear. I then put this in writing as a confirmation to our meeting, and asked for this same information and promise in writing from the District. I asked two questions: 1. If a parent brought a lawsuit against myself or a member whom I represent, would we be represented by the District's attorney? 2. If a judgment were awarded to a parent or child pertaining to this issue, would

it be paid by the District at no cost to the teacher aide? I promptly received a letter stating, "Yes, we would most certainly be represented by the District's attorney." The second question went unanswered. I wrote a second letter asking to have my second question answered. My second letter went unanswered. This school year (91-92) I wrote my two letters once again. Once again my second question went unanswered. By pursuing our lawsuit, we have been protected against personal liability. This most certainly is a wrongful and harmful way to treat dedicated employees.

In addition, the one million dollars in damages that Mr. Willard referred to was one third of our estimated lawsuit for 94 people. It was a figure to begin negotiations with. This figure has been negotiated down considerably in an effort to settle this issue. Mr. Willard was correct when he stated that the superintendent offered to certify the teacher aides. Yet at the meeting where we were fired, the superintendent, along with four board members, stated that we were being fired because we were not qualified. In my opinion, the message is very clear.

The Hicksville School District did not become aware of this problem this school year; in fact they have been aware of and have chosen to ignore it for many years.

This District has not negotiated in good faith. Ultimately a Court of Law will make a decision on this case. I am confident as to the end result. In my opinion, the district shot itself in the foot by ignoring this problem for the past fourteen years, and by firing 31 dedicated employees with the hope that the problem will disappear.

This "Chef" who is called a "Kitchen Helper" intends to see this issue to a fair and just end.

Sincerely,
Linda L. Hild, President

To the Editor:

On Wednesday, April 8, the Hicksville Public Library Board of Trustees will be presenting the library's 1992-93 budget before the electorate for consideration. As President of the Board, I am asking the community to carefully review this budget, which is available at the library. I am hopeful the community will recognize that the trustees are proposing a fiscal plan that reflects current economic conditions while allowing existing services to continue. The Board must credit our new library director, her staff and the membership of the Civil Service Employees Association (C.S.E.A.) library unit for working together to allow

the trustees to offer a new budget nearly unchanged from the current operating budget.

The community will be also provided the opportunity to elect a library trustee to serve for a new term for the position now held by Trustee Clara Bennett. Mrs. Bennett is seeking re-election for this seat and I endorse her candidacy.

Clara Bennett's vast experience and knowledge of the operation of public libraries is virtually unmatched by any trustee on Long Island. Besides serving as a member of the Hicksville Library Board and its immediate Past President, she has prominently served as President of the Nassau Library System. A staunch fiscal conservative, Mrs. Bennett continuously provides our Board with information which allows us to operate our local library in the most fiscally efficient manner. She has repeatedly advocated accounting reforms on the County and the local level for the administration of libraries.

The commitment to community service by Clara Bennett and her husband, Bill, is well known throughout our community. In addition to her dedicated service to our library, Clara has been active with the Hicksville PTAs and the Four-H Club. As a responsive community volunteer, Clara has been recognized as a recipient of the prestigious Hicksville Community Council President's Award for her outstanding contributions to the community.

Please vote on Wednesday, April 8, at the Hicksville Public Library, 169 Jerusalem Avenue, between 10 a.m. and 9 p.m. I ask you to vote YES on the budget and re-elect Clara Bennett as a trustee.

Very truly yours,
Marc Herbst

To the Editor:

WOW! Someone's OX was gored by my letter about teacher aides who were fired by the Hicksville School Board effective March 31. But facts always take precedence over rhetoric and my letter was based on facts gleaned from the cited Teacher Aides Union President's letter:

1. The name of the union "Hicksville Teacher Aides Unit of Civil Service Employees Union" acknowledged member employment as "Teacher Aides" since 1978.
2. Teacher Aides failed to convince the school administration that they were performing duties as "Teacher Assistants" and thus were not trained and certified as teacher assistants by the school district.
3. Teacher Aides could have and should have insisted on performing the duties for which they were hired but chose not to, opting instead to organize, join the CSEA, and attempt to force the district to certify and pay members as teachers assistants. Thus began all the litigation.
4. The Civil Service Commission ordered the school district not to hire any more teachers aides until the litigation was settled. When the number of teacher aides employed by the district dropped below the minimum number required to carry out the mandates for our emotionally handicapped and learning disabled children, Superintendent Salvatore Mugarero proposed a settlement that in-

Letters

cluded certification, and a small cash settlement. The union rejected the offer.

