Forward

We hope that this yearbook will remind you of the special times and wonderful friends you had during your years at Hicksville Jr. High. Memories are wonderful thoughts but remember that we should all be thinking of the future for we will have to spend the rest of our lives there !

Dedication

The Class of '85 has decided to dedicate this yearbook to Mr. Jack Klein. His patience, understanding, and guidance is deeply appreciated by the students of Hicksville Jr. High. He always has time for us and cares about our problems as though they our his. Thank you, Mr. Klein!

Mr. J. Klein

Hicksville Public Schools

June 1985

Dear Graduates:

You have just completed a very important phase of your education. During the past three years many changes have been occurring. During that time you have learned many new things in the various subjects you have studied. All of this knowledge should serve you well as a foundation for continuing your education at the high school level. At the same time you have been growing physically and emotionally. You have developed a much better sense of how to best deal with problems and frustrations, as well as how to relate to others in a social situation. In short, you have been making the transition from childhood to adulthood.

What is in store for you now? High school should be a wonderful time of continuing friendships, making career decisions, and participating in many exciting student activities. Above all, it is a time for hard work and self-discipline, so that you can acquire the knowledge that you will need for successful entry into the world of higher education or work.

You should be confident in your ability to handle the responsibilities of the next three years. By successfully completing the junior high school course of study, you have demonstrated that you are ready to move on to high school. Have faith in yourself and you will eventually realize all of your potential to become a productive member of our society.

While we at the Junior High School will miss you, we are pleased to see you move forward in life's progression. We wish you the best in all of your future endeavors, and look forward to seeing you again in future years.

Sincerely yours,

Gerald Klein, Principal

1985 Yearbook Staff

Robyn Price, Editor

Putting together a quality yearbook is very much like putting together a rather complex puzzle. It requires time, patience, cooperation and a lot of hard work. This yearbook is truly the product of all factors that have been mentioned plus a great deal of personal sacrifice and dedication by the students.

A special thanks goes to Mrs. Sue Wolf for her guidance, direction, and editorial supervision. Also to Mr. Bill Owens for being my public relations director. The typing credits go to three wonderful people; Mike DeFina, Jo Costa, and Barbara Trent. We couldn't have done it without you!

Student Council

The purpose of the Hicksville Junior High School Student Council is to develop with the school community the spirit, ideas, and practices of good citizenship.