5. Rejection proved money was the union's goal, not certification. The union suit is for the pay difference between teacher aides and teacher assistants going back to 1978 which, along with interest and lawyer fees, amounts to over three million dollars. The union offered to settle for one million dollars, such a sum being almost a clear admission by the District that the aides were performing duties as teacher assistants. Such never was the case and thus the offer could not be accepted. The small cash settlement offered by the district would have paid lawyer fees and ended the litigation enabling the district to begin hiring more teacher aides.

Now as pertains to the OX owner's two questions, the answers are easy.

1. If I accepted a position as a kitchen helper and was then required to peel potatoes and carrots, put them in pots, cook, and serve them even though such duties were not mine when hired and I could not get the job upgraded or be relieved of those duties then there are two alternatives: quit the job or quit bellyaching.

2. His second question is pure educational rhetoric and based on a stupid assumption that within six months the district will recognize it made "a major mistake" in firing the aides and hiring teacher assistants. That scenario will happen. There is no answer to the question.

He also asked "What does the school board expect to gain by firing people doing an excellent job?" The answer is self-evident. No one likes firing people doing an excellent job. However, job performance is not in question. The board had no choice. Services to our children must be continued in the manner required by law. Hiring teacher assistants was the only way to get around the civil service ban on hiring teacher aides. To assure all our emotionally handicapped and learning disabled students were assisted by the same type higher qualified and trained individuals the board had to fire remaining lesser qualified teacher aides. It was not a vendetta against the union. Mr. Mugarero stated in an open board meeting he would rehire all fired union members who qualified as teacher assistants.

For the rest of the OX owner's letter he can stuff his "umbrage" up his nose with all the other umbrage he's been snorting since February 26.

Sincerely,
Frank H. Willard

To the Editor:

I would like to take this opportunity to ask voter support in my bid for re-election to the Hicksville Public Library Board on April 8. I would like to be able to continue my efforts to serve All Of The Community in making our library the best for our tax dollar.

I have actively sought computerization for many years. In addition, I continually sought the means of having our Children's Room open when ever the Library was open in the evenings (as it is now) rather than two nights a week as had been the policy in the past. I am continuing in my efforts to in-

crease the story hours being brought to our children and hope to see the day when we will have more for them in the evening so that children who are in charge of caregivers during the day have the same opportunities as children who are not. I feel that these programs are of extreme importance to our young children in developing good reading habits at an early age.

I have also been instrumental in bringing many library services to the disabled and am pleased that our Library is in compliance with the Americans With Disabilities Act of 1992. Once again I ask for your support for my re-election on April 8.

Sincerely,
Clara T. Bennett,
Trustee

To The Editor:

The Concerned Citizens of Hicksville (CCH) at their membership meeting, of March 17, have endorsed, by majority ballot, by the membership in attendance, the election of David Staton, and Voley Martin to run for election to the Hicksville School Board, on May 20.

Mrs. Linda Mirro, and Paula Iacovissi, were also nominated by the membership in attendance at the March 17 meeting, but did not receive the required number of votes for selection, however, they are designated as our alternate candidates if the need arises.

The CCH is confident that Mr. David Staton, and Mr. Voley Martin will succeed and be elected by this Community on May 20, and return Integrity, Competence, and Leadership to the 1992-93 Hicksville Board of Education.

Students Have Place In World

The children in Mrs. Fuch's Kindergarten classes at the Lee Avenue School (a.m.) and the Woodland School (p.m.) are learning that they have a special place in the world. It is part of the Social Studies unit, "My Place In The World," whose main concept is identifying the world as a big place but knowing that they have a place in it and that they can find that place by using maps and understanding symbols.

Previous to this activity, the children had mapped their room and their street and on St. Patrick's Day they followed a map (written in different sections on shamrocks) around the school for the lost pot of gold. One shamrock led to another, and in Lee Avenue they found the gold in Mr. Mateer's office under his desk!

The children had a great time and successfully read each segment of the map.

Jottings From Yesteryear

By Bill Clark

When was the last time you shook a quart of milk to mix the cream? The bottled milk had the darker color cream on top. I know, especially the time I got home in early morning. Not wanting the milk already delivered to freeze, I set it inside the door. A good idea, but it sure didn't help me when asked what time I got home. My folks said it was the first time our milkman left milk inside the house.

That memory goes back to other times when I traveled the LIRR and the trolley to Brooklyn weekends to see my wife-to-be. I left at 1:10 p.m. from Hicksville to get to her home after 3 p.m., so we could have a dinner and theater in New York and

bring her home by 11:30 p.m., and I could catch the last train at 12:07 a.m. at Atlantic Avenue. The 12:20 a.m. would only go to Mineola. Then I would walk or hitchhike home. Miss that, and I would arrive at Mineola about 5 a.m. then stand at Franklin Avenue and Old Country Road. A milkman, many times, would pick me up and we would do his milk route through Carle Place to Hicksville by 6 a.m. Then I would leave again at 1:10 p.m. and repeat the trip. Ah! --Youth, ---Love.

Hicksville Long Island Math Fair

Nine Hicksville students represented the high school at the western regional preliminary round competition of the Alfred Kalfus Long Island Math Fair on Friday, March 20. This annual event brings together students from grades 7 through 12, from all over Long Island, in friendly competition aimed at stimulating their curiosity about mathematics. The fair gives them the opportunity to pursue ideas and topics beyond what is usually done in the classroom. Sixty-two workshops were held with an emphasis on having fun while using math manipulatives and problem solving techniques. Over 400 students presented their ideas on topics ranging from the abacus to Zeno's Paradoxes. Hicksville students

presented their ideas on such diverse topics a new variation on the game of chess, Taxicab geometry, the golden proportion, fractals, magic squares, great mathematicians, geometry in art, and thoughts about infinity.

The experience of working through a new idea, writing a paper about it and then presenting their thoughts to a panel of judges was an exciting and valuable one for the Hicksville students.

Hicksville High School math teacher Michael Buttgeriet, along with his wife Marjorie, presented the workshop "Showdown at the Math Corral." The object of this workshop was to eliminate the opponent with a quick draw using mathematic skills as a weapon.

Board Sets May Ballot: Resumes Business Continued From Page 1

In his monthly report to the Board, Superintendent Sal Mugavero noted that the board has been holding budget workshops. He added that the budget to be proposed later this month will be a "decreased budget" and will have a "decreased tax rate." "There is no chance that it will be any kind of an increase at all," he stated.

"The Administration is proud of the budget to be presented to the board," said Mr. Mugavero. The Board's public budget hearing will be held on Wednesday, April 29.

Mr. Mugavero noted that the renovations at the Middle School are "going beautifully." He added that to date the renovations are being completed with district personnel and at no additional cost. He briefly touched on the High School's anti-graffiti program, aimed at defusing the recent rash of unsightly graffiti around town.

On personnel matters, the board granted tenure to 25 teachers and administrators, including Dr. Daniel Kremin (Director of Special Education) and Rosemary Plant (Assistant Director of Special Education) and Barbara Horsley (Chairperson, Guidance 6-12).

The Board also terminated 31 Teacher Aides, and appointed 54 Teaching assistants. Four of the former aides were appointed as Teaching Assistants. In addition, the following appointments, effective July 1, were made:

Stephen Aronowitz - Supervisor, Liberal Arts K-12; Robert Kenney - Director, Health, Physical Education, Athletics, Recreation & Driver Education; Chester Singer - Supervisor, Math and Science K-12; Raymond McDonough - Dean of Students, High School; Anthony Johnson - Coordinator, Curriculum Materials Center and Library Management K-12.

Board President Carol Wolf and Trustee Rich Pfander publicly thanked the Teachers Aides who were terminated. In thanking them for their service and dedication to the children, Mr. Pfander wished them all well in whatever endeavors they pursue. Adding that she is "happy we are moving ahead in education," Mrs. Wolf also remarked that she is very sad for the people who will be leaving.

The Board awarded bids for renovations to the high school science rooms in the amount of \$179,282. These funds will be allocated in the 1992-93 school budget. Trustee Arlene Rudin noted that the bids on science lab work came in "significantly lower than we originally anticipated." These contracts - general construction, heating ventilating and air conditioning, plumbing and electrical will be for work to be completed this summer, assuming the school budget is passed.

The board's meeting schedule for April includes committee meetings on April 15, a budget meeting on April 27, the annual budget hearing on April 29 and the regular Board of Education monthly meeting on Thursday, April 30.

Story/Photos by Dick Evers
 Hicksville's community spirit and pride were quite evident this past Wednesday. Over 400 long-time residents and native sons and daughters of the village visited the refurbished historic home of the late civic leaders, Dr. Elwood and Mrs. Anna Curtis. They were guests of the proprietors of the soon-to-be Curtis House Restaurant, Brigitte Young and Nick Koutroumanos. For over eight hours, the landmark building on West Nicholas St. was filled with a radiance reflecting nostalgia, reminiscence, old-school reunion, happy curiosity, camaradery and pride in community history. Dining on a savory, warm buffet prepared by a battery of cooks and served by lovely waitresses, guests who comprised a veritable cross-section of Hicksville leaders and notable residents enjoyed happy recollection and company. An old-time atmosphere had been created by forty large photographs of bygone Hicksville days, prepared by Edward Bady, and drawn from the splendid photo collections of the Hicksville Public Library, Gregory Museum and William "Bill" Clark. The photographs will remain a living attraction when the restaurant is opened shortly.

Students Earn Honors At VICA

Hicksville High School seniors and Nassau Tech students Osvaldo Herrera and Kathy Campione were among those who won awards at the recent New York State VICA (Vocational Industrial Clubs of America) Conference. Held at the New York Institute of Technology in Central Islip on March 12, the regional conference attracted approximately 800 occupational education students and featured a variety of leadership and skills competitions.

Kathy won second place for her demonstration of data entry skills acquired in the Computerized Business Operations program at Nassau Tech's Westbury Center, where she is in her second year of study. Osvaldo, a second-year student in the Commercial Arts program, earned third place for his design of a VICA pin.

Operated by the Board of Cooperative Educational Services of Nassau County, Nassau Technological Center offers occupational training in 30 different subject areas to high school students from all over Nassau County as part of their public education. Students spend a half day at their home school and the other half at Nassau Tech, developing marketable skills. All students are encouraged to participate in VICA, which sponsors a number of leadership activities as well as competitions like this one.

As the Curtis House gala began (L-R) Newsman John Gargar; Mrs. Brigitte Young, amiable, striking co-proprietor; Mrs. Anna (Curtis) Sheehan who grew up in the historic house, and Library/Gregory Museum historian, Richard Evers.

Restaurant hostess, Alina, helped greet guests and old friends, such as Mr. and Mrs. Bill Hnatuk.

Celest Watman, Director of Hicksville Public Library, and civic leader, Sieg Widder, were warmly greeted by Curtis House Restaurant owner, Brigitte Young, who has spared no pains to restore/preserve the historical importance of the Dr. Elwood Curtis home.

Edward Bady's great photo reprints from the Library/Gregory Museum local history collections are a historical backdrop to the wonderful buffet delicacies which charmed so many palates over the 8-hour Curtis House 'preview' party.

Two Gregory Museum volunteers oblige the camera: Trustee Debbi Weintraub and volunteer photographer, Edward Bady, whose pictures wonderfully preserve Hicksville history.

Hicksville's Fire Dept. is represented here in persons of native residents, ex-chief Owen and Mrs. Magee (right), and ex-chief/Commissioner Medard and Mrs. Ofenlock (left).

Enjoying the geniality, music and refreshments are Gregory Museum notables (L-R): Museum Director Joan Kaweck; Trustee/Treasurer, Rosemary, and volunteer, Warren Barrow. In their good company are Mrs. Eather "Dimps" Munch, and Mrs. Eleanor Pat (Evers) Hodkinson.

On hand for momentous historical preservation events in Nassau County and most welcomed in Hicksville's tribute to the late Dr. Elwood and Mrs. Anna Curtis are President and Mrs. Denward Collins of the Nassau County Historical Society (left); Edward Smits, Director of Nassau County Museums, and Mrs. Louise Shinick of Nassau Museum staff.

Anne Evers, Gregory Museum volunteer - always in the best company - with Library Trustee Anthony and Mrs. Julie Previte, and ex-School Board and TOBAY attorney, Joseph Catalano who lent his expertise to the Curtis House gala.

Peggy Theis, President of Hicksville Council of P.T.S.A.s (left) and Maureen Traxler, Middle School P.T.A. President and sterling reporter for Mid-Island Times.

Ann Telasco, Director, and Connie Mohar, teacher, from Hicksville's Woodbury Music and Dance Art Studio.

Mrs. Walter Rehauser and John Tuechler at head of table of folks from Hicksville Historical Society.

Tom and Mary Carton and Charles and Jean Cunningham enjoyed the Curtis House frolic.

Parties in historic houses call for proper attire. Chris Doyle of Division set the mood early with his top hat, frock coat and cane.

VFW Post 3211 News Notes

By PPC Carmine A. Somma
Prior to the Hicksville Community Council Meeting on March 12, Wm. M. Gouse, Jr., Post 3211 V.F.W. Commander Vincent Ferrara presented a new American flag to be displayed in the Library Community Room. Accepting the flag was Library Board Trustee and V.F.W. member Tony Previte. The old flag, which hung in the library for 30 years, will be folded and remain at the library.

V.F.W. Post 3211 Commander Vincent Ferrara presented a new P.O.W./M.I.A. to Ed. Draycott, who takes care of the flag at the John F. Kennedy Park.

"Newsbriefs P.O.W./M.I.A."
Americans have been bitten by the patriotic bug. Yellow ribbons and flags have been flying all over the nation for the past year. Now that the war is over, I hope that we can still stand together for another cause - the freedom and truth about the P.O.W./M.I.A.'s in all the wars. There were no yellow ribbons or parades, but most of all, we left behind our soldiers in foreign countries and only a few seem to care.

Now is the time for Americans to Stand up and demand the facts. Just as we ended the Gulf War quickly and will bring home our soldiers, we must do the same for our men and women who are missing. We are now talking about soldiers who are still unaccounted for or left imprisoned in Europe, Korea, Vietnam, Laos, Cambodia, and other communist countries.

Here are some things we can do to help. Write to the President, your Senators and Congressmen, and demand that they bring home our missing heroes. Don't take down your yellow ribbons. Instead, add black ribbon to your yellow ribbons and display them proudly. Tell your neighbors that the black ribbon represents the P.O.W./M.I.A.'s in all the wars.

A year has gone by, on April 7; it was a "Parade of Thanks" to our boys from the Gulf War. The parade began at the V.F.W. Hall on South Broadway, the site of the Support Group's weekly meeting and under whose auspices the group developed, marched up Broadway to the Memorial Fountain and Kennedy Park. Residents all along the route waved flags and sported red, white and blue; yellow ribbons adorned every pole and tree, and well-wishers clapped and cheered for each parade contingent. Fire Department equipment held a huge American flag suspended over Broadway at the Memorial Fountain, and as the parade marched beneath the firemen blasted their horns. Residents danced and sang along to patriotic music provided by Hicksville disk jockies E.J.M. This was one parade no one will ever forget for our "Gulf G.I.'s" who returned home safe and sound.

The marchers who participated were V.F.W. Post Colors and members from Plainview, East Meadow, Levittown, Bellmore, and Oyster Bay, led proudly by the Wm. M. Gouse Jr. Post 3211. The flags

of Hicksville Charles Wangner Post 421, Jewish War Veterans and Vietnam Veterans riding in an army half track vehicle. At one point an Army helicopter added its chopper blade staccato to the marchers and viewers below.

Groups of youngsters from the Hicksville Youth Council, Hicksville Elks Club, members of the Boy and Girl Scout units, and lovely lassies from Our Lady of Mercy School twirlers and cheerleaders, and representatives of the Knights of Columbus Masonic Lodge of Hicksville marched. Notable among the political leaders striding in single line were Assemblyman Fred Parola, Town Councilman Tom Clark, and Dennis Dunn, Nassau Director of Veterans Services.

'Annual Parade & Memorial Day Service'

The Masonic War Veterans will be hosting the Annual Memorial Day Service on Sunday, May 24. The Veterans Groups of Hicksville will have their annual Memorial Day Service at Planeland Cemetery on Old Country Road. Assembly time is 8:30 a.m. Kick-off time is 9 a.m. All are welcome.

Comrades and Sisters of the Post go to the gravesite of Wm. M. Gouse, Jr. in Westbury. The Post is named after him. At 10 a.m. there will be U.V.O. service at Veterans Monuments at Eisenhower Park. At 2 p.m. there will be a Memorial Day service at the L.I. National Cemetery in Farmingdale.

On Monday, May 25, the Annual Memorial Day Parade takes place. For more information call the Masonic War Veterans at 931-9859.

D.A.V. Volunteer Transportation Network

Elderly, sick, and indigent veterans who have been unable to get to Northport V.A. Medical Center for needed medical treatment now can get transportation to the facility through the Disabled American Veterans Volunteer Transportation Program. Volunteers who enroll in the program will be assigned to a V.A. van, and liability protection is furnished by the Federal Government. This service is free to all veterans of the Northport Medical Center, regardless of affiliation. For more information on the Disabled American Transportation Program, volunteers are encouraged to contact Mr. Raymond B. Desmond, Sr., Northport V.A. Medical Center, 79 Middleville Road, Northport 11768, or call (516) 261-4400 (Ext. 7487).

Our Membership Chairman Dennis Ladislav is happy to announce the Post made 100% for the coming year. A speedy recovery to Comrades, and Sisters, and their families who have been hospitalized the past month; John Rizzo and Frank T. Rienzie.

If you are a Pearl Harbor survivor interested in joining this group, call Mike Montelione at 939-2754.

Happy Birthday to Al Nendza. Congratulations to P.P.C. Carmine A. Somma and his wife, Rose, celebrating their 36th Wedding Anniversary; also to P.P.C. Connie Steers and his wife, Cherie, celebrating their 21st Wedding Anniversary.

The Post welcomes new members John Campolettano, U.S. Army W.W.II; George Bowine, U.S. Army W.W.II; Francis Grande, U.S. Army W.W.II; James Roby, U.S. Navy; and Albert Poggioli, U.S. Army.

At Bethpage H.S. Alumni Assn

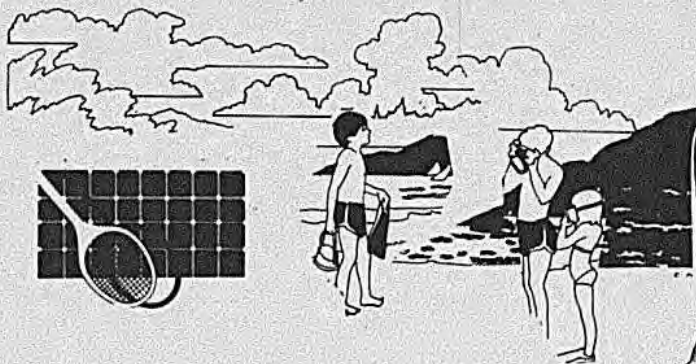

The Student Civic Association of Bethpage High School, which is coordinated by Mr. Terrence Clark and Ms. Carol Morawski, organized an Alumni College Fair in January for the current students of Bethpage High School. Graduates returned for a breakfast program and then volunteered to staff college tables during the morning. Bethpage students were invited to talk to the graduates about the program, the activities and the opportunities in 50 different colleges. Several of the students also assisted in forming a computer club that outlined software programs that are very valuable in college.

The Alumni Association was formed by Mr. John Rager and is run with the assistance of the Student Civic Association. Students who are interested in finding out more information about the Alumni Association should contact Mr. Clark at the High School or Kathryn Farand at 799-9276.

K Of C Old Timers Night

On Tuesday, March 17, Joseph Barry Council 2520 K of C, held its Annual Old Timers Night - the night when the Council honors its 25-year, Honorary and Honorary Life members. This year, we honored 28 25-year members, 9 Honorary and 17 Honorary-Life members. Present at the Old Timers Night was one of Joseph Barry's oldest members - John Dooley, who has 76 years membership. Also present was Father Hugh Cannon, Past Chaplin of Joseph Barry and

now Pastor of Pius X Church and Chaplin of Pius X Council K of C, and Father Frank Sacks who assists at St. Ignatius Church on Sunday mornings.

Following the business meeting a social followed, chaired by Past Grand Knight Frank Gariboldi. The members were entertained by "Karaoke Music" and many members took to the stage to sing.

Refreshments were prepared and served by Lecturer Brian Dunker and his faithful kitchen help. A fun night was had by all.

Honorary Members Bill Collins, Heinz Baumgartner, Mike D'Antuono, John Wenck, Dominick Santoriello.

Honorary Life Members (front) John Wenck, Frank Lambert, Mario Antonucci; (rear) Heinz Baumgartner, Bill Collins, Jack Mulholland, Medard Ofenloch, Dominick Santoriello.

State Warden Jim Carroll and Grand Knight Steve Stielle presenting past Grand Knight and 70 year member John Dooley an award.

Ed McCann receiving his 25th year award from Grand Knight Steve Stielle.

Three of the entertainers for the evening, from left to right, Jim Rogan, Steve Powell, and Mike Murphy.

Library Wins Nat. Achievement Citation

The Hicksville Public Library is a recent recipient of the Public Library Association (PLA) National Achievement Citation for its innovative program, "CLUE-Computer Literacy, Use and Education." The award was presented to the library at the PLA's March 18 "Very Best" Workshops - 1992 Chicago Cluster.

According to the Citation Selection Committee, the program "significantly increased computer skills, particularly for persons with disabilities, by providing free instructions." Hicksville was one of only 23 libraries nationwide to be awarded a National Achievement Citation.

Responding to the needs of the community, the library acquired computers and software. To encourage public use, computer classes were held. In an effort to provide computer access to the blind and visually impaired, special software and a voice synthesizer for the computers was acquired. A blind

computer instructor was hired to teach computer skills.

To promote computer education for children and their parents, in October, 1991, the Children's Services Department demonstrated 21 new software programs. Additional up-to-date educational software was provided and made available to pre-schoolers and elementary school children.

By introducing this program, the library became a resource center for educational software, was able to provide computer access and education to the blind and visually impaired and continues to play a vital role in the development of computer skills among children.

The National Achievement Citation program was created in 1991 by the PLA, a division of the American Library Association, to give nation-wide recognition to significant, innovative activities that improve the organization, management or services of public libraries.

Gulotta Greets Brass Band Director

Nassau County Executive Thomas S. Gulotta, right, recently met with Dr. Kirby Jolly, who is a Jericho resident and the Director of the Old Bethpage Village Brass Band, to discuss his trip to Ireland. Dr. Jolly traveled with The Irish Brigade, an Irish historical group based on The Irish Brigade that volunteered to fight in the United States War of 1776, to Dublin, Ireland to march in the St. Patrick's Day Parade.

Students Write To Famous People

As part of their Language Arts program, Miss Halpern's Fork Lane sixth grade class wrote letters to famous people and businesses. The students were very excited and many received responses.

Michael Conklin received a wonderful letter from Mr. Michael S. Modell, of Modell and Company Sporting Goods. He also received a McGregor

Basketball and a Yankees water bottle.

Bryan Sarandrea received an autographed picture from Isaiah Thomas of the Detroit Pistons basketball team.

Steven Hupfer received a personalized autographed picture from Billy Joel and a biography of his life.

The class is anxiously awaiting replies from many other famous and interesting people!

**HBA L. League
Opens Season**

After a full year of preparation by Volunteer Board Members, the big day is finally here. On April 11, our 1992 Season begins. This year we also celebrate our 40th Anniversary with Little League.

A parade commemorating opening day will begin the celebration at 12 noon. Children, managers and coaches will meet at Old Country Road School at 11:30. They will line up with team members and dignitaries and parade from Old Country Road School along Levittown Parkway to Abe Levitt Complex. An official ceremony with Town of Oyster Bay dignitaries will start our season, as the first pitch will be thrown.

As the season begins let's all remember we are here for the children. We at HBA do our best to make each season a success. Parents, come to the games and cheer on the players. Also socialize with community members. It can be fun for all. Let's all do our share to make the 1992 Season better than last year.

A favorite poem of mine brings to light how these children feel when they approach the plate. Our actions as spectators can mean everything to each and every child. I'd like to share with you this poem and we will have an idea of how this little batter feels at this most important time:

Just A Little Boy

He stands at the plate

with heart pounding fast.

The bases are loaded;

the die has been cast.

Mom and Dad cannot help

him;

he stands all alone.

A hit at this moment

would send the team home.

The ball meets the plate,

he swings and he misses.

There's a moan from the

crowd

with some boos and some

hisses,

A thoughtless voice cries,

"Strike out the Bum."

Tears fill his eyes,

the game's no longer fun.

So open your heart

and give him a break

For it's a moment like this

a man you can make.

Keep this in mind, lest some

one forget

He's just a little boy and

Not a man yet!

So come on out and enjoy the games with your children and let's all make 1992 season the best one yet!

**Hicksville Hawks
Soccer Update**

By A. Blicher

The Hicksville Hawks, travelling soccer team, playing in the Under-19 age bracket, opened their Long Island Junior Soccer League season with a 1-1 tie, against the Wantagh Cosmos, on March 15, at the latter's field. On March 28, at Grumman Field, the Hawks began defense of last year's New York State Championship. Playing in the Under-17 age bracket, for the New York State Cup, the Hawks defeated the Bayside Eagles 3-1, proceeding to the next round, which will be played on April 11.

The Eagles lone tally came on a penalty shot, late in the game. On March 29, at Grumman Field, the Hawks scored a smashing 6-0 victory over the Bayside Eagles '72 in regular LI Junior League play.

Dimitry Drouin, in goal, anchored a great defensive effort on the part of the Hawks, ably assisted by defensive players, Richard Kotschau, Mike Longo, Tommy Basaranlar, Danny Longo, Eric Blicher and Scott McLaughlin. The offense, led by David Baumritter, who has four goals, including the only tally, on March 15, and two on March 28, is now in high gear. The other scorers were Stephen Fox on the 28th, Richard Kotschau with two on the 29th, and Kevin Koehn, Tommy Basaranlar and Neil Tomlinson, each with one, on the 29th. The balance of the players, each of whom contributed to the 'as yet undefeated season, are Danny Bell, Earl Dennis, Andre Parris, and Lee Passavin.

Congratulations to the Hicksville Hawks players, as well as Coach John Fitzgerald, Assistant Coach Pat McHugh and Administrator Brian Koehn for a great start to the soccer season. Speedy get well to Ralph Schimmenti who is unable to play due to a leg injury.
